Literatura hispanofilipina actual Isaac Donoso

2011-11-01 Desde 1987, año en que la lengua española dejó de ser oficial en el Archipiélago Filipino tras más de cuatro siglos, se ha dado por extinguida la literatura filipina en español. No obstante, una última y reducida generación de hispanohablantes filipinos seguía en vida, y esto no ha hecho sino espolear aún más las inquietudes de la juventud por reconocer la tradición de la cultura y la lengua en que escribiera el héroe nacional José Rizal. Habiendo representado la literatura nacional de Filipinas a comienzos del siglo XX y hasta no ser más que una de las literaturas marginales de un archipiélago políglota a comienzos del XXI, la literatura hispanofilipina actual refleja la coyuntura del laberinto filipino: la escisión de una nación como consecuencia de la desvertebración social y la diáspora a que la ha conducido el subdesarrollo. Pero si los medios de recepción literaria actuales en Filipinas son limitados, el ciberespacio ha dado al escritor filipino una audiencia de quinientos millones de

lectores. Literatura hispanofilipina actual pone en común toda la producción literaria filipina en español desde 1987 hasta el presente, con el fin de mostrar la coherencia de un mundo creativo ignorado por las Letras Hispánicas. A pesar del olvido, mediante un esfuerzo de resultados insólitos destinado a dilucidar el dilema de la modernidad filipina, autores diseminados desde Vancouver a Santiago de Chile pasando por Manila continúan dando cuerpo a una literatura asiática en lengua española.

George Buchanan Caroline Erskine 2016-04-22
George Buchanan (1506-82) was the most distinguished Scottish humanist of the sixteenth century with an unparalleled contemporary reputation as a Latin poet, playwright, historian and political theorist. However, while his contemporary importance as the scourge of Mary Queen of Scots and advocate of popular rebellion has long been recognised, this volume represents the first attempt to explore the subsequent influence of his ideas and his contested reputation as a political ideologue and cultural icon. Featuring a wide-ranging selection of essays by an international cast of established and younger scholars, the volume explores Buchanan's legacy as an historian and political

theorist in Britain and Europe in the two centuries following his death, with particular emphasis on the reception of his remarkably radical views on popular sovereignty and political assassination. Divided into four parts, the volume covers the immediate impact and reception of his writings in sixteenth- and early seventeenth-century Britain; the wider Northern European context in which his thought was influential; the engagement with his political ideas in the course of the seventeenth-century British constitutional struggles; and the influence of his ideas as well as the changing nature of his reputation through the eighteenth century and beyond. The introduction to the volume not only reviews the material in the body of the collection, but also reflects on the use and abuse of Buchanan's ideas in the early modern period and the methodological issues of influence and reputation raised by the contributors. Such a reassessment of Buchanan and his legacy is long overdue and this volume

will be welcomed by all scholars with an interest in the political and cultural history of early modern Britain and Europe.

The Dream and the Text Carol Schreier Rupprecht 1993-01-01 This book partakes of a

long tradition of dream interpretation, but, at the same time, is unique in its cross-cultural and interdisciplinary methods and in its mix of theoretical and analytical approaches. It includes a great chronological and geographical range, from ancient Sumeria to eighteenth-century China; medieval Hispanic dream poetry to Italian Renaissance dream theory; Shakespeare to Nerval; and from Dostoevsky, through Emily Brontë, to Henry James.

Rupprecht also incorporates various critical orientations including archetypal, comparative, feminist, historicist, linguistic, postmodern, psychoanalytic, religious, reader response, and self-psychology.

The Bilingual Text Jan Walsh Hokenson 2014-06-03 Bilingual texts have been left outside the mainstream of both translation theory and literary history. Yet the tradition of the bilingual writer, moving between different sign systems and audiences to create a text in two languages, is a rich and venerable one, going back at least

to the Middle Ages. The self-translated, bilingual text was commonplace in the multilingual world of medieval and early modern Europe, frequently bridging Latin and the vernaculars. While self-translation persisted among cultured elites, it diminished during the consolidation of the nation-states, in the long era of nationalistic monolingualism, only to resurge in the postcolonial era. The Bilingual Text makes a first step toward providing the fields of translation studies and comparative literature with a comprehensive account of literary self-translation in the West. It tracks the shifting paradigms of bilinguality across the centuries and addresses the urgent questions that the bilingual text raises for translation theorists today: Is each part of the bilingual text a separate, original creation or is each incomplete without the other? Is self-translation a unique genre? Can either version be split off into a single language or literary tradition? How can two linguistic versions of a text be fitted into

standard models of foreign and domestic texts and cultures? Because such texts defeat standard categories of analysis, The Bilingual Text reverses the usual critical gaze, highlighting not dissimilarities but continuities across versions, allowing for dissimilarities within orders of correspondence, and englobing the literary as well as linguistic and cultural dimensions of the text. Emphasizing the arcs of historical change in concepts of language and translation that inform each case study, The Bilingual Text examines the perdurance of this phenomenon in Western societies and literatures.

Queering Mestizaje Alicia Arrizón 2006

Queering Mestizaje employs theories of postcolonial cultural studies (including performance studies, queer and feminist theory) to examine the notion of mestizaje---the mixing of races, and specifically indigenous peoples, with European colonizers---and how this phenomenon manifests itself in three geographically diverse spaces: the United States, Latin America, and the Philippines. Alicia Arrizón argues that, as an imaginary site for racialized, gendered, and sexualized identities, mestizaje raises questions about historical transformation and cultural memory across Spanish postcolonial sites. Arrizón offers new, queer readings of the hybrid, the intercultural body, and the hyphenated self, building on the work of Gloria Anzaldúa, Antonio Benitez-Rojo, Walter D. Mignolo, and Vera Kutzinski, while

challenging accepted discourses about the relationship between colonizer and colonized. Queering Mestizaje is unique in the connections it makes between the Spanish colonial legacy in the Philippines and in the Americas. An engagingly eclectic array of cultural materials---including examples from performance art, colonial literature, visual art, fashion, and consumer products---are discussed, and included in the book's twenty-nine illustrations. Arrizón takes as her point of departure the connections and distinctions between the four keywords in the title (each with a long, specific, and convoluted history in its own right) while bringing together the Philippines, the Hispanophone Caribbean, and the United States to configure a map carved by the same blade of colonialism and imperialism. In its conjoining of queer, mestizaje, transculturation and performance, the pleasurable and enlightening variety of its textual examples, and its commitment to theorize desire from the space of

queer mestizaje, her book makes a unique and accomplished contribution. ---Yvonne Yarbro-Bejarano, Stanford University Alicia Arrizón is Professor of Women's Studies at the University of California, Riverside. She is author of *Latina Performance: Traversing the Stage* and co-editor of *Latinas on Stage: Practice and Theory*.

The Refracted Muse Enrique Garcia Santo-Tomas 2017-08-07 Galileo never set foot on the Iberian Peninsula, yet, as Enrique García Santo-Tomás unfolds in *The Refracted Muse*, the news of his work with telescopes brought him to surprising prominence—not just among Spaniards working in the developing science of optometry but among creative writers as well. While Spain is often thought to have taken little notice of the Scientific Revolution, García Santo-Tomás tells a different story, one that reveals Golden Age Spanish literature to be in close dialogue with the New Science. Drawing on the

work of writers such as Cervantes, Lope de Vega, Calderón de la Barca, and Quevedo, he helps us trace the influence of science and discovery on the rapidly developing and highly playful genre of the novel. Indeed, García Santo-Tomás makes a strong case that the rise of the novel cannot be fully understood without taking into account its relationship to the scientific discoveries of the period.

Argentine, Mexican, and Guatemalan Photography David William Foster 2014-10-01

One of the important cultural responses to political and sociohistorical events in Latin America is a resurgence of urban photography, which typically blends high art and social documentary. But unlike other forms of cultural production in Latin America, photography has received relatively little sustained critical analysis. This pioneering book offers one of the first in-depth investigations of the complex and extensive history of gendered perspectives in Latin American photography through studies of works from Argentina, Mexico, and Guatemala. David William Foster examines the work of photographers ranging from the internationally acclaimed artists Graciela Iturbide, Pedro Meyer, and Marcos López to significant photographers whose work is largely unknown to English-speaking audiences. He grounds his essays in four interlocking areas of research: the experience of human life in urban environments, the feminist matrix and gendered cultural production, Jewish cultural production, and the

ideological principles of cultural works and the connections between the works and the sociopolitical and historical contexts in which they were created. Foster reveals how gender-marked photography has contributed to the discourse surrounding the project of redemocratization in Argentina and Guatemala, as well as how it has illuminated human rights abuses in both countries. He also traces photography's contributions to the evolution away from the masculinist-dominated post-1910 Revolution ideology in Mexico. This research convincingly demonstrates that Latin American photography merits the high level of respect that is routinely accorded to more canonical forms of cultural production.

A History of Spanish Golden Age Drama Henry K. Ziomek 2021-05-11 Spain's Golden Age, the seventeenth century, left the world one great

legacy, the flower of its dramatic genius—the comedia. The work of the Golden Age playwrights represents the largest combined body of dramatic literature from a single historical period, comparable in magnitude to classical tragedy and comedy, to Elizabethan drama, and to French neoclassical theater. A History of Spanish Golden Age Drama is the first up-to-date survey of the history of the comedia, with special emphasis on critical approaches developed during the past ten years. A history of the comedia necessarily focuses on the work of Lope de Vega and Calderon de la Barca, but Ziomek also gives full credit to the host of lesser dramatists who followed in the paths blazed by Lope and Calderon, and whose individual contributions to particular genres added to the richness of Spanish theater. He also examines the profound influence of the comedia on the literature of other cultures.

Dealing in Dreams Lilliam Rivera 2019-03-05 “A novel exploration of societal roles, gender, and

equality.” —School Library Journal (starred review) *The Outsiders* meets *Mad Max: Fury Road* in this “daring and dramatic” (Victor LaValle, author of *The Changeling*) dystopian novel about sisterhood and the cruel choices people are forced to make in order to survive. At night, Las Mal Criadas own these streets. Sixteen-year-old Nalah leads the fiercest all-girl crew in Mega City. That role brings with it violent throwdowns and access to the hottest boydega clubs, but Nala quickly grows weary of her questionable lifestyle. Her dream is to get off the streets and make a home in the exclusive Mega Towers, in which only a chosen few get to live. To make it to the Mega Towers, Nalah must prove her loyalty to the city’s benevolent founder and cross the border in a search of the mysterious gang the Ashé Riders. Led by a reluctant guide, Nalah battles crews and her own doubts but the closer she gets to her goal the more she loses sight of everything—and everyone—she cares about. Nalah must choose

whether or not she's willing to do the unspeakable to get what she wants. Can she discover that home is not where you live but whom you chose to protect before she loses the family she's created for good?

The Collected Writings of Charles H. Long

Charles H. Long 2018-02-22 Charles H. Long is one of the most influential and pioneering scholars in the study of religion from the past 50 years. This is the first comprehensive collection of his writings, edited by Long himself, and contains 38 pieces, including both published and previously unpublished articles, lectures, an interview, and two book reviews. The foreword is provided by Jennifer Reid, a former student of Long. The collection is divided into four thematic parts: America and the Study of Religion; Theory and Method in the Study of Religion; African American Religion in the United States; Kindling, Embers and Sparks. Long's introduction provides much-awaited insight into his reflections on his work, expanding on

questions that remained unanswered in his classic and influential text, *Significations: Signs, Symbols and Images in the Interpretation of Images* (1986). In particular, the new introductory essay explores the significance of "ellipses", that which is omitted, the projected spaces of the Other in the study of religion. Considered the preeminent founder and advocate of the study of Black Religion, Long was exploring religion and colonialism and the importance of Afro-American religion as early as the 1960s and early 1970s, and this collection of his thinking - which moves across the formations of religious studies, African diasporic studies, and social and cultural theory - is a must-have addition for any institutional or personal library.

Sor Juana Ilan Stavans 2018-09-18 A sixteenth-century Mexican nun, Sor Juana Inés de la Cruz, has become one of the most rebellious and lasting icons in modern times, on par with

Mahatma Gandhi, Ernesto “Che” Guevara, and Nelson Mandela. Referenced in ranchera, tejana, and hip-hop lyrics, and celebrated in popular art as a guerrillera with rifle and bullet belts, Sor Juana has become ubiquitous. The conduits keep multiplying: statues, lotería cards, key chains, recipe books, coffee mugs, Día de los Muertos costumes. Ironically, Juana Inés de Asbaje—alias Sor Juana Inés de la Cruz—died in anonymity. Her grave was unmarked until the 1970s. Sor Juana: Or, the Persistence of Pop encapsulates the life, times, and legacy of Sor Juana. In this immersive work, essayist Ilan Stavans provides a biographical and meditative picture of the ways in which popular perceptions of her life and body of work both shape and reflect modern Latinx culture.

Life's a Dream (La Vida Es Sueño) Pedro Calderón de la Barca 2004-08-15 Co-Winner of the 2004 Colorado Endowment for the Humanities Publication Prize. A beautiful and haunting tale of love, betrayal, knowledge, and

power, Life's a Dream (La vida es sueño, 1636) is the best known and most widely admired play of Catholic Europe's greatest dramatist, Pedro Calderón de la Barca. Calderón's long life (1600-1681) witnessed both the pinnacle and collapse of Spanish political power as well as the great flowering of Spanish classical literature. Despite its longtime place atop the Hispanic canon, Calderón's masterpiece remains relatively unknown by general readers outside the Spanish-speaking world. Michael Kidd's new prose translation aims to correct this deficiency by rendering the play into a transparent, modern American idiom that preserves the beauty and complexity of Calderón's Baroque Spanish. The result is a highly readable and adaptable text that is enhanced by a generous selection of supporting materials, including a thorough critical introduction and glossary.

Migrant Feelings, Migrant Knowledge

Robert Irwin 2022-11-08 The digital storytelling project Humanizing Deportation invites migrants

to present their own stories in the world's largest and most diverse archive of its kind. Since 2017, more than 300 community storytellers have created their own audiovisual testimonial narratives, sharing their personal experiences of migration and repatriation. With *Migrant Feelings*, *Migrant Knowledge*, the project's coordinator, Robert Irwin, and other team members introduce the project's innovative participatory methodology, drawing out key issues regarding the human consequences of contemporary migration control regimes, as well as insights from migrants whose world-making endeavors may challenge what we think we know about migration. In recent decades, migrants in North America have been treated with unprecedented harshness. *Migrant Feelings*, *Migrant Knowledge* outlines this recent history, revealing stories both of grave injustice and of seemingly unsurmountable obstacles overcome. As Irwin writes, "The greatest source of expertise on the human

consequences of contemporary migration control are the migrants who have experienced them," and their voices in this searing collection jump off the page and into our hearts and minds.

Life Is a Dream Pedro Calderon de la Barca 2009-06-01 *Life is a Dream* is a play about free will and fate. A king imprisons his son who, it is prophesied, will destroy the kingdom. The people believe the son to be dead, but when he is a grown man the king brings him before the public and asks them to choose his fate. The play was written in 1635 and is the most famous work by Spanish playwright Pedro Calderon de la Barca.

Life Is a Dream Pedro Calderon de la Barca 2006-12-26 The masterwork of Spain's preeminent dramatist—now in a new verse translation *Life Is a Dream* is a work many hold to be the supreme example of Spanish Golden Age drama. Imbued with highly poetic language and humanist ideals, it is an allegory that considers contending themes of free will and

predestination, illusion and reality, played out against the backdrop of court intrigue and the restoration of personal honor. In the mountainous barrens of Poland, the rightful heir to the kingdom has been imprisoned since birth in an attempt by his father to thwart fate. Meanwhile, a noblewoman arrives to seek revenge against the man who deceived and forsook her love for the prospect of becoming king of Poland. Richly symbolic and metaphorical, *Life Is a Dream* explores the deepest mysteries of human experience. World Literature in Spanish [3 volumes]

Maureen Ihrie 2011-10-20 Containing roughly 850 entries about Spanish-language literature throughout the world, this expansive work provides coverage of the varied countries, ethnicities, time periods, literary movements, and genres of these writings. Providing a thorough introduction to Spanish-language literature worldwide and across time is a tall order. However, *World Literature in Spanish: An Encyclopedia* contains roughly 850 entries on both major and minor authors, themes, genres, and topics of Spanish literature from the Middle Ages to the present day, affording an amazingly comprehensive reference collection in a single

work. This encyclopedia describes the growing diversity within national borders, the increasing interdependence among nations, and the myriad impacts of Spanish literature across the globe. All countries that produce literature in Spanish in Europe, Africa, the Americas, and Asia are represented, covering both canonical authors and emerging contemporary writers and trends. Underrepresented writings—such as texts by women writers, queer and Afro-Hispanic texts, children's literature, and works on relevant but less studied topics such as sports and nationalism—also appear. While writings throughout the centuries are covered, those of the 20th and 21st centuries receive special consideration.

Poems, Protest, and a Dream Juana Ines de la Cruz 1997-03-01 A bilingual edition of writings by Latin America's finest baroque poet Sor Juana Ines de la Cruz (1648-1695) wrote her most famous prose work, *La Respuesta a Sor Filotea*, in 1691 in response to her bishop's injunction

against her intellectual pursuits. A passionate and subversive defense of the rights of women to study, to teach, and to write, it predates by almost a century and a half serious writings on any continent about the position and education of women. Also included in this wide-ranging selection is a new translation of Sor Juana's masterpiece, the epistemological poem "Primero Sueno," as well as revealing autobiographical sonnets, reverential religious poetry, secular love poems (which have excited speculation through three centuries), playful verses, and lyrical tributes to New World culture that are among the earliest writings celebrating the people and the customs of this hemisphere.
