An Alchemy of Mind Diane Ackerman 2012-10-30 From the New York Times bestselling author of *The Zookeeper's Wife*, an ambitious and enlightening work that combines an artist's eye with a scientist's erudition to illuminate, as never before, the magic and mysteries of the human mind. Long treasured by literary readers for her uncommon ability to bridge the gap between art and science, celebrated scholar-artist Diane Ackerman returns with the book she was born to write. Her dazzling new work, *An Alchemy of Mind*, offers an unprecedented exploration and celebration of the mental fantasia in which we spend our days—and does for the human mind what the bestselling *A Natural History of the Senses* did for the physical senses. Bringing a valuable female perspective to the topic, Diane Ackerman discusses the science of the brain as only she can: with gorgeous, immediate language and imagery that paint an unusually lucid and vibrant picture for the reader. And in addition to explaining memory, thought, emotion, dreams, and language acquisition, she reports on the latest discoveries in neuroscience and addresses controversial subjects like the effects of trauma and male versus female brains. In prose that is not simply accessible but also beautiful and electric, Ackerman distills the hard, objective truths of science in order to yield vivid, heavily anecdotal explanations about a range of existential questions regarding consciousness, human thought, memory, and the nature of identity.

The Zookeeper's Wife Diane Ackerman 2008-08-26 Documents the heroic true story of Warsaw Zoo keepers and resistance activists Jan and Antonina Zabinski who, in the aftermath of Germany's invasion of Poland, saved the lives of hundreds of Jewish citizens by smuggling them into empty cages and their home villa. Reprint. 70,000 first printing.

The Human Age: The World Shaped By Us Diane Ackerman 2014-09-10 Winner of the National Outdoor Book Award and the PEN New England Henry David Thoreau Prize. A dazzling, inspiring tour through the ways that humans are working with nature to try to save the planet. With her celebrated blend of scientific insight, clarity, and curiosity, Diane Ackerman explores our human capacity both for destruction and for invention as we shape the future of the planet Earth. Ackerman takes us to the mind-expanding frontiers of science, exploring the fact that the "natural" and the "human" now inescapably depend on one another, drawing from "fields as diverse as evolutionary robotics...nanotechnology, 3-D printing and biomimicry" (New York Times Book Review), with probing intelligence, a clear eye, and an ever-hopeful heart.

Michigan Quarterly Review 2000

I Praise My Destroyer Diane Ackerman 2011-07-27 Diane Ackerman's poems reveal her intense response to the several worlds of nature, science, and society. Her lyricism fuses wit and sobriety, meditation and activism, and she confronts us with figures both real and fantastic. As always, her strong connection with the natural world, the realms of language and literature, myth and imagination, combines with her deep understanding of the sciences to offer her readers a singular American voice. This is not a voice crying in the wilderness, but one that gives forth songs of joy and wonder. Organized into seven sections, including "Timed Talk," "By Atoms Moved," and "Tender Mercies," *I Praise My Destroyer* is less an assorted collection than an organically coherent whole, one that reveals Ackerman's true calling as a twentieth-century metaphysical poet of the highest order.

The Rarest of the Rare Diane Ackerman 2011-07-13 The renowned author of *A Natural History of the Senses* takes readers in search of the "rarest of the rare," species likely to disappear before most of us have ever seen them. From Brazil to the Pacific to Japan, Ackerman shares her concern at the animals' plight, rejoices at the chance to experience them, and cheers those who work to save these fantastic creatures.

A Natural History of Love Diane Ackerman 2011-06-01 The bestselling author of *A Natural History of the Senses* now explores the allure of adultery, the appeal of aphrodisiacs, and the cult of the kiss.

Enchantingly written and stunningly informed, this "audaciously brilliant romp through the world of romantic love" (Washington Post Book World) is the next best thing to love itself.

The Grief Club Melody Beattie 2009-08-07 *The Grief Club* is Melody Beattie's profoundly personal, powerfully healing book to help readers through life's most difficult times. *The Grief Club* is Melody Beattie's profoundly personal, powerfully healing book to help readers through life's most difficult times. Part memoir, part self-help book, part journalism, *The Grief Club* is a book of stories bound together by the human experience of loss in its many forms such as death, divorce, drug addiction, and the tumultuous yet tender process of recovery. It's a book you need to read and share. Twenty years ago, *Codependent No More* established Melody Beattie as a pioneering voice in self-help literature and endeared her to readers who longed for healthier relationships. Over the years, Melody has invited readers into her life with several more best-selling books—each punctuated with her trademark candor and intuitive wisdom.

Slender Thread Diane Ackerman 2011-08-03 This astonishing book by the prizewinning, bestselling author of *A Natural History of the Senses* reveals Ackerman's parallel lives as an observer of the wildlife in her garden and as a telephone crisis counselor. "(Ackerman) brings a luminous and illuminating combination of sensuality, science, and speculation to whatever she considers."—San Francisco Examiner.
Crisis Counseling Ellen Hastings Janosik 1994 Special topics in crisis counseling, such as spouse abuse, specific population groups, radiation exposure, environmental issues, and unemployment, are also given extensive coverage in this outstanding second edition of *Crisis Counseling: A Contemporary Approach*.

Deep Play Diane Ackerman 2011-06-01 With *A Natural History of the Senses*, Diane Ackerman let her free-ranging intellect loose on the natural world. Now in *Deep Play* she tackles the realm of creativity, by exploring one of the most essential aspects of our characters: the ability to play. "Deep play" is that more intensified form of play that puts us in a rapturous mood and awakens the most creative, sentient, and joyful aspects of our inner selves. As Ackerman ranges over a panoply of artistic, spiritual, and athletic activities, from spiritual rapture through extreme sports, we gain a greater sense of what it means to be "in the moment" and totally, transcendently human. Keenly perceived and written with poetic exuberance, *Deep Play* enlightens us by revealing the manifold ways we can enhance our lives.

Conversations Regie Routman 2000 In this long-awaited volume, Regie Routman continues the discussion she began in the best-selling *Invitations* and further explores the full universe of an effective language arts and literacy program across the curriculum.

Antigon Fire L. E. Modesitt, Jr. 2013-05-28 Promoted to commander and assigned to convince the Pharsi High Council to submit to Lord Bhayar's rule, Quaryt leads an Imagery team into hostile lands once held by the tyrannical Rex Kharst, where they confront a powerful order of women.

The Death and Life of Great American Cities Jane Jacobs 2016-07-20 Thirty years after its publication, *The Death and Life of Great American Cities* was described by *The New York Times* as "perhaps the most influential single work in the history of town planning....[It] can also be seen in a much larger context. It is first of all a work of literature; the descriptions of street life as a kind of ballet and the bitingly satiric account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book's arguments." Jane Jacobs, an editor and writer on architecture in New

York City in the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners. Rigorous, sane, and delightfully epigrammatic, Jacobs's small masterpiece is a blueprint for the humanistic management of cities. It is sensible, knowledgeable, readable, indispensable. The author has written a new foreword for this Modern Library edition.

The Sense of an Ending Julian Barnes 2011-10-05 BOOKER PRIZE WINNER • NATIONAL BESTSELLER • A novel that follows a middle-aged man as he contends with a past he never much thought about—until his closest childhood friends return with a vengeance: one of them from the grave, another maddeningly present. A novel so compelling that it begs to be read in a single sitting, *The Sense of an Ending* has the psychological and emotional depth and sophistication of Henry James at his best, and is a stunning achievement in Julian Barnes's oeuvre. Tony Webster thought he left his past behind as he built a life for himself, and his career has provided him with a secure retirement and an amicable relationship with his ex-wife and daughter, who now has a family of her own. But when he is presented with a mysterious legacy, he is forced to revise his estimation of his own nature and place in the world.

Rational Suicide, Irrational Laws Susan Stefan 2016-02-25 When should we try to prevent suicide? Should it be facilitated for some people, in some circumstances? For the last forty years, law and policy on suicide have followed two separate and distinct tracks: laws aimed at preventing suicide and, increasingly, laws aimed at facilitating it. In *Rational Suicide, Irrational Laws* legal scholar Susan Stefan argues that these laws co-exist because they are based on two radically disparate conceptions of the would-be suicide. This is the first book that unifies policies and laws, including constitutional law, criminal law, malpractice law, and civil commitment law, toward people who want to end their lives. Based on the author's expert understanding of mental health and legal systems, analysis of related national and international laws and policy, and surveys and interviews with more than 300 suicide-attempt survivors, doctors, lawyers, and mental health professionals, *Rational Suicide, Irrational Laws* exposes the counterproductive nature of current policies and laws about suicide. Stefan proposes and defends specific reforms, including increased protection of mental health professionals from liability, increased protection of suicidal people from coercive interventions, reframing medical involvement in assisted suicide, and focusing on approaches to suicidal people that help them rather than assuming suicidality is always a symptom of mental illness. Stefan compares policies and laws in different states in the U.S. and examines the policies and laws of other countries in Europe, Asia, and the Americas, including the 2015 legalization of assisted suicide in Canada. The book includes model statutes, seven in-depth studies of people whose cases presented profound ethical, legal, and policy dilemmas, and over a thousand cases interpreting rights and responsibilities relating to suicide, especially in the area of psychiatric malpractice.

Birth, Breath, and Death Amy Wright Glenn 2013-03-03 At the age of fourteen, Amy Wright Glenn began to question the Mormon faith of her family. She embarked on a life long personal and scholarly quest for truth. While teaching comparative religion and philosophy, Amy was drawn to the work of supporting women through labor and holding compassionate space for the dying. Amy shares moving tales of birth and death while drawing on her work as a birth doula, hospital chaplain, and her own experience of motherhood. We are born, we die, and in between these irrevocable facts of human existence the breath weaves all moments together. "Birth, Breath, and Death" entwines story, philosophy, and poetic reflection into transforming narratives that are full of grace.

Jaguar of Sweet Laughter Diane Ackerman 2011-07-27 In *A Natural History of the Senses* Diane Ackerman revealed herself as a naturalist who writes with the sensuous immediacy of a great poet. Now *Jaguar of Sweet Laughter* presents the work of a poet with the precise and wondering eye of a gifted naturalist. Ackerman's Olympian vision records and transforms landscapes from Amazonia to Antarctica, while her imaginative empathy penetrates the otherness of hummingbirds, deer, and trilobites. But even as they draw readers into the wild heart of nature, Ackerman's poems are indelible reminders of what it is to be a human being—the "jaguar of sweet laughter" that, according to Mayan mythology, astonished the world because it was the first animal to speak. *The Library Journal* 1997 Includes, beginning Sept. 15, 1954 (and on the

15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called *Junior Libraries*, 1954-May 1961). Also issued separately.

The Heart-Centered Teacher Regie Routman 2023-09-11 "I will speak to you of what I've learned and what I'm still struggling with, professionally and personally, not just as a teacher and colleague but also as a wife, daughter, mother, grandmother, friend, and concerned citizen. I want to lift you up - to nourish your heart, mind, and spirit." --Regie Routman How do we find hope and possibility in challenging times? How do we bring our truest selves into our teaching and personal lives? In this unique, inspiring book, beloved author Regie Routman artfully blends stories and strategies to show how we can introduce more joy and gratitude in our classrooms and in our lives. Regie invites us to focus on what matters most in our work and in our relationships with those we hold dear. She shares ideas and practical takeaways for teaching, learning, and living: Seeing and celebrating each learner's gifts and strengths Creating a storytelling culture Ensuring equitable opportunities for all Co-creating welcoming spaces and routines Developing professional knowledge Championing the reading-writing connection Fostering resilience and hope Taking care of ourselves and our students Making a worthy difference "Here's what I know for sure," writes Regie. "Living a good life is about developing, nurturing, and sustaining caring relationships—in our teaching lives, our home lives, and in the happy intersection of both." Wherever you are on your journey, no matter what loss or hardship you may face, *The Heart-Centered Teacher* will offer you a refreshing chance to pause, take a breath, and reflect on how you and your students can live more compassionate, generous, and authentic lives.

Peace and Plenty Sarah Ban Breathnach 2010-12-29 As featured on Oprah's podcast, *SuperSoul Conversations* "When money is plentiful, this is a man's world. When money is scarce, it is a woman's world." Unearthed in a 1932 *Ladies Home Journal*, this quote is the call to arms that begins *Peace and Plenty*, Sarah Ban Breathnach's answer to the world's-- and her own personal-- financial crisis. As only Ban Breathnach can, she culls together this compendium of advice, deeply personal anecdotes, and excerpts from magazines, books, and newspapers-- particularly those of the Great Depression-- to inspire readers who are mired in today's financial difficulties. Focusing on her own personal path, Sarah Ban Breathnach will relate never-before revealed details about how she fell from the financial top to the bottom. Readers will immediately see how deeply she understands the plight of those trying to maintain a happy and comfortable home, while at the same time not even knowing if they will be able to make the mortgage to keep that home. Sarah has proved to be the voice of comfort for years to women who are spiritually bankrupt, and now she will reach to those who are financially strapped, showing them how to pull themselves out of their psychic and fiscal crises while providing deep comfort and reassurance throughout. **The Soothing Soak** Melcher Media 2004 "A collection of sensuous, spiritually uplifting water-themed stories, essays, and poetry, *The Soothing Soak* is the perfect companion for bathers in search of solitude, relaxation, and revelation... Printed in Melcher Media's unique, completely waterproof DuraBook format, you can take this book right into a warm bath and unwind with it"--from back cover.

Moon By Whale Light Diane Ackerman 2011-05-18 In a rare blend of scientific fact and poetic truth, the acclaimed author of *A Natural History of the Senses* explores the activities of whales, penguins, bats, and crocodilians, plunging headlong into nature and coming up with highly entertaining treasures.

American Women in Science: 1950 to the Present Martha J. Bailey 1998-11 *American Women in Science, 1950 to the Present: A Biographical Dictionary* surveys more than 300 women who have made significant contributions to major fields of scientific endeavor since 1950. Each concise A-to-Z biography includes information on the woman's background, employment history, honors, and publications and places her achievements in the appropriate scientific and social contexts. All entries are indexed by name, profession, and subject, making this an outstanding reference for anyone interested in the scientific achievements of women.

Down to Earth Bruno Latour 2018-11-26 The present ecological mutation has organized the whole political landscape for the last thirty years. This could explain the deadly cocktail of exploding inequalities, massive deregulation, and conversion of the dream of globalization into a nightmare for most people. What holds these three phenomena together is the conviction, shared by some powerful people, that the ecological

threat is real and that the only way for them to survive is to abandon any pretense at sharing a common future with the rest of the world. Hence their flight offshore and their massive investment in climate change denial. The Left has been slow to turn its attention to this new situation. It is still organized along an axis that goes from investment in local values to the hope of globalization and just at the time when, everywhere, people dissatisfied with the ideal of modernity are turning back to the protection of national or even ethnic borders. This is why it is urgent to shift sideways and to define politics as what leads toward the Earth and not toward the global or the national. Belonging to a territory is the phenomenon most in need of rethinking and careful redescription; learning new ways to inhabit the Earth is our biggest challenge. Bringing us down to earth is the task of politics today.

The Impossible Will Take a Little While Paul Loeb 2014-04-29 In *The Impossible Will Take a Little While*, a phrase borrowed from Billie Holliday, the editor of *Soul of a Citizen* brings together fifty stories and essays that range across nations, eras, wars, and political movements. Danusha Goska, an Indiana activist with a paralyzing physical disability, writes about overcoming political immobilization, drawing on her history with the Peace Corps and Mother Teresa. Vaclav Havel, the former president of the Czech Republic, finds value in seemingly doomed or futile actions taken by oppressed peoples. Rosemarie Freeney Harding recalls the music that sustained the civil rights movement, and Paxus Calta-Star recounts the powerful vignette of an 18-year-old who launched the overthrow of Bulgaria's dictatorship. Many of the essays are new, others classic works that continue to inspire. Together, these writers explore a path of heartfelt community involvement that leads beyond despair to compassion and hope. The voices collected in *The Impossible Will Take a Little While* will help keep us all working for a better world despite the obstacles.

The Quiet Center Katherine Ball Ross 1997 In beautifully written memoirs by some of the great women writers of America, *The Quiet Center* resonates with the wisdom gleaned from everyday life. Originally published in the pages of *Victoria* magazine in its first decade, the essays in this volume speak to and from a woman's heart.

Sacred Time Christine Valters Paintner 2021-02-19 We live in a world where there never seems to be enough time for all we want and need to do. In *Sacred Time: Embracing an Intentional Way of Life*, Christine Valters Paintner guides us as we move beyond our own lives and embrace a world that urges us toward rest, reflection, and growth. In *Sacred Time*, Paintner, abbess of the online Abbey of the Arts, shows us how by becoming in tune with the rhythms of the natural world, we can live more intentionally and experience a conversion toward a more expansive way of being. Paintner introduces us to the eight cycles of sacred time that exist in our everyday lives. These cycles that can ground us through our busy lives are breath, rhythms of the day, weekly rhythms and Sabbath rest, waxing and waning lunar cycles, seasons of the year, seasons of a lifetime, ancestral time, and cosmic time. Each cycle encourages us to mindfully consider the time that passes as quickly as each breath and as slowly as the passing of generations. Within each cycle, we find wisdom from sacred tradition and the saints, including St. Benedict, St. Ignatius of Loyola, and St. Hildegard of Bingen; room for growth; and the presence of the Divine. Along the way, we are also given scriptural guidance, and we are invited to spiritual practices and creative explorations that will help deepen our understanding of each cycle, allow that understanding to take root in our lives, and expand our lives beyond the pressures of each day.

Dawn Light Diane Ackerman 2010-08-24 In an eye-opening sequence of personal meditations through the cycle of seasons, Ackerman awakens readers to the world at dawn--drawing on sources as diverse as meteorology, world religion, etymology, art history, poetry, organic farming, and beekeeping.

Mortal Acts, Mortal Words Galway Kinnell 1980

The Blue Castle Lucy Maud Montgomery 2023-09-14 "The Blue Castle" tells the story of a young woman named Valancy Stirling, who lives a dull and uneventful life in the restrictive and judgmental society of the early 20th century. She is unmarried and lives with her overbearing mother and cousin, and has resigned herself to a life of spinsterhood and conformity. However, everything changes when Valancy receives a devastating medical diagnosis that gives her only a year to live. This news acts as a catalyst, prompting Valancy to break free from the constraints placed upon her and start living life on her own terms. She decides to leave her oppressive family environment and embrace her dreams and desires. Valancy's journey takes her to the fictional Blue Castle, a place of love and freedom that exists only in her imagination. In

this imagined space, she meets a mysterious man named Barney Snaith, who becomes a symbol of hope and adventure in her life. Through "The Blue Castle," Montgomery explores themes such as self-discovery, the power of imagination, and the importance of living authentically. The novel challenges societal norms and expectations, highlighting the barriers placed on women during the early 20th century. Valancy's transformation from a meek and submissive woman to a vibrant and independent individual is both inspiring and empowering. Montgomery's writing is vivid and evocative, immersing readers in the beauty of the Canadian landscape and the emotions of the characters. Her descriptions of nature and the Blue Castle itself transport readers to a place of enchantment and possibility. The author's knack for creating memorable characters shines through in Valancy's journey, as well as in the supporting cast that includes eccentric family members and quirky townspeople. "The Blue Castle" stands apart from Montgomery's more famous works due to its departure from the author's usual setting of Prince Edward Island. The novel is set in the fictional Muskoka region of Ontario, providing a fresh and captivating backdrop. This change of scenery adds another layer of charm and uniqueness to the story. Overall, "The Blue Castle" is a delightful and heartwarming tale of self-discovery, courage, and love. It portrays the transformative power of embracing one's true desires and finding joy in unexpected places. Montgomery's masterful storytelling and the endearing characters make this a book you won't want to put down.

Something More Sarah Ban Breathnach 2009-11-29 From the author of the bestselling "Simple Abundance" comes a provocative and powerful life "bible" for women around the world. In this insightful and eloquent book, Sarah Ban Breathnach explores the nine stages necessary to living authentically: Sensing, Surviving, Settling, Stumbling, Selling Out, Starting Over, Searching, Striving, and finally, Something More.

Two Hemispheres Nadine McInnis 2007 Poetry. TWO HEMISPHERES charts one woman's descent into, and recovery from, depression. Nadine McInnis finds solace and humanity in the faces of illness, and breathes an imagined life into the photographs of ten women, patients in the Surrey County Lunatic Asylum in the mid-nineteenth century. Counterpointing the photographs and the voices of these lost women with her more personal experience of depression, she crafts a stunning tribute to the resilience of human spirit and mind. "I feel like I've uncovered a treasure--the mind's brilliance and transcendence embedded in a deep geology of love and pain, and which acquire purpose here. Such bright threads of thought, compassion and language as McInnis both discourses on and inhabits the imprisoned mind. I'm astonished at the strength and passion of these poems"--Marilyn Bowering. Nadine McInnis is the author of six other books: they include short stories and essays as well as poetry. Her most recent collection of poetry was shortlisted for the 2006 Ottawa Book Award. She lives in Ottawa where she teaches in the Professional Writing Program at Algonquin College.
