But when she discovers writings that vividly describe her mother's tumultuous life growing up in China, Ruth discovers a side of LuLing that she never knew existed. Transported to a backwoods village known as Immortal Heart, Ruth learns of secrets passed along by a mute nursemaid, Precious Auntie; of a cave where dragon bones are mined; of the crumbling ravine known as the End of the World; and of the curse that LuLing believes she released through betrayal. Within the calligraphied pages awaits the truth about a mother's heart, secrets she cannot tell her daughter, yet hopes she will never forget... Conjuring the pain of broken dreams and the power of myths, *The Bonesetter's Daughter* is an excavation of the human spirit: the past, its deepest wounds, its most profound hopes. *Sagwa* 2003-01-01 Contains two full-length videos: Sagwa's feline friends and Sagwa's family tree. Contributors to this book are optimistic that the socio-cultural formations of the future, such as cultural hybridity and cosmopolitanism, will be a viable option for constructing new or renewed global communities of migrants around the world. It is with these tools that migrants are best equipped to navigate the raging torrents of globalization in the new millennium of a post-postmodern era. Globalization brings with it a fear, a sense of loss and demise. It also brings with it a new sense of opportunity and hope. It is in this spirit that this book should be read. *Firefly Nights* Cynthia Benjamin 2003-02-01 Children can color page after page of beautiful adventure scenes featuring their favorite television feline, Sagwa the Chinese Siamese Cat, in this 64-page coloring and activity book! Saving Fish from Drowning Amy Tan 2005-10-18 A provocative novel from the bestselling author of *The Joy Luck Club* and *The Bonesetter's Daughter*. On an ill-fated art expedition into the southern Shan state of Burma, eleven Americans leave their Floating Island Resort for a

Christmas-morning tour and disappear. Through twists of fate, curses, and just plain human error, they find themselves deep in the jungle, where they encounter a tribe awaiting the return of the leader and the mythical book of wisdom that will protect them from the ravages and destruction of the Myanmar military regime. *Saving Fish from Drowning* seduces the reader with a facade of Buddhist illusions, magician's tricks, and light comedy, even as the absurd and picaresque spiral into a gripping morality tale about the consequences of intentions—both good and bad—and about the shared responsibility that individuals must accept for the actions of others. A pious man explained to his followers: "It is evil to take lives and noble to save them. Each day I pledge to save a hundred lives. I drop my net in the lake and scoop out a hundred fishes. I place the fishes on the bank, where they flop and twirl. 'Don't be scared,' I tell those fishes. 'I am saving you from drowning.' Soon enough, the fishes grow calm and lie still. Yet, sad to say, I am always too late. The fishes expire. And because it is evil to waste anything, I take those dead fishes to market and I sell them for a good price. With the money I receive, I buy more nets so I can save more fishes."

The Joy Luck Club Amy Tan 2006-09-21 "The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational." —Kevin Kwan, author of Crazy Rich Asians Amy Tan's beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new documentary Amy Tan: Unintended Memoir on Netflix Four mothers, four daughters, four families whose histories shift with the four winds depending on who's "saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. "To despair was to wish back for something already lost. Or to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over

daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.
