Ben Shaw 2021-05-01 Examine the evidence for Christianity and why it is worth considering.

Lots of people assume that Christianity is simply a nice story for kids or a niche hobby for weirdos—or worse, unattractively restrictive. In this book, Ben Shaw invites sceptical readers to think again. He outlines seven reasons why Christianity is worth considering—or reconsidering—not least because it offers some thought-provoking and rational answers to our deepest questions. This warm, honest book shows that the Christian message is both more credible and more wonderful than we might have otherwise thought, and calls readers to investigate the person of Jesus for themselves.

Seven Reasons Why I Believe the Bible Is**God's Word** Erwin W. Lutzer 1998-09**Happy Yoga** Steve Ross 2003-11-11 After

studying yoga in India and traveling all over the

world with traditional Vedantic masters, Steve

Ross returned to his hometown of Los Angeles

with a broadened point of view of what yoga

could be. He was surprised to find that yoga

classes at home were missing the humor, joy,

and celebration that fueled his Eastern studies.

Instead of expanding and enhancing the joy of

being, Western yoga classes focused obsessively

on correcting body positions and developing a picture-perfect physique. Determined to keep his yoga practice true to cultivating bliss and inner radiance, Ross started his own yoga studio and has created a yoga movement in Los Angeles that is, to put it simply, revolutionary. Ross lives and teaches according to his belief that the secret to yoga is not obsessing over whether your feet are parallel or whether you can bend as far as the person on your left can, but about transcending the serious and allowing joy into your life, your body, your mind, and hopefully your yoga practice itself. It's about lightening up. In *Happy Yoga*, Ross reveals that everyone is inherently happy, but that our true self is shadowed and concealed by the layers of worry that, through habit, become our daily thoughts. In each chapter, he examines one of our seven greatest human fears -- depression, ill health, loss of love, career failure, war, death, and emotional stasis -- and uses yoga wisdom to explain how to strip away these worries to reach your core of calm radiant joy. By sharing his system of yoga postures, diet, meditation, music, supplements, and philosophy, Ross has effected profound physical and mental changes in both his life and the lives of his students. Ross's power is that he goes back to the source -- five thousand years of ancient yogic wisdom -- and decodes the abstract Eastern ideas for a Western audience. *Happy Yoga* is not just a set of movements and facts to consume, it is a way of shifting your awareness to bring the spirit of yoga into each movement, each meal, each relationship, each thought, and each breath. With love and joyful abandon, Ross offers us a new way to practice and live yoga. The result is profound calm, a dramatic release of anxiety and pain, and the realization that there really is nothing to worry about.

Erwin W. Lutzer 2008-09-20 'In a society where relativism is the most acclaimed philosophy, it is of utmost importance that Christians believe absolutely that the Bible is the inerrant Word of God.' Erwin Lutzer takes readers on a journey of faith where they are asked some of the most fundamental questions a person could ask. In his readable, yet profound style, Lutzer critically examines proof that will determine supernatural authenticity of the Bible.

THERE WERE SEVEN REASONS WHY... Small-town veterinarian August Trent knew she had to accept sexy attorney Zack Adriano's marriage proposal—and they were all under the age of ten. Her foster sons' futures were at stake. If

August wanted to keep the only family she had left, it meant saying yes to Zack...who'd never once mentioned the word love. Zack didn't know what had possessed him—a man who'd stopped believing in fairy tales a lifetime ago—to come to this damsel's rescue. But something told him that this ready-made family might finally teach him to say three very important little words.... *Seven Reasons Why This Book Is True* Maurice C. Smith 2020-04-27 This book is dedicated to all the honest seekers who are searching for the truth. After fifty years of sharing my faith, I realized that most people who reject the Bible have common objections. Here are some of the usual arguments voiced by people: 1. There are so many religions claiming to be the truth! So, why should we believe the Bible? 2. The Bible must be flawed because it was written by man, and all men have flaws! 3. It was written so long ago - how can we trust it? 4. It makes the most unbelievable claims - God coming in the form of a man, born of a virgin, walked on water, gave sight to the blind, died on a cross, and was raised from the dead! It is not my intent to convince or to convert skeptics. The purpose of this book is to present the facts concerning the Bible, and let the reader come to his or her own conclusion. If the Bible is true, then its content compels every human to make a choice concerning its message - IT LEAVES NO ROOM FOR NEUTRALITY NOR INDIFFERENCE!

Seven Reasons Why We Need Jesus Lin Wills 2021-03-01 Many of us can feel empty, and don't really understand why. It is because we were made by God for God. We were born with this need inside us. When we go our own way in life, and don't count God in, we can get in a mess because we don't understand what is really best for us. Only God knows that. We were not made to carry guilt. Our shoulders are not big enough. When guilt weighs heavily on us, it can cause all sorts of problems - mental, emotional, and physical. When we say sorry for the wrong things we've done, God wipes our slate clean. He wipes it all away. We are justified, just as if we had never sinned!

Seven Reasons why Christians Cannot Give Themselves Over to Worldly Amusements Harlow W. Parsons 19??

Seven Reasons Why Elmer D. Grobler

2021-01-14 Seven Reasons Why explores why and how every Christian must prepare spiritually for the Antichrist and Great Tribulation. On the 2nd of January 2018 Elmer Grobler received devastating news. Something happened that he never thought God would allow! He was so sure of his convictions about God's character that when it happened, his entire faith in Jesus Christ suddenly stood on shaky ground. He was totally unprepared for what happened. Like Job, he suddenly found himself among the ashes, scratching his emotional wounds. He even considered suicide, and like Job he tried to reason with God. Why did God allow this to happen? How could this be? For approximately two years Elmer went through a time of depression, simply trying to spiritually keep his head above water. Thank God for Christian brothers and sisters who supported him during this time in prayer. Then, as with Job, God started speaking out of the whirlwind. The Lord revealed to Elmer that He had been preparing him for his next assignment, which was the publication of this book. Amid this mess, there was purpose! This book is addressed to millions of Christians world-wide who are placing their hope in an imminent pre-tribulation rapture before the return of Jesus Christ. What will you do when you realise that the mark of the beast is becoming mandatory for everyone in order to travel, enrol your children in school, qualify for a job and participate in the economy, and the rapture has not yet occurred? Millions of Christians world-wide are going to be spiritually unprepared and devastated when the Antichrist is revealed and the rapture has not yet occurred! What is the possibility that this may happen? What Biblical evidence do we have that the Antichrist may be revealed and the Great Tribulation begin before Jesus Christ returns for His bride? SEVEN REASONS WHY Every Christian Must Prepare Spiritually For The Antichrist And Great Tribulation provides the answer and explores the spiritual challenges Christians will have to face. The objective of this book is to point the way to a solid foundation and victorious faith in Jesus Christ in times of tribulation.
