The Epic of Kings, Hero Tales of Ancient Persia Firdausi 2021-11-16 The Epic of Kings, Hero Tales of Ancient Persia Firdausi - The Epic of Kings, Hero Tales of Ancient Persia (The Shahnameh) is an epic poem by the Persian poet Firdausi, written between 966 and 1010 AD. Telling the past of the Persian empire, using a mix of the mythical and historical, it is regarded as a literary masterpiece. Not only important to the Persian culture, it is also important to modern day followers of the Zoroastrianism religion. It is said that the poem was Firdausi's efforts to preserve the memory of Persia's golden days, following the fall of the Sassanid empire. The poem contains, among others, mentions of the romance of Zal and Rudba, Alexander the Great, the wars with Afrsyb, and the romance of Bijan and Manijeh.

Gods, Heroes, & Kings Christopher R. Fee 2004-03-18 The islands of Britain have been a crossroads of gods, heroes, and kings-those of flesh as well as those of myth-for thousands of years. Successive waves of invasion brought distinctive legends, rites, and beliefs. The ancient Celts displaced earlier indigenous peoples, only to find themselves displaced in turn by the Romans, who then abandoned the islands to Germanic tribes, a people themselves

nearly overcome in time by an influx of Scandinavians. With each wave of invaders came a battle for the mythic mind of the Isles as the newcomer's belief system met with the existing systems of gods, legends, and myths. In *Gods, Heroes, and Kings*, medievalist Christopher Fee and veteran myth scholar David Leeming unearth the layers of the British Isles' unique folkloric tradition to discover how this body of seemingly disparate tales developed. The authors find a virtual battlefield of myths in which pagan and Judeo-Christian beliefs fought for dominance, and classical, Anglo-Saxon, Germanic, and Celtic narrative threads became tangled together. The resulting body of legends became a strange but coherent hybrid, so that by the time Chaucer wrote "The Wife of Bath's Tale" in the fourteenth century, a Christian theme of redemption fought for prominence with a tripartite Celtic goddess and the Arthurian legends of Sir Gawain-itself a hybrid mythology. Without a guide, the corpus of British mythology can seem impenetrable. Taking advantage of the latest research, Fee and Leeming employ a unique comparative approach to map the origins and development of one of the richest folkloric traditions. Copiously illustrated with excerpts in translation from the original sources, *Gods, Heroes, and Kings* provides a fascinating and accessible new perspective on the history of British mythology.

Rebel Barons Luke Sunderland 2017-08-24

Ambivalence towards kings, and other sovereign powers, is deep-seated in medieval culture: sovereigns might provide justice, but were always potential tyrants, who usurped power and 'stole' through taxation. *Rebel Barons* writes the history of this ambivalence, which was especially acute in England, France, and Italy in the twelfth to fifteenth centuries, when the modern ideology of sovereignty, arguing for monopolies on justice and the legitimate use of violence, was developed. Sovereign powers asserted themselves militarily and economically provoking complex phenomena of resistance by aristocrats. This volume argues that the chansons de geste, the key genre for disseminating models of violent noble opposition to sovereigns, offer a powerful way of understanding acts of resistance. Traditionally seen as France's epic literary monuments - the Chanson de Roland is often presented as foundational of French literature - chansons de geste in fact come from areas antagonistic to France, such as Burgundy, England, Flanders, Occitania, and Italy, where they were reworked repeatedly from the twelfth century to the fifteenth and recast into prose and chronicle forms. Rebel baron narratives were the principal vehicle for aristocratic concerns about tyranny, for models of violent opposition to sovereigns and for fantasies of escape from the Carolingian

world via crusade and Oriental adventures. Rebel Barons reads this corpus across its full range of historical and geographical relevance, and through changes in form, as well as placing it in dialogue with medieval political theory, to bring out the contributions of literary texts to political debates. Revealing the widespread and long-lived importance of these anti-royalist works supporting regional aristocratic rights to feud and revolt, Rebel Barons reshapes our knowledge of reactions to changing political realities at a crux period in European history.

The Earth Chronicles Handbook Zecharia Sitchin 2009-03-27 An encyclopedic compendium of the myths and actual events from humanity's ancient civilizations that reveal the influence of visitors from the 12th planet--the Anunnaki • Offers easy access to the myriad characters and subjects covered by the seven books of The Earth Chronicles series • Provides alphabetical listings to the terminology of ancient civilizations concerning their gods, kings, cultures, and religions • Contains detailed summations, commentaries, and instructions for locating topics within all the author's books The Earth Chronicles series, a historical and archaeological

adventure into the origins of mankind and planet Earth, began with the publication of the bestselling The 12th Planet. The series is based on the premise that the myths from the world's earliest civilizations were in fact recollections of actual events and that the gods of ancient peoples were visitors to Earth from another planet--the Anunnaki, inhabitants of the 12th planet. The series' books include The 12th Planet, The Stairway to Heaven, The Wars of Gods and Men, The Lost Realms, When Time Began, The Cosmic Code, and The End of Days, all products of the author's unmatched study of the ancient records of Sumer, Babylonia, Assyria, Israel, and Egypt and the civilizations of pre-Columbian America. Unearthing the hidden history of Earth and mankind, the series uses the past to unveil the meaning of the prophesied future. Zecharia Sitchin has created an encyclopedic compendium of the key figures, sites, concepts, and beliefs to provide a unique navigational tool through this entire opus. Entries are coded to indicate at a glance their cultural origin and contain summations, commentaries, and guidance for locating the topics within all of his books, including Genesis Revisited, Divine Encounters, The Lost Book of Enki, The Earth Chronicles Expeditions, and Journeys to the Mythical Past.

Folktales (RLE Folklore) Reginetta Haboucha 2021-02-25 This monumental book, first published in 1992, represents a major contribution to Sephardic and Hispanic studies as well as to comparative folklore scholarship in a worldwide perspective. After many years of fieldwork and extensive archival investigations in Spain, Israel and the United States, the author has brought together and analysed a massive body of primary sources. This is the first collection of Sephardic narratives offered to the English-speaking reader, and constitutes an important addition to the understanding of Sephardic cultural tradition.
