hard, many are confused and just don't know what it takes to really make passive income. In this book you will learn what it really takes to become rich and powerful, you must first come to terms with how you think from day to day,

then we will cover many different passive income generating businesses that will make you money time and time again. This book is similar to authors T. Harv Eker and Sebastian Mallaby, but it gets even better in that I will show you all the insider secret tips on how to this without having to fork over too much cash up front. All you need is a product you know a specific niche will love, a few hundred dollars and the willingness to put in the time up front to ensure you can continue turning a profit long after things are largely running on auto pilot. You want to be rich? So who are you? What do you believe? What are your ideas? What are your behaviors as well as traits? Exactly how do you actually feel concerning yourself? Exactly how positive are you in yourself? Do you really feel that you are worthy of wide range? How do you handle pressure? Do you have what it takes? To become rich you must first develop the mindset and that will lead you to great wealth. The reality is that your character, your thinking, and

also your beliefs are an essential part of what determines the degree of your success. How To Become Rich will discuss everything you need to know in order to successfully start your own business and be your own boss. We will also cover You will learn just what the program entails, its strengths and weaknesses as well as how you can get started today. You will also find plenty of tips for success to help you maximize your profits and minimize your headaches. Finally, you will find a number of common mistakes that those new to doing business on their own make as well as how to avoid them yourself. Before we get into the money making part of the book, you should learn about mental toughness, how to have self-discipline and create the confidence to forge an empire for yourself. Are you ready? Let's get started!

**Tapping Into Wealth** Margaret M. Lynch

2014-12-26 Following in the footsteps of New York Times bestseller *The Tapping Solution* by Nick Ortner, this book from renowned Tapping expert Margaret Lynch teaches us how to use Tapping (Emotional Freedom Techniques) to clear the blocks to achieving greater wealth. Emotional Freedom Techniques (EFT), also known as Tapping, have become a popular tool for realizing personal goals. For many of us,

increasing our wealth is one of our greatest ambitions, but also an area where we feel the most stuck because we have limiting fears and beliefs that sabotage our success. EFT uses the fingertips to tap on acupuncture points while emotionally tuning in to negative attitudes and past experiences, thereby clearing the inner blocks to attracting and managing wealth. Tapping Into Wealth includes QR codes that link to video demonstrations of Tapping techniques. Discover how Tapping can help you release your old views of money and open the door to more wealth than you ever imagined.

*They Don't Teach You How to Get Rich at School*

Laura Maya 2015-10-21 Sick of Hearing the Same Old Advice ? “ Word Hard , Control your expenses , Credit Card is a “No , NO “ Do not get into Debt !! Debunk all those assumptions that you will be Rich if you study hard and work hard . This Book is actually not one of those .They don't teach you how to get rich at school is all about the importance of money. The premise of the book clearly distinguishes the difference between the thinking of the rich and the poor. In essence, the only limitation between you and the rich is in your own mind, and achieving success lies in breaking these walls. At schools, you would have been stuck at algebra, pythagorean theorem, and organic chemistry but you never study financial planning, making money, or saving money. The book provides real-life

examples to reprogram your thinking to that of the rich and wealthy. you can't just graduate and leave formal education and expect yourself to be financially well equipped. Many people think that having a good education is sufficient to the roads to acquire new wealth , well they can't be any more wrong! It is having the mindset of the wealthy that will make you rich. That is why many lotto winners who becomes instant millionaires loses most of their money because they don't have the proper mindset to maintain or grow their money. You'll discover why some of your money beliefs might be wrong and that could be holding you back , you need to consider what are the principles and what behaviors the rich have , that you do not have (Yet ) Laura Maya takes this idea and breaks it into twelve chapters. You wouldn't find a recipe to turn rich overnight. Rather, the book provides a solid foundation for setting the psychological stage for strong financial habits. Another feature of They don't teach you how to get rich at school is the

anecdotal references in the book. Laura likes to use lots of anecdotes to illustrate her points and she is quite good at it
