When the Sea Turned to Silver Grace Lin 2016-10-04 A New York Times Bestseller A National Book Award

FinalistAn IndieBound Bestseller This breathtaking, full-color illustrated fantasy is inspired by Chinese folklore, and is a companion to the Newbery Honor winner Where the Mountain Meets the Moon. Pinmei's gentle, loving grandmother always has the most thrilling tales for her granddaughter and the other villagers. However, the peace is shattered one night when soldiers of the Emperor arrive and kidnap the storyteller. Everyone knows that the Emperor wants something called the Luminous Stone That Lights the Night. Determined to have her grandmother returned, Pinmei embarks on a journey to find the Luminous Stone alongside her friend Yishan, a mysterious boy who seems to have his own secrets to hide. Together, the two must face obstacles usually found only in legends to find the Luminous Stone and save Pinmei's grandmother--before it's too late. A fast-paced adventure that is extraordinarily written and beautifully illustrated, When the Sea Turned to Silver is a masterpiece companion novel to Where the Mountain Meets the Moon and Starry River of the Sky.

**A Mountain Alphabet** Margriet Ruurs 2011-11-30 Mountains are an impressive sight anywhere in the world but those of the western mountain region of North America offer riches that are truly unique. This lavishly illustrated picture book presents snowcapped peaks, emerald lakes, tall pines and magnificent maples, and a range of birds and animals that will fill readers of all ages with wonder. The treasures and mysteries of nature are depicted in twenty-six full-color paintings, each with a line of alliterative text.

Objects that begin with that letter of the alphabet are waiting to be discovered in each illustration.

Complete with detailed information about each setting painted, this is a visually and mentally stimulating experience - from A to Z.

**Seven Silver Coins** Mary Leonard 2022-10-09 This book is a long prophetic word. It is a prophesy to give

you a look into the bright and beautiful future God has been planning since before time. He has been talking to Mary about this time we are in, for years. The most recent discussions are exhilarating. Celebrate! We are on the threshold of a major miracle. You were born for a time such as this. How are you seeing your new future in this "New ERA?" Change is here. It is your time to shine. This is a hopeful clearly written book with steps to take to change your life forever. Speak life into your life. Mary gives examples of hearing, seeing, knowing and feeling God, so you can do it also. This book includes the new names of the seven mountains and how they are drastically changing for the good. One recent sentence about the evil in this world, God said, "I am going to turn them on their head, upside down, inside out and DONE!" This is a Passover of His children and a judgement of all the evil around the world. Praise God!

**Six Crimson Cranes** Elizabeth Lim 2021-07-06 NEW YORK TIMES BESTSELLER • A princess in exile, a shapeshifting dragon, six enchanted cranes, and an unspeakable curse... Drawing from fairy tales and East Asian folklore, this original fantasy from the author of Spin the Dawn is perfect for fans of Shadow and Bone. "A dazzling fairytale full of breathtaking storytelling." --Stephanie Garber, New York Times bestselling author of Caraval Shiori'anma, the only princess of Kiata, has a secret. Forbidden magic runs through her veins. Normally she conceals it well, but on the morning of her betrothal ceremony, Shiori loses control. At first, her mistake seems like a stroke of luck, forestalling the wedding she never wanted. But it also catches the attention of Raikama, her stepmother. A sorceress in her own right, Raikama banishes the young princess, turning her brothers into cranes. She warns Shiori that she must speak of it to no one: for with every word that escapes her lips, one of her brothers will die. Penniless, voiceless, and alone, Shiori searches for her brothers, and uncovers a dark conspiracy to seize the throne. Only Shiori can set the kingdom to rights, but to do so she must place her trust in a paper bird, a mercurial dragon, and the very boy she fought so hard not to marry. And she must embrace the magic she's been taught all her life to forswear--no matter what the cost. Weaving together elements of The Wild Swans, Cinderella, the legend of Chang E, and the Tale of the Bamboo Cutter, Elizabeth Lim has crafted a fantasy like no other, and one that will stay with readers long after they've turned the last page. "A stunning remake of a fairytale. Six Crimson Cranes is the perfect blend of whimsy and ferociousness, with twists and turns that will tug at your heartstrings." —Chloe Gong, New York Times bestselling author of These Violent Delights "Fast-paced excitement is balanced with a satisfyingly intricate plot that weaves in elements from Western fairy tales and East Asian folklore." —SLJ, starred review "A richly imagined landscape . . . vibrant, fast-paced."

A Cup of Silver Linings Karen Hawkins 2022-09-27 "Ava Dove-the sixth of the seven famed Dove sisters and owner of Ava Dove's Landscaping and Specialty Teas-is frantic. Just as she is getting ready to open her fabulous new tearoom, her herbal teas have gone wonky. Suddenly, her sleep-inducing tea is startling her clients awake with vivid dreams, her romance-kindling tea is causing people to blurt out their darkest secrets, and her happiness tea is making them spend hours staring into mirrors. At the same time, Ava's newest employee's-sixteen-year-old Kristen Foster-life has just come crashing down around her. After her mother's death, her grandmother arrived in town to sweep her off to a white mansion on a hill in distant Raleigh. Kristen is desperate to stay with her friends in Dove Pond, but to do so means she must undertake a quest she's been avoiding her entire life-finding her sperm donor father. With the help of an ancient herbal remedy book, Ava realizes Kristen holds the key to fixing her unstable tea leaves. So she throws herself into Kristen's search, even convincing Kristen's grandmother to help, too. Together, the three embark on a reluctant but magical journey of healing, friendship, and family that will delight fans of Alice Hoffman, Kate Morton, and Sarah Addison Allen"--

*Seven Elements that Changed the World* John Browne 2021-11-15 The fascinating story of how seven elements—iron, carbon, gold, silver, uranium, titanium, and silicon—have changed modern life, for good and ill. With carbon we access heat, light and mobility at the flick of a switch, while silicon enables us to communicate across the globe in an instant. Yet our use of the Earth's mineral resources is not always for the benefit of humankind—our relationship with the elements is one of great ambivalence. Uranium is both productive (nuclear power) and destructive (nuclear bombs); iron is the bloody weapon of war, but also the economic tool of peace; our desire for alluring gold is the foundation of global trade, but has also led to the death of millions. John Browne, CEO of British Petroleum (BP) for twelve years, vividly describes how seven elements are shaping the world around us, for better and for worse. Combining history, science, and politics, *Seven Elements* takes you on a present-day adventure of human passion and innovation. This journey is far from over: we continue to find surprising new uses for these seven elements. In this narrative of discovery, readers will come to understand how titanium pervades modern consumer society, how natural gas is transforming the global energy sector, and how an innovative new form of carbon could be starting a technology revolution.

De Facto States in the Post-Soviet Area Agnieszka Miarka 2023-11-24 This book provides an insightful analysis and holistic account of the process of the formation of de facto states in the post-Soviet area. Looking beyond the stereotype of mere puppet subjects, the author explores the contemporary operation of separatist regions in Abkhazia and South Ossetia, Transnistria, Nagorno-Karabakh, and Donbas to understand the motives and mechanisms for their emergence and their instrumentalization in the politics of great powers. Using policy documents, quantitative data, and political statements, she explores the historical origins of the area and its operation during the Soviet era, armed separatist conflicts and their implications, and the actions of the United Nations, the Organization for Security and Co-operation in Europe, the European Union, the Commonwealth of Independent States, and the role of powers such as the Russian Federation and the US. The research contributes to the debate on the significance of de facto states for regional security and their potential for national identity building. It will be of interest to scholars and students of Russia and the Post-Soviet Area in International Relations and Nation-Building.

The Catskills Stephen M. Silverman 2015-10-27 The Catskills ("Cat Creek" in Dutch), America's original frontier, northwest of New York City, with its seven hundred thousand acres of forest land preserve and its five counties—Delaware, Greene, Sullivan, Ulster, Schoharie; America's first great vacationland; the subject

of the nineteenth-century Hudson River School paintings that captured the almost godlike majesty of the mountains and landscapes, the skies, waterfalls, pastures, cliffs . . . refuge and home to poets and gangsters, tycoons and politicians, preachers and outlaws, musicians and spiritualists, outcasts and rebels . . . Stephen Silverman and Raphael Silver tell of the turning points that made the Catskills so vital to the development of America: Henry Hudson's first spotting the distant blue mountains in 1609; the New York State constitutional convention, resulting in New York's own Declaration of Independence from Great Britain and its own constitution, causing the ire of the invading British army . . . the Catskills as a popular attraction in the 1800s, with the construction of the Catskill Mountain House and its rugged imitators that offered WASP guests "one-hundred percent restricted" accommodations ("Hebrews will knock vainly for admission"), a policy that remained until the Catskills became the curative for tubercular patients, sending real-estate prices plummeting and the WASP enclave on to richer pastures . . . Here are the gangsters (Jack "Legs" Diamond and Dutch Schultz, among them) who sought refuge in the Catskill Mountains, and the resorts that after World War II catered to upwardly mobile Jewish families, giving rise to hundreds of hotels inspired by Grossinger's, the original "Disneyland with knishes"—the Concord, Brown's Hotel, Kutsher's Hotel, and others—in what became known as the Borscht Belt and Sour Cream Alps, with their headliners from movies and radio (Phil Silvers, Eddie Cantor, Milton Berle, et al.), and others who learned their trade there, among them Moss Hart (who got his start organizing summer theatricals), Sid Caesar, Lenny Bruce, Mel Brooks, Woody Allen, and Joan Rivers. Here is a nineteenth-century America turning away from England for its literary and artistic inspiration, finding it instead in Washington Irving's "Rip Van Winkle" and his childhood recollections (set in the Catskills) . . . in James Fenimore Cooper's adventure-romances, which provided a pastoral history, describing the shift from a colonial to a nationalist mentality . . . and in the canvases of Thomas Cole, Asher B. Durand, Frederick Church, and others that caught the grandeur of the wilderness and that gave texture, color, and form to Irving's and Cooper's imaginings. Here are the entrepreneurs and financiers who saw the Catskills as a way to strike it rich, plundering the resources that had been likened to "creation," the Catskills' tanneries that supplied the boots and saddles for Union troops in the Civil War . . . and the bluestone quarries whose excavated rock became the curbs and streets of the fast-growing Eastern Seaboard. Here are the Catskills brought fully to life in all of their intensity, beauty, vastness, and lunacy.
