Rain Forest Bibliography Jerry Roberts 1999
The rain forests of Central and South America have long captured the attention and imagination of writers. From nineteenth century explorers to modern-day conservationists, a host of writers have put the rain forests into print. This is an annotated guide to over 1,600 works about the Central and South American jungles. Entries are arranged by category: Ecology and Conservation; Flora and Fauna; People of the Forest; Travel and Exploration; and Young Adult and Children's Reading. Each category begins with a brief description of what is to be found, followed by alphabetically arranged entries. Each bibliographic entry contains notes on the book's subject, focus, and scope. The book's introduction gives insight into its usage, and the index allows for easy reference. This annotated bibliography, covering topics from the Achuar Indians to zoologists, will lead the reader to resources as diverse and fascinating as the rain forests themselves.

The Graywolf Silver Anthology 1999-04-01
This anthology, an eclectic and entertaining mix of poetry and prose, showcases some of the extraordinary writers who have helped shape a literary quarter-century. Their work provides clear evidence of the critical role Graywolf and other independent presses play in the otherwise increasingly homogenous publishing universe - a realization made all the more remarkable when contrasted against the simple charm of Graywolf's earliest days as a letterpress publisher, as described in an introductory historical essay by founder Scott Walker.

Anderson's Travel Companion Compiled by Sarah Anderson 2016-12-05 A selection of the best in travel writing, with both fiction and non-fiction presented together, this companion is for all those who like travelling, like to think about travelling, and who take an interest in their destination. It covers guidebooks as well as books about food, history, art and architecture, religion, outdoor activities, illustrated books, autobiographies, biographies and fiction and lists books both in and out of print. Anderson's Travel Companion is arranged first by continent, then alphabetically by country and then by subject, cross-referenced where necessary. There is a separate section for guidebooks and comprehensive indexes. Sarah Anderson founded the Travel Bookshop in 1979 and is also a journalist and writer on travel subjects. She is known by well-known travel writers such as Michael Palin and Colin Thubron. Michael Palin chose her bookshop as his favourite shop and Colin Thubron and Geoffrey Moorhouse, among others, made suggestions for titles to include in the Travel Companion.

Why Travel Matters Craig Storti 2018-04-17

When you travel, you have a choice: You can be a tourist and have a nice time, or you can be a traveler and change your life. Why Travel Matters is for those who want to change their lives. Why Travel Matters explores the profound life lessons that await anyone who wishes to learn what travel has to teach. With engaging prose, delightful wit and a distinctive style, Craig Storti infuses his own experiences traveling the world for 30-plus years with quotations, insights, reflections and commentary from famous travelers, great travel writers, historians and literary masters. Storti's vast knowledge of the literature makes him an expert curator of astute gems from the likes of St. Augustine, Mark Twain, Somerset Maugham, D. H. Lawrence, Bruce Chatwin, Aldous Huxley and more.

The Peace Corps Experience P. David Searles 2021-12-14 For more than 35 years, the Peace

Corps has pursued John F. Kennedy's vision of helping people of the Third World build a better life. Yet with the exception of a few celebrations of its early years, little effort has been made to document that organization's history. Now a former deputy director of the Peace Corps offers a first-hand look at life in the agency—both in the field and at headquarters—and a radical reinterpretation of its history during the Nixon and Ford administrations. By the end of the 1960s, the Peace Corps was in disarray. Debate raged over its effectiveness, and many new volunteers embraced the antiestablishment behavior of the day's youth. When President Nixon appointed Joseph Blatchford as director in 1969, some insiders felt the agency's days were numbered—especially when Blatchford set about re-evaluating the Peace Corps' mission and initiated a program called New Directions to reorient its work. Many observers simply lump Blatchford's efforts with the failures and faults of the Nixon administration. David Searles, however, contends that the new director's initiatives revitalized the Peace Corps and made it a more relevant organization. Searles faithfully relates the history of these policies and their implementation in the field, drawing on his personal experience as country director for the Peace Corps in the Philippines. He shows how, despite constant carping from veterans of the early Peace Corps and much furor at headquarters, New Directions reenergized the agency and renewed and reaffirmed the Peace Corps' mission. Searles's descriptions of political maneuverings are incisively observed, and his firsthand characterizations of Peace Corps life richly impart the joys and frustrations of volunteer work. The Peace Corps Experience will give historians a new perspective on the agency and will also interest anyone who has served in the Peace Corps or who wants to understand it.

The Wayfarer's Handbook Evan S. Rice 2017-04-25 An inventive and visually-appealing passport to the wide world of travel, The Wayfarer's Handbook doesn't tell readers to go anywhere, it shows them how to go everywhere. The Wayfarer's Handbook is a treasure trove of information about the art of travel that is specifically crafted for the modern adventurer. The book is an offbeat guide full of actionable advice, a worldwide exploration reference work,

an unconventional collection of world trivia, and an exciting resource of inspiration, all designed for use in a great global adventure. With a visual aesthetic inspired by the look of vintage field guides, The Wayfarer's Handbook is tailor-made for modern readers, providing the distilled essentials of hundreds of interesting topics, presented in a direct and precise but stylish way. This twist on traditional travel genres covers everything from the world's 27 most common travel scams and the fascinating history of hot air balloons to everyday gestures that are offensive in foreign cultures and how to avoid a hippopotamus attack. Sketches, infographics, small maps, and illustrative charts appear throughout, allowing readers to open to any page and discover fascinating new insights into the art of travel. Though The Wayfarer's Handbook is compact enough for the road, it is equally suited to be a gem in the library of anyone interested in exploration.

South American Explorer 1999

The Road Within James O'Reilly 2011-12-27 The Road Within is a book of transformation, of lessons learned, maps drawn and burned, and spiritual blessings bestowed by that great and hard teacher -- travel. Learn what mystics and saints have always known -- that wondrous things await people who are in touch with themselves, with the world, and with God. Authors featured in this very different kind of travel book include Annie Dillard, Huston Smith, Natalie Goldberg, Andrew Harvey, Barry Lopez, and Bill Buford.

The London Magazine 1991

The Saddest Pleasure Moritz Thomsen 2019-05 Abruptly expelled from his farm in Ecuador at the age of sixty-two, Moritz Thomsen indulges in that saddest of pleasures - travel - taking a trip to Brazil and ultimately a journey up the great Amazon River by boat. Assaulted by ghosts and memories at every turn, as his journey unfolds he re-examines his life to understand how he came to be living a life of self-imposed poverty and hardship. Outwardly he sails up the Amazon towards Manaus, giving us poignant and limpid descriptions of the river, yet inwardly a shattering romantic symphony rages, running from the depths of human misery to life's small but exquisite transcendent pleasures. He spares the reader nothing.
