Statesman and Saint David J. Vaughan 2001 God has set before me two great objects: the abolition of the slave trade and the reformation of manners." These passionate words penned by William Wilberforce in 1787 marked the beginning of his lifelong crusade as a Christian statesman and philanthropist. Under his leadership parliamentary and prison reforms were championed, the Church Missionary Society was founded, the British and Foreign Bible Society was established, and countless charitable efforts were made. For forty years he crusaded against slavery in the face of much opposition, and his entire life was dedicated to the improvement of the lives of his fellow Englishmen. In this engaging biographical look at Wilberforce, David J. Vaughan examines the sterling character of this undeniably noble man. Book jacket.

Dunstan Douglas Dales 2013-04-25 St Dunstan of Canterbury (909-88) was the central figure in the development of English church and society after the death of King Alfred. Douglas Dales traces Dunstan's life beginning with his education at the great monastery of Glastonbury of which he became abbot. He was a central figure at the court of the kings of Wessex but was banished, partly because of his hostility to the king's mistresses, and went to exile in Flanders. After his return he was appointed Archbishop of Canterbury. During the twenty-eight years of his primacy he carried out one of the major developments of the century, the reformation of the monasteries. This book aims to examine him not merely as a prelate and royal advisor, but to see other aspects of his life: his skills as a craftsman caused him to be adopted as the patron saint of goldsmiths; some of his work as calligrapher and artist survives to this day; the coronation service which he drew up

still lies at the heart of this service for English monarchstoday; he was famed for his musical skills; above all, the sanctity of his name and the fame of his miracles kept Dunstan's memory alive. Douglas Dales' re-examination of the life and times of Dunstan sets his achievements against the social and religious background of the day, at a time when new forces were emerging that would shape the future of England and the English Church for centuries to come.

The Making of a Statesman Aditya Satsangi 2019-12-14 About the Book - "The Making of a Statesman":Narada Muni has often been misrepresented by mischievous writers and media. Often times, he has been depicted as a comic personality in publications, TV and media. With this book for Statesmen, author presents Narada as the Guru of all Statesmen. This book is a bonafide translation from a brief conversation between Yudhishtira and Narada as mentioned in Mahabharata of Vyasadeva. The

reader will enjoy the depth of summary instructions given by Narada to Yudhishtir on Governance and Statecraft. Through Yudhishtira, Narada Muni is actually instructing all statesmen of this world. These instructions are valid today more than ever and will remain so for the remainder of eternity. This book will serve as a guiding light to many in active politics. Narada Muni is not only a great travelling Saint but also the Foremost Thinker, Social Reformer, Economist and a Spiritual Scientist who knows the science of God. Political Leaders will gain trust and love of their people by using these instructions. A must read for every Politician who aspires to become a Statesman. About the Author - "Aditya Satsangi":Aditya Satsangi is an investor and serial entrepreneur with a keen penchant for writing to uplift social conscience. He has been a lifelong practising Hindu Vaishnava with a Bhakti Shastri title. He follows the timeless Bhakti tradition having been initiated in Brahma

Madhva Gaudiya Sampradaya. With his inherent love for Vedic literatures, he presents the most authentic account of Narada Muni's instructions to Yudhishtira on how to become a successful Statesman. In his first successful book, Sattology - Debunking Mythology, Aditya Satsangi invented a new term Sattology which is a true antonym of Mythology. Readers will find his writings to be deeply engaging and interesting. Aditya has mastered the art of Narration and his second book not only engages but also educates the reader.
