Gothic Dissections in Film and Literature Ian Conrich 2017-11-06

This is the first book-length study to systematically and theoretically analyse the use and representation of individual body parts in Gothic fiction. Moving between filmic and literary texts and across the body—from the brain, hair and teeth, to hands, skin and the stomach—this book engages in unique readings by foregrounding a diversity of global representations. Building on scholarly work on the 'Gothic body' and 'body horror', Gothic Dissections in Film and Literature dissects the individual features that comprise the physical human corporeal form in its different functions. This very original and accessible study, which will appeal to a broad range of readers interested in the Gothic, centralises the use (and abuse) of limbs, organs, bones and appendages. It presents a set of unique global examinations; from Brazil, France and South Korea to name a few; that address the materiality of the Gothic body in depth in texts ranging from the nineteenth century to the present; from Nikolai Gogol, Edgar Allan Poe, Roald Dahl and Chuck Palahniuk, to David Cronenberg, Freddy Krueger and The Greasy Strangler.

The Baltic Pilgrimage Marc C Watson 2021-12-01 In AD 1103, in the central lands of the Rus and the Siberian plains, the earth quaked as it was rent and torn asunder for hundreds of miles southward. Spilling forth from this deep abyss, chasm, was a deluge of enchanted energies and a series of interlocking deities who, having been trapped within the forming of the Earth, now ascended up, residing upon Luna, overlooking the world below. The dark and light energies of magic leaking into the atmosphere, encasing Earth and altering the civilizations upon her forever. Having learned to incorporate these new magical energies into restricted priesthoods, the militaries and daily life of all Europeans and Asians had, by AD 1337, changed wildly. And yet it was also at this time that Europe began to face a new and wholly daunting threat of a unified Lithuania, being the largest landmass kingdom in all of Europe, which was ruled over by the quasi-immortal Undeath Aristocracy. The Teutonic Order, having been invited by the Polish crown into the Baltic for their protection, was now Europe's, and, even more dire, Christianity's, last bulwark and defensive line against the encroaching corruption and vile taint of nature that was wrought by the undeath and their monstrous legions of Norr, the rank-and-file infantry who enforced the dark and enslaving rule of the undeath. The coming events and the newly arrived

Teutonic member, Ludwig, would change, with steel, anger, and magical spells, not just the course and shape of events in the Baltic, but the very face and future of not just Christianity but humanity as a whole.

Dry Bones Dancing Tony Evans 2012-02-15 God's Spirit once took the prophet Ezekiel to a vast valley filled with brittle, parched-dry bones—a potent picture of widespread spiritual dryness. But by the Word of God proclaimed through Ezekiel's mouth, those piles of bones took on sinew and flesh and skin, then were infused with life-giving, wind-driven breath from the Spirit of God. A sweeping vista of skeletons was turned instead into a force of fired-up warriors ready to do battle for the Lord. A transformation just as dramatic is what God wants to generate in our individual lives today and in the life of His church. Dry Bones Dancing is about escaping religious dryness to move on to true spiritual passion. The results will be an experience of supernatural power and peace in the presence of God as you are invited to go deeper and see God's character and glory as never before. Broken . . . Whole Parched . . . Flourishing Dry Bones . . . Dancing Is the landscape of your spirit all too desert-like? Then it's time for a change. It's time for a miracle. And God is ready to give it to you. Author and speaker Dr. Tony Evans boldly declares the truth: God's people are not meant to dwell in a lifeless valley. But if we are to embrace pure joy and rich passion once again, God requires a humble heart. Evans shows desert-dwellers how to pinpoint what brought them there in the first place—and how to get out. Experience spiritual nourishment and vitality once again. And get ready... ..to dance! Story Behind the Book After many years of ministering to Christians burned out by religion and spiritually dry, Tony Evans searched the Scriptures for answers to share with everyone who is seeking to rekindle their passion for God. He found the perfect passage in Ezekiel. Through his study of the story, he bolstered his own spiritual passion, and now he shares it with those seeking to be rebuilt and reenergized by and for God.
