**Apollo 8** Jeffrey Kluger 2017-05-16 The untold story of the historic voyage to the moon that closed out one of our darkest years with a nearly unimaginable triumph In August 1968, NASA made a bold decision: in just sixteen weeks, the United States would launch humankind's first flight to the moon. Only the year before, three astronauts had burned to death in their spacecraft, and since then the Apollo program had suffered one setback after another. Meanwhile, the Russians were winning the space race, the Cold War was getting hotter by the month, and President Kennedy's promise to put a man on the moon by the end of the decade seemed sure to be broken. But when Frank Borman, Jim Lovell and Bill Anders were summoned to a secret meeting and told of the dangerous mission, they instantly signed on. Written with all the color and verve of the best narrative non-fiction, Apollo 8 takes us from Mission Control to the astronaut's homes, from the test labs to the launch pad. The race to prepare an untested rocket for an unprecedented journey paves the way for the hair-raising trip to the moon. Then, on Christmas Eve, a nation that has suffered a horrendous year of assassinations and war is heartened by an inspiring message from the trio of astronauts in lunar orbit. And when the mission is over—after the first view of the far side of the moon, the first earth-rise, and the first re-entry through the earth's atmosphere following a flight to deep space—the impossible dream of walking on the moon suddenly seems within reach. The full story of Apollo 8 has never been told, and only Jeffrey Kluger—Jim Lovell's co-author on their bestselling book about Apollo 13—can do it justice. Here is the tale of a mission that was both a calculated risk and a wild crapshoot, a stirring account of how three American heroes forever changed our view of the home planet.

*Rape New York* Jana Leo 2011-02-08 In the gripping first pages of this true story, Jana Leo relives the moment-by-moment experience of a home invasion and rape in her own apartment in Harlem. After she reports the crime, she waits. Between police disinterest and squabbles from the health insurance company over who's going to pay for the rape kit, she realizes that the violence of such an experience does not stop with the crime. Increasingly concerned that the rapist will return, she seeks help from her landlord, who refuses to address security issues on the property. She comes to understand that it is precisely these conditions of newly gentrified lower-income areas which lead to vulnerable living spaces, high turnover rates, and ultimately higher profits for slumlords. In this most singular memoir, Leo weaves a psychological journey into an analysis that becomes equally personal: the fault lines of property mismanagement, class vulnerabilities, and a deeply flawed criminal justice system. In a stunning conclusion, Leo has her day in court.

2666 Roberto Bolaño 2013-07-09 A NATIONAL BOOK CRITICS CIRCLE AWARD WINNER THE POSTHUMOUS MASTERWORK FROM "ONE OF THE GREATEST AND MOST INFLUENTIAL MODERN WRITERS" (JAMES WOOD, THE NEW YORK TIMES BOOK REVIEW) Composed in the last years of Roberto Bolaño's life, 2666 was greeted across Europe and Latin America as his highest achievement, surpassing even his previous work in its strangeness, beauty, and scope. Its throng of unforgettable characters includes academics and convicts, an American sportswriter, an elusive German novelist, and a teenage student and her widowed, mentally unstable father. Their lives intersect in the urban sprawl of SantaTeresa—a fictional Juárez—on the U.S.-Mexico border, where hundreds of young factory workers, in the novel as in life, have disappeared.

She has a few rules of her own: - They will have dinner together every evening. - With conversation. - And unlimited teasing. - Last, and most importantly... *The Colombian Novel, 1844-1987* Raymond Leslie Williams 2010-07-05 Novels such as One Hundred Years of Solitude have awakened English-language readers to the existence of Colombian literature in recent years, but Colombia has a well-established literary tradition that far predates the Latin American "boom." In this pathfinding study, Raymond Leslie Williams provides an overview of seventeen major authors and more than one hundred works spanning the years 1844 to 1987. After an introductory discussion of Colombian regionalism and novelistic development, Williams considers the novels produced in Colombia's four semi-autonomous regions. The Interior Highland Region is represented by novels ranging from Eugenio Díaz' Manuela to Eduardo Caballero Calderón's El buen salvaje. The Costa Region is represented by Juan José Nieto's Ingermina to Alvaro Cepeda Samudio's La casa grande and Gabriel García Márquez' Cien años de soledad; the Greater Antioquian Region by Tomás Carrasquilla's Frutos de mi tierra to Manuel Mejía Vallejo's El día señalado; and the Greater Cauca Region by Jorge Isaacs' Maria to Gustavo Alvarez Gardeazábal's El bazar de los idiotas. A discussion of the modern and postmodern novel concludes the study, with special consideration given to the works of García Márquez and Moreno-Durán. Written in a style accessible to a wide audience, The Colombian Novel will be a foundational work for all students of Colombian culture and Latin American literature.

The Hot Kid Elmore Leonard 2009-10-13 The undisputed master of the crime novel strikes again with this powerfully entertaining story, set in 1920s Oklahoma, that introduces one of the toughest lawmen ever to come out of the west. . . . Carlos Webster was 15 the day he witnessed his first murder—but it wouldn't be his last. It was also his first introduction to the notorious gunman, Emmet Long. By the time Carlos is 20, he's being sworn in as a deputy United States marshal and now goes by the name Carl. As for Emmet, he's robbing banks with his new partner, the no-good son of an oil millionaire. Carl Webster and Emmet Long may be on opposite sides of the law but their long-time game of cat and mouse will turn them both into two of the most famous names in crime and punishment.

**Seeing People Off** Jana Beňová 2017-05-22 \*Winner of the European Union Prize for Literature. There is a liveliness and effervescence to Jana Benová's prose that is magnetic. Whether addressing the loneliness of relationships or the effectiveness of rat poison, her voice and observations call to mind the verve and sophistication of Renata Adler or Jenny Offill, while remaining utterly singular. Seeing People Off follows

Elza and Ian, a young couple living in a humongous apartment complex outside Bratislava where the walls play music and talk, and time is immaterial. Drawing on her memories, everyday interactions, observations of post-socialist realities, and Elza's attraction to actor, Kalisto Tanzi, *Seeing People Off* is a kaleidoscopic, poetic, and deeply funny portrait of a relationship.

**The Spanish American Novel** John S. Brushwood 2011-10-19 In *The Spanish American Novel*, John S. Brushwood analyzes the twentieth-century Spanish American novel as an artistic expression of social reality. In relating the generic history of the novel to extraliterary events in Spanish America, he shows how twentieth-century fiction sets forth the essence of such phenomena as the first Perón regime, the Mexican Revolution, the Che Guevara legend, indigenismo, and the strongman political type. In essence, he views the novel as art rather than as document, but not as art alienated from society. The discussion is organized chronologically, opening with the turn of the century and focusing on novels from 1900 to 1915 that exemplify various aspects of the nineteenth-century literary inheritance. Brushwood then highlights the avant-garde fiction (influenced by Proust and Joyce) of the 1920s as a precursory movement to the "new" Latin American novel, a phenomenon that came into its own during the 1940s. He then examines the "boom" in Spanish American fiction, the period of extensive international recognition of certain works, which he dates from 1962 or 1963. In each era considered, the development of the novel is placed in dual perspective. One view—that of particularly significant novels in light of others published during the same year—is a cross section of the genre at one particular moment. The second view—that of a panorama of novels published in intervals between significant moments in the history of the novel—is more general and selective in the number of books discussed. Combining the historical with the analytical approach, the author proposes that the experience of a novel in which reality has been transformed into art is essential to our understanding of that reality.

*The Apache Diaries* Grenville Goodwin 2002-01-01 In 1930, four decades after the surrender of Geronimo, anthropologist Grenville Goodwin headed south in search of a rumored band of "wild" Apaches in the Sierra Madre. Goodwin's journals chronicling his epic search have been edited and annotated by his son, Neil, who was born three months before his father's tragic death at the age of thirty-three. Neil Goodwin uses the journals to engage in a dialogue with the father he never knew.

**A Saint Is Born in Chima** Manuel Zapata Olivella 2013-05-01 When the paralyzed cripple Domingo Vidal is rescued unsinged from a burning house, the people of Chima believe they have witnessed a miracle. Domingo becomes their patron "saint," and tales of his miracles multiply. Domingo makes the rains come, cures the blind and lame, and swells barren wombs with new life. But is Domingo really a saint, or is he a pagan idol? Padre Berrocal calls the people heretics, but they are afraid not to worship Domingo. To what excesses will superstition and ignorance drive the frightened people of Chima? This novel, published in 1963 as *En Chimá nace un santo*, makes important connections between the frustrations of poverty and the excesses of religious fanaticism. Zapata Olivella indicts the dogmatic attitudes of religious and civil institutions as a major cause of the creation of local cults like the one that grows up around "Saint" Domingo. In Zapata Olivella's compelling narrative, the struggle over Domingo points up both the inflexibility of established institutions and the potential power for change that lies within the hands of a determined populace.

**The Theft of History** Jack Goody 2012-03-29 In *The Theft of History* Jack Goody builds on his own previous work to extend further his highly influential critique of what he sees as the pervasive Eurocentric or occidental biases of so much western historical writing and the consequent 'theft' by the West of the achievements of other cultures in the invention of (notably) democracy, capitalism, individualism and love. Goody, one of the world's most distinguished anthropologists, raises questions about theorists, historians and methodology and proposes a new comparative approach to cross-cultural analysis which allows for more scope in examining history than an East versus West style.

**Good Time** Jana Aston 2018-11-05 Marrying a stranger tops the list of things you should never do in Las Vegas, but I did it anyway. The entire night was my idea. I was the one who suggested a wake-up-with-a-tiger kind of night. Instead, I woke up with a ring on my finger and Vince Rossi in my bed. Vince, who was nothing like I thought he was and everything I never knew I needed. Suddenly I was falling head-over-heels in love with my accidental husband and the idea of ending this union was the last thing I wanted. I wanted forever. So what if we barely knew each other? Statistically speaking, our odds were as good as anyone's. Until the annulment papers landed on my doorstep ...

'What's Going On' Wilfried Raussert 2021-01-07 This book begins from the premise that we are living in an age in which the social is in a continuous process of reinvention. The book is also grounded in the assumption that music is a perennial key player in the processes of reinventing the social since music holds the power to stimulate and transport visions of change through its appeal to all human senses in the Americas and beyond the American hemisphere. Chapters address the intersection of music and identity politics, the role of music in social movements, music's presence in commodity and tourist culture, music in the context of museum culture, music's presence in literature and the visual arts, and music documentary as alternative sonic historiography.

**The Man in the Wall** James Laughlin 1993 James Laughlin has been called the American Catullus. Like that most Greek of ancient Latin poets, he elevates his everyday subjects with wit and clarity of language. Love and hate, death and aging, politics, literature, travel, the horrors of war - Laughlin's muse speaks of all these things with a fresh directness that makes his poems both timeless and contemporary. The founder of New Directions, Laughlin's efforts as publisher and poet have been to prolong and extend the old poetic traditions. Poetry for him is, in Gertrude Stein's phrase, a "continuous present" in all times and cultures. Laughlin developed his distinctive tight metrics with the advice of William Carlos Williams. A longer, comical line is found in the recent poems of Laughlin's doppelganger, Hiram Handspring. *The Man in the Wall* follows Laughlin's recent *Collected Poems* (Moyer Bell Limited).

The Summer Wives Beatriz Williams 2018-07-10 "The Summer Wives is an exquisitely rendered novel that tackles two of my favorite topics: love and money. The glorious setting and drama are enriched by Williams's signature vintage touch. It's at the top of my picks for the beach this summer." —Elin Hilderbrand, author of *The Perfect Couple* New York Times bestselling author Beatriz Williams brings us

the blockbuster novel of the season—an electrifying postwar fable of love, class, power, and redemption set among the inhabitants of an island off the New England coast . . . In the summer of 1951, Miranda Schuyler arrives on elite, secretive Winthrop Island as a schoolgirl from the margins of high society, still reeling from the loss of her father in the Second World War. When her beautiful mother marries Hugh Fisher, whose summer house on Winthrop overlooks the famous lighthouse, Miranda's catapulted into a heady new world of pedigrees and cocktails, status and swimming pools. Isobel Fisher, Miranda's new stepsister—all long legs and world-weary bravado, engaged to a wealthy Island scion—is eager to draw Miranda into the arcane customs of Winthrop society. But beneath the island's patrician surface, there are really two clans: the summer families with their steadfast ways and quiet obsessions, and the working class of Portuguese fishermen and domestic workers who earn their living on the water and in the laundries of the summer houses. Uneasy among Isobel's privileged friends, Miranda finds herself drawn to Joseph Vargas, whose father keeps the lighthouse with his mysterious wife. In summer, Joseph helps his father in the lobster boats, but in the autumn he returns to Brown University, where he's determined to make something of himself. Since childhood, Joseph's enjoyed an intense, complex friendship with Isobel Fisher, and as the summer winds to its end, Miranda's caught in a catastrophe that will shatter Winthrop's hard-won tranquility and banish Miranda from the island for nearly two decades. Now, in the landmark summer of 1969, Miranda returns at last, as a renowned Shakespearean actress hiding a terrible heartbreak. On its surface, the Island remains the same—determined to keep the outside world from its shores, fiercely loyal to those who belong. But the formerly powerful Fisher family is a shadow of itself, and Joseph Vargas has recently escaped the prison where he was incarcerated for the murder of Miranda's stepfather eighteen years earlier. What's more, Miranda herself is no longer a naïve teenager, and she begins a fierce, inexorable quest for justice for the man she once loved . . . even if it means uncovering every last one of the secrets that bind together the families of Winthrop Island.

**Emma** Jane Austen 2020-12 "Silly things do cease to be silly if they are done by sensible people in an impudent way." Join us on a wonderful journey through Jane Austen's another classic story, Emma. Jane Austen (1775-1817) ? The daughter of a village preacher, the seventh child of eight, and one of two daughters, Austen grew up with little formal instruction, and wrote six novels by the age of 40: her first published novel *Sense and Sensibility* (1811), the popular *Pride and Prejudice* (1813), the psychologically complex *Mansfield Park* (1814), the clever *Emma* (1816), the melancholy *Persuasion* (1818), and humorous *Northanger Abbey* (1818), the latter two being posthumously published. Though not an acclaimed author during her lifetime, her then anonymously published novels are counted among the most popular works of classic literature in the English speaking world today, two centuries later. Stratfordian Mews produces classic literature in an academic-friendly edition with luxuriously wide, spacious margins for easy notation. It is exactly what we wish more publishers offered ? great literature, lovingly curated, with ample space for note taking. **Pedagogy of Hope** Paulo Freire 2014-04-24 With the publication of *Pedagogy of the Oppressed*, Paulo Freire established himself as one of the most important and radical educational thinkers of his time. In *Pedagogy of Hope*, Freire revisits the themes of his masterpiece, the real world contexts that inspired them and their impact in that very world. Freire's abiding concern for social justice and education in the developing world remains as timely and as inspiring as ever, and is shaped by both his rigorous intellect and his boundless compassion. *Pedagogy of Hope* is a testimonial to the inner vitality of generations denied prosperity and to the often-silent, generous strength of millions throughout the world who refuse to let hope be extinguished.

**Red Love** Leo Maxim 2013-09-10 Now, married with two children and the Wall a distant memory, Maxim decides to find the answers to the questions he couldn't ask. Why did his parents, once passionately in love, grow apart? Why did his father become so angry, and his mother quit her career in journalism? And why did his grandfather Gerhard, the Socialist war hero, turn into a stranger? The story he unearths is, like his country's past, one of hopes, lies, cruelties, betrayals but also love. In *Red Love* he captures, with warmth

and unflinching honesty, why so many dreamed the GDR would be a new world and why, in the end, it fell apart. Growing up in East Berlin, Maxim Leo knew not to ask questions. All he knew was that his rebellious parents, Wolf and Anne, with their dyed hair, leather jackets and insistence he call them by their first names, were a bit embarrassing. That there were some places you couldn't play; certain things you didn't say.
