

The Kid From Custer

Decoding **The Kid From Custer**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**The Kid From Custer**," a mesmerizing literary creation penned by a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

Killing Custer Margaret Coel 2013-09-03
Arapaho attorney Vicky Holden and Father John O'Malley are caught between two cultures that won't let go of the past—and a killer who won't leave any witnesses... On the anniversary of the Battle of the Little Bighorn, Colonel Edward Garrett, a well-known Custer impersonator, leads a troop of reenactors in a cavalry parade down Main Street in Lander, Wyoming. But a group of Arapaho youth disrupts the parade by riding their horses around the column, just to remind everyone who actually won the battle. Then history repeats itself when, in the confusion, Garrett is shot dead. Father John O'Malley knows in his heart the Arapaho are not guilty. And Vicky Holden finds herself professionally and personally compromised from getting involved. But what begins as a murder soon reveals itself as a conspiracy that neither Father John nor Vicky could have foreseen. And someone wants to ensure that the truth they discover will die with them...

Custer and Me Robert Marshall Utley 2004
"Through lively personal narrative, Utley offers an insider's view of Park Service workings, and problems, both at regional and national levels. Readers will see how a teenager smitten with Custermania came as an adult to appreciate the full complexity of the Battle of Little Bighorn and its interpretation and to research and write narrative histories of the American West."-- cover.

The Kid from Custer Richard Clason 1996
After rustlers kill a rancher, one marries the man's widow; another becomes sheriff. the

murdered man's grief-stricken son eludes both by escaping into the Black Hills. Laden with humor and romance, this gripping adventure set in the Dakota Territory in 1880 is well grounded in history.

Custer Robert Marshall Utley 1988
The son of a village blacksmith in Ohio, Custer qualified last in his class at West Point. Yet he proved to be a brilliant Civil War commander from the moment he made his debut at Gettysburg. At age twenty-five he was promoted to the rank of major general, a feat that earned him the sobriquet "the boy general." Following the war, as part of the frontier army, he was handed the task of protecting the railroads by reining in the Plains Indians. Resplendent in buckskin he steadily built a reputation as an Indian fighter, enhancing his legend with his own writings. Always forthright with his opinions, Custer may have held a future career, some have suggested, in politics. However, this will never be known, for on June 25, 1876 Custer reached his untimely end. Heavily outnumbered by a combined force of Sioux and Cheyenne warriors at the Battle of Little Bighorn, Custer's entire company was cut down. Never before or since have Indians inflicted such a defeat on federal troops. This new illustrated book combines over 200 photographs and paintings, many in color, with a revised edition of Robert M. Utley's classic biography, *Cavalier in Buckskin*. Drawing on twelve years of additional research on Sitting Bull and the Battle of the Little Bighorn, Utley has dramatically changed his original interpretations of Custer's Last Stand, addressing the eternal question: might Custer

have won?

Cavalier in Buckskin Robert Marshall Utley 2001
George Armstrong Custer. The name evokes instant recognition in almost every American and in people around the world. No figure in the history of the American West has more powerfully moved the human imagination. When originally published in 1988, *Cavalier in Buckskin* met with critical acclaim. Now Robert M. Utley has revised his best-selling biography of General George Armstrong Custer. In his preface to the revised edition, Utley writes about his summers (1947-1952) spent as a historical aide at the Custer Battlefield—as it was then known—and credits the work of several authors whose recent scholarship has illuminated our understanding of the events of Little Bighorn. He has revised or expanded chapters, added new information on sources, and revised the map of the battlefield.

Insiders' Guide® to South Dakota's Black Hills & Badlands T. D. Griffith 2011-03-15 Your Travel Destination. Your Home. Your Home-To-Be. South Dakota's Black Hills & Badlands Ghost towns and modern towns. Trendy eateries and rustic bars. Cowboys and artists. Rodeos, skiing, hiking, and biking. Breathtaking landscapes in a place of welcoming smiles. • A personal, practical perspective for travelers and residents alike • Comprehensive listings of attractions, restaurants, and accommodations • How to live & thrive in the area—from recreation to relocation • Countless details on shopping, arts & entertainment, and children's activities

Custer's Revenge Pablo Cisneroz 2018-11-17 "My name is George Custer, and I'm not a bad kid." His dander's up, and his pistol's wavin'. He's set his sights on a ravishing maiden named Revenge and by George, he's not about to take it lying down. In desolate Omaha, Nebraska, rumors are just about the only subject keeping young'uns from dyin' of boredom out in the middle of nowhere. But when an eerie rumor seeps its way through the cracks of a fair native maiden off the coast of his nearby reservation, little 'ole George sets his sights to prove it once and for all.

Indian Views of the Custer Fight Richard G. Hardorff 2005-03-01 A much-neglected source of first-hand views on the Battle of the Little Bighorn is presented in this third and final

volume of Indian testimony collected by award-winning author Richard G. Hardorff. Like its companion volumes, *Lakota Recollections* and *Cheyenne Memories*, *Indian Views* offers thirty-five interviews and statements from Indians who were eyewitnesses to the battle. Here is the story of the battle as told through the observations of twenty-nine Sioux and nine Cheyennes, from the point at which the soldiers were first detected on their march toward the Indian settlement, to the bitter end, as the Indians packed up and moved their camps. Interviews, narratives, and statements by Crazy Horse, Crow King, Two Moons, and Turning Hawk are only a few of the accounts given, extracted from letters, newspaper stories, Army reports, and manuscripts. The prologue and epilogue contain the impressions of three Seventh Cavalry soldiers, while the appendix presents Walter M. Camp's analytical conclusions of General Terry's order to Custer. Their combined efforts resulted in a valuable contribution to the historiography of one of the most dramatic and controversial episodes in our military history. Extensive notes provide in-depth analysis of sometimes conflicting statements regarding soldiers' identities, based on their clothing, positioning, and Indian accounts. Detailed background on the combatants is given as well as commentary on the number of Indian casualties in the fight. The eight maps which accompany these accounts illustrate the positions of fighters throughout the battle. This collection of primary source material, originally obtained by Army personnel, newspaper correspondents, anthropologists, and historians, is a must for any scholar of the Battle of the Little Bighorn and an important addition to the literature leading to a better perspective of the events of the summer of 1876.

Son of the Morning Star Evan S. Connell 2011-04-01 Custer's Last Stand is among the most enduring events in American history—more than one hundred years after the fact, books continue to be written and people continue to argue about even the most basic details surrounding the Little Bighorn. Evan S. Connell, whom Joyce Carol Oates has described as "one of our most interesting and intelligent American writers," wrote what continues to be the most reliable—and compulsively readable—account of

the subject. Connell makes good use of his meticulous research and novelist's eye for the story and detail to re-vreate the heroism, foolishness, and savagery of this crucial chapter in the history of the West.

Life in Custer's Cavalry Albert Barnitz

1987-06-01 Albert and Jennie Barnitz "were both perceptive, articulate individuals who fully realized that they were involved in fascinating historically important events. They have left a record of frontier military life that can scarcely be matched elsewhere. . . . Historian and buff alike will find this volume both enlightening and entertaining."--Paul A. Hutton, *Journal of American History* "The reader will come to like Albert and Jennie Barnitz, whose letters trigger a time machine in which we come to know a good deal more about Life in Custer's Cavalry."--Montana "Albert Barnitz. . . served with Custer's famed Seventh Cavalry for four years, 1867-70. . . . In 1867 Albert and Jennie (Platt), both of Ohio, married and headed for the Kansas frontier. Four months later the growing perils of Indian clashes forced her to return east. . . . [Their] letters and diaries, dated from January 17, 1867, to February 10, 1869, are vivid and accurate. . . . [They] provide a keen picture of life in the Seventh Cavalry, both in garrison and field, immediately after the Civil War."--The Historian Editor Robert Utley's books available in Bison Books editions include *Billy the Kid: A Short and Violent Life*; *Frontier Regulars: The United States Army and the Indian, 1866-1891*; and *Frontiersmen in Blue: The United States Army and the Indian, 1848-1865*.

Billy the Kid Richard W. Etulain 2020-07-16 A central character in legends and histories of the Old West, Billy the Kid rivals such western icons as Jesse James and General George Armstrong Custer for the number of books and movies his brief, violent life inspired. *Billy the Kid: A Reader's Guide* introduces readers to the most significant of these written and filmed works. Compiled and written by a respected historian of the Old West and author of a masterful new biography of Billy the Kid, this reader's guide includes summaries and evaluations of biographies, histories, novels, and movies, as well as archival sources and research collections. Surveying newspaper articles, books, pamphlets, essays, and book chapters,

Richard W. Etulain traces the shifting views of Billy the Kid from his own era to the present. Etulain's discussion of novels and movies reveals a similar shift, even as it points out both the historical inaccuracies and the literary and cinematic achievements of these works. A brief section on the authentic and supposed photographs of the Kid demonstrates the difficulties specialists and collectors have encountered in locating dependable photographic sources. This discerning overview will guide readers through the plethora of words and images generated by Billy the Kid's life and legend over more than a century. It will prove invaluable to those interested in the demigods of the Old West—and in the ever-changing cultural landscape in which they appear to us.

Custer and the Little Bighorn Jim Donovan

2011-02 This is the first major illustrated book to examine the life and death of General Custer. *Sitting Bull vs. George Armstrong Custer* Ellis Roxburgh 2015-12-15 The outcome of the Battle of the Little Bighorn of 1876 stunned Americans. They were astounded that Native Americans could have defeated a US army force so decidedly. Only after examining the charismatic leaders in this conflict—Sioux chief Sitting Bull and Lieutenant Colonel George Armstrong Custer—can young historians understand how such a brutal battle took place. In this indispensable volume, filled with quotes, photographs, and paintings, many crucial events between Native Americans and the US government are scrutinized as well as the decisions made by the influential leaders that led to their ultimate demise.

Crazy Horse and Custer Stephen E. Ambrose 2014-07-01 A New York Times bestseller from the author of *Band of Brothers*: The biography of two fighters forever linked by history and the battle at Little Bighorn. On the sparkling morning of June 25, 1876, 611 men of the United States 7th Cavalry rode toward the banks of Little Bighorn in the Montana Territory, where three thousand Indians stood waiting for battle. The lives of two great warriors would soon be forever linked throughout history: Crazy Horse, leader of the Oglala Sioux, and General George Armstrong Custer. Both were men of aggression and supreme courage. Both became leaders in their societies at very early ages. Both were

stripped of power, in disgrace, and worked to earn back the respect of their people. And to both of them, the unspoiled grandeur of the Great Plains of North America was an irresistible challenge. Their parallel lives would pave the way, in a manner unknown to either, for an inevitable clash between two nations fighting for possession of the open prairie.

The Custer Reader Paul Andrew Hutton 2004

Here is Custer as seen by himself, his contemporaries, and leading scholars.

Combining first-person narratives, essays, and photographs, this book provides a complete introduction to Custer's controversial personality and career and the evolution of the Custer myth.

A Complete Life of General George A.

Custer: From Appomattox to the Little Big Horn Frederick Whittaker 1993-01-01 This first biography of General George A. Custer was published late in 1876, only months after the disaster at the Battle of the Little Big Horn. A Complete Life was the beginning of a legend, and Frderick Whittaker did more than anyone else except Libby Custer to make the flamboyant Boy General a permanent resident of the national consciousness. Quite asideøfrom its contribution to the public image of Custer, this important book placed him and his associates against a concrete background of onrushing events. Drawing on newspaper reports and the general's own words, Whittaker captures the excitement of the era. Continuing the story of Custer from Volume 1, which dealt with his childhood in Ohio, cadetship at West Point, courtship of Elizabeth Bacon, and service as a cavalryman in the Civil War, Volume 2 takes Custer west to head up the newly created Seventh Cavalry and fight the Arapahoes, Cheyennes, Kiowas, and Sioux. Whittaker gives full scope to Custer's brushes with authority, his changeable relations with his troops, and his famous expeditions, ending with a memorable description of his last stand at the Little Big Horn in June 1876.

Killing Custer James Welch 2007-01-30 The classic account of Custer\'s Last Stand that shattered themyth of the Little Bighorn and rewrote history books. This historic and personal work tells the Native American sideof Custer\'s fabled attack, poignantly revealing how disastrous theencounter was for the "victors,"

the last great gathering of PlainsIndians under the leadership of Sitting Bull.

Custer's Last Campaign John S. Gray 1993-01-01 'Easily the most significant book yet published on the Battle of the Little Bighorn.'"-- Paul L. Hedren, *Western Historical Quarterly* "[Gray] has applied rigorous analysis as no previous historian has done to these oft-analyzed events. His detailed time-motion study of the movements of the various participants frankly boggles the mind of this reviewer. No one will be able to write of this battle again without reckoning with Gray"--Thomas W. Dunlay, *Journal of American History* "Gray challenges many time~honored beliefs about the battle. Perhaps most significantly, he brings in as much as possible the testimony of the Indian witnesses, especially that of the young scout Curley, which generations of historians have dismissed for contradictions that Gray convincingly demonstrates were caused not by Curley but by the assumptions made by his questioners . . . The contrasts in [this] book. . . restate the basic components of what still attracts the imagination to the Little Bighorn.'"-- *Los Angeles Times Book Review* "Gray's analysis, by and large, is impressively drawn; it is an immensely logical reconstruction that should stand the test of time. As a contribution to Custer and Indian wars literature, it is indeed masterful."--Jerome A. Greene, *New Mexico Historical Review* John S. Gray was a distinguished historian whose books included the acclaimed *Centennial Campaign: The Sioux War of 1876*. *Custer's Last Campaign* is the winner of the *Western Writers of American Spur* award and the *Little Bighorn Associates John M. Carroll Literary Award*.

Custer Larry McMurtry 2013-10-22 A portrait of the nineteenth-century cavalry commander traces his rise from an unpromising West Point graduate to a distinguished military leader, covering his complicated marriage, mythologized defeat at Little Big Horn, and enduring legacy.

Custer's Last Battle 2013 Goble recounts the tale of Custer's last battle through the eyes of Red Hawk, a fictional young Lakota warrior.

Kid Elizabeth B. Custer 1978-06-01

The Last Stand Nathaniel Philbrick 2023-01-03 "An engrossing and tautly written account of a

critical chapter in American history." --Los Angeles Times Nathaniel Philbrick, author of *In the Hurricane's Eye*, Pulitzer Prize finalist *Mayflower*, and *Valiant Ambition*, is a historian with a unique ability to bring history to life. The *Last Stand* is Philbrick's monumental reappraisal of the epochal clash at the Little Bighorn in 1876 that gave birth to the legend of Custer's Last Stand. Bringing a wealth of new information to his subject, as well as his characteristic literary flair, Philbrick details the collision between two American icons- George Armstrong Custer and Sitting Bull-that both parties wished to avoid, and brilliantly explains how the battle that ensued has been shaped and reshaped by national myth.

Custer Ted Behncke 2020-09-30 An extensive, in-depth biography of Custer that covers his lesser-known personal history as well as his military career. The reader is introduced to a little-known side of Custer—a deeply personal side. George Custer grew up in an expanding young country, and his early influences mirrored the times. Two aspects of this era dominate most works about him: the Civil War, and the war with the Indians, culminating in his death at the Battle of the Little Bighorn. When mentioned, if at all, his early life and years as a cadet at West Point are brief, and then only enough to set some background for discussion of the mystery of the Little Bighorn. This is the first Custer biography to focus on these lesser-known parts of his life in great detail. The approach uses all of Custer's known writings: letters; magazine articles; his book, *My Life on the Plains*; and his unfinished memoirs of the Civil War; along with materials and books by his wife, Elizabeth Custer; and reflections of others who knew him well. The five chapters are Early Life (growing up and as a West Point cadet), The Civil War, The Indian Fighter, The Little Bighorn, and Conclusion. The theme of the book is not so much new historical information but the depth of his character development and lesser-known influences of his life. Custer draws together these elements in a succinct and accessible read. The book also includes illustrations (primarily from Harper's Weekly) and photos, such as Matthew Brady's Civil War collection, to accompany the text. Praise for Custer "Ted Behncke and Gary Bloomfield remain faithful to

the facts and enable the reader to better grasp the man as he was and the one he envisioned. Custer's personalities, beliefs and actions, or lack thereof, weave through each chapter, amid a lively and readable writing style that interlaces quotes and sources within the text." —Roundup Magazine

Between Earth and Sky (Guardians of the North Book #4) Alan Morris 1998-05-01 With Crazy Horse on the warpath, can Hunter and Reena survive his thirst for revenge? While living among the Blackfoot Indians as a missionary, Reena O'Donnell receives a telegram from her uncle Faron, requesting that she come to help him. She is shocked to hear he has been severely wounded while working as a scout for General George Armstrong Custer in the Dakota Territory. Hunter Stone and Del Dekko provide Reena an escort, along with missionary Jack Sheffield, who insists on accompanying them. As Reena nurses her uncle back to health, Custer's expedition with the Seventh Cavalry deep into Indian territory leads to renewed hostilities among the Sioux and Cheyenne. As the People gather for the battle sure to come, Jack Sheffield, determined to follow God's leading, strikes out on his own to try to talk with Crazy Horse and restrain the fury of the great chief. With imminent danger threatening them, Hunter grows concerned for the safety of Reena and her wounded uncle. Should they remain in the safety of Custer's army, or return home on their own through dangerous country? Will a mission of mercy lead them all to an early grave? Or can Hunter find a way out?

Custer and the Battle of the Little Bighorn Thom Hatch 1997 Every aspect of the career of General George Armstrong Custer and the Battle of the Little Bighorn is covered here. The people around Custer and his native American counterparts are detailed, as are related military campaigns, battles, historical events, equipment and terminology. There are also entries on Plains Indian culture and customs, artists and artwork, movies and other subjects associated with the battle. Following the entries is a listing of suggested sources for further research.

Glorious War Thom Hatch 2013-12-10 This biography of General Custer doesn't focus on his failure at Little Big Horn but instead describes his legendary successes during the Civil War

including his capture of the first Confederate battle flag of the war. 30,000 first printing.

The Last Days of George Armstrong Custer

Thom Hatch 2015-02-03 An award-winning historian recreates George Armstrong Custer's death at the Little Bighorn, putting to rest the questions and conspiracies that have made Custer's last stand one of the most misunderstood events in American history. Includes four maps.

The Last Days of George Armstrong Custer

Thom Hatch 2015-02-03 In this thrilling narrative history of George Armstrong Custer's death at the Little Bighorn, award-winning historian Thom Hatch puts to rest the questions and conspiracies that have made Custer's last stand one of the most misunderstood events in American history. While numerous historians have investigated the battle, what happened on those plains hundreds of miles from even a whisper of civilization has been obscured by intrigue and deception starting with the very first shots fired. Custer's death and the defeat of the 7th Cavalry by the Sioux was a shock to a nation that had come to believe that its westward expansion was a matter of destiny. While the first reports defended Custer, many have come to judge him by this single event, leveling claims of racism, disobedience, and incompetence. These false claims unjustly color Custer's otherwise extraordinarily life and fall far short of encompassing his service to his country. By reexamining the facts and putting Custer within the context of his time and his career as a soldier, Hatch's *The Last Days of George Armstrong Custer* reveals the untold and controversial truth of what really happened in the valley of the Little Bighorn, making it the definitive history of Custer's last stand. This history of charging cavalry, desperate defenses, and malicious intrigue finally sets the record straight for one of history's most dynamic and misunderstood figures.

Custer, the Seventh Cavalry, and the Little Big Horn Mike O'Keefe 2012-11-20 Since the shocking news first broke in 1876 of the Seventh Cavalry's disastrous defeat at the Little Big Horn, fascination with the battle—and with Lieutenant George Armstrong Custer—has never ceased. Widespread interest in the subject has spawned a vast outpouring of literature, which

only increases with time. This two-volume bibliography of Custer literature is the first to be published in some twenty-five years and the most complete ever assembled. Drawing on years of research, Michael O'Keefe has compiled entries for roughly 3,000 books and 7,000 articles and pamphlets. Covering both nonfiction and fiction (but not juvenile literature), the bibliography focuses on events beginning with Custer's tenure at West Point during the 1850s and ending with the massacre at Wounded Knee in 1890. Included within this span are Custer's experiences in the Civil War and in Texas, the 1873 Yellowstone and 1874 Black Hills expeditions, the Great Sioux War of 1876-77, and the Seventh Cavalry's pursuit of the Nez Perces in 1877. The literature on Custer, the Battle of the Little Big Horn, and the Seventh Cavalry touches the entire American saga of exploration, conflict, and settlement in the West, including virtually all Plains Indian tribes, the frontier army, railroading, mining, and trading. Hence this bibliography will be a valuable resource for a broad audience of historians, librarians, collectors, and Custer enthusiasts. *To Hell with Honor* Larry Sklenar 2003-03-01 "Sklenar contends that Custer did have a battle plan, one different from any other suggested by scholars thus far. Custer, he argues, had reason to believe that his scheme might succeed with minimum bloodshed; made decisions consistent with army regulations and his best instincts as an experienced commander; had subordinates who could not overcome the limits of their personalities in a desperate situation; and made a selfless commitment to save the bulk of his regiment. Along the way, Sklenar appraises the officers and other men who served in the Seventh, evaluating the survivors' testimony and assessing the intent and motives of each."--BOOK JACKET.

Custer's Last Stand Brian W. Dippie 1994-01-01 Defeat and death at the Little Bighorn gave General George Custer and his Seventh Cavalry a kind of immortality. In *Custer's Last Stand*, Brian W. Dippie investigates the body of legend surrounding that battle on a bloody Sunday in 1876. His survey of the event in poems, novels, paintings, movies, jokes, and other ephemera amounts to a unique reflection on the national character.

The Real Custer James S Robbins 2014-06-23
The Real Custer takes a good hard look at the life and storied military career of George Armstrong Custer—from cutting his teeth at Bull Run in the Civil War, to his famous and untimely death at Little Bighorn in the Indian Wars. Author James Robbins demonstrates that Custer, having graduated last in his class at West Point, went on to prove himself again and again as an extremely skilled cavalry leader. Robbins argues that Custer's undoing was his bold and cocky attitude, which caused the Army's bloodiest defeat in the Indian Wars. Robbins also dives into Custer's personal life, exploring his letters and other personal documents to reveal who he was as a person, underneath the military leader. The Real Custer is an exciting and valuable contribution to the legend and history of Custer that will delight Custer fans as well as readers new to the legend.

Crazy Horse and Custer S. D. Nelson 2021-11-09
With photographs and stunning illustrations from acclaimed author-artist S.D. Nelson, this thrilling double biography juxtaposes the lives of two enemies whose conflict changed American history: Crazy Horse and George Custer. In 1876, Lakota chief Crazy Horse helped lead his people's resistance against the white man's invasion of the northern Great Plains. One of the leaders of the US military forces was Army Lt. Col. George Armstrong Custer. The men had long been enemies. At the height of the war, when tribalism had reached its peak, they crossed paths for the last time. In this action-packed double biography, S. D. Nelson draws fascinating parallels between Crazy Horse and Custer, whose lives were intertwined. These warriors were alike in many ways, yet they often collided in deadly rivalry. Witness reports and reflections by their peers and enemies accompany side-by-side storytelling that offers very different perspectives on the same historical events. The two men's opposing destinies culminated in the infamous Battle of the Greasy Grass, as the Lakota called it, or the Battle of the Little Bighorn, as it was called by the Euro-Americans. In Crazy Horse and Custer, Nelson's gripping narrative and signature illustration style based on Plains Indians ledger art, along with a mix of period photographs and

paintings, shines light on two men whose conflict forever changed Lakota and US history. The book includes an author's note, timeline, endnotes, and bibliography.

A Road We Do Not Know Frederick J. Chiaventone 2002-03-22
This historical fiction dramatically tells the story of the Battle of the Little Bighorn through the eyes of ordinary soldiers and warriors and vividly describes the fatigue, grime, sweat, fear, heartbreak, and carnage of frontier warfare. "A Road We Do Not Know" . . . brings a fresh and moving sensibility to the story of Custer, Sitting Bull, and Crazy Horse, those icons whose lives came together at the Battle of the Little Bighorn. A fine novel, compellingly written. W.E.B. Griffin, author of "Brotherhood of War" Frederick Chiaventone tells an important, gripping and instructive tale. Winston F. Groom, author of "Forrest Gump"

Custer's Gatling Guns Donald F. Myers 2008-10-20
Never before has a historically accurate novel telling of the day-to-day journey to the Little Big Horn featuring interesting characters been written, including the Gatling Gun Battery commander and his men. Custer takes his three Gatling Guns with him instead of leaving them at the Yellowstone River. The author, a retired Marine, came up with a plausible solution of how the heavy machine guns could have moved with the 7th Cavalry without slowing it down through rough terrain. The book has a "what if" flavor from beginning to the dramatic ending that any history buff will enjoy. A rip-roaring tale of the 1870's. About the Author: Donald F. Myers was born and raised in Indianapolis, Indiana. In 1952 at age seventeen he enlisted in the U. S. Marine Corps. He retired from the Corps on 30 April 1973. Myers is Indiana's most decorated living Marine veteran. A recipient of two Silver Star medals for conspicuous gallantry, two Bronze Star medals for heroic achievement, five Purple Heart medals for combat wounds, Navy/Marine Corps Commendation medal for heroic achievement, Vietnam Cross of Gallantry with palm, and Vietnam Medal of Military Merit are among his 32 awards. The U. S. Department of Veterans Affairs (VA) employed Myers after he was medically retired from the Corps. In 1990, he retired from the VA as a senior counselor. Myers

also spent over 20 years with the Indiana Guard Reserve retiring from that military organization as a full colonel. He has authored six books. A father of two sons and three daughters Myers resides with his wife Dorothy in Franklin Township, a suburb on the southeast side of Indianapolis.

Custer and the Great Controversy Robert M. Utley 1998 Custer and the Great Controversy was the first book to focus on the origins of what has come to be called the Custer myth. The Battle of the Little Bighorn has always been wrapped in mystery and controversy because none of Custer's men survived to tell what happened, because press accounts circulated much misinformation and editors politicized the event, because popular writers repeated the errors of journalists, because a court of inquiry issued in bitter debate, and because Indian testimony was hard to gauge. This book, originally published in 1962, helps the reader understand the sources of the confusion and controversy surrounding the Custer fight and the beginning of the legend. Custer and the Great Controversy was Robert M. Utley's debut, coming after six years of service as a ranger-historian at the Little Bighorn National Monument. His distinguished career as a historian has produced many books, including *Frontiersmen in Blue: The United States Army and the Indian, 1848-1865* and *Frontier Regulars: The United States Army and the Indian, 1866-1891*, both available as Bison Books. Brian W. Dippie is a professor of history at the University of Victoria, British Columbia, and the author of *Custer's Last Stand: The Anatomy of an American Myth*, also a Bison Book.

Troopers with Custer E. A. Brininstool 1994 Dramatic firsthand tales of the events preceding the Battle of the Little Big Horn told through exciting eyewitness accounts of participants. **Elizabeth Bacon Custer and the Making of a Myth** 1998-09-01 Georger Armstrong Custer's death in 1876 at the Battle of the Little Big Horn left Elizabeth Bacon Custer a thirty-four-year-old widow who was deeply in debt. By the time she died fifty-seven years later she had achieved economic security, recognition as an author and lecturer, and the respect of numerous public figures. She had built the Custer legend, an

idealized image of her husband as a brilliant military commander and a family man without personal failings. In *Elizabeth Bacon Custer and the Making of a Myth*, Shirley A. Leckie explores the life of "Libbie," a frontier army wife who willingly adhered to the social and religious restrictions of her day, yet used her authority as model wife and widow to influence events and ideology far beyond the private sphere.

Camp, Custer, and the Little Bighorn Walter Mason Camp 1997

Custer Jay Monaghan 1971-01-01 "The Custer literature is voluminous and most of it is highly controversial. Through the tangle of charges and countercharges Jay Monaghan cuts a clear path in his fresh account of Custer's whole career. Where possible, Monaghan relies on original sources, and he appraises them with the sound judgment of the practiced historian he is. He is sympathetic with Custer but does not hesitate to show the man's foibles and failures. He presents no attorney's brief and yet he disproves a number of ill-founded accusations. . . ."

The Kid From Custer ebook download or read online. In today digital age, eBooks have become a staple for both leisure and learning. The convenience of accessing The Kid From Custer and various genres has transformed the way we consume literature. Whether you are a voracious reader or a knowledge seeker, read The Kid From Custer or finding the best eBook that aligns with your interests and needs is crucial. This article delves into the art of finding the perfect eBook and explores the platforms and strategies to ensure an enriching reading experience.
