Climb the Wind Pamela Sargent 2014-04-01 Native Americans win the battle for the post-Civil War American West in a fascinating alternate history fantasy from "one of the genre's best writers" (The Washington Post). Nebula and Locus Award-winning author Pamela Sargent "loads her Springfield and heads into the post-Civil War era with a rousing tale of what might have happened had the Indians united against white encroachment. If Harry Turtledove has been driving the Alternate America stage, Pamela is now riding shotgun" (Jack McDevitt). In a different nineteenth-century version of America, after the end of the White Man's Civil War, the victorious North sets its sights on westward expansion. But their army is greatly depleted after years of bloody conflict. And their Native American adversaries are ready . . . and waiting. As the visionary Lakota chief, Touch-the-Clouds, cements the necessary alliances with once rival tribes, two separate worlds brace for the inevitable confrontation to come. Lemuel Rowland, a US government official and full-blood Seneca Indian, has lived among the white man for most of his life. Now the approaching storm threatens to destroy everything he believes in. Torn between the culture he's embraced and his true heritage, Lemuel has been entrusted with a grave responsibility and knows he must prove his loyalty. But to which side? Populated by a large and colorful cast of unforgettable characters—including Sitting Bull, Chief Crazy Horse, Calamity Jane, and other real-life personages—Climb the Wind is a "most enjoyable and entertaining new alternate history adventure which . . . brings a new dimension to the form" (Gahan Wilson).

Sophie's World Jostein Gaarder 2007-03-20 One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

Monsoon Wilbur Smith 2003-05-16 Monsoon, a Courtney Family Adventure from Wilbur Smith One man. Three sons. A powerful destiny waiting to unfold. Monsoon is the sweeping epic that continues the saga begun in Wilbur Smith's bestselling *Birds of Prey*. Once a voracious adventurer, it has been many years since Hal Courtney has dared the high seas. Now he must return with three of his sons - Tom, Dorian, and Guy - to protect the East India Trading Company from looting pirates, in exchange for half of the fortune he recovers. It will be a death or glory mission in the name of the crown. But Hal must also think about the fates of his sons. Like their father before them, Tom, Dorian, and Guy are drawn inexorably to Africa. When fate decrees that they must all leave England forever, they set sail for the dark, unexplored continent, seduced by the allure and mystery of this new, magnificent, but savage land. All will have a crucial part to play in shaping the Courtneys' destiny, as the family vies for a prize beyond any of their dreams. In a story of anger and passion, peace and war, Wilbur Smith evinces himself at the height of his storytelling powers. Set at the dawn of eighteenth-century England, with the Courtneys riding wind-tossed seas toward Arabia and Africa, Monsoon is an exhilarating adventure pitting brother against brother, man against sea, and good against evil.

Riding the East Wind 2002-04 A Japanese-American pilot in the days before Pearl Harbor is the hero of this novel which illuminates the tensions between the U.S. and Japan as war between them became inevitable. The hero, Ken Kurushima, is torn by his loyalty to both countries.

Japan Quarterly 2000

Burning Roses S. L. Huang 2020-09-29 From Hugo Award Winner S. L. Huang "S. L. Huang is amazing."—Patrick Rothfuss *Burning Roses* is a gorgeous fairy tale of love and family, of demons and lost gods, for fans of Zen Cho and Neon Yang. Rosa, also known as Red Riding Hood, is done with wolves and woods. Hou Yi the Archer is tired, and knows she's past her prime. They would both rather just be retired, but that's not what the world has ready for them. When deadly sunbirds begin to ravage the countryside, threatening everything they've both grown to love, the two must join forces. Now blessed and burdened with the hindsight of middle age, they begin a quest that's a reckoning of sacrifices made and mistakes mourned, of choices and family and the quest for immortality. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Monsoon Wilbur Smith 1999-03 One man. Three sons. A powerful destiny waiting to unfold. Monsoon is the sweeping epic that continues the saga begun in Wilbur Smith's bestselling *Birds of Prey*. Nineteen Eighty-Four George Orwell 2021-01-28 *Nineteen Eighty-Four* (1949) was George Orwell's final novel and was completed in difficult conditions shortly before his early death. It is one of the most influential and widely-read novels of the post-war period.

When Breath Becomes Air Paul Kalanithi 2016-01-12 #1 NEW YORK TIMES BESTSELLER • PULITZER PRIZE FINALIST • This inspiring, exquisitely observed memoir finds hope and beauty in the face of insurmountable odds as an idealistic young neurosurgeon attempts to answer the question What makes a life worth living? NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • People • NPR • The Washington Post • Slate • Harper's Bazaar • Time Out New York • Publishers Weekly • BookPage Finalist for the PEN Center USA Literary Award in Creative Nonfiction and the Books for a Better Life Award in Inspirational Memoir At the age of thirty-six, on the verge of completing a decade's worth of training as a neurosurgeon, Paul Kalanithi was diagnosed with stage IV lung cancer. One day he was a doctor treating the dying, and the next he was a patient struggling to live. And just like that, the future he and his wife had imagined evaporated. When *Breath Becomes Air* chronicles Kalanithi's transformation from a naïve medical student "possessed," as he wrote, "by the question of what, given that all organisms die, makes a virtuous and meaningful life" into a neurosurgeon at Stanford working in the brain, the most critical place for human identity, and finally into a patient and new father confronting his own mortality. What makes life worth living in the face of death? What do you do when the future, no longer a ladder toward your goals in life, flattens out into a perpetual present? What does it mean to have a child, to nurture a new life as another fades away? These are some of the questions Kalanithi wrestles with in this profoundly moving, exquisitely observed memoir. Paul Kalanithi died in

March 2015, while working on this book, yet his words live on as a guide and a gift to us all. "I began to realize that coming face to face with my own mortality, in a sense, had changed nothing and everything," he wrote. "Seven words from Samuel Beckett began to repeat in my head: 'I can't go on. I'll go on.'" When *Breath Becomes Air* is an unforgettable, life-affirming reflection on the challenge of facing death and on the relationship between doctor and patient, from a brilliant writer who became both.

Gone with the Wind Margaret Mitchell 2020-01-14 *Gone With the Wind*, a 1936 novel by Margaret Mitchell—winner of the Pulitzer Prize and one of the bestselling novels of all time—has been heralded by readers everywhere as *The Great American Novel*. *Gone with the Wind* is often placed in the literary subgenre of the historical romance novel. The epic romance tale set in and around Atlanta, Georgia during the American Civil War has remained a bestseller, even before the equally popular film starring Clark Gable and Vivian Leigh was made in 1939. The novel has also been described as an early classic of the erotic historical genre, because it is thought to contain some degree of pornography. The novel tells of archetypal Southern belle Scarlett O'Hara as she grows from a young woman into maturity against the backdrop of the American Civil War. Like many of the early 20th century Southern writers, Mitchell portrays an idyllic image of the antebellum South. While it can be legitimately criticized for its insensitivity to the treatment of African Americans who were enslaved, Mitchell's novel demonstrates how the South was decimated by the Civil War and continued to suffer under the Northern-sanctioned Restoration.

Harvard Advocate 1887

Tigana Guy Gavriel Kay 1999-12-01 A masterful epic of magic, politics, war, and the power of love and hate—from the renowned author of *The Fionavar Tapestry* and *Children of Earth and Sky*. *Tigana* is the magical story of a beleaguered land struggling to be free. It is the tale of a people so cursed by the black sorcery of a cruel despotic king that even the name of their once-beautiful homeland cannot be spoken or remembered... But years after the devastation, a handful of courageous men and women embark upon a dangerous crusade to overthrow their conquerors and bring back to the dark world the brilliance of a long-lost name... *Tigana*. Against the magnificently rendered background of a world both sensuous and barbaric, this sweeping epic of a passionate people pursuing their dream is breathtaking in its vision, changing forever the boundaries of fantasy fiction.

Worlds at War Anthony Pagden 2009-07-16 The differences that divide West from East go deeper than politics, deeper than religion, argues Anthony Pagden. To understand this volatile relationship, and how it has played out over the centuries, we need to go back before the Crusades, before the birth of Islam, before the birth of Christianity, to the fifth century BCE. Europe was born out of Asia and for centuries the two shared a single history. But when the Persian emperor Xerxes tried to conquer Greece, a struggle began which has never ceased. This book tells the story of that long conflict. First Alexander the Great and then the Romans tried to unite Europe and Asia into a single civilization. With the conversion of the West to Christianity and much of the East to Islam, a bitter war broke out between two universal religions, each claiming world dominance. By the seventeenth century, with the decline of the Church, the contest had shifted from religion to philosophy: the West's scientific rationality in contrast to those sought ultimate guidance in the words of God. The eighteenth and nineteenth centuries witnessed the disintegration of the great Muslim empires - the Ottoman, the Mughal, and the Safavid in Iran - and the increasing Western domination of the whole of Asia. The resultant attempt to mix Islam and Western modernism sparked off a struggle in the Islamic world between reformers and traditionalists which persists to this day. The wars between East and West have not only been the longest and most costly in human history, they have also formed the West's vision of itself as independent, free, secular, and now democratic. They have shaped, and continue to shape, the nature of the modern world.

Literary Digest 1905

The Washington Post Index 2000

West with the Night Beryl Markham 2012-08-14 The classic memoir of Africa, aviation, and adventure—the inspiration for Paula McLain's *Circling the Sun* and "a bloody wonderful book" (Ernest Hemingway). Beryl Markham's life story is a true epic. Not only did she set records and break barriers as a pilot, she shattered societal expectations, threw herself into torrid love affairs, survived desperate crash landings—and chronicled everything. A contemporary of Karen Blixen (better known as Isak Dinesen, the author of *Out of Africa*), Markham left an enduring

memoir that soars with astounding candor and shimmering insights. A rebel from a young age, the British-born Markham was raised in Kenya's unforgiving farmlands. She trained as a bush pilot at a time when most Africans had never seen a plane. In 1936, she accepted the ultimate challenge: to fly solo across the Atlantic Ocean from east to west, a feat that fellow female aviator Amelia Earhart had completed in reverse just a few years before. Markham's successes and her failures—and her deep, lifelong love of the "soul of Africa"—are all told here with wrenching honesty and agile wit. Hailed as "one of the greatest adventure books of all time" by *Newsweek* and "the sort of book that makes you think human beings can do anything" by the *New York Times*, *West with the Night* remains a powerful testament to one of the iconic lives of the twentieth century.

When My Name Was Keoko Linda Sue Park 2013-04 A heartwarming tale of courage, resilience and hope from master storyteller and winner of the prestigious Newbery Medal, Linda Sue Park. When her name was Keoko, Japan owned Korea, and Japanese soldiers ordered people around, telling them what they could do or say, even what sort of flowers they could grow. When her name was Keoko, World War II came to Korea, and her friends and relatives had to work and fight for Japan. When her name was Keoko, she never forgot her name was actually Kim Sun-hee. And no matter what she was called, she was Korean. Not Japanese. Inspired by true-life events, this amazing story reveals what happens when your culture, country and identity are threatened.

Riding for Deliveroo Callum Cant 2019-11-11 What is life like for workers in the gig economy? Is it a paradise of flexibility and individual freedom? Or is it a world of exploitation and conflict? Callum Cant took a job with one of the most prominent platforms, Deliveroo, to find out. His vivid account of the reality is grim. Workers are being tyrannised by algorithms and exploited for the profit of the few - but they are not taking it lying down. Cant reveals a transnational network of encrypted chats and informal groups which have given birth to a wave of strikes and protests. Far from being atomised individuals helpless in the face of massive tech companies, workers are tearing up the rulebook and taking back control. New developments in the workplace are combining to produce an explosive subterranean class struggle - where the stakes are high, and the risks are higher. *Riding for Deliveroo* is the first portrait of a new generation of working class militants. Its mixture of compelling first-hand testimony and engaging analysis is essential for anyone wishing to understand class struggle in platform capitalism.

Library Journal 1999-10

Empire of the Summer Moon S. C. Gwynne 2010-05-25 *Finalist for the Pulitzer Prize and the National Book Critics Circle Award* *A New York Times Notable Book* *Winner of the Texas Book Award and the Oklahoma Book Award* This New York Times bestseller and stunning historical account of the forty-year battle between Comanche Indians and white settlers for control of the American West "is nothing short of a revelation...will leave dust and blood on your jeans" (*The New York Times Book Review*). *Empire of the Summer Moon* spans two astonishing stories. The first traces the rise and fall of the Comanches, the most powerful Indian tribe in American history. The second entails one of the most remarkable narratives ever to come out of the Old West: the epic saga of the pioneer woman Cynthia Ann Parker and her mixed-blood son Quanah, who became the last and greatest chief of the Comanches. Although readers may be more familiar with the tribal names Apache and Sioux, it was in fact the legendary fighting ability of the Comanches that determined when the American West opened up. Comanche boys became adept bareback riders by age six; full Comanche braves were considered the best horsemen who ever rode. They were so masterful at war and so skillful with their arrows and lances that they stopped the northern drive of colonial Spain from Mexico and halted the French expansion westward from Louisiana. White settlers arriving in Texas from the eastern United States were surprised to find the frontier being rolled backward by Comanches incensed by the invasion of their tribal lands. The war with the Comanches lasted four decades, in effect holding up the development of the new American nation. Gwynne's exhilarating account delivers a sweeping narrative that encompasses Spanish colonialism, the Civil War, the destruction of the buffalo herds, and the arrival of the railroads, and the amazing story of Cynthia Ann Parker and her son Quanah—a historical feast for anyone interested in how the United States came into being. Hailed by critics, S. C. Gwynne's account of these events is meticulously researched, intellectually provocative, and, above all, thrillingly told. *Empire of the Summer Moon* announces him as a major

new writer of American history.

The Harvard Advocate 1887

Blossoms in the Wind M. G. Sheftall 2023-05-09 A revelatory and groundbreaking account of Imperial Japan's kamikaze—the suicide pilots of World War II—as told through the eyes of the survivors In the final year of World War II, a horrific new weapon was unleashed in the Pacific: the kamikaze. Idealistic, young Japanese men had been taught that there was no greater glory than to sacrifice one's life to defend the homeland. Now, with the war all but lost, thousands of these determined warriors were hastily trained in the basics of piloting an airplane, then sent out in waves to crash into enemy warships, suicide attacks that killed altogether some seven thousand American sailors. But what of those men who took the sacred oath to die in battle and lived? In the wake of 9/11, ethnographer M. G. Sheftall was given unprecedented access to the cloistered community of Japan's last remaining kamikaze survivors. As an American fluent in Japanese, Sheftall was the only westerner to ever sit face-to-face with these men and hear their stories. The result is a fascinating journey into the lives, indoctrination, and mindsets of the kamikaze, through the eyes of participants who are now lost to time.

Hiroshima John Hersey 2020-06-23 Hiroshima is the story of six people—a clerk, a widowed seamstress, a physician, a Methodist minister, a young surgeon, and a German Catholic priest—who lived through the greatest single manmade disaster in history. In vivid and indelible prose, Pulitzer Prize-winner John Hersey traces the stories of these half-dozen individuals from 8:15 a.m. on August 6, 1945, when Hiroshima was destroyed by the first atomic bomb ever dropped on a city, through the hours and days that followed. Almost four decades after the original publication of this celebrated book, Hersey went back to Hiroshima in search of the people whose stories he had told, and his account of what he discovered is now the eloquent and moving final chapter of Hiroshima.

A Tale for the Time Being Ruth Ozeki 2013-03-12 A brilliant, unforgettable novel from bestselling author Ruth Ozeki, author of *The Book of Form and Emptiness* Finalist for the Booker Prize and the National Book Critics Circle Award “A time being is someone who lives in time, and that means you, and me, and every one of us who is, or was, or ever will be.” In Tokyo, sixteen-year-old Nao has decided there's only one escape from her aching loneliness and her classmates' bullying. But before she ends it all, Nao first plans to document the life of her great grandmother, a Buddhist nun who's lived more than a century. A diary is Nao's only solace—and will touch lives in ways she can scarcely imagine. Across the Pacific, we meet Ruth, a novelist living on a remote island who discovers a collection of artifacts washed ashore in a Hello Kitty lunchbox—possibly debris from the devastating 2011 tsunami. As the mystery of its contents unfolds, Ruth is pulled into the past, into Nao's drama and her unknown fate, and forward into her own future. Full of Ozeki's signature humor and deeply engaged with the relationship between writer and reader, past and present, fact and fiction, quantum physics, history, and myth, *A Tale for the Time Being* is a brilliantly inventive, beguiling story of our shared humanity and the search for home.

And the Mountains Echoed Khaled Hosseini 2013-10-10 So, then. You want a story and I will tell you one...Afghanistan, 1952. Abdullah and his sister Pari live in the small village of Shadbagh. To Abdullah, Pari, as beautiful and sweet-natured as the fairy for which she was named, is everything. More like a parent than a brother, Abdullah will do anything for her, even trading his only pair of shoes for a feather for her treasured collection. Each night they sleep together in their cot, their skulls touching, their limbs tangled. One day the siblings journey across the desert to Kabul with their father. Pari and Abdullah have no sense of the fate that awaits them there, for the event which unfolds will tear their lives apart; sometimes a finger must be cut to save the hand.

River of Stars Guy Gavriel Kay 2013-04-02 “River of Stars is a major accomplishment, the work of a master novelist in full command of his subject.”—Michael Dirda, in *The Washington Post* “Game of Thrones in China.”—Salon.com Ren Daiyan was still just a boy when he took the lives of seven men while guarding an imperial magistrate. That moment on a lonely road changed his life in entirely unexpected ways, sending him into the forests of Kitai among the outlaws. From there he emerges years later—and his life changes again, dramatically, as he circles toward

the court and emperor, while war approaches Kitai from the north. Lin Shan is the daughter of a scholar, his beloved only child. Educated by him in ways young women never are, gifted as a songwriter and calligrapher, she finds herself living a life suspended between two worlds. Her intelligence captivates an emperor—and alienates women at the court. But when her father's life is endangered by the savage politics of the day, Shan must act in ways no woman ever has. In an empire divided by bitter factions circling an exquisitely cultured emperor who loves his gardens and his art far more than the burdens of governing, dramatic events on the northern steppe alter the balance of power in the world, leading to events no one could have foretold, under the river of stars.

The Fifth Book of Peace Maxine Hong Kingston 2007-12-18 A long time ago in China, there existed three Books of Peace that proved so threatening to the reigning powers that they had them burned. Many years later Maxine Hong Kingston wrote a Fourth Book of Peace, but it too was burned—in the catastrophic Berkeley-Oakland Hills fire of 1991, a fire that coincided with the death of her father. Now in this visionary and redemptive work, Kingston completes her interrupted labor, weaving fiction and memoir into a luminous meditation on war and peace, devastation and renewal.

A Novel of the Next World War 2034 Elliot ACKERMAN 2021-03-27 From two former military officers and award-winning authors, a chillingly authentic geopolitical thriller that imagines a naval clash between the US and China in the South China Sea in 2034—and the path from there to a nightmarish global conflagration. On March 12, 2034, US Navy Commodore Sarah Hunt is on the bridge of her flagship, the guided missile destroyer USS John Paul Jones, conducting a routine freedom of navigation patrol in the South China Sea when her ship detects an unflagged trawler in clear distress, smoke billowing from its bridge. On that same day, US Marine aviator Major Chris "Wedge" Mitchell is flying an F35E Lightning over the Strait of Hormuz, testing a new stealth technology as he flirts with Iranian airspace. By the end of that day, Wedge will be an Iranian prisoner, and Sarah Hunt's destroyer will lie at the bottom of the sea, sunk by the Chinese Navy. Iran and China have clearly coordinated their moves, which involve the use of powerful new forms of cyber weaponry that render US ships and planes defenseless. In a single day, America's faith in its military's strategic pre-eminence is in tatters. A new, terrifying era is at hand. So begins a disturbingly plausible work of speculative fiction, co-authored by an award-winning novelist and decorated Marine veteran and the former commander of NATO, a legendary admiral who has spent much of his career strategically outmaneuvering America's most tenacious adversaries. Written with a powerful blend of geopolitical sophistication and human empathy, 2034 takes us inside the minds of a global cast of characters—Americans, Chinese, Iranians, Russians, Indians—as a series of arrogant miscalculations on all sides leads the world into an intensifying international storm. In the end, China and the United States will have paid a staggering cost, one that forever alters the global balance of power. Everything in 2034 is an imaginative extrapolation from present-day facts on the ground combined with the authors' years working at the highest and most classified levels of national security. Sometimes it takes a brilliant work of fiction to illuminate the most dire of warnings: 2034 is all too close at hand, and this cautionary tale presents the reader a dark yet possible future that we must do all we can to avoid.

Pacific Friend 1999

New York Magazine 1997-06-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Tokyo Redux David Peace 2021-08-10 A thrilling postmodern noir about the real-life disappearance, in 1949, of one of Japan's most powerful figures, and the three men who try—and fail—to crack the case. Tokyo, July 1949. The president of the National Railways of Japan vanishes. As American and Japanese investigators scrambled for answers, the case went cold—and it remains unsolved to this day. In *Tokyo Redux*, celebrated crime writer David Peace channels drama, research, and intrigue into this strikingly intelligent fictionalization of Japan's most enduring and haunting mystery. Spanning decades, Peace's novel reveals how the lives of three men all come to revolve around the same inexplicable disappearance. Starting in American-occupied Tokyo, where

tension and confusion reign, American detective Harry Sweeney leads the missing-person investigation for General MacArthur's GHQ. Fifteen years later, as Tokyo prepares for the global spotlight as host of the summer Olympics, private investigator Murota Hideki--who was a policeman during the Occupation--is confronted by this very same case, and is forced to address something he's been hiding for more than a decade. And twenty-plus years after that, as Emperor Shōwa lays dying, Donald Reichenbach, an aging American eking out a living in Japan teaching and translating, discovers that the final reckoning of the greatest mystery of the era is now in his hands. The concluding installment of Peace's acclaimed Tokyo Trilogy, *Tokyo Redux* is a page-turning portrait of post-World War II Tokyo and an inside look into a storied crime that continues to haunt multiple generations. *The Library Journal* 1999 Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

FAQs About Finding Riding The East Wind A Novel Of War And Peace eBooks

How do I know which eBook platform is the best for me?

Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice.

Are free eBooks of good quality?

Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.

Can I read eBooks without an eReader?

Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone.

How do I avoid digital eye strain while reading eBooks?

To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.

What the advantage of interactive eBooks?

Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.

Riding The East Wind A Novel Of War And Peace is one of the best book in our library for free trial. We provide copy of Riding The East Wind A Novel Of War And Peace in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Riding The East Wind A Novel Of War And Peace.
