Conversations with V. S. Naipaul Vidiadhar Surajprasad Naipaul 1997 This collection brings together interviews from a thirty-six-year span and reveals a witty, sometimes scathing talker with a free-ranging curiosity. In early interviews, mostly given to such fellow writers and colleagues as Derek Walcott and Eric Roach, Naipul is clipped, brusque, and clearly impatient with interviewers. More recent interviews, given

primarily to journalists rather than literary figures, reveal a more mellow Naipaul, often warm, passionate, and forthcoming about his private life.

fiction and non-fiction in which Trinidadian-born V.S. Naipaul has treated West Indian subject matter. Providing an insight into his troubled East Indian oblique/West Indian background and self-imposed exile in London, this study examines each of Naipaul's Caribbean works and presents massive coverage - from scholarly articles to informal interviews - of his generally hostile reception in the region. The appendix, which treats Naipaul's books on his ancestral land, India, further illuminates the controversy associated with this writer and his roots.

V. S. Naipaul (Routledge Revivals) Peter Hughes 2014-08-01 First published in 1988, Peter Hughes explores the work of V. S. Naipaul, and the interplay of fictional and non-fictional patterns in what is his obsessive vision of human life. Hughes shows how Naipaul's narratives pair off histories and novels, travel-writing and psycho-biography, reinforcing one another and Naipaul's vision of 'a world undoing itself' - a world of disorder and fantasy. He includes a reading of Naipaul's texts, usually considered highly traditional, that shows their innovative side, and points out ways that they can be illuminated through modern literary theory. A detailed analysis, this companion to V. S. Naipaul's writing will interest students of modern literature and those with an interest in Naipaul's writing more generally.

V. S. Naipaul Selwyn Reginald Cudjoe 1988 This major reassessment of novelist V.S. Naipaul's work argues that although Naipaul regards himself as "rootless ... without a past, without ancestors," his writing is in fact rooted in the

literary and historical traditions of the Caribbean and can best be understood in the context of the larger field of postcolonial discourse.

Covering in chronological order all of Naipaul's books, Selwyn R. Cudjoe charts the author's development from a position in which the tension between his Eastern and Western visions of the world created classics of world literature (A House for Mr. Biswas, The Mimic Men) to his progressive identification with "the dominant imperialist ideology and racist preoccupations of the age" (In a Free State, Guerrillas, A Bend in the River, Among the Believers). Cudjoe's analysis is grounded in contemporary literary theory, an understanding of Hinduism, and a thorough knowledge of West Indian literature and history. - Back cover.

a unique authority on the subject of cross-cultural relations in the post-colonial era. In contesting this orthodox reading of his work, Nixon argues that Naipaul is more than simply an unduly influential writer. He has become a regressive Western institution, articulating a set of values that perpetuates political interests and representational modes that have their origin in the high imperial age. Nixon uses Naipaul's travel writing to probe the core theoretical issues raised by cross-cultural representation along metropolitan-periphery lines. With reference to economic theories of dependency, he critiques the vision, popularized by Naipaul, of the post-colonial world as divided between mimic and parasitic Third World nations on the one hand and, on the other, the benignly creative societies of the West.

Four Contemporary Novelists offer accounts of the fiction of Angus Wilson, Brian Moore, John Fowles, and V. S. Naipaul. The Sum of No Equation

Sabine Freyling 2008 Starting with the social and psychological side of the person Naipaul, one can summarise some reasonably simple discoveries that can be extracted from both his autobiographical pieces and his seemingly fictional books, published within a period of more than fifty years. Naipaul suggested that the way to approach the author is not through finding out as much as possible about the man and one could easily argue that the idea

shall simply be used in conversion. One can learn more about the person when taking into account all that has been produced by the author, who is part of the person. By this means, one can extract valuable information about both person and author and thus can easily uncover some mysteries that have been established by the author/person to conceal the reality behind a fixed idea that has always played a significant role in Naipaul's life. Having studied English, Naipaul was aware of all the tools available and of the aims of literary critics and seems to have challenged these established routes for his own sake and to serve his purpose.

Understanding Bharati Mukherjee Ruth Maxey

Outstanding Academic Title
Bharati Mukherjee was the first major South Asian American writer and the first naturalized American citizen to win the National Book Critics Circle Award. Born in Kolkata, India, she immigrated to the

United States in 1961 and went on to publish eight novels, two short story collections, two long works of nonfiction, and numerous essays, book reviews, and newspaper articles. She was professor emerita in the Department of English at the University of California, Berkeley, until her death in 2017. In Understanding Bharati Mukherjee, Ruth Maxey discusses Mukherjee's influence on younger South Asian American women writers, such as Jhumpa Lahiri and Chitra Divakaruni. Mukherjee's powerful writing also enjoyed popular appeal, with some novels achieving best-seller status and international acclaim; her 1989 novel *Jasmine* was translated into multiple languages. One of the earliest writers to feature South Asian Americans in literary form, Mukherjee reflected upon the influence of non-European immigrants to the United States, following passage of the Immigration and Nationality Act of 1965, which abolished the quota system.

Her vision of a globalized, interconnected world has been regarded as prophetic, and when Mukherjee died, diverse North American writers—Margaret Atwood, Joyce Carol Oates, Russell Banks, Michael Ondaatje, Ann Beattie, Amy Tan, and Richard Ford—came forward to praise her work and its importance. *Understanding Bharati Mukherjee* is the first book to examine this pioneering author's complete oeuvre and to identify its legacy. Maxey offers new insights into widely discussed texts and recuperates overlooked works, such as Mukherjee's first and last published short stories, her neglected nonfiction, and her many essays. Critically situating both well-known and under-discussed texts, this study analyzes the aesthetic and ideological complexity of Mukherjee's writing, considering her sophisticated, erudite, multilayered use of intertextuality, especially her debt to cinema. Maxey argues that understanding the range of formal and stylistic

strategies in play is crucial to grasping Mukherjee's work. [The South Atlantic Quarterly](#) John Spencer Bassett 1988 [V. S. Naipaul: Displacement and Autobiography](#) Judith Levy 2015-08-20 Originally published in 1995. V. S. Naipaul, a Trinidadian of Indian descent living in the West, has written in many forms. Through an analysis of five works by Naipaul written in different modes and periods of his life, this study posits a relationship between a cultural condition and a choice of genre and narrative, or more specifically between cultural displacement and the writing of autobiography. Examining an aspect of Naipaul's development as a post-colonial writer, this book is of interest in exploring the way that concepts of self determine the writing of texts. It considers 'deflected autobiographies', genre boundaries, quests for origin and expression, and Lacanian psychoanalytic theory.

has commissioned fourteen critical essays by as many scholars to examine major areas of the diaspora--among them Britain, the United States, Canada, Trinidad, Fiji, Singapore, East and South Africa--and prominent literary figures, including Salman Rushdie, V. S. Naipaul, Kamala Markandaya, Bharati Mukherjee, and Raja Rao. Collectively, the essays demonstrate that the various literary traditions within the Indian diaspora share certain common resonances engendered by historical connections, spiritual affinities, and racial memories. Individually, they provide challenging insights into the particular experiences and writers. At the core of the diasporic writing is the haunting presence of India and the shared anguish of personal loss that generate the aesthetics of reworlding underlying and unifying this body of literature. This collection will be of value to scholars and students of Indian writing in English, postcolonial

writing in general, and the literature of exile and immigration.

Ritual Passages and Narrative Structures

Langdon Elsbree 1991 This book explores the homology between ritual passages and narrative structures. The ways that rites of passage, particularly their liminal stage, correspond with narrative structures and the advantages of these correspondences for literary criticism and analysis are the central arguments of this study. Drawing on a wide range of examples, mainly from 19th and 20th Century English and American literature, it concentrates on the middle stage of liminality, where the identity themes, the implications of choice, and the values in conflict emerge most clearly. Drawing on recent work in anthropology and the other social sciences, it suggests new perspectives for
