**Seton Hall University** Tova Navarra 1999 Seton Hall College opened its doors in 1856 in Madison, New Jersey, with an entire student body of five young men. Since then, it has grown to become a major Catholic university, focusing on academic excellence and ethical development. Here, in a collection including many never-beforepublished photographs, the rich history of the school is celebrated with images of the people, the events, and the campus that

have defined Seton Hall over nearly 150 years. Named for St. Elizabeth Ann Bayley Seton and founded by her nephew, the Rt. Rev. James Roosevelt Bayley, the history of Seton Hall has been a mirror of American history from its earliest days. Enrollment went down after the Civil War, and in the 1940s and early '50s, nine out of ten students were World War II veterans. During the 1960s, the school eased into coeducation and the 1970s brought important cultural growth to the campus.

**Wooden: A Coach's Life** Seth Davis 2014-01-14 A provocative and revelatory new biography of the legendary UCLA coach John Wooden, by one of America's top college basketball writers No college basketball coach has ever dominated the sport like John Wooden. His UCLA teams reached unprecedented heights in the 1960s and '70s capped by a run of ten NCAA championships in twelve seasons and an eighty-eight-game winning streak, records that stand to this day. Wooden

also became a renowned motivational speaker and writer, revered for his "Pyramid of Success." Seth Davis of Sports Illustrated and CBS Sports has written the definitive biography of Wooden, an unflinching portrait that draws on archival research and more than two hundred interviews with players, opponents, coaches, and even Wooden himself. Davis shows how hard Wooden strove for success, from his All-American playing days at Purdue through his early years as a high school and college coach to the glory days at UCLA, only to discover that reaching new heights brought new burdens and frustrations. Davis also reveals how at the pinnacle of his career Wooden found himself on questionable ground with alumni, referees, assistants, and even some of his players. His was a life not only of lessons taught, but also of lessons learned. Woven into the story as well are the players who powered Wooden's championship teams - Kareem Abdul-Jabbar, Bill Walton, Walt

Hazzard, and others - many of whom speak frankly about their coach. The portrait that emerges from Davis's remarkable biography is of a man in full, whose life story still resonates today.

these two highly respected academic institutions have a rivalry of contrasts: powder blue vs. royal blue; public vs. private; Southerners versus Northern transplants; Michael Jordan and Vince Carter vs. Grant Hill and Christian Laettner. And now, with former Tar Heel assistant Roy Williams the new head coach of UNC, and Mike Krzyzewski still going strong at Duke—the rivalry only continues. Blue Blood is a thrilling chronicle of the Duke-Carolina rivalry as it has evolved over the last fifty years. With unparalleled insider access, veteran journalist and author Art Chansky details the colorful, revered, and respected rivalry—for the first time ever. **I Came As a Shadow** John Thompson 2022-02-08 A NEW YORK TIMES NOTABLE BOOK The long-awaited autobiography from Georgetown University's legendary coach, whose life on and off the basketball court throws America's unresolved struggle with racial justice into sharp relief John Thompson was never just a basketball coach and I Came As a Shadow is categorically not just a basketball autobiography. After three decades at the center of race and sports in America, the first Black head coach to win an NCAA championship is ready to make the private public. Chockful of stories and moving beyond mere stats (and what stats! three Final Fours, four times national coach of the year, seven Big East championships, 97 percent graduation rate), Thompson's

book drives us through his childhood under Jim Crow segregation to our current moment of racial reckoning. We experience riding shotgun with Celtics icon Red Auerbach, and coaching NBA Hall of Famers like Patrick Ewing and Allen Iverson. How did he inspire the phrase "Hoya Paranoia"? You'll see. And thawing his historically glacial stare, Thompson brings us into his negotiation with a DC drug kingpin in his players' orbit in the 1980s, as well as behind the scenes on the Nike board today. Thompson's mother was a teacher who couldn't teach because she was Black. His father could not read or write, so the only way he could identify different cements at the factory where he worked was to taste them. Their son grew up to be a man with his own life-sized statue in a building that bears his family's name on a campus once kept afloat by the selling of 272 enslaved people. This is a great American story, and John Thompson's experience sheds light on many of the issues

roiling our nation. In these pages, he proves himself to be the elder statesman college basketball and the country need to hear from now. I Came As A Shadow is not a swan song, but a bullhorn blast from one of America's most prominent sons.

**The Big East** Dana O'Neil 2023-02-28 The definitive, compulsively readable story of the greatest era of the most iconic league in college basketball history—the Big East “This book, full of long-standing rivalries, unmatched moments in the lives of coaches and players, and juicy insider gossip, is, like the game of basketball, a ton of fun.”—Philadelphia magazine The names need no introduction: Thompson and Patrick, Boeheim and the Pearl,

and of course Gavitt. And the moments are part of college basketball lore: the Sweater Game, Villanova Beats Georgetown, and Six Overtimes. But this is the story of the Big East Conference that you haven't heard before—of how the Northeast, once an afterthought, became the epicenter of college basketball. Before the league's founding, East Coast basketball had crowned just three national champions in forty years, and none since 1954. But in the Big East's first ten years, five of its teams played for a national championship. The league didn't merely inherit good teams; it created them. But how did this unlikely group of schools come to dominate college basketball so quickly and completely? Including interviews with more than sixty of the key figures in the conference's history, The Big East charts the league's daring beginnings and its incredible rise. It transports fans inside packed arenas to epic wars fought between transcendent players, and behind locker-

room doors where combustible coaches battled even more fiercely for a leg up. Started on a handshake and a prayer, the Big East carved an improbable arc in sports history, an ensemble of Catholic schools banding together to not only improve their own stations but rewrite the geographic boundaries of basketball. As former UConn coach Jim Calhoun eloquently put it, "It was Camelot. Camelot with bad language."

**A Sense of Where You Are** John McPhee 1999-06-30 When John McPhee met Bill Bradley, both were at the beginning of their careers. A Sense of Where You Are, McPhee's first book, is about Bradley when he was the best basketball player Princeton had ever seen.

McPhee delineates for the reader the training and techniques that made Bradley the extraordinary athlete he was, and this part of the book is a blueprint of superlative basketball. But athletic prowess alone would not explain Bradley's magnetism, which is in the quality of the man himself—his self-discipline, his rationality, and his sense of responsibility. Here is a portrait of Bradley as he was in college, before his time with the New York Knicks and his election to the U.S. Senate—a story that suggests the abundant beginnings of his professional careers in sport

and politics.

Seton Hall University Dermot Quinn 2023-02-10 Founded in 1856 by Bishop James Roosevelt Bayley of Newark, Seton Hall University has played a large part in New Jersey and American Catholic life for nearly two centuries. From its modest beginnings as a small college and seminary to its present position as a major national university, it has always sought to provide “a home for the mind, the heart, and the spirit.” In this vivid and elegantly written history, Dermot Quinn examines how Seton Hall was able to develop as an institution while keeping faith with its founder’s vision. Looking at the men and women who made Seton Hall what it is today, he paints a compelling picture of a university that has enjoyed its share of triumphs but has also suffered tragedy and loss. He shows how it was established in an age of prejudice and transformed in the aftermath of war, while exploring how it negotiated between a distinctly Roman Catholic identity and a mission

to include Americans of all faiths. Seton Hall University not only recounts the history of a great educational institution, it also shares the personal stories of the people who shaped it and were shaped by it: the presidents, the priests, the faculty, the staff, and of course, the students.

Miracles on the Hardwood John Gasaway 2021-03-16 Discover the David vs. Goliath rise of Catholic college basketball, from Villanova to Georgetown to Gonzaga, where small schools perennially shoot past the big power conference programs. In MIRACLES ON THE HARDWOOD, author John Gasaway traces the rise of Catholic college basketball—from its early days (Villanova made an appearance in the Final Four in the first NCAA tournament in 1939) to the dominance of the San Francisco Dons in the 1950s and the ascendance of powerhouses Georgetown, Villanova, and Gonzaga—through their decades-long rivalries and championship games. **Seton Hall Pirates** Alan Delozier 2002 In the spirit of a refrain from an old athletic cheer—"Old Setonia, dear old Setonia, we will sing a song of praise"—Seton Hall Pirates: A Basketball History explores the emerging popularity of hoop action within the context of school history and development of the game at large. The hard-court history found at Seton Hall University as the program nears its one hundredth year of competition is a story highlighted by a host of topnotch players, brilliant coaches, and memorable victories. Seton Hall Pirates: A Basketball History reflects on a sport that celebrates athletic prowess, school spirit, and spectator appreciation as it

relates to the dramatic and colorful drama that is Pirate basketball. Basketball began at Seton Hall in 1903, and success with the round ball soon followed for the white and blue. From Alumni Hall to the Meadowlands Arena, the tradition is alive in the memory of winning seasons under Frank Hill, along with immortal squads including the "Wonder Five" of John "Honey" Russell in 1941, the National Invitation Tournament champions of 1953, and the 1989 Final Four contingent led by P.J. Carlesimo, which came within one game of winning a national title.
