Cultural Struggles Dwight Conquergood
2013-05-22 The late Dwight Conquergood's
research has inspired an entire generation of
scholars invested in performance as a

meaningful paradigm to understand human interaction, especially between structures of power and the disenfranchised. Conquergood's research laid the groundwork for others to engage issues of ethics in ethnographic research, performance as a meaningful paradigm for ethnography, and case studies that demonstrated the dissolution of theory/practice binaries. *Cultural Struggles* is the first gathering of Conquergood's work in a single volume, tracing the evolution of one scholar's thinking across a career of scholarship, teaching, and activism, and also the first collection of its kind to bring together theory, method, and complete case studies. The collection begins with an illuminating introduction by E. Patrick Johnson and ends with commentary by other scholars (Micaela di Leonardo, Judith Hamera, Shannon Jackson, D. Soyini Madison, Lisa Merrill, Della Pollock, and Joseph Roach), engaging aspects of Conquergood's work and providing insight into how that work has withstood the test of time, as

scholars still draw on his research to inform their current interests and methods.

Morally Corrupt Veronica Lancet 2021-04-14
Bianca Ashby, a certified sociopath with an obsession for her husband, tries to juggle two lives - the demure NYPD Chief Commissioner wife, and the perfect Bratva assassin; all the while keeping her husband safe and blissfully unaware. But when high-level corruption and a personal vendetta raise the stakes, no one is who they say they are; least of all Bianca's perfectly dull husband Theo. From glitzy New York ballrooms and charity events to underground sex rings, drugs, and illegal fights, the best pretender wins it all.

The Mastermyr Find Henry T. Brown 1999-12-21
The chest was found in Mastrmyr on the the island of Gotland, Sweden in 1936. More than 200 objects were found in and around it. Most are tools that were used by blacksmiths and carpenters, many of them amazingly modern in appearance.

Heritage, Memory and the Politics of

Identity Yvonne Whelan 2016-04-22 The study of the cultural landscape has gained momentum in recent years, revealing new insights to geographers, archaeologists, sociologists and architects. The cultural landscape is often viewed as an emblematic site and thus a key player in the heritage process. This book explores the overlapping and often complex relationships between identity, memory, heritage and the cultural landscape. It provides an overview of new approaches in the study of these relationships, combined with evidence from Ireland, England, Scotland and the United States. These case studies demonstrate the significance of the past in the contemporary construction of identity narratives and draw attention to the powerful role of monuments and parades as sites of cultural heritage. The focus then shifts to the way in which heritage has become politicized for various ends, demonstrating the changing perception of

particular heritage sites and buildings, and the role that this has played in constructing and reconstructing particular identities.

My Name Is Pink Veronica Lancet 2021-01-02 Pink-Femme Fatale Artemis-Deadly Assassin Bianca-Shy Socialite All three have something in common-they love the same man. But can he love them all? Theodore Hastings fucked Pink, married Bianca, and fought side by side with Artemis. But this sick game of fuck marry kill is not that simple. Not when all three are the same person. And this is how it all started. My Name Is Pink is the prequel to Morally Corrupt, and it depicts the budding relationship between Theo and Bianca. It ends on a HFN cliffhanger. Please be advised that it contains mature themes and triggers that might upset some readers.

The Dance; Its Place in Art and Life Margaret West Kinney 1924

Journal of Petroleum Technology 1985

Islands of Identity Samuel Edquist 2015-01-31 Islands of Identity: History-writing and identity

formation in five island regions in the Baltic Sea Gotland, Aland, Saaremaa, Hiiumaa and Bornholm are five island regions in the Baltic Sea which constitute, or have until recently constituted, provinces or counties of their own. Combining perspectives from two disparate academic fields, uses of history and island studies, this book investigates how regional history writing has contributed to the formation of regional identity on these islands since the year 1800. The special geographic situation of the islands-somewhat secluded from the mainland but also connected to important waterways-has provided their inhabitants with shared historical experiences. Due to varying geographic and historical circumstances, the relationship between regional and national identity is however different on each island. While regional history writing has in most cases aimed at integrating the island into the nation state, it has on Aland in the second half of the 20th century been used to portray its inhabitants

as a separate nation. Dramatic political upheavals as the World Wars has also caused shifts in how regional history writing has represented the relationship to the mainland nation state, and has sometimes also resulted in altered national loyalties.

We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Liberty Lady Pat DiGeorge 2016-11-01

LIBERTY LADY is the true story of a WWII bomber and its crew forced to land in neutral Sweden during the Eighth Air Force's first large-scale daylight bombing raid on Berlin. 1st Lt. Herman Allen was interned and began working for his country's espionage agency, the OSS, with instructions to befriend a businessman suspected of selling secrets to the Germans. Soon Herman fell in love with a beautiful Swedish-American secretary working for the

OSS, their courtship unfolding amid the glamour and intrigue of wartime Stockholm. As Swedish newspapers trumpeted one of the biggest spy scandals of the war, two of the main protagonists walked down the aisle in a storybook wedding presided over by the nephew of the King of Sweden.

Eyewitnessing Peter Burke 2001 *Eyewitnessing* evaluates the place of images among other kinds of historical evidence.

Shrines and Pilgrimage in the Modern

World Peter Jan Margry 2008 The modern pilgrimage—to sites ranging from Graceland to the veterans' annual ride to the Vietnam Veterans Memorial to Jim Morrison's Paris grave—is intertwined with man's existential uncertainties in the face of a rapidly changing world. In a climate that reproduces the religious quest in seemingly secular places, it's no longer

clear exactly what the term pilgrimage infers—and *Shrines and Pilgrimage in the Modern World* critiques our notions of the secular and the sacred, while commenting on the modern media's multiplication of images that renders the modern pilgrimage a quest without an object. Using new ethnographical and theoretical approaches, this volume offers a surprising new vision on the non-secularity of the "secular" pilgrimage. "This book will be sure to stoke our intellectual fire and heat up the discussion over the highly charged topic of secular pilgrimage."—Simon Bronner, Penn State University

Nineteenth-Century Nationalisms and Emotions in the Baltic Sea Region 2021-07-19 This volume explores the production of loss in nationalist discourses during the long nineteenth century in the Baltic Sea region - how the notion of loss was charged with emotions in political writings, lectures, novels, paintings, letters and diaries.

Historia Norwegie Inger Ekrem 2003 Written

during the second half of the 12th century, the *Historia Norwegie* presents a lively and Christianised account of Norwegian history, particularly of the 10th century.

The Scandinavian Times 1968

Northern memories and the English Middle Ages

Tim William Machan 2020-05-18 This book provocatively argues that much of what English writers of the seventeenth, eighteenth and nineteenth centuries remembered about medieval English geography, history, religion and literature, they remembered by means of medieval and modern Scandinavia. These memories, in turn, figured in something even broader. Protestant and fundamentally monarchical, the Nordic countries constituted a politically kindred spirit in contrast with France, Italy and Spain. Along with the so-called Celtic fringe and overseas colonies, Scandinavia became one of the external reference points for the forging of the United Kingdom. Subject to the continual refashioning of memory, the region

became at once an image of Britain's noble past and an affirmation of its current global status, rendering trips there rides on a time machine.

Swedish Voters in Chicago, 1888 Nils William Olsson 1999 Page column headings: No., Name, Address, Prec., Ward, Residence, Naturalization, Court.

Negotiating the North Sarah Semple 2020-06-11 This book brings together the cumulative results of a three-year project focused on the assemblies and administrative systems of Scandinavia, Britain, and the North Atlantic islands in the 1st and 2nd millennia AD. In this volume we integrate a wide range of historical, cartographic, archaeological, field-based, and onomastic data pertaining to early medieval and medieval administrative practices, geographies, and places of assembly in Norway, Sweden, Denmark, Iceland, the Faroe Islands, Scotland, and eastern England. This transnational perspective has enabled a new understanding of the development of power

structures in early medieval northern Europe and the maturation of these systems in later centuries under royal control. In a series of richly illustrated chapters, we explore the emergence and development of mechanisms for consensus. We begin with a historiographical exploration of assembly research that sets the intellectual agenda for the chapters that follow. We then examine the emergence and development of the thing in Scandinavia and its export to the lands colonised by the Norse. We consider more broadly how assembly practices may have developed at a local level, yet played a significant role in the consolidation, and at times regulation, of elite power structures. Presenting a fresh perspective on the agency and power of the thing and cognate types of local and regional assembly, this interdisciplinary volume provides an invaluable, in-depth insight into the people, places, laws, and consensual structures that shaped the early medieval and medieval kingdoms of northern Europe.

One Man Harry Connolly 2019-11-26 One Cursed City. Two Dead Gods. Ten Thousand Murderers and Thieves. One Orphaned Girl. As a child, Kyrioc was groomed to be the head of one of the most powerful noble families in Koh-Salash, a city built inside the skeletons of two murdered gods. Kyrioc himself dreamed of becoming head of the High Watch, the highest political position in the land. Those dreams have turned to dust. Presumed dead after a disastrous overseas quest, Kyrioc now lives in a downcity slum under a false name, hiding behind the bars of a pawnshop window. Riliska, a nine-year-old pickpocket who sells stolen trinkets to his shop, is the closest thing he has to a friend. When a criminal gang kills Riliska's mother and kidnaps the little girl, Kyrioc goes hunting for her. He doesn't care about the forbidden magic the gangs are fighting over--the severed ear of a glitterkind, a creature whose flesh contains astonishing healing powers. He doesn't care about the bloody, escalating gang violence. He

doesn't care about the schemes of power-hungry nobles. In a raging city on the verge of civil war, Kyrioc only wants to save his friend. He will risk anything for her, even awakening the powers that murdered the gods so long ago.

The Historian-filmmaker's Dilemma David Ludvigsson 2003

Principles and Practice of Clinical

Bacteriology Stephen Gillespie 2006-05-12

Since the publication of the last edition of Principles and Practice of Clinical Bacteriology, our understanding of bacterial genetics and pathogenicity has been transformed due to the availability of whole genome sequences and new technologies such as proteomics and transcriptomics. The present, completely revised second edition of this greatly valued work has been developed to integrate this new knowledge in a clinically relevant manner. Principles and Practice of Clinical Bacteriology, Second Edition, provides the reader with invaluable information on the parasitology, pathogenesis, epidemiology

and treatment strategies for each pathogen while offering a succinct outline of the best current methods for diagnosis of human bacterial diseases. With contributions from an international team of experts in the field, this book is an invaluable reference work for all clinical microbiologists, infectious disease physicians, public health physicians and trainees within these disciplines.

Becoming the Beach Boys, 1961-1963 James B.

Murphy 2015-06-08 They were almost The Pendletons--after the Pendleton wool shirts favored on chilly nights at the beach--then The Surfers, before being named The Beach Boys. But what separated them from every other teenage garage band with no musical training? They had raw talent, persistence and a wellspring of creativity that launched them on a legendary career now in its sixth decade. Following the musical vision of Brian Wilson, the Beach Boys blended ethereal vocal harmonies, searing electric guitars and lush arrangements

into one of the most distinctive sounds in the history of popular music. Drawing on original interviews and newly uncovered documents, this book untangles the band's convoluted early history and tells the story of how five boys from California formed America's greatest rock 'n' roll band.

The Beauty of Everyday Things Soetsu Yanagi 2019-01-31 The daily lives of ordinary people are replete with objects, common things used in commonplace settings. These objects are our constant companions in life. As such, writes Soetsu Yanagi, they should be made with care and built to last, treated with respect and even affection. They should be natural and simple, sturdy and safe - the aesthetic result of wholeheartedly fulfilling utilitarian needs. They should, in short, be things of beauty. In an age of feeble and ugly machine-made things, these essays call for us to deepen and transform our relationship with the objects that surround us. Inspired by the work of the simple, humble

craftsmen Yanagi encountered during his lifelong travels through Japan and Korea, they are an earnest defence of modest, honest, handcrafted things - from traditional teacups to jars to cloth and paper. Objects like these exemplify the enduring appeal of simplicity and function: the beauty of everyday things.

Symbols of Nations and Nationalism Gabriella Elgenius 2018-11-12 Providing an original perspective on the construction of nations and national identities, this book examines national symbols and ceremonies, arguing that, far from being just superficial or decorative, they are in fact an integral part of nation building, maintenance and change.

Morally Ambiguous Veronica Lancet 2021-06-24 She just wants to be loved... by the one man who is not capable of feeling it. A CUTE PSYCHO Charming and unpredictable, Vlad Kuznetsov is known as the joker of the underground world. Known to many yet known by none, he is a true social chameleon. His

feigned affability might present him as inoffensive but his inner demons could unleash a bloodbath at any time. With a past shrouded in mystery, and even more secretive intentions, Vlad's journey can only end one way - in blood. A MISBEHAVING NUN Assisi Lastra might be named after a saint, but her disposition is anything but saintly. Years of cold discipline in the convent she called home embittered her towards the world. Conditioned to strive for goodness, Sisi struggles between her natural wicked inclinations and the unnatural expectations placed upon her. One chance encounter with an unusual man, and all her inhibitions are thrown out the window. Two unlikely people tangled together in the waltz of death; they are one step away from falling off the precipice. And each choice they make brings them closer to the edge. But in the end, only they can decide - to stop or to jump? BLOOD LOST. BLOOD SPILLED. BLOOD WON. For blood is the beginning, and blood is the end.

Morally Ambiguous is a 260,000 word full-length novel and the fourth book in the Morally Questionable Series. It is NOT a standalone and must be read in order. Please check the triggers before proceeding!

Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Forbidden Literature Erik Erlanson 2020-06-17
Så länge det har funnits litteratur har det även funnits försök att kontrollera och styra den. Konst och litteratur är ofta gränsöverskridande, och en betydande del av de texter som vi numera räknar till de litterära klassikerna har från början uppfattats som provocerande, blasfemiska eller anstötliga. Provokationen är ett kännetecken för den moderna litteraturen och har alltsedan 1800-talets mitt kommit att normaliseras. Därför är det lätt att glömma bort att bokcensur och andra mekanismer för att motverka spridningen av oönskade litterära uttryck är företeelser som inte enbart hör hemma i religiöst eller politiskt totalitära stater. I *Forbidden Literature* undersöker författarna den komplexa relation mellan litteratur och samhälle som styrningen av litterära och andra texter åskådliggör. Censur och olika former av restriktioner synliggör till exempel de maktrelationer som föreligger mellan stat, marknad, lag, institutioner, medborgare,

författare och läsare. Den förbjudna litteraturen visar, paradoxalt nog, också på en tilltro till litteraturens verkanskraft. Ett förbud mot en text säger alltid något om dess förväntade inverkan på läsaren. Det primära syftet med denna antologi är att ge både historiska och samtida exempel på litteraturens ofta komplexa samspel med yttrandefriheten. Genom elva fallstudier, som behandlar material från olika platser och olika tider, ger antologin perspektiv på dagens debatter om litteratur och yttrandefrihet. Fallstudierna rör sig mellan flera olika språk- och kulturområden, och avhandlar allt från 1600-talets manualer i svartkonst till modern litteratur och avantgardistisk seriekonst. *Gösta Mittag-Leffler* Arild Stubhaug 2010-08-03
Gösta Mittag-Leffler (1846–1927) played a significant role as both a scientist and entrepreneur. Regarded as the father of Swedish mathematics, his influence extended far beyond his chosen field because of his extensive network of international contacts in science, business,

and the arts. He was instrumental in seeing to it that Marie Curie was awarded the Nobel Prize twice. One of Mittag-Leffler's major accomplishments was the founding of the journal *Acta Mathematica*, published by Institut Mittag-Leffler and Sweden's Royal Academy of Sciences. Arild Stubhaug's research for this monumental biography relied on a wealth of primary and secondary resources, including more than 30000 letters that are part of the Mittag-Leffler archives. Written in a lucid and compelling manner, the biography contains many hitherto unknown facts about Mittag-Leffler's personal life and professional endeavors. It will be of great interest to both mathematicians and general readers interested in science and culture.

[Open Air Museums](#) Sten Rentzhog 2007

Morally Blasphemous Veronica Lancet

2021-04-14 Alternate Paperback Cover A sinner Marcello Lastra has always wanted one thing-to be left in peace. When his estranged brother

commits suicide, it's up to him to take up the leadership mantle within the famiglia. Thrust into a mob war he wanted no part of, he must secure allies and outsmart his enemies. A marriage alliance might be his only lifeline, but how can a man with an aversion to touch willingly tie himself to another? A saint Catalina Agosti has always wanted one thing-to protect her child. Spurned by her family for being 'damaged goods,' Catalina has been exiled to a convent for the last ten years. One tragic event takes away all her choices, and she has to seek protection from a man with a mysterious past. But how can Catalina trust another, when all her life she's been betrayed by those who should have loved her? As Marcello and Catalina navigate their new circumstances, past mistakes resurface and new secrets seek to turn them against each other. Warring Families. Fractured Alliances. A Serial Killer on the loose. And yet... The greatest enemy might just be the one within.

Frivolous Veronica Lancet 2021-10-06 From the author of the Morally Questionable series comes a a new dark mafia romance stand-alone about family rivalries, deceiving appearances and all-consuming love. THE BEAST IN THE SHADOWS Bastiano "Bass" DeVille is not a good man, and he's never professed to be one. He lives, breathes, and kills for the famiglia. And in a world where money rules, blood is spilled and corpses abound, he is a king among men. After all, five years in prison have only increased his appetite for violence. And now... he has a new target. The girl with stars in her eyes and thorns in her heart. THE BELLE OF THE BALL Gianna Guerra's blinding beauty and glamorous life propelled her into the spotlight, bringing the New York City high society to her feet. Cruel and patronizing, people would rather be in her good graces than at the end of her tongue. But one failed engagement and her world threatens to fall apart. Because she may be the Queen Bee, but even mean girls have feelings. And Gianna's

might just take her on the road of no return. DEFILE. DEBASE. DESTROY. May the wickedest win. Frivolous is a enemies-to-lovers, age-gap, bodyguard dark mafia romance. It is a standalone in the Morally Questionable world. Please be advised that it contains a lot of sensitive themes. Read the triggers before proceeding.
