The Unqualified Hostess Whoopi Goldberg 2019-09-24 The legendary actor and comedian shows how to set a great table, shares ideas for unforgettable celebrations, and says, "It's about fun, not perfection!" In her own words... "It's Whoopi here and I've written this book that, frankly, is the last book anyone would expect. You would never think of me as someone with the courage to say, 'You have everything you need to be fantastic in your own house, apartment, or trailer to set a great table.' Let's face it, you look at a lot of books on Entertaining and think 'I could never do this in my house, I don't have this stuff and it's not going to look like what I'm seeing.' That's not what's going to happen here! I want to show you there is great heart in setting the table. For two or four or the kids or Halloween or tea just for you. For dinners with friends or the holidays. I'm going to tell you stories about what I do when people come over and give you ideas about what you're seeing because Honey, everything in this book is what you can do in your house. You got a bodega or a 7-Eleven near you? They sell flowers. Take those bad boys and put them on your table. You got some crazy old plate from your grandmother (or a fancy silver one)? You got little kids' toys that have been annoying you forever, put them on the table too. Who's going to tell you it's wrong? Not me! I'm going to tell you it's right and I'm going to take you on a journey. And don't forget the bathroom; decorate it too, people are going to see it. It's all at your house. Come with me. I'll show you! P.S. I know the glass on the cover is broken. Accidents happen!"

Lady Almina and the Real Downton Abbey The Countess of Carnarvon 2011-12-27 The real-life inspiration and setting for the Emmy Award-winning Downton Abbey, Lady Almina and the Real Downton Abbey tells the story behind Highclere Castle and the life of one of its most famous inhabitants, Lady Almina, the 5th Countess of Carnarvon. Drawing on a rich store of materials from the archives of Highclere Castle, including diaries, letters, and photographs, the current Lady Carnarvon has written a transporting story of this fabled home on the brink of war. Much like her Masterpiece Classic counterpart, Lady Cora Crawley, Lady Almina was the daughter of a wealthy industrialist, Alfred de Rothschild, who married his daughter off at a young age, her dowry serving as the crucial link in the effort to preserve the Earl of Carnarvon's ancestral home. Throwing open the doors of Highclere Castle to tend to the wounded of World War I, Lady Almina distinguished herself as a brave and remarkable woman. This rich tale contrasts the splendor of Edwardian life in a great house against the backdrop of the First World War and offers an inspiring and revealing picture of the woman at the center of the history of Highclere Castle.

The Little Book of Racial Healing Thomas Norman DeWolf 2019-01-01 This book introduces Coming to the Table's approach to a continuously evolving set of purposeful theories, ideas, experiments, guidelines, and intentions, all dedicated to facilitating racial healing and transformation. People of color, relative to white people, fall on the negative side of virtually all measurable social indicators. The "living wound" is seen in the significant disparities in average household wealth, unemployment and poverty rates, infant mortality

rates, access to healthcare and life expectancy, education, housing, and treatment within, and by, the criminal justice system. Coming to the Table (CTTT) was born in 2006 when two dozen descendants from both sides of the system of enslavement gathered together at Eastern Mennonite University (EMU), in collaboration with the Center for Justice & Peacebuilding (CJP). Stories were shared and friendships began. The participants began to envision a more connected and truthful world that would address the unresolved and persistent effects of the historic institution of slavery. This Little Book shares Coming to the Table's vision for the United States—a vision of a just and truthful society that acknowledges and seeks to heal from the racial wounds of the past. Readers will learn practical skills for better listening; discover tips for building authentic, accountable relationships; and will find specific and varied ideas for taking action. The table of contents includes: Chapter 1: Introduction Chapter 2: Trauma Awareness and Resilience Chapter 3: Restorative Justice Chapter 4: Uncovering History Chapter 5: Making Connections Chapter 6: Circles, Touchstones, and Values Chapter 7: Working Toward Healing Chapter 8: Taking Action Chapter 9: Liberation and Transformation And subject include Unresolved Trauma, Brown v. Board of Education, Lynching, Connecting with Your Own Story, What Healing Looks Like, Engage Your Community, and much more.

The New Book of Table Settings Chris Bryant 2000 Here's a guide to decorating a dinner table that's geared to today's lifestyles, when takeout in front of the fireplace counts as having friends over for dinner and a potluck picnic is far more common than a five-course meal. As a nod toward tradition, a basics section reviews the standard tableware components and provides some light-hearted refreshers on traditional put-the-salad-fork-here etiquette. More important, it shows how to assemble an all-purpose collection of tableware that will provide the foundation for almost any setting. Then, in four chapters (and with stunning photography), the book offers dozens of clever, creative, and highly do-able ideas for making tables inviting places to gather. Sometimes they're full-blown settings. Other times they're imaginative suggestions for centerpieces. The book is also loaded with tips and fun sidebars on everything from hosting a wine tasting to the best blooming branches to put in the center of your table in the spring. This book is not geared toward people who have endless space in their kitchen cabinets and unlimited tableware budgets. It's for real people—and for how they entertain today. The approach is uncomplicated; the materials are accessible; the results are striking.
