Italian Sword and Sandal Films, 1908-1990 Roy

Kinnard 2017-02-28 Produced in Italy from the turn of the 20th century, "sword and sandal" or peplum films were well received in the silent era and attained great popularity in the 1960s following the release of Hercules (1959), starring Mr. Universe Steve Reeves. A global craze for Bronze Age fantasy-adventures ensued and the heroic exploits of Hercules, Maciste, Samson

and Goliath were soon a mainstay of American drive-ins and second-run theaters (though mainly disparaged by critics). By 1965, the genre was eclipsed by the spaghetti western, yet the 1960s peplum canon continues to inspire Hollywood epics. This filmography provides credits, cast and comments for dozens of films from 1908 through 1990.

New York 1992-06

[Psychotherapists on Film,](#)

[1899-1999](#) John Flowers
2004-04-08 How long have psychotherapists been depicted in films? Nearly as long as there have been films—or psychotherapists, for that matter. This isn't surprising if one considers that the Freudian revolution in psychology and the invention of motion pictures occurred at about the same time. What may be surprising is the sheer number of times that psychotherapists, in their many guises, have shown up in the movies and how their depiction has reflected changing social attitudes about psychotherapy

over the last century. This comprehensive worldwide filmography examines over 5000 movies. Films in which mental health professionals appear, or in which others act in that capacity, are listed alphabetically. A preface explains the criteria for a film's inclusion, and a lengthy introduction and guide to the filmography explores the changing social attitudes mirrored by the movies. Appendices list the titles by decade; alternate titles for many films; recent releases; and qualifying adult films.

of two volumes, this book chronicles the careers of every significant film actor, from the earliest silent screen stars - Chaplin, Pickford, Fairbanks - to the mid-1960s, when the old studio and star systems came crashing down. Each listing includes: a brief biography, photos from the famed Screen World archives, with many rare shots; vital statistics; a comprehensive filmography; and an informed, entertaining assessment of each actor's contributions - good or bad! In addition to every major player, Monush includes the legions of unjustly neglected troupers of yesteryear. The result is a rarity: an invaluable reference tool that's as much fun to read as a scandal sheet. It pulsates with all the scandal, glamour, oddity and glory that was the lifeblood of its subjects.

Contains over 1 000 photos!

can deliver thousands of movies at the touch of a button, the only question is: What should I watch? Summer blockbusters and independent sleepers; the masterworks of Alfred Hitchcock, Billy Wilder, and Martin Scorsese; the timeless comedy of the Marx Brothers and Woody Allen; animated classics from Walt Disney and Pixar; the finest foreign films ever made. This capstone edition covers the modern era while including all the great older films you can't afford to miss—and those you can—from box-office smashes to cult classics to forgotten gems to forgettable bombs, listed alphabetically, and complete with all the essential information you could ask for. With nearly 16,000 entries and more than 13,000 DVD listings, Leonard Maltin's *Movie Guide* remains "head and shoulders above the rest." (The New York Times) Also included are a list of mail-order and online sources for buying and renting DVDs and videos, official motion picture code ratings from G to NC-17, and

Leonard's list of recommended films.

The Sci-Fi Movie Guide Chris Barsanti 2014-09-22 Once upon a time, science fiction was only in the future. It was the stuff of drive-ins and cheap double-bills. Then, with the ever-increasing rush of new, society-altering technologies, science fiction pushed its way to the present, and it busted out of the genre ghetto of science fiction and barged its way into the mainstream. What used to be mere fantasy (trips to the moon? Wristwatch radios? Supercomputers capable of learning?) are now everyday reality. Whether nostalgic for the future or fast-forwarding to the present, *The Sci-Fi Movie Guide: The Universe of Film from Alien to Zardoz* covers the broad and widening range of science-fiction movies. From the trashy to the epic, from the classics to today's blockbusters, this cinefile's guidebook reviews nearly 1,000 of the biggest, baddest, and brightest from every age and genre of cinematic and TV science fiction. You'll find more

The Night of the Hunter Jeffrey Couchman 2009-02-12

Reaching simultaneously into the realms of film and literature, "The Night of the Hunter": A Biography of a Film details the transformation of Davis Grubb's 1953 novel into a motion picture. A popular and critical success, the novel spent four months on the New York Times bestseller list, and Hollywood responded to its atmospheric lyricism. In the hands of first-time director Charles Laughton, the story became equal parts thriller, allegory, and fever dream, filled with slow, inexorable suspense. Yet the film initially failed at the box office. In the first major study of the long-

lost first-draft screenplay by James Agee, Jeffrey Couchman confronts a fifty-year controversy about the authorship of the film. He explores many levels of artistic convergence-between novelist and director, director and actor, and cinematic form and audience expectations. The talents that clashed or came together along the road from book to movie created a film of rich stylistic contradiction. Combining biographical and historical analysis with a critical study of both the novel and the film, Couchman makes the case that this initially overlooked cinematic gem is a prismatic work that continually reveals new aspects of itself. Book jacket.

Larry Cohen Tony Williams 2016-04-18 Now in a revised edition, this book is the only published study devoted to Larry Cohen and his significance as a great American filmmaker. The first edition is long out of print and often sought after. This edition covers all the director's films, television work and

screenplays, and contains an updated interview with the director as well as interviews with his colleagues Janelle Webb Cohen, Michael Moriarty and James Dixon. The filmography and bibliography are also updated.

Leonard Maltin's Movie and Video Guide 2003

Robert Mitchum Lee Server 2002-03-06 One of the movies' greatest actors and most colorful characters, a real-life tough guy with the prison record to prove it, Robert Mitchum was a movie icon for an almost unprecedented half-century, the cool, sleepy-eyed star of such classics as *The Night of the Hunter*; *Heaven Knows, Mr. Allison*; *Cape Fear*; *The Longest Day*; *Farewell, My Lovely*; and *The Winds of War*. Mitchum's powerful presence and simmering violence combined with hard-boiled humor and existential detachment to create a new style in movie acting: the screen's first hipster antihero--before Brando, James Dean, Elvis, or Eastwood--the inventor of big-screen cool. Robert

Mitchum: "Baby, I Don't Care" is the first complete biography of Mitchum, and a book as big, colorful, and controversial as the star himself. Exhaustively researched, it makes use of thousands of rare documents from around the world and nearly two hundred in-depth interviews with Mitchum's family, friends, and associates (many going on record for the first time ever) ranging over his seventy-nine years of hard living. Written with great style, and vividly detailed, this is an intimate, comprehensive portrait of an amazing life, comic, tragic, daring, and outrageous.

New York Magazine

1992-06-22 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Forthcoming Books Rose Army 1993-04

Al Pacino Lawrence Grobel 2008-09-04 Not only is Al Pacino known as 'one of the greatest actors in all of film history', he is also considered 'one of Hollywood's most notorious bachelors' (imdb.com) as well as being one of the most enigmatic and private celebrities in the world.

For the first time, AL PACINO offers a deeply personal and revealing window into everything from his growing up in the South Bronx, where he shared three rooms with nine people, to his fabled studies with Charles Laughton and Lee Strasberg, his father's absence, his mother's early death, and how he bounced through a series of odd jobs until his first paid role at the age of 26. He reveals his childhood dream of becoming a professional baseball player, describes his first drink at 13, and admits his once ate Valium like popcorn at the Academy Awards. Though he has been involved with women like Diane Keaton and Beverly D'Angelo, the mother of his three children, he has never married and here reveals why, and how his feelings have changed. Through it all, he has delivered some of the most seminal performances in film and theatre history and worked with most of its biggest stars. He was nominated for seven Academy Awards before winning Best Actor Oscar for Scent of a Woman. AL PACINO

is an intensely personal look at a creative genius at the peak of his powers who, after all these years, still longs to learn more about his art. And for now, it's a close to a memoir as we are likely to get.

Film Writers 2001

2004 Movie & Video Guide

Leonard Maltin's 2003

The Movie Guide James Pallot

1995 The Movie Guide is the most comprehensive, in-depth film reference available in a single volume - the indispensable sourcebook for movie buffs and film scholars alike. Collected from the vast databases of CineBooks, the world's leading film authority, The Movie Guide provides key information not available in other single-volume guides. With longer, more detailed reviews and fascinating film facts, this easy-to-use, alphabetized guide covers well over 3,000 of the most important films ever made - from accepted classics such as Citizen Kane and Schindler's List, to cult hits and "sleepers" like The Crying Game and Strictly Ballroom, to the most-

talked-about films of the year. Whether it's foreign films or The Flintstones, every movie fan will applaud The Movie Guide's in-depth coverage and special features:

Comprehensive reviews - with detailed plot synopses and probing critical insights, often supplemented by special anecdotal material not found in other film guides. Complete cast listings - including major cast information (up to ten main actors) and the names of the characters played.

Academy Awards - the special honors that each film has received. Not only the winners in every category, but the nominees as well. Top creative credits - including director, producer, cinematographer, editor, art director, music composer, costume designer, special effects, and more.

Essential for the true fan who appreciates the collaborative nature of film. Production information - crucial film facts such as year of release, running time, distributor, production company, country of origin, and color code.

Rating systems - not only the MPAA rating (essential for family viewing), but a special star ratingsystem based on the film's overall critical merit.

Leonard Maltin's 2009 Movie Guide Leonard Maltin 2008

Offers readers a comprehensive reference to the world of film, including more than ten thousand DVD titles, along with information on performers, ratings, running times, plots, and helpful features.

Killin' Generals Dwayne Epstein 2023-04-25 An explosive inside look at *The Dirty Dozen*, the star-studded war film that broke the rules, shocked the critics, thrilled audiences, and became an all-time, cult-movie classic... The year was 1967. A cinematic blockbuster exploded across American popular culture. *The Dirty Dozen* didn't just reinvent the "men on a mission" war story, it blew the genre to pieces. Like its ragtag team of crazies, murderers, and misfits, it defied authority, mocked the military, and still managed to deliver action, adventure, and

no-holds-barred Nazi-killing. It also received four Oscar nominations, launched the careers of many Hollywood legends, and inspired generations of filmmakers like Sam Peckinpah, Quentin Tarantino, and James Gunn. Based on exclusive interviews with the surviving cast and crew, friends and families of the stars, and other Hollywood insiders, *Killing Generals* is a riveting must-read for film buffs, military fans, and anyone who loves a down-and-dirty adventure tale. To quote the character played by Charles Bronson, "Boy oh boy—killing generals could get to be a habit with me." Detailed, insightful, and gossipy, Epstein's homage spotlights the movie's endless barrage of cinematic gold. During a time when America was reeling from turmoil—the Vietnam War, civil rights protests, social upheaval—Hollywood held an indelible mirror up to a changing society. Films like *Bonnie and Clyde*, *The Graduate*, *Guess Who's Coming to Dinner*, *Cool Hand Luke*, and

In the Heat of the Night would define the era. But it was a gritty, violent, darkly comic World War II movie called The Dirty Dozen that would really strike a chord with audiences—and become the year's biggest box office success. Heading up the all-star cast were Lee Marvin, Ernest Borgnine, John Cassavettes, Charles Bronson, Donald Sutherland, Jim Brown, Robert Ryan, Clint Walker, and at his most terrifying best, Telly Savalas, propelling many of them to stardom. More than a viewing companion to an iconic film, Killin' Generals brings to vivid life a pivotal epic in American history and pop culture, when going to the movies—in person—was a way of life shared by millions.
