Jacobs Linda Brent 2016-04-17 Born into slavery in Edenton, NC in 1813, Linda has happy years as a young child with her brother, parents, and maternal grandmother, who are relatively well-off slaves in good positions. It is not until her mother dies that Linda even begins to understand that she is a slave. At the age of six, she is sent to live in the big house under the extended care of her mother's mistress, who treats her well and teaches her to read. After a few years, this mistress dies and bequeaths Linda to a relative. Her new masters are cruel and neglectful, and Dr. Flint, the father, takes an interest in Linda. He tries to force her into a sexual relationship with him when she comes of age. The girl resists his entreaties and maintains her distance. Knowing that Flint will do anything to get his way, as a young woman Linda consents to a relationship with a white neighbor, Mr. Sands, hoping he can protect her from Flint. As a result of their relations, Sands and Linda have two mixed-race children: Benjamin, often called Benny, and Ellen. Because they were born to a slave mother, they are considered slaves, under the principle of partus sequitur ventrem, which had been part of southern slave law since the 17th century. Linda is ashamed, but hopes this illegitimate relationship will protect her from assault at the hands of Dr. Flint. Linda also hopes that Flint would become angry enough to sell her to Sands, but he refuses to do so. Instead, he sends Linda to his son's

plantation to be broken in as a field hand

Jacobs 2014-06-17 *Incidents in the Life of a Slave Girl* is a slave narrative that was published in 1861 by Harriet Jacobs, using the pen name "Linda Brent." The book is an in-depth chronological account of Jacobs's life as a slave, and the decisions and choices she made to gain freedom for herself and her children. It addresses the struggles and sexual abuse that young women slaves faced on the plantations, and how these struggles were harsher than what men suffered as slaves. The book is considered sentimental and written to provoke an emotional response and sympathy from the reader toward slavery in general and slave women in particular for their struggles with rape, the pressure to have sex at an early age, the selling of their children, and the treatment of female slaves by their mistresses.

**Remapping the History of Catholicism in the United States** David J. Endres 2017 "For more than thirty years, the quarterly journal *U.S. Catholic* historian has mapped the diverse terrain of American Catholicism. This collection of essays, including seven of the most popular and path-breaking contributions of recent years, tells the story of Catholics previously underappreciated by historians: women, African Americans, Latinos, Asian Americans, and those on the frontier and borderlands."--Publisher description.

**The Mysticism of Ordinary Life** Andrew Prevot 2023-01-26 *The Mysticism of Ordinary Life: Theology, Philosophy, and Feminism* presents a new vision of Christian mystical theology. It offers critical interpretations of Catholic theologians, postmodern philosophers, and intersectional feminists who draw on mystical traditions to affirm ordinary life. It raises questions about normativity, gender, and race, while arguing that the everyday experience of the grace of divine union

can be an empowering source of social transformation. It develops Christian teachings about the Word made flesh, the indwelling of the Holy Spirit, and the Christian spiritual life, while exploring the mystical significance of philosophical discourses about immanence, alterity, in-betweenness, nothingness, and embodiment. The discussion of Latino/a and Black sources in North America expands the Western mystical canon and opens new horizons for interdisciplinary dialogue. The volume challenges contemporary culture to recognize and draw inspiration from quotidian manifestations of the unknown God of incarnate love. It includes detailed studies of Grace Jantzen, Amy Hollywood, Catherine Keller, Karl Rahner, Adrienne von Speyr, Hans Urs von Balthasar, Michel Henry, Michel de Certeau, Luce Irigaray, Julia Kristeva, Gloria Anzaldúa, Ada María Isasi-Díaz, Alice Walker, M. Shawn Copeland, and more.

[Narrative of the Life of Frederick Douglass, an American Slave & Incidents in the Life of a Slave Girl](#) Frederick Douglass 2011-07-06 Introduction by Kwame Anthony Appiah Commentary by Jean Fagan Yellin and Margaret Fuller This Modern Library edition combines two of the most important African American slave narratives—crucial works that each illuminate and inform the other. Frederick Douglass's *Narrative*, first published in 1845, is an enlightening and incendiary text. Born into slavery, Douglass became the preeminent spokesman for his people during his life; his narrative is an unparalleled account of the dehumanizing effects of slavery and Douglass's own triumph over it. Like Douglass, Harriet Jacobs was born into slavery, and in 1861 she published *Incidents in the Life of a Slave Girl*, now recognized as the most comprehensive antebellum slave narrative written by a woman. Jacobs's account broke the silence on the exploitation of African American female slaves, and it remains essential reading. Includes a Modern Library Reading Group Guide

[My Life](#) Harriet Jacobs 2023-01-06 When Harriet is six years old, her mother passes away and from conversations she learns for the first time that she is a slave, a commodity who was only allowed to live in her parents' home for safekeeping. It is without a doubt a very harrowing book. Among other things, the author addresses the sexual abuse by

some slave owners to whom the women were defenseless, which shocked the reading public at the time. She also denounces the 1850 U.S. Fugitive Slave Law, which forced northern states to return runaway slaves to their owners in the southern states. Gröls Classics - English Edition

**Incidents in the Life of a Slave Girl** Harriet Ann Jacobs 1861 Reader be assured this narrative is no fiction. I am aware that some of my adventures may seem incredible; but they are, nevertheless, strictly true. I have not exaggerated the wrongs inflicted by Slavery; on the contrary, my descriptions fall far short of the facts. I have concealed the names of places, and given persons fictitious names. I had no motive for secrecy on my own account, but I deemed it kind and considerate towards others to pursue this course. I wish I were more competent to the task I have undertaken. But I trust my readers will excuse deficiencies in consideration of circumstances. I was born and reared in Slavery; and I remained in a Slave State twenty-seven years. Since I have been at the North, it has been necessary for me to work diligently for my own support, and the education of my children. This has not left me much leisure to make up for the loss of early opportunities to improve myself; and it has compelled me to write these pages at irregular intervals, whenever I could snatch an hour from household duties.

**Black Catholic Studies Reader** David J. Endres 2021-04-16 This first-ever Black Catholic Studies Reader offers an introduction to the theology and history of the Black Catholic experience from those who know it

best: Black Catholic scholars, teachers, activists, and ministers. The reader offers a multi-faceted, interdisciplinary approach that illuminates what it means to be Black and Catholic in the United States. This collection of essays from prominent scholars, both past and present, brings together contributions from theologians M. Shawn Copeland, Kim Harris, Diana Hayes, Bryan Massingale, and C. Vanessa White, and historians Cecilia Moore, Diane Batts Morrow, and Ronald Sharps, and selections from an earlier generation of thinkers and activists, including Thea Bowman, Cyprian Davis, and Clarence Rivers. Contributions delve into the interlocking fields of history, spirituality, liturgy, and biography. Through their contributions, Black Catholic Studies scholars engage theologies of liberation and the reality of racism, the Black struggle for recognition within the Church, and the distinctiveness of African-inspired spirituality, prayer, and worship. By considering their racial and religious identities, these select Black Catholic theologians and historians add their voices to the contemporary conversation surrounding culture, race, and religion in America, inviting engagement from students and teachers of the American experience, social commentators and advocates, and theologians and persons of faith.

**Incidents in the Life of a Slave Girl** Harriet Ann Jacobs 2015 Harriet Jacobs's slave narrative is remarkable for its candid exposure of the sexual abuse suffered by slaves at the hands of their owners. Her sufferings, and eventual escape to the North, are described in vivid detail. This edition also includes her brother's short memoir, 'A True Tale of Slavery'.

**Incidents in the Life of A Slave Girl, Written by Herself** Harriet Jacobs 2009-07-27 Much of what is known about the experience of slavery comes from first-person accounts written by formerly enslaved men. In this volume, Jennifer Fleischner examines the first- and best-known female account of life under, and escape from, slavery — Harriet

Jacobs' autobiography. In her introduction, Fleischner shows how Jacobs used the written word to liberate herself and promote the end of slavery by carefully discussing her sexual exploitation as a slave in ways that would inspire sympathy in — and not offend — her Victorian white, middle-class, female audience. The rich collection of related documents that accompany Jacobs' complete narrative — including a selection of Jacobs' letters and her brother's account of some of the same incidents Jacobs describes — illuminate Jacobs' life, her thoughts about writing, and her relationships with white women abolitionists. Document headnotes, a chronology, questions for consideration, a selected bibliography, and a chart of the pseudonyms Jacobs used for her real-life characters further enrich this important contribution to the history of slavery in America.

**Black Catholics on the Road to Sainthood** Michael R. Heinlein, Editor 2020-12-15 The Church in the United States is greatly blessed by the contributions of Black Catholics and the legacy of holiness of so many men and women of color. These men and women lived lives that are worthy of our study and emulation. In *Black Catholics on the Road to Sainthood*, Michael R. Heinlein provides the first book to explore the lives of the six Black Catholics from the United States whose causes are under formal consideration by the Catholic Church for canonization. Including biographies and personal reflections from diverse contributors, this book shows how these six men and women provide a model of holiness for all Catholics and people of good will. Venerable Pierre Toussaint, Venerable Henriette Delille, Venerable Father Augustus Tolton, Servant of God Mother Mary Lange, Servant of God Julia Greeley, and Servant of God Sister Thea Bowman are sources of inspiration for us

all. As we continue to pray for the advancement of their causes for canonization, all Catholics of every race can learn a great deal from these holy men and women. By their stories of faith and virtue, they show us how to respond to the call to holiness, bringing healing, reconciliation, and peace to our wounded nation and world. "It is my profound honor to add my voice in support of Black Catholics on the Road to Sainthood. This book gives an insightful look at the Black Americans that are on the path to canonized sainthood in the Catholic Church. The book introduces readers to six Black Americans who dealt in their lifetimes with the human denigration and suffering that is manifested by America's Original Sin of racism. Yet they not only persevered, but truly lived as Christian people, which so many Americans claim to be, but whose actions do not support that claim. These Black Americans sought to show love, compassion, and forgiveness to all people, regardless of their race, ethnicity, or station in life. All of the men and women you will meet in *Black Catholics on the Road to Sainthood* — through their faith in God and by giving of themselves to God's people, their sisters and brothers — did what Servant of God Sister Thea Bowman said: 'we must return love, no matter what.' These men and women show us the way forward." Most Reverend Roy E. Campbell, Jr., Auxiliary Bishop of Washington, President of the National Black Catholic Congress "Black Catholics on the Road to Sainthood is an inspiring look at six holy Black men and women who mirrored Christ in service to others. All of them persevered, despite the many rejections they encountered, giving Black Catholics today the inspiration to meet the obstacles of racial inequity with equal grace and love, and providing insight to all Catholics, regardless of race, into the effects of systemic racism and the many gifts and talents people of color bring to the Church. The accompanying reflections, written by Catholic laity and religious, provide deeper insight into the lives of the six candidates for Canonization, and how best we can learn from them and emulate their examples in our own lives." The National Black Catholic Congress "Black Catholics on the Road to Sainthood is a great expose on the lives and faith of some of our Black ancestors who responded with both prayer and action to overcome racism. Discovering through this

book their life stories, their suffering, and their faith-filled response, one is inspired to seek the conversion of hearts with regard to racism through prayer and action so that we too can aspire to be saints by the manner in which we love one another.” Most Reverend Shelton J. Fabre, Diocese of Houma-Thibodaux, Chairman of the USCCB Ad Hoc Committee Against Racism “Black Catholics on the Road to Sainthood provides a glimpse into the power of God’s grace at work in the lives of men and women who were often treated with disdain. The Archdiocese of Denver has been blessed by the heroic, charitable witness of Julia Greeley on our streets, in our churches, and in our homes. This book extends that blessing to all who are seeking additional examples of courage, perseverance, and determination. As our country and Church work to address racism, may we turn to these holy men and women for their example and intercession.” Most Reverend Samuel J. Aquila, Archbishop of Denver “Michael Heinlein performs a great service in bringing together engaging reflections on and portraits of Black Catholics who are on the road to sainthood. Their stories differ but they have at least one thing in common: They rose above the racism of their day to the heights of holiness. From their place in eternity, they challenge us to root out racism from our midst. This volume should prompt us to pray and work for the canonization of these worthy witnesses to the Lord’s truth and love.” Most Reverend William E. Lori Archdiocese of Baltimore “The last three Bishops of Rome have called Christ’s Church to a New Evangelization, a renewal of the mandate given at Pentecost: to carry on the mission of the Redeemer. Heinlein’s book offers us a glimpse of a central theme of our renewal — personal witness, the heart of it seen in the cloud of witness of these holy ones. These men and women of color lived their faith life and became living gospels of the Gift: the Passion of the Cross, seen in the evil of racism; the Liberation of the Resurrection, recognized in the courage of the prophets; and the songs of the Kingdom, heard and shared in the joy of the Spirit. They call us to witness.” Most Reverend David P. Talley, Bishop of Memphis “‘Can anything good come from Nazareth?’ was Nathaniel’s response in John’s gospel to Philip’s invitation to meet Jesus. Philip’s words in reply echo

down the centuries: ‘Come and see’ (John 1:45–46). Within this book is a cohort of six awe-inspiring disciples who encountered the Lord and proved that, when grasped by Jesus Christ, God can raise up goodness from anywhere. As former slaves and descendants of chattel slavery, they bore fruit a hundred-fold in their time and place and bequeathed to the Church a lasting legacy. I invite all who yearn for racial justice and peace to come and see in this book six black women and men who show us the path to life in this world as they continue on the road to sainthood.” Most Reverend Joseph Kopacz, Bishop of Jackson “Black Catholics on the Road to Sainthood gives us an opportunity to become better acquainted with six black women and men from the United States and to be inspired by their lives of faith. As we strive for holiness, we are given the privilege to learn more about their journey to canonization and to participate in their process.” Most Reverend Gregory M. Aymond, Archbishop of New Orleans “Black Catholics on the Road to Sainthood is essential reading for all Catholics, particularly at this time in our country’s history. There is a common thread in the stories of these six holy men and women: a strong faith, love for others, and personal sacrifice. I appreciate OSV raising awareness of the lives of these candidates for sainthood. It is my hope that reading about their lives and struggles will inspire not just devotion but others to follow in their footsteps. The world desperately needs models of holiness and virtue like the ones contained in this short volume. May their testimony of faith help us bring healing and reconciliation to a divided world and inspire us to respond to our own call to holiness.” Most Reverend Nelson J. Pérez, Archbishop of Philadelphia, chairman USCCB Committee on Cultural Diversity in the Church

Linda Brent 2008 An authentic narrative of slave life and one of the few written by a woman.

[The Life of a Slave Girl](#) Harriet Jacobs 2019-05-21 I was born a slave; but I never knew it till six years of happy childhood had passed away. My father was a carpenter, and considered so intelligent and skilful in his trade, that, when buildings out of the common line were to be erected,

he was sent for from long distances, to be head workman. On condition of paying his mistress two hundred dollars a year, and supporting himself, he was allowed to work at his trade, and manage his own affairs. His strongest wish was to purchase his children; but, though he several times offered his hard earnings for that purpose, he never succeeded. In complexion my parents were a light shade of brownish yellow, and were termed mulattoes. They lived together in a comfortable home; and, though we were all slaves, I was so fondly shielded that I never dreamed I was a piece of merchandise, trusted to them for safe keeping, and liable to be demanded of them at any moment. I had one brother, William, who was two years younger than myself—a bright, affectionate child. Such were the unusually fortunate circumstances of my early childhood. When I was six years old, my mother died; and then, for the first time, I learned, by the talk around me, that I was a slave. My mother's mistress was the daughter of my grandmother's mistress. She was the foster sister of my mother; they were both nourished at my grandmother's breast. In fact, my mother had been weaned at three months old, that the babe of the mistress might obtain sufficient food. They played together as children; and, when they became women, my mother was a most faithful servant to her whiter foster sister. On her death-bed her mistress promised that her children should never suffer for any thing; and during her lifetime she kept her word. They all spoke kindly of my dead mother, who had been a slave merely in name, but in nature was noble and womanly. Reader, my story ends with freedom; not in the usual way, with marriage. I and my children are now free! We are as free from the power of slaveholders as are the white people of the north; and though that, according to my ideas, is not saying a great deal, it is a vast improvement in my condition. The dream of my life is not yet realized. I do not sit with my children in a home of my own, I still long for a hearthstone of my own, however humble. I wish it for my children's sake far more than for my own. But God so orders circumstances as to keep me with my friend Mrs. Bruce. Love, duty, gratitude, also bind me to her side. It is a privilege to serve her who pities my oppressed people, and who has bestowed the inestimable boon of freedom on me and my children. It has

been painful to me, in many ways, to recall the dreary years I passed in bondage. I would gladly forget them if I could. Yet the retrospection is not altogether without solace; for with those gloomy recollections come tender memories of my good old grandmother, like light, fleecy clouds floating over a dark and troubled sea.

**Incidents in the Life of a Slave Girl** Linda Brent 2009-01-01 *Incidents in the Life of a Slave Girl* is the immensely powerful autobiography of Harriet Jacobs, who wrote under a pen name. A feminist work, she uses her experiences to state and restate her belief that though all unhappiness sprung from being a slave, she had to endure worse, being also a woman. Her experiences show that the only refuge and relief to be found were in other women, and also that women were less able to attempt freedom when that would mean leaving their children behind. Her autobiography is the account of her struggle to achieve that freedom and respect and redefine herself. Her life is a testament to her grandmother's credo: "He that is willing to be a slave, let him be a slave."

*Incidents in the Life of a Slave Girl* Linda Brent 2023-07-16 Harriet

Jacobs was born a slave in North Carolina, but, in her words, didn't realize it until her father died when she was six years old. Six years later, when her mistress died, she was bequeathed to the mistress' granddaughter, thereby coming into the household of the mistress' lecherous son. Several years later she escaped, only to have to hide for seven years in a cramped garret that did not allow her to stand or sit up. She was finally able to make her way north, where she was reunited with her children. Many years later, after narrowly avoiding capture multiple times due to the Fugitive Slave Law, her employer purchased her freedom. Jacobs, writing as Linda Brent, tells the riveting story of her life in the South as a slave. She brings an unflinching eye to "good" masters and mistresses who nevertheless lie to, steal from, and continually break promises to their slaves, and to bad masters who beat and kill their slaves for no particular reason. Even in the North, after her escape, she is disappointed to find prejudice and degrading treatment for blacks. After having been convinced to write down her story, it took years to find a publisher who would print it. It was finally made available to the public just a few months before the shots at Fort Sumter that began the Civil War.

*Henriette Delille* Cyprian Davis 2004

Henriette Delille Elsie B. Martinez 2010-05-24 Beginning in 1812, this fictional biography follows the life of Henriette Delille, a free woman of color who founded the Sisters of the Holy Family. This examination recounts her spiritual journey and struggle to break free from French Quarter society, despite her family's protests. Instead, she chose to focus on the needs of the less fortunate, teaching such principles as chastity and obedience, until her death in 1862. Today the Catholic Church is considering the Venerable Henriette Delille for sainthood, making her the first African American in North America to receive such an honor. Her story provides a glimpse of what life was like in the French Quarter during the nineteenth century and offers enlightenment on voodoo traditions and the plaçage system.

The New Orleans Sisters of the Holy Family Edward T. Brett 2012-04-15 The Sisters of the Holy Family, founded in New Orleans in 1842, were

the first African American Catholics to serve as missionaries. This story of their little-known missionary efforts in Belize from 1898 to 2008 builds upon their already distinguished work, through the Archdiocese of New Orleans, of teaching slaves and free people of color, caring for orphans and the elderly, and tending to the poor and needy. Utilizing previously unpublished archival documents along with extensive personal correspondence and interviews, Edward T. Brett has produced a fascinating account of the 110-year mission of the Sisters of the Holy Family to the Garifuna people of Belize. Brett discusses the foundation and growth of the struggling order in New Orleans up to the sisters' decision in 1898 to accept a teaching commitment in the Stann Creek District of what was then British Honduras. The early history of the British Honduras mission concentrates especially on Mother Austin Jones, the superior responsible for expanding the order's work into the mission field. In examining the Belizean mission from the eve of the Second Vatican Council through the post-Vatican II years, Brett sensitively chronicles the sisters' efforts to conform to the spirit of the council and describes the creative innovations that the Holy Family community introduced into the Belizean educational system. In the final chapter he looks at the congregation's efforts to sustain its missionary work in the face of the shortage of new religious vocations. Brett's study is more than just a chronicle of the Holy Family Sisters' accomplishments in Belize. He treats the issues of racism and gender discrimination that the African American congregation encountered both within the church and in society, demonstrating how the sisters survived and even thrived by learning how to skillfully negotiate with the white, dominant power structure.

Slavery is a terrible thing, but it is far more terrible and harrowing for women than for men. Harriet Jacobs was owned by a brutal master who beat his slaves regularly and subjected them to indignations that were far worse. Jacobs eventually escaped her master and moved to a northern state. Though she was unable to take her children with her at the time they were later
