Trump, the Blue-Collar President Anthony Scaramucci 2018-10-23 In an administration not known for its subtlety, no comet soared higher, burned brighter, or flamed out more spectacularly than Anthony Scaramucci. For eleven days (not ten, as widely reported, he'll tell anyone who'll listen) he ran the most important communications department in the world, the White House's. By the end of his short tenure -- several of the most tumultuous and formative days of the Trump administration -- he'd gone from a fairly well known on-air surrogate for the president to a household name, "the Mooch." The rise and fall of the Mooch, which riveted the nation, unfolded like a Shakespearean play directed by Martin Scorsese. In his own inimitable voice, Anthony reveals the juicy details behind his stormy term as White House communications director. He holds nothing back and spares no one's feelings-including those of the country's most powerful people. If political movements are best understood through a single human life, then there is no better life to tell the story of Donald Trump's rise in America than the Mooch's. From Long Island Newsday paperboy, with the largest route in Port

Washington, to Master of the Universe, as Tom Wolfe characterized his kind in *Bonfire of the Vanities*, Anthony's life was the embodiment of the American Dream. By his own admission, however, he became so involved in his high-octane career and life that he forgot his working-class roots. He wasn't the only one to ignore the working class. There were neighborhoods like the one he grew up in throughout the country filled with deflated, unemployed, or underpaid people, ignored by elites and politicians-until Donald Trump came along. It was only when Anthony joined the Donald Trump for President campaign as a surrogate and economic advisor that his eyes were opened to the plight of our country's middle class. It took a billionaire real estate developer who lived in a tower on Fifth Ave to show him what had happened to the neighborhood in which he'd grown up and communities like it throughout America. It was then that Anthony realized that Donald Trump and his economic policies were the best bet for our country's future. A romp of a read, by turns hilarious, touching, and inspiring, *Trump, the Blue-Collar President* is sure to be among the best books written about the Trump presidency. Blue Screen of Death J. Steven Young 2014-06-26 Hashtag Magic is an Urban Fantasy about Colby Stevens, an introverted and bullied boy who wants to find his missing father. He discovers he has magic that he can only control with the use of a mobile APP he creates, except when emotionally stressed until he learns to face his bully and emotional baggage. Colby Stevens was only six when his magic was hobbled, though he had no idea he always pretended he was a magical being. The imagination of a child can never be contained. When he turned sixteen however, all the memories he had from his early childhood began to make sense. He got his magic back and in a way he never imagined magic could be real. He couldn't control magic, he couldn't understand magic, but he could create a special mobile APP to help him perform magic. While Colby explores his new abilities with the strange little blue man who assigns himself teacher and guide, an old war begins anew. Magic came to this Earth before man recorded his history, and the bringers of that magic want nothing more than to regain access to it, by whatever means necessary. Together Colby and his friends are beginning the exploration of a lifetime. They are rediscovering a magic that has been waiting for eons to be released. But the magic is not the only thing that has been waiting. Colby begins to learn about his family line and the twisted history that has thrust him into the center of a battle born of hatred and ignorance, something he knows all too well. He will fight the power, fight the bullies, and most of all...fight himself.

Mrs. Darcy and the Blue-Eyed Stranger Lee Smith 2011-05-31 Lee Smith is a "teller of tales for tale tellers to admire and envy . . . [and] a reader's dream" (Houston Chronicle). A celebrated and bestselling writer with a dozen novels under her name, including *Fair and Tender Ladies*, *Oral*

History, and *The Last Girls*, she is just as widely recognized for her exceptional short stories. Here, in *Mrs. Darcy and the Blue-Eyed Stranger*, Smith collects seven brand-new stories along with seven of her favorites from three earlier collections. The result? A book of dazzling richness. As the *New York Times Book Review* put it, "In almost every one of [her stories] there is a moment of vision, or love, or unclothed wonder that transforms something plain into something transcendent."

Secrets of the Blue and Gray Vanessa Lind 2023-06-11 The *Secrets of the Blue and Gray* boxset features four captivating historical novels that delve deep into the hidden world of female spies during the American Civil War. This thrilling collection takes readers on a remarkable journey through history where courage, resilience, and love intertwine. In *The Courier's Wife*, Hattie Logan embarks on a daring mission, posing as a spy alongside courier Thom Welton. But when a family secret is revealed, Hattie must confront a double agent and the ghosts of her own past. *Enemy Lines* takes readers on a harrowing journey as Hattie seeks vengeance against double agent Luke Blackstone. Teaming up with the fiery Pauline Carlton, Hattie uncovers a treacherous plot behind enemy lines, testing her resolve and loyalty. In *Gray Waters*, Hattie finds herself entangled in a dangerous game of secrets and trust. Paired with former Confederate spy Mollie Pitman, she uncovers a plot to raid a prison island, forcing her to question the boundaries of friendship and loyalty. The thrilling conclusion, *A Fond Hope*, follows Hattie's race against time

to thwart a plot to destroy cities and kidnap President Abraham Lincoln. With a cast of intriguing characters, Hattie's courage and determination shine as she navigates a treacherous world. Drawing inspiration from the hidden histories of real-life women spies, these captivating novels weave a tapestry of courage, resilience, friendship, and love against the backdrop of a nation torn apart. Immerse yourself in a world of danger, intrigue, and the extraordinary feats of these remarkable women. What readers are saying about Secrets of the Blue and Gray... "One of the best series I've read." "I love books with strong female characters and this series definitely has a number of strong females on both sides of the war. I'm also a fan of spy novels and this series has it all - spies, Civil War, strong female characters. I was hooked from the start!" "As a lover of history—especially the aspects of it that aren't well known, including the stories of the unsung heroes and heroines that make a difference—I absolutely adore historical fiction like this." "A well-done series by a talented author. Highly recommended." "I love how well developed each character is. They are each multi-dimensional and have their strengths as well as their faults. I recommend this series to anyone who enjoys historical fiction and strong women characters!"

Jackie Blue - A Justice Security Novel T. M. Bilderback 2011-12-01

Jacqueline Belew has a secret. Jackie is foster mom to five special needs children. That isn't her secret. Jackie loves these children very, very much. That isn't her secret. Jackie's nickname is Jackie Blue, given to her by the children. That isn't her secret, either. Jackie Blue knows the outcome of any game of chance. Any game. She uses this ability to win

small amounts of money to assist in raising and caring for these special needs kids. She tries to never win more than she needs, since she doesn't want to abuse her ability. Someone has noticed her gift, however. The Giambini crime family has noticed what Jackie can do. And when this desperate crime family decides to kidnap Jackie to be their golden goose, the children hire Joey Justice and Justice Security to rescue her. Things turn deadly very quickly. Even Jackie didn't see that coming... Suggested by lyrics from the classic song performed by the Ozark Mountain Daredevils, T. M. Bilderback's Jackie Blue will feed your suspense cravings!

Designing with Grasses Neil Lucas 2011-01-12 Grasses Offer so Much More than the flat, green lawns beneath our feet. In the garden, spikelets of Briza media flutter in the slightest breeze, tall-stemmed Stipa gigantea makes a beguiling divider, and pennisetums glow like fireworks with the sun at their backs. When chosen wisely and used with care, grasses can endow the garden with showstopping appeal---requiring remarkably little work in return. Neil Lucas explains how to bring the magic of grasses to even the smallest of gardens. Inspired by the great American prairies, African savannah and other wild spaces, he shows how to perfect the balance between grasses and other plants, choose sustainable lawn alternatives that virtually care for themselves, and showcase the elegant lines and intriguing textures of grasses to glorious effect. Planting grasses in the right place is critical, and Lucas lists top performers for drought, waterside, containers, shade and more. Along the way, he explains how grasses contribute to a greener world through their use in rain gardens, green roofs and for erosion control. With an extensive directory profiling more than 450 gardenworthy grasses, rushes and sedges, this lavishly illustrated volume offers gardeners a world of possibilities.

Medical Review 1906**Colour Planning of the Garden** George F. Tinley 1924

A Pair of Blue Eyes Thomas Hardy 2021-01-01 *A Pair of Blue Eyes* was the third of Hardy's novels to be published and the first to be serialised, running in Tinsleys' Magazine from the September of 1872 until the July of the following year. It appeared in three-volume form in May 1873, a year after the publication of *Under the Greenwood Tree*. It is essentially a love-story. Elfride Swancourt, the blue-eyed heroine, lives with her widowed father, a clergyman, in a remote Cornish village. She is wooed successively by Stephen Smith, a young architect of humble birth, and Henry Knight, a successful man of letters, once a mentor to Stephen. In appearance, character and situation Elfride obviously has much in common with the young Emma Gifford, who was to become Hardy's wife. The circumstances in which she and Smith meet recapitulate pretty exactly Emma's first encounter with her future husband, when he came to Cornwall in March, 1870, on a church restoration project. In his *Life*, however, Hardy plays down the correspondences between himself and Smith, claiming that at the relevant time he had been closer in age and character to Knight.

November Blue Boxed Set Andrea Randall 2014-12 Now you can have Bo and Ember's entire love story in one collection. Years ago, when November Harris took the stage to sing with musician Bo Cavanaugh, she couldn't have dreamed that night would be the beginning of forever. Love, loss, family, friends, death, and life tear Bo and Ember apart and struggle to bring them together as they walk their path through the November Blue series Start with *Ten Days of Perfect*, where Bo and Ember first lay eyes on each other. You'll then be swirled through the emotions of *Reckless Abandon*, meet new friends in *Sweet Forty-Two*, enjoy the hope of *Marrying Ember* and, finally, navigate life's harshest realities and greatest love in *Bo & Ember*.

Alternatively, there are more titles to explore such as *Grow Pruning & Training* and *Grow Houseplants*.

Rare and Blue Constance Van Hoven 2020-09-01 A variety of rare blue species--from the blue lobster to the blue black bear--are rare and unique for a reason. Travel across Earth to discover eight species that are blue in color and are either naturally rare, threatened, or endangered. Panoramic illustrations and a playful main text prompt a search for the blue species at hand, while the page-turn and informative sidebars zoom in to reveal a closer look at the species. There's a lot to uncover about

the Karner blue butterfly, blue black bear, blue whale, Quitobacquito pupfish, Cerulean warbler, blue lobster, Eastern Indigo snake, and big bluestem grass. A surprise ending celebrates that planet Earth is the rarest and bluest and must be protected for the sake of all.

A Pair of Blue Eyes Thomas Hardy 1912 The story of a love triangle of a young woman, Elfride Swancourt, and her two suitors from very different backgrounds. Stephen Smith is a socially inferior but ambitious young man who adores her and with whom she shares a country background. Henry Knight is the respectable, established, older man who represents London society.
