Hellekson not only fly-fished and tied flies as a youth, but he developed many new fly patterns and eventually became immersed in all phases of the fly-fishing and fly-tying businesses. He founded Fly Fishing Specialties, a wholesale and retail business. He continually exchanges information with leading experts in fly-fishing and fly tying. Hellekson has traveled the world discovering sources for fly-tying materials and other products that he sold on the international market. He has also fished many of the great lakes and rivers of the world, traveling to such far off places as Kashmir to test the waters of the Himalayas. Hellekson is one of the founders of the Northern Utah Fly Fishers and the Granite Bay Fly Casters in northern California. Through fly-tying classes and fly-fishing clinics, he has taught countless numbers of fly fishers the fine points of the sporting art. Besides the many articles he has written on fly-

fishing and fly tying, he has authored two books, *Popular Fly Patterns* (1976) and *Fish Flies* (1995), with this revised edition the culmination of a lifetime of work. He has also made generous contributions to the works of other authors. He now lives and fishes with his wife, Patricia, in Montana, where they have the famous Kootenai River at their doorstep.
