Organic Disciples Study Guide Kevin G. Harney 2021-12-28 Could sharing your faith be the secret to unlocking your spiritual growth? For many followers of Jesus, spiritual growth involves a series of spiritual practices that promise to deepen our connection with God and train us in the ways of Jesus. Unfortunately, these practices are often disconnected from the mission and purposes of God in reaching a lost world with the gospel message. But what if the secret to unlocking spiritual growth was as simple as infusing our spiritual practices with an outward focus? In the Organic Disciples Study Guide, Kevin and Sherry Harney walk ordinary followers of Jesus through seven markers of spiritual maturity, showing how simple shifts in our prayers, Bible reading, giving, and other practices can connect us with God's work of reaching people with his love. Taking a holistic approach that unites evangelism and discipleship, Kevin and Sherry explain how God's plan for our own spiritual growth is intimately connected to his purposes for the church, unleashing God's power in our lives as we engage God's mission to the world. True spiritual growth and maturity will always lead believers outward to engage the world with the good news and truth of Jesus. And in a surprising twist, our own spiritual growth will often remain stunted and limited until we take the step of joining God in his mission to love others. This book will help you see how Jesus modelled a lifestyle of loving others, overcome the common roadblocks and false narratives that stand in the way of spiritual maturity, and design

a personal pathway of growth to be more like Jesus in character and mission. Used together with the Organic Disciples book and the free video study and online assessment available at [OrganicOutreach.com](http://OrganicOutreach.com), churches and individuals can better identify where they are in their growth journey and what the next steps are in becoming more like Jesus.

The Innovative Church Merton P. Strommen 1984 Many pastors and lay leaders see that congregations need to change in order to carry out their mission, yet often attempts at change are resisted and blocked.

*The Best Way to Learn and Teach God's Word* David Hawkins 2021-04-12 An effective method for learning God's Word is to use a systematic strategy that involves seven consecutive steps. A good way to remember the order in which these seven steps should be taken is by referring to the acrostic PRIME AT. When you PRIME AT God's Word, you are preparing to better understand and use God's Word. The seven steps outlined in the acrostic are: Pray; Read, Interpret, Meditate, Explore, Apply, and Teach. You should: Pray that the Holy Spirit will guide your learning of God's Word, Read-different versions of the Bible, Interpret-scripture in your own words, Meditate-on the meaning and purpose of the scripture, Explore-commentaries, study guides, and other biblical references, Apply-God's Word to your life, Teach-others what you have learned. An effective way to teach God's Word is to engage people in active learning. This is best done by designing a pedagogical method that addresses the following questions: What do you want people to be able to do when they have finished the lesson? What will they need to know in order to do what should be done? How can you facilitate their learning? How do you assess learning? Establishing a set of learning outcomes is required to answer the first question. To answer the second question, one must identify the body of knowledge that must be acquired to accomplish the learning outcomes. This requires identifying a set of learning objectives that must be achieved. The best way to facilitate learning is to provide guided learning materials that address both learning outcomes and learning objectives and ask probing questions. And finally, some type of quiz or test needs to be developed in order to

properly assess learning.

*How Human is God?* Mark S. Smith 2014-07-07  
Walter Cardinal Kasper has written, "It is time, it is the right time, to speak of God." This book invites readers to use their God-given ability to work through important questions that many people have about God today: Why is God so angry in the Bible? Is the biblical God male or female (or what)? Who is Satan? Why do people suffer? By exploring the Bible's answers to these and other biblical questions, people can come to understand better their living and loving God.

Unfortunately, these practices are often disconnected from the mission and purposes of God in reaching a lost world with the gospel message. In *Organic Disciples*, Kevin and Sherry Harney lead ordinary followers of Jesus through seven markers of spiritual maturity, showing how simple shifts in our Bible reading, prayer, community life, giving, service, and other biblical practices can connect us with God's work of reaching people with his love. **Seven Things Every Believer Needs to Know** Ava Harvey 2019-10-04  
Thoughtfully written and drawing on decades of pastoral experience, *Seven Things Every Believer Needs to Know* is an essential resource for developing mature Christian spirituality. The Great Commission given by Christ entails the making of disciples through the ministry of teaching. Within the contents of this book are transformative lessons and practical principles that are essential for living the life of faith. Each chapter provides the tenets of support that are fundamental in forming a balanced Christian lifestyle. Too often, believers become disillusioned with God and lose faith when their prayers are seemingly unanswered. There are innumerable misconceptions and incomplete theologies associated with subjects regarding suffering, hardship, and pain. Questions like, "Where is God when I am hurting? Why does God allow bad things to happen to good people?" are properly addressed in this guidebook. Throughout each page, Dr. Harvey seeks to gently merge theoretical expectations to pragmatic reality at every stage in Christian development. He conveys instructional strategies and biblical information on a range of topics such as stressors and pressure, waiting on the Lord, and force ripening. Nourished by the Holy Spirit and guided with traditional orthodoxy, the pedagogy of this manuscript is suitable for both individual and collective use. It offers a creative framework for small group settings, discipleship-formation classes, and church Bible studies, respectively. Using sound Christian concepts as the methodology, this resource offers a wide array of comprehensive and ecumenical insights for systematic growth. It serves to foster a spiritual synthesis between

the classic components of faith, understanding, and knowledge. *Seven Things Every Believer Needs to Know* is an appealing compilation that provides the reader heartfelt advice, wholesome encouragement with spiritual direction.

**On Seven Ways of Holy Love** Wim van den Dungen 2016-05-18 English and Dutch translations of 'On Seven Ways of Holy Love', a mystagogic treatise on 'minne' or 'holy love' by Beatrice of Nazareth, a 13th century Cistercian nun and the oldest datable mystical prose text in Middle Dutch. Beatrice describes the nuptial relationship between the good soul and her Bridegroom in terms of seven ways of holy love. The use of vernacular contributed in a significant way to the development of a

mysticism influencing the more scholarly approach of John of Ruusbroec. Beatrice's text also affected Margaret Porette, Meister Eckhart and the Modern Devotion (Gerard Groote). Beatrice is the 'mother' of all these ways to the direct experience of God.

**Extraordinary Hospitality (for Ordinary People)** Carolyn Lacey 2021-04-01 How to offer Christian hospitality without becoming exhausted and overburdened. Generous hospitality is a significant way in which God works through our lives to bring life to others, yet many of us feel ill-equipped and overwhelmed at the prospect, especially if we don't have big houses and we are not wonderful cooks! Carolyn Lacey encourages us to focus on the goal of hospitality, which is to reflect God's welcoming heart, and shows us how we can all do that, regardless of our bank balance or living situation. She explores seven ways in which we can reflect God's character in the way we welcome others into our homes and into our lives, and so point people ultimately to Christ. This practical and realistic book explores how to make generous hospitality part of everyday life without becoming exhausted and overburdened. *God's Seven Ways To Ease Suffering*

**Seven Ways to Guard Your Tongue** Lin Wills 2021-09-13 If we want good fruit for the Kingdom in our lives, then it must be our choice that we speak only blessing and life. When we make the right choice, God comes to help us by His Holy Spirit at work within us. Our words have power. Power for evil and power for good. Power for life and power for death. Our circumstances are not under our control. But the way we respond to them, and talk about them, is our choice. We can speak positively with faith into our circumstances, or negatively with doubt and unbelief.

Revelation 1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. **Trading With God** Ken Snodgrass 2019-07-25 Can I work for an energy company and still be a Christian? This question from a young professional working in the author's London trading department sparked a journey that resulted in this book. *Trading With God* addresses the relevancy of the Christian faith in today's workplace. Recognizing that Christianity is a 24/7 endeavor, this book provides the framework and tools for the reader to make the critical connection between your actual daily work activities and what God created you to do. This enables Christians to find the most meaning in their jobs and journey of faith. *Trading With God* delivers in three parts. First, it grounds readers with history, scriptural references, and summarized concepts of faithful work developed over time by various church theologians. Second, a practical threefold model for Christians is introduced for daily application throughout their working lives. And third, the book builds seven steps to apply this model, which are illustrated by personal stories based upon the author's thirty-four years of professional workplace experiences and theological research. Integrating faith and work using these seven steps can infuse more meaning into any vocation and can transform all workers, as well as the workplace and the wider community.

Enoch's Journey Earl A. Jones 2018-12-26 *Enoch's Journey* will shed light on Enoch's walk with God, as well as your own. The book discusses Enoch's three-hundred-year walk, including some of the issues that he would face along the way--problems that would come to hinder and impede his close fellowship with God. It also discusses the more clearly defined journeys of Joseph and Job. If you have read their stories in the Bible, you know that both

faced plenty of challenges, fraught with peril and trial. However, there was a purpose to reshape them so that they could be transported into the next phase of their lives, ready to fulfill the larger calling that God had always intended for them. Many other biblical figures are also discussed in this book, generally in a lighthearted manner. Rest assured that there is always a higher purpose to every trial and challenge that we face in life. Reading this book will encourage us to continue to walk with God and keep up the pace so we can see the end of the journey, as well as the beginning, and we can know how to thrive in God's true purpose for our lives.

**Seven Ways, Truths and Reasons** Lin Wills 2021-11-06 Sixty-three stand-alone short chapters of help in living the Christian life. There are chapters here for everyone - people who are walking towards God, people walking with God, and those walking on with God. The

short chapters are arranged approximately in this order, but there is much value in the early chapters for those looking for a deeper faith. This is not a book where you have to start at Chapter 1 and work your way through to the end. The Contents page lists the title of every chapter, so just dive in and read one that interests you. Of course, you can start at Chapter 1 and read the whole book if you prefer, and our prayer is that every reader will be greatly blessed by what they read. The majority of these sixty-three chapters have been released individually as booklets, and every chapter as individual eBooks that are available in all formats from major eBook distributors. The eBook editions are free from most distributors. This whole volume is also available as a paperback from major book distributors.

**Be The Sunshine** Sunshine Rodgers 2022-08-22 The one difficulty with having the name Sunshine is that people expect me to be.... well, sunshine all the time. I have learned over time to embrace the Sunshine-ness that is my name. Yes, I may not always be joyful or exuberant all the time, but I have learned that if I rely on my friends, my family, and my faith, I can conquer each day head-on and live every moment with an expectation of goodness. And that's what I wanted to share in this book, Be the Sunshine. It's not a book about how to be happy or seven ways to stay positive. These pages are about being yourself, showing the world your true colors, and being mindful of the moment. These chapters contain personal stories so that we all can experience love and joy for ourselves as well as shining that light on those around us! So, just follow my voice. When it comes to being the sunshine, well, I know the way!

**The Way of Loving The Lord** Zacharias Tane Fomum 2015-02-21 I believe that there are some who yearn in an increasing way for the Lord, and in whose hearts the evidence of His soon coming awakens, with each passing day, greater desires to see Him—the Hope of the Ages—face to face. It is because of the presence of such saints in the church today, though their number be few, that I dare share these feelings of my heart in this way. The Way of Loving the Lord is very different from many of the books in The Christian Way Series. It is not an attempt to present the Bible's position on some aspects of

Christian Truth. Rather, it is an expression of the yearning and longing—the spiritual emotions of my heart—after the Lord Jesus. May you read this book and be motivated to seek the Beloved, so that the unique desire of your heart should be to know Him and see Him face to face.

**The Next Christians** Gabe Lyons 2012-03-13 “I recommend The Next Christians, which will give you great insight into the hopes and aspirations of the next generation....” —Chuck Colson, founder of Prison Fellowship “Provocative, yet massively optimistic!” —Louie Giglio, pastor and founder of the Passion Movement Gabe Lyons is optimistic that Christianity’s best days are yet to come. His best-selling book, *UnChristian*, revealed the pervasiveness of culture’s growing disregard for Christians. Now, in *The Next Christians*, Lyons shows how a new wave of believers are turning the tide by bringing the truth of the Gospel to bear on our changing, secular society. “Restorers,” as Lyons calls them, approach culture with a different mentality than generations past. Informed by truth, yet seasoned with grace and love, these believers engage the world by drawing it to the sensibility and authenticity of the Christian life. You can be one of these “next” Christians and change the negative perception of Christianity by living a life that is faithful to the Gospel, yet credible and coherent to your friends and neighbors.

**Seven Things God Hates** Dr. Clarence Talley Sr. 2018-05-30 In *Seven Things God Hates*, you will discover that God is not only a God who loves but also a God who hates. Just as divine love permeates the pages of scripture, so does divine hatred for evil and evildoers who act contrary to the will of God. The Bible emphatically states that God is love (1 John 4:8). However, he is also a God who has a holy abhorrence for both sin and specific sinners whose sins are an abomination in His sight. The whole thrust of the Old and New Testament hinges on the love of God for man and His disdain for sin. The epitome of God’s love for man is seen in the person of Jesus Christ, the gift of God to mankind. God’s hatred for evil and wickedness is also evident. It is an often-ignored characteristic of the Lord, but a divine characteristic nonetheless. This study examines seven particular things God hates that are expressed in Proverbs 6:16-19 and further

expounded on throughout scripture. Get inspired by Dr. Talley’s teachings on the seven things God hates. His teachings will give you a better understanding of the mind of God and enlighten your perspective about the love of God and His disgust for sin.

**God's Seven Ways to Ease Suffering** Ronald D. Anton 2007-10 Anton issues a call to believers to fulfill their commission to serve as God’s hands, feet, and voice in the earth by exercising freedom responsibly and embracing God’s seven ways to ease the suffering of self and others.

**Enjoying the Presence of the Lord Every Day** Ernest J. Murat 2016-03-03 *Enjoying the Presence of the Lord Every Day* draws refreshing water from the wellspring of God’s grace and pours it out so that everyone who desires may find the gifts of the Spirit for living in the Lord’s presence. The author, Ernest J. Murat, tapping into his service to the Lord as a pastor and missionary, has crafted a guide for all who desire to enjoy dwelling with God each and every day. He explains the nature of the Lord’s presence, describes walking with Him, outlines how to enter God’s presence, unveils His glory, reveals the ways to offer worship, calls for followers to announce God’s coming, and reminds His followers of the promised gifts of glory and agape. If you find a longing to grow closer to God tugging at your heart and soul, then *Enjoying the Presence of the Lord Every Day* will offer you the guidance you need to come into His presence daily, to grow in your faith, and to manifest God’s glory in your daily life. When you do, others will notice a change in you and, perhaps, be attracted into seeking ways that they may enjoy the daily presence of the Lord.
