Penned Promises Brynn Paulin 2023-04-04 Dear Pollux, My sister was supposed to write you, but she flaked out, so I'm writing to say someone is thinking of you out here. I don't know what you did—or anything about you, to tell the truth. That's okay. We can still be pen pals. I hope this finds you well. Be safe. Bexley From the first letter she writes, Bexley is the only ray of light in Pollux's slate gray life. He hasn't seen her, but with every word they exchange, he knows. She is his, and somehow soon, he's going to have her in his arms and keep her there. Even the prison bars he's behind won't stop him. With every letter he writes her, he's penning promises between the lines. Promises he will keep, even if he has to die trying.

Gifted Brynn Paulin 2022-12-16 I was already in trouble. That's how I got drafted into being one of the chaperones for the school's holiday trip for the students enrolled in the gifted program. But when one little lamb goes missing, it's up to this shepherd to track her down. The group went on to their next destination while she and I are stranded behind in a blizzard right before Christmas. It's exactly the kind of story to make tabloids: the teacher and his barely legal student. It's bad. Real bad. How much worse could it be if she ends up knocked up? Because my little lamb is gifted in more ways than brains, and I'm going to give her a gift, too—one that takes months to arrive and will tie her to me forever.

Stupid Cupid Pixie Chica 2020-02-14 Romeo Cupid Jr. When my mother declares war on my single-hood, I know it's time I find a decoy. At 35, I'm the oldest bachelor in the cupid clan so my meddling mother has concocted a plan to get me engaged by my sister's wedding. Acting on desperation, I accept a date-for-hire with a woman named Chels. It was supposed to be a temporary fix, but once my eyes land on her, there's no way I'll let her go - Even if she thinks I'm just a Stupid Cupid. Looks like I'll be granting my mom's wish after all. Chelsea "Chels" McQueen Spinster, cat lady, freak...Yeah I knew the names everyone called me. That's why I needed to get out of the North Pole, and quick. Short on cash, and out of options, I accept the job of girlfriend for a week. How bad could it be for a thousand bucks? I was expecting an awkward and shy man who was being tormented about being single. What I didn't bargain for was the handsome giant I get instead. He may think he can boss me like the Neanderthal he is, but I'll show him. Just as soon as I stop getting lost in those troubled emerald eyes. This Valentine's Day,

the reluctant Cupid has met his match. He'll have to pull out all the stops, and then some.

Produce Your Own Damn Movie! Lloyd Kaufman 2012-09-10 Often low-budget filmmakers get thrown into the position of being not only the director, but their own producer. Using tips from the finest washed-up has-been producers in the business, this book will give the low-budget filmmaker practical tools for getting a movie shoot started, and keeping it going until it is supposed to end. From budgeting concerns to production-damaging acts of God, all will be discussed.

Make Your Own Damn Movie! Lloyd Kaufman 2007-04-01 Lloyd Kaufman, the writer/producer/director of such cult-classic films as *The Toxic Avenger*, *Class of Nuke 'Em High*, and *Tromeo and Juliet*, offers a guide to movie-making unlike any other available anywhere. In 25 years, Kaufman, along with partner Michael Herz, has built Troma Studios up from a company struggling to find its voice in a field crowded with competitors to its current--and legendary--status as a lone survivor, a bastion of true cinematic independence, and the world's greatest collection of camp on film. As entertaining and funny as it is informative and insightful, *Make Your Own Damn Movie!* places Kaufman's radically low-budget, independent-studio style of filmmaking directly in the reader's hands. Thus we learn how to: develop and write a knock-out screenplay; raise funding; find locations and cast actors; hire a crew; obtain equipment, permits, and music rights (all for little or no money); make incredible special effects for \$0.79 each; charm, schmooze, and network while on the film-festival circuit; and, finally, make a bad actor act so bad it's actually good. From scriptwriting and directing to financing and marketing, this book is brimming with utterly off-the-wall, decidedly maverick, yet consistently proven advice on how to fully develop one's idea for an independent film.

Hating Her Ex Forever Brynn Paulin 2023-05-31 Bristol He left me. Six years ago, Axel Pendleton, the love of my life, the man I was supposed to marry, left me to pursue his stock car racing career. To him, it was one or the other. Racing or me. I was black flagged and left choking on his retreating dust. Is it any wonder I hate him? Worse, he doesn't even know what he left behind. I wonder if he'll care when he finds out. Axel That's not how it was. Bristol is wrong about a few details. In particular...the "supposed to marry" part. And when she finds out the truth, then she might end up hating me even more. But if I have my way, I'll no longer be an ex. I'll be her forever.

John The North Pole has its advantages, but it's lonely as hell. My work for the Claus family has been my only focus. Love has always seemed unattainable, or so I thought, until I meet the new arrival. Neither of us were expecting each other, but I'm declaring myself His Christmas Delivery.

The Art of Movies Nicolae Sfetcu 2014-05-06 Movie is considered to be an important art form; films entertain, educate, enlighten and inspire audiences. Film is a term that encompasses motion pictures as individual projects, as well as — in metonymy — the field in general. The origin of the name comes from the fact that photographic film (also called filmstock) has historically been the primary medium for recording and displaying motion pictures. Many other terms exist — motion pictures (or just pictures or "picture"), the silver screen, photoplays, the cinema, picture shows, flicks — and commonly movies.

Not without me. I've been her rock for the past six years. She needs me. Okay, I need her just as much. The other thing? The miracle? My girl thinks she's broken because she can't hear. To me, she's perfect. But because I would give everything to heal her, she thinks only I want to fix her. She couldn't be more wrong. She's my world, exactly as she is.
