A gentle giant if there ever was one, he embodied all of the good qualities Eden hoped to pass on to her child—and possessed all of the male sex appeal a woman could want. Taking Eden to bed would be Stony’s pleasure, but he wouldn’t do it without taking her down the aisle first. “Stony Stratton is a hero who would make it onto any woman’s wish list . . . Mindy Neff masterfully blends humor with a romance that will melt your heart. What

results is sheer delight.”

While she's pretending to be a living person by going out on a date with the chief of police, someone murders the town busybody. Someone wants to pin the murder on Libby. If she doesn't take the wrap, her secret will be revealed. Now Ian tells her she's running out of time. Her body is losing the fight for life. How to Kill a Ghost Libby learns what happened to her body. Isabelle's skills are the answer, but danger comes in multiples. Libby has to battle an evil she never imagined. most and cause her to be banished from the world of the living. Shift of Time Rue Darrow, new vampire, lives in New Orleans. No boyfriend, no son, no friends. She faces an eternity working menial jobs, hunting where it's safe, and holding onto the her flagging human emotions. Then she saves Milo's life. Milo Beauron knows what Rue is. He wants to hire her. Milo's attackers were demons, and they don't play fair. There are those who will kill to keep their secrets and kill to control of a powerful weapon. Cut off from the people she holds dear, Rue doesn't know who to trust. She meets creatures of darkness both good and bad, including Death. All she can do is follow her instincts, protect the weak, and stay alive. Fox in the Quarter A white fox enters Nathan's apartment. Rue can see the fox, but Nathan can't see or smell him. Kitsune, a Japanese fox spirit, wants Rue to help him locate a missing woman. Rue's job seems simple, but now people are coming after Rue and Nathan,

people with power she has never seen. There is a new darkness in New Orleans, and it could mean the end of all human and nonhuman kind. Wolf Ties Someone has killed Nathan's roommate, alpha of the most prominent werewolf pack in New Orleans. The police hold Nathan responsible. With days remaining before the full moon, Nathan can't afford to be locked up among humans. On top of that, he's out of control with grief and rage. Rue will do anything to Nathan, but she's running out of time. The humans can't learn his secret, and the pack can't learn the murderer might have been an enemy shifter. No matter how much her tracking abilities have improved, she can't locate the killer. Rue calls in a favor from another enemy. Surely, the wolves will forgive her for humiliation in the name of stopping a war. Night Fever Rue has a perfect plan for righting the wrong that has been done to Orin and Pammie. She has to break into a facility that is warded to detect and kill any nonhuman. Good thing

Rue's a resourceful vampire. After her venture, Rue's met with a new challenge. Ghouls are loose in New Orleans, and they're attacking humans. The humans call the resulting sickness Night Fever because it's nothing they've ever seen. Anyone who gets the fever doesn't just die--they are reborn as a ghoul. When the danger hits too close to home, Rue gets help from an unexpected source. She puts one friend in danger, unintentionally betrays another, and then makes a mistake she can't ever take back.

Callaways Box Set, Books

7-9 Barbara Freethy

2023-06-30 Fall in love with the Callaways in these three full-length heartwarming, page-turning, irresistible romances. This special box set brings the love and the mystery as well as a lot of family drama. THAT SUMMER NIGHT "I love the Callaways! Heartwarming romance, intriguing suspense and sexy alpha heroes. What more could you want?" - NYT Bestselling Author Bella Andre Reid Becker was the best of the best, an elite soldier whose career ended abruptly in a mission gone awry. Derailed after a decade of intense focus, Reid is spending far too much time in his best friend's bar. Then Shayla Callaway walks into his life with a desperate plea for help. How can he resist a beautiful blonde? The last thing Shayla Callaway was looking for was trouble. After years of medical school, she is months away from finishing her residency when a stint with a

research team lands her in the middle of a game of drugs and money, and the only person who can help her is a burned-out ex-soldier with a hot body and a cocky attitude. Reid and Shayla have always put duty and career first. But as the danger heats up, so do the summer nights. Suddenly, it's not just about saving the world but about saving each other and a love they never expected ... WHEN SHADOWS FALL Olivia Bennett is a biographer, a narrator of lives far more interesting than her own. When she volunteers to write down the memories of Eleanor Callaway, an elderly woman suffering from Alzheimer's, she gets caught up in a compelling story of a great love and a terrible secret. Suddenly, she is no longer a spectator but an investigator, and in her quest for the truth, she not only finds herself at odds with Eleanor's sexy and very protective grandson Colton Callaway, but she also discovers a more personal connection to Eleanor's past. Colton is a firefighter, a man used to going

after what he wants and getting it. He pushes the limits, takes chances, and is willing to risk everything to save a life, especially if that life belongs to his grandmother. As Olivia and Colton stir up the smoldering embers of the past, they soon come to realize that the greatest danger may not come from those who want to protect their secrets, but from each other. The one thing neither of them has ever been willing to risk is their heart.

SOMEWHERE ONLY WE KNOW Firefighter Burke Callaway has been living in the shadows since the tragic death of his fiancée. He had no interest in coming out of the dark, until the beautiful and unpredictable Maddie came back to town. Maddie Heller is the ultimate free spirit, her love of life and cooking taking her all over the globe, and only a few people know that her easy smile covers a personal tragedy. With a new job offer in San Francisco, Maddie thinks it might be time to stay in one place, especially when she runs into Burke again. Burke was

the handsome, sexy hero of her youth who could do no wrong. Maddie was the pretty, fun-loving girl of his youth who loved to break the rules. They were opposites in every way, but there was always a connection. It was just never the right time or the right place—until maybe now. But their budding love story suddenly takes a dangerous turn, and a series of escalating incidents makes them realize that falling in love might not just be terrifying but also deadly.
