Sathya Sai Vahini Bhagawan Sri Sathya Sai Baba 2014-07-09 Bhagawan has announced Himself as the Divine Teacher of Truth, Beauty, and Goodness. By precept and example, through His writings and discourses, letters and conversations, He has been instilling the supreme wisdom and instructing all mankind to translate it into righteous living, inner peace, and universal love. When the Ramakatha Rasavahini, the uniquely authentic, nectarine stream of the Rama's story, was serialised in full in the Sanathana Sarathi, Bhagawan blessed readers with a new series, which He named Bharatiya Paramartha Vahini (The Stream of Indian Spiritual Values). While these precious essays, on the basic truths that foster and feed Indian culture since ages before history began, were being published, Bhagawan decided to continue the flow of illumination and instruction under a more comprehensive and meaningful name, Sathya Sai Vahini - the Ganga from the Lotus Feet of the Lord - "The Flow of Divine Sai Grace". This book, therefore, contains the two Vahinis that have merged in one master stream. Inaugurating these series, Bhagawan wrote for publication in the Sanathana Sarathi, "Moved by the urge to cool the heat of conflict and to quench the agonising thirst for 'knowledge about yourself' that you are afflicted with, see, here it comes, the Sathya Sai Vahini, wave behind wave, with the Sanathana Sarathi as the medium between you and Me." With infinite compassion, this Sathya Sai incarnation of the Omnipotent is giving millions of persons in all lands freedom from disease, distress, and despair, narcotics, narcissism, and nihilism. He is encouraging those, who suffer gloom through wilful blindness, to light the Lamp of Love in order to see the world and the Lamp of Wisdom to see themselves. "This is a tantalising, true-false world. Its apparent diversity is an illusion. It is One, but is cognised by the maimed, multiple vision of humans as Many," says Bhagawan. This book is the twin Lamp He has devised for us.

Your Unique Consciousness Dr. Anthony J. Emmett 2023-03-20 The story of consciousness describes the mystery we are; where we come from before birth and where we go after death; and the thinking both in our body mind and subconscious and beyond it. It is the dimensions of rational awareness of mind and heart we use for our ego and creative life on earth, and in other dimensions around us. Imagine that you have an all-pervading higher intelligence within in your many layered consciousness. How we employ it for this dynamic life with love, and the ways it works, make you the self you are. Consciousness is an energy which comes into the brain of the embryo to activate the mind for this life; it functions at many levels. The level we call the heart is an influence emotionally with love and loving. Consciousness radiates, and the way it relates in us and beyond is the story of our lives. We can use this to great effect with certain techniques. We are alive in several levels of consciousness.

Life Is Love, Enjoy It! Joy Thomas 2014-01-24 The author of the book 'Life Is Love, Enjoy It!' Mrs. Joy Thomas and her husband ventured to India, looking for a living Master in their quest for Knowledge about the purpose of life. Both, staunch Christians, were from working class families and were brought up by loving parents who valued duty, morality, and service to others. When they first heard of Bhagawan Sri Sathya Sai Baba in 1983, they felt that the ultimate grace that could be won in a life time was showered on them by a miracle. The pure divine sparks in their hearts attracted Bhagawan who showered His divine grace and love and guided them in their spiritual evolution. The words of Bhagawan Baba, ""Life is a challenge, meet it; Life is love, enjoy it; Life is a dream, realise it; Life is a game, play it,"" created immense joy in the author and prompted her to write a series of four books with those divine phrases as titles, under the inspiration of Bhagawan. There are experiences in the book like the one in which the doctor attending to her hot swollen leg was overjoyed one morning, on seeing sudden improvement, and said, ""It is dramatically better."" It was Baba's grace. The leg, which did not respond to any medicine, was cured by her application of vibhuthi over it from a packet that mysteriously plopped on the floor of her room on the previous night, which the doctor was not aware. There are experiences through which lessons were learnt to enjoy life, to expand one's love towards all, to meet challenges in life. She firmly believed that life is love and we can enjoy it. This is the fourth book in the 'Life Is...' series. Each of these books is standalone and can be read without reading the entire series.

Sai Baba Howard Murphet 1971-01-01 This account relates some of the achievements of Satya Sai Baba. His followers believe him to be the reincarnation of Sai Baba of Shirdi who died in 1918. He appears to have been born with phenomenal powers, which he used in childhood and has employed constantly and openly ever since. The author, a westerner devoted to science and logic, spent many months with Satya Sai Baba to substantiate these miracles.

Sai Bhagvatham Manoj Nakra 2015-09-22 Sai Bhagvatham is a story of man's engagement with God. The book uses over a thousand personal spiritual experiences and anecdotes that record inner experiences of persons wrestling with their religious circumstances. The experiences, drawn from all religious traditions, are evocative of how the divine engages with man. The experiences with Sri Sathya Sai Baba are juxtaposed with the narratives of spiritual experiences recorded by seekers over the millennia. The experiences with Sai are uncannily similar to the universal experiences of man with God; they mirror man's journey to the Divine. The spiritual journey with Sai is tangible, poignant, accessible, and more intense than recorded before. Sai is relentless in the pursuit of his purpose, transformation of man, however much man falters, vacillates, resists, struggles, or even tries to escape. Sai demonstrates that in the relationship of man with the Divine, God is actively engaged with man; he is not an impassive bystander. The engagement of man with God is planned and activated by God, it progresses based upon the responses of man, and the engagement stimulates the transformation of man. Man, in his engagement with God, asks the "why" questions, seeking to comprehend and explain God. He is also reflective, attempting to understand himself, and realize who he really is. The diverse and innumerable first person incidents with Sri Sathya Sai Baba create a vivid characterization of the persona of Sai, hence the use of Bhagvatham in the title.

Shri Sai Satcharita Govind Raghunath Dabholkar 1999 Translated from original Marathi by Indira Kher, this work is a verse composition containing the known facts about Shri Sai Baba's life at Shirdi, and also his teachings seeks to meet a long-felt need. This is the Bible of Sai devotees in every sense of the term, In it's veracity, sanctity, faith and devotion that it inspires and the deep satisfaction, a sense of fulfilment that it brings to the devotee, it has no equal. Its sanctity derives from the fact that its idea was conceived during Baba's lifetime and with his blessings and express permission. For those unaware of Shri Sai Satcharita it is necessary to add that in the original it runs into 53 chapters and contains over 9,000 verses. Every chapter has a judicious mixture of philosophy, stories and anecdotes along with the Baba's teachings.

How an Engineering Professor Becomes a Spiritual Philosopher Tommy S. W. Wong 2016-07-01 Have you met an engineering professor? Have you met an engineering professor who is deep into spirituality and writes spiritual books? I have, and he is me. I had worked as an engineering professor in a university in Singapore. I now write philosophical, self-help and spiritual books. For an engineering professor to become a spiritual author is unusual to say the least. Indeed, it is this unusualness that prompted me to write this book. Engineering and spirituality are often perceived as two ends of a spectrum, and it is. As engineering deals with the physical, and spirituality deals with the non-physical, there is actually tremendous synergy once they are combined. In this book, there are ten chapters in which I share my physical and spiritual journey. They are: (1) Study years, (2) Working years, (3) Academic years, (4) From an engineering professor to a spiritual author, (5) Care for the dying, (6) Being unemployed, (7) Return as consultant, (8) Into politics and socio-political writings, (9) Becoming a spiritual philosopher, and (10) Epilogue. You are invited to join me on this journey. I hope this sharing is beneficial to you. May your life be filled with peace, love, joy and harmony!

The Flight of the Phoenix to Liberation Phyllis Krystal 2017-03-23 The Flight of the Phoenix is Phyllis Krystal's last book completed at the end of her 102 years and 8 months of life. In it she describes her experience of arising from the "dark night of the soul" and transcending the old attachments of her egoic personality and following explicitly the demands of her Higher Self or Higher Consciousness (Hi C) as she called it in her work Cutting the Ties That Bind. She likens the flight of the Phoenix from its own ashes to the metamorphosis of the Monarch butterfly from caterpillar to cocoon to butterfly and describes the pitfalls along the way. This book is suitable for all those who experience depression, the rigors of aging and the disappointment arising from unmet expectations in life. It will also appeal to those readers who are asking such important questions as what is life for? What is my purpose? Why am I here? How can I find happiness and peace of mind? The Flight of the Phoenix is the final chapter of the autobiographical spiritual journey Phyllis began to describe in Sai Baba: The Ultimate Experience. This last autobiographical book can provide spiritual guidance for those who wish to embark on an inner journey of transformation and it can support the reader in living from the Hi C without the deleterious influences of the conditioned, and often traumatized mind. Phyllis points out that the world itself is going through a similar period of transformation and this global journey and the personal journey are often intertwined. As we raise our personal

consciousness, that of humanity will be raised as well. Thus reading this book can help us help ourselves as well as the world Individual chapters briefly summarize the Cutting The Ties That Bind Method of releasing attachment from all those people, objects, habits, work and desires that we mistakenly rely on for our identity and our security. This method has found interested students and clients internationally and is now supported by the Sidney and Phyllis Krystal Foundation in the USA Some of the important symbols and concepts are described such as the Ugly Duckling syndrome, thought forms, the phoenix and butterfly symbols. A last chapter takes us from the microcosm to the macrocosm and stresses the importance of guiding the children of the world who will ultimately lead us into the Golden Age predicted in the ancient vedas.

Geeta Vahini Bhagawan Sri Sathya Sai Baba 2015-05-01 Bhagawan Sri Sathya Sai Baba wrote a series of articles under the Vahini series, for Sanathana Sarathi, a monthly magazine being published by Sri Sathya Sai Sadhana Trust, Publications Division, Prasanthi Nilayam. These precious articles are brought out now, under the title "Geeta Vahini", in this book, for the benefit of readers. This is not a commentary or summary of the divine message that was given by Lord Krishna to Arjuna. It conveys the same message in a simpler form to us, in order to remove our delusion and confer faith and strength on us, so that we may realise our own reality. Bhagawan says, "Drawing on the Divine that is inherent in us is the lesson of Geeta... Arjuna is the jiva and Krishna is the Deva. When both are in contact, impregnable might results... Krishna had to work in and through Arjuna, so that the reign of Dharma (righteousness) is re-established. Arjuna means white, pure, unblemished. Hence, he is the proper instrument." We too can become proper instruments in restoring Dharma, if we follow the lessons that Bhagawan teaches through this book.

Healing Dr Anthony J Emmett 2022-02-09 There are many aspects to healing—healing the body, healing the mind and the influence of your soul spirit. We can achieve good health with modern medicine and nutrition, surgery and public health measures, but what you keep in your mind will be decisive, for you can broadcast good health to all the living cells in your body. Healing is multidimensional and involves our different levels of human body and eternal soul spirit, resident in the unconscious levels of your mind. Healing the world too has become vital and this involves our thoughts. In studying healing, we see who we are and what we are doing here in this life. We see healing of body mind with many techniques, medical, surgical, and healing of spirit through life. The spiritual healing processes involve planes of spirit within our levels of mind—conscious and unconscious. In the unconscious-mind we find our relationship to the Divine, the power of the universe, All That Is, called God. Belief is important. The combination of medicine, science and spiritual philosophy with mysteries held in trust by religions through time. In our overpopulated world the planet needs healing both by enhancing its regeneration and by refreshing it's Spirit. Enjoy the journey.

Winged Faith Tulasi Srinivas 2010-06-10 The Sathya Sai global civil religious movement incorporates Hindu and Muslim practices, Buddhist, Christian, and Zoroastrian influences, and "New Age"-style rituals and beliefs. Shri Sathya Sai Baba, its charismatic and controversial leader, attracts several million adherents from various national, ethnic, and religious backgrounds. In a dynamic account of the Sathya Sai movement's explosive growth, Winged Faith argues for a rethinking of globalization and the politics of identity in a religiously plural world. This study considers a new kind of cosmopolitanism located in an alternate understanding of difference and contestation. It considers how acts of "sacred spectating" and illusion, "moral stakeholding" and the problems of community are debated and experienced. A thrilling study of a transcultural and transurban phenomenon that questions narratives of self and being, circuits of sacred mobility, and the politics of affect, Winged Faith suggests new methods for discussing religion in a globalizing world and introduces readers to an easily critiqued yet not fully understood community.

A Journey To Self-Peace Dr. Abdelfattah Mohsen Badawi 2013-10-14 The fruit of a thesis for a doctoral degree in comparative religions and mysticism, A Journey To Self-Peace is Dr. Abdelfattah Mohsen Badawi's

gift to the spiritual seekers of contemporary society. Bringing together faith that walks different roads and signifying that all roads lead to the same goal, Dr. Badawi lays before the reader the problems faced by humanity today and their solution, which can be found by embarking on a journey to discover peace within oneself, the Self that is a spark of Almighty God. On this sacred journey to self-peace, Dr. Badawi walks the road laid down by Sufi saints, adhering to his faith in Islam. He adopts the sacred method of repetition of the Name of God, called dhikr in Sufism and namasmarana in Sanathana Dharma. A Journey To Self-Peace expounds on the benefits of the practice of repetition of the Name, the obstacles that lie on this sacred road Godward, and the scientific analysis that proves this method as a solution to the physical, mental, and social ills faced by humanity. This book brings to fore and highlights the benefits of a practice, which is, according to God Incarnate, the Avatar Bhagawan Sri Sathya Sai Baba, the easiest method to attain realisation of God in the present age.

Baba Satpathy C.B 2011-05-08 The spread of the name and fame of Shri Sai Baba of Shirdi within the last two decades is a phenomenon by itself. From 1999 onwards a number of websites were created in the name of Baba, the world over. In the year 2000, Shri C.B Satpathy visited Chicago to inaugurate the Sai Utsav in the month of November. This event attracted a lot of devotees from all over the world including hundreds of families from the US, Latin America, Canada and UK, and by Baba's grace acted as the seed of the creation of an effective world forum of Sai devotees. It was followed by similar events and conferences in Sydney, Australia in 2001, Johannesburg and Nairobi in Africa in 2003 where an increasing number of devotees asked me questions regarding Sai Baba and his message. This trend continued over the years through the internet, till he decided to come up with a publication that would lend greater clarity about His message to His devotees as well as to those with a religious bent of mind. This book is a compilation of the questions he has received over the years, and answers to them in a structured manner in a style and language which is easy to understand. Source of the Dream Robert Priddy 1997-01-12 The influence of the Universal World Teacher in the figure of Sri Sathya Sai Babaa supremely beneficent renewer of moral life and spiritual faith has already reached the far corners of the Earth. Yet this Avatar, His miracles and teachings, are still a great mystery to even those who are acquainted with Him. Source of the Dream is thoroughly researched and gives an objective appreciation of Sai Baba's teachings about spirituality and modern science. Priddy gives an in-depth analysis of Sai Baba's miraculous actions and words. He includes investigations he made with the late professor N. Kasturi, Sai Baba's official biographer, into how Sai Baba's earlier teaching have been written or recorded, edited, translated, published, and authenticated. Some common misunderstandings about interpretation and application of the teachings, and of Baba's own words, are discussed. Priddy included color photographs of Sai Baba and some of His miraculous manifestations. Robert Priddy shares his experiences, both subtle and direct, which ultimately led him to a life transformation. He appeals to both devotees and newcomers to Sai's teaching, explaining how Sai Baba reaches out to those in need over great distances, and what it's like to visit Sai Baba's ashram and attend an interview with Him. For devotees, Priddy shares his accounts of Sai's emanation of mystery and grace with balanced reflections upon their likely purpose and meaning.

The Hagiographer and the Avatar Antonio Rigopoulos 2021-04-01 In this biographical study, Antonio Rigopoulos explores the fundamental role of a hagiographer within a charismatic religious movement: in this case, the postsectarian, cosmopolitan community of the Indian guru Sathya Sai Baba. The guru's hagiographer, Narayan Kasturi, was already a distinguished litterateur by the time he first met Sathya Sai Baba in 1948. The two lived together at the guru's hermitage more or less continuously from 1954 up until Kasturi's death, in 1987. Despite Kasturi's influential hagiography, Sathyam Sivam Sundaram, little scholarly attention has been paid to the hagiographer himself and his importance to the movement. In detailing Kasturi's relationship to Sathya Sai Baba, Rigopoulos emphasizes that the hagiographer's work was not subordinate to the guru's definition of himself. Rather, his discourses with the holy man had a reciprocal and reinforcing influence, resulting in the construction of a unified canon. Furthermore, Kasturi's ability to perform a variety of functions as a hagiographer successfully mediated the relationship

between the guru and his followers. Drawing on years of research on the movement as well as interviews with Kasturi himself, this book deepens our understanding of this important pan-Indian figure and his charismatic religious movement.

Sanathana Sarathi English Volume 05 (2000 to 2010) Sri Sathya Sai Media Centre 2022-11-11 Started in 1958, Sanathana Sarathi is a monthly magazine devoted to Sathya (Truth), Dharma (Righteousness), Shanti (Peace) and Prema (Love) - the four cardinal principles of Bhagawan Baba's philosophy. It is published from Prasanthi Nilayam (the Abode of Highest Peace) and acts as a mouthpiece of Baba's Ashram as it speaks of the important events that take place in His sacred Abode, besides carrying Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai Baba. The word meaning of Sanathana Sarathi is the 'Eternal Charioteer'. It signifies the presence of the Lord in every being as the atma guiding their lives like a charioteer. It implies that he who places his life, the body being likened to a chariot, in an attitude of surrender in the hands of the Lord, will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination. The magazine is an instrument to disseminate spiritual knowledge for the moral, physical and mental uplift of humanity without any discrimination as the subject matter discussed therein is always of common interest and of universal appeal. The fifteen Vahinis - streams of sacredness - known as the Vahini Series comprising annotation and interpretation of the Upanishads and other scriptures, Itihasas like the Ramayana, the Bhagavatha and the Mahabharata, and authentic explanations on Dhyana, Dharma, Prema, etc., have been serially published in this magazine as and when they emanated from the Divine pen of Bhagawan Baba. This magazine is published in almost all Indian languages, English and Telugu from Prasanthi Nilayam and others from respective regions. Every year Sanathana Sarathi comes out with a special issue in November commemorating the Divine Birthday. The English and Telugu magazines are posted on the 10th and 23rd respectively, of every month, from Prasanthi Nilayam. This magazine has wide, ever increasing circulation in India as well as abroad, as the study of it brings the reader closer to the philosophy of the Avatar in simple understandable language THUS SPAKE SAI... Discoursing during the launch of Sanathana Sarathi... From this day, our Sanathana Sarathi will lead to victory the cohorts of truth - the Vedas, the Sastras and similar scriptures of all faiths, against the forces of the ego such as injustice, falsehood, immorality and cruelty. This is the reason why it has emerged. This Sarathi will fight in order to establish world prosperity. It is bound to sound the paean of triumph when universal Ananda is achieved.

Life Is A Game, Play It! Joy Thomas 2014-01-24 "The world is teaching man innumerable lessons all the time. Each one should try to discover for himself the secret of his life and the Universal Consciousness that is inherent in him. The first requisite for each one is to make himself his own guru," said Bhagawan in a discourse at Sri Sathya Sai University (then, Sri Sathya Sai Institute of Higher Learning) on July 3rd, 1986. This book is the story of the efforts made by the author in obedience to that instruction and of some of the ways she has been assisted in her inner search by Baba's simple, but very effective teaching methods. This book does not attempt to tell anyone else how to live his life. It does not include any experiences, except those of which the author has first-hand knowledge. No attempt is made to describe or explain Sathya Sai Baba, but the author illustrates by incidents in her personal story what knowing Him has meant to her. This book is the first volume in the quartet, the other volumes being, "Life Is A Challenge, Meet It!", "Life Is A Dream, Realize It!", "Life is Love, Enjoy It!".

Souls United Ann Merivale 2009 "Every one of us longs for the pure joy and sense of completeness found in reuniting with our other half. But how do you find and recognize your twin soul?"--Cover, p. [4].

Cutting the Ties that Bind Phyllis Krystal 2019-07-04 In this book, Phyllis Krystal describes techniques, rituals and symbols which are capable of impressing positive messages on the subconscious mind in order to offset some of the negative conditioning that may have been received earlier in life. In this way, changes in life become possible much better than just working on a con-scious, cognitive level. This method enables a person to liberate from the various sources of false security to become an independent and whole human being, relying only on the inner source of security and wisdom which is available to everyone who seeks its aids. First revised edition.

Reiki, Yoga, Meditation and Yagyas: New Age Practices Marc Edwards 2005-04-01 Reiki, Yoga, Meditation and Yagyas, presents a case for practicing these ancient disciplines. While many people are meditating, some have had difficulties with meditation because they were not doing Hatha Yoga. It is essential to do yoga & meditation to obtain the best results. Reiki is useful as an added adjunct to keep the body healthy and also open the inner channels, often called the meridians or nadis. Yagyas are the third aspect of the yoga, meditation triangle. The purpose of yagyas is to strengthen one's spiritual connection to the Higher Power, however, yagyas effect all areas of an individual: the body, mind and spirit. These Hindu ceremonies can reduce problems even if you've had them for decades. This book provides practical tips about these disciplines and how they can help anyone achieve higher states of consciousness/Enlightenment in one lifetime.

TRANSFORMING HUMANITY Dinesh Chandra Bhargava About the Book "First I give you what you want so that gradually you will want what I have really come to give you- Liberation itself!" The vast number of visitors from all over the world, from all walks of life and all faiths has been converging at Prasanthi Nilayam in a remote region of Southern India just to have a glimpse of a Holy man, Sri Sathya Sai Baba, the Avatar of the present Age. Royalty, Heads of State, Politicians, Industrialists, Judges, Priests, Doctors, Army Generals, Scientists, Actors, Cricketers, Teachers, Students, General Public - all congregate at this Abode of Supreme Peace. His Ashram resembles a mini United Nations of spiritual seekers, with groups of foreign devotees wearing different coloured scarves for country-wise identification. The book contains dramatic eye-witness accounts of extraordinary Sai phenomena and the wonders taking place in Sai Baba's Ashram. Never before in the history of the world have there been so many indications of the descent of the Full Avatar in human form. The miracles of Krishna and Jesus must be taken on trust and faith; those of Sri Sathya Sai Baba you can see for yourself. The author describes the various ways how Sri Sathya Sai Baba is transforming humanity; discusses the factors on which his devotees base their belief in him; outlines his Mission and explains how he is achieving it. The danger from which Man has to be rescued has never been so great and the evil over the Earth never so pronounced as now. Sathya Sai Baba's Mission starts with nothing less than the transformation of humanity; to reinstate the supremacy of the spirit over matter and offer liberation itself! Sathya Sai Baba is short in stature, has a huge halo of hair on his head, wears an orange robe, walks as though his feet are gliding on the floor, displays a majestic grace, works all day long but at the same time maintains an austere life style. He is a fountain of knowledge although he has never read any books; he speaks in the most profound way with remarkable clarity and spontaneity, as he has no need to think; he always gives discourses impromptu, as he has no need of any notes or preparation; he replies to searching questions by scientists, theologians and other intellectuals with a ready and spontaneous answer on any subject. This Avatar never engages in any spiritual practice: does no Japa, or reciting the holy name; no Dhyana, or meditating; and no Yoga, practising union with God. He knows no worship or prayer, for He is the Highest. He only teaches you to worship and pray. The Rishis and Saints of yore evolved through spiritual practice to high levels of consciousness and God realization to ascend heavenwards. The Avatar, by contrast, is already born fully divine and descends downwards. His humanitarian projects are unique like his Schools and Universities that provide free education; world-class Super-Specialty Hospitals in rural areas that provide free treatment to one and all; and massive water systems that provide drinking water to millions of people in drought-prone districts, all established in record time. Sathya Sai Baba's Global Education Programme based on human values aims to bring about worldwide social transformation, reduce strife and turmoil, and unite mankind to live as one family in peace and harmony. The author describes the worldwide Sai Movement, with special reference to Latin America where the Sai Spirit has spread like wild fire, crossing the barriers of language, religion and culture.

To be a Mæst. Learn about these amazing Mæsts and the grand Tradition that they represent, through the fascinating life of Atmananda Chaitanya. Atmananda is not just a person. He is a wake-up call. This book may awaken people from the illusions of activities into the lap of beingness, totality and completion. This is the story of a possible journey of an ordinary man from a unit to the Universe. He is everybody. He is everything. He is YOU.
