*Stupid Sex 6c Counter* Ross Petras 1998-08-17  
*It's the Teacher, Stupid!* Pierson F. Melcher 2002  
Imagine, if you will, a group of doctors trained in 1850 seeing for the first time a modern operating room. They would, of course, be overwhelmed - and not just with the equipment! Even the process of diagnosing the patient's problem would be totally alien. We can probably all agree that change for the sake of change, whether in education or elsewhere, is not necessarily desirable. In fact, Melcher's logic frequently takes us back to some of the successful structures and patterns of education which have been abandoned in a decades-long, discouraging parade of failure: our attempts at curriculum reform, the introduction of more and more social programs, the growing dominance of athletics and the ever-less-demanding levels of academic achievement. In the course of these observations he makes us realize that without substantial qualitative changes in the structure of the school "system(s)" themselves, the general quality of public education will continue its descent to ever-lower levels of mediocrity. And nothing of this accelerating process, which has been characterized by others as "the dumbing down of America," is as critical as the ever-shrinking pool of high quality teachers. Always in short supply, the number of bright and well-educated young people who graduate from college and enter the teaching profession is shrinking rapidly. Mostly because teaching salaries have never kept pace with the economic

development in this country, a situation which in turn has been encouraged by the lack of professionalism projected by teacher unions, the young people who should be exercising their talents in the classroom are entering other businesses and professions where their efforts are more respected and better compensated. This is a book by a man who has worked with schools and school children for forty years, a man who appeals to our common sense to begin the painful process of necessary change.

**Sex Stupidity & Greed** Ian Grey 2001-01-01  
In *Sex, Stupidity, and Greed*, author Ian Grey probes the dark, sordid, stupid underside of the glamorous, glittering veneer of Hollywood. Packed with outrageous anecdotes, insider interviews, unbelievable stills and production sketches, this compulsively readable volume exposes the incredible scandals and lurid excesses at the heart of the film industry.

**"S" Is for Stupid** Leland Gregory 2010-10-01  
An A-to-Z treasury of dumb, disastrous, and hard-to-believe human behavior from the New York Times-bestselling author of *Stupid History!*  
\* A doctor's actual diagnostic notation: The patient is married but sexually active. \*  
"Shooting Reported at Firing Range" —The State, Columbia, South Carolina, August 4, 2006  
\* Arrested for public urination in Bowling Green, Ohio: Mr. Joshua Pees. —The Sentinel-Tribune, Bowling Green, Ohio, September 5, 2001  
From absurd 911 calls to presidential philosophizing and foolish felons, Leland Gregory generates the best laughs by exposing the worst of human

nature. This best-of collection features fifty percent new material and fifty percent fan favorites, arranged alphabetically by topic. And because the stories Gregory chronicles are just that unbelievable, each anecdote, quote, or factoid is presented with relevant background information, including its verified news source.

*Are Women That Stupid?* Keith Crawford 2014-11-06 Why most women keep doing the same things over and over again when it comes to men? Why don't they ever learn from their mistakes? Do they care that they are being lied to, disrespected and are treated like dirt and made a fool of? Or do that think it's normal to get their hearts broken over and over again? So the question to be answered is, are women really that stupid? And, if not why don't they learn something different and stop making the same dumb stupid mistakes with it comes to dating men? Well this book will help, that's if you want to be smarter than the men for a change! If not, keep doing what you're doing, it's been working this far hasn't it? I don't think so!! Not dealing with the truth won't help you to change what you are doing now would it?

**Intellectual Morons** Daniel J. Flynn 2004-09-21 Why do well-educated antiwar activists call the president of the United States "the new Hitler" and argue that the U.S. government orchestrated the September 11 attacks? Why does Al Gore believe that cars pose "a mortal threat to the security of every nation"? Why does the Princeton professor known as the father of the animal rights movement object to humans eating animals but not to humans having sex with them—and why does PETA defend that position? In other words, why do smart people fall for stupid ideas? The answer, Daniel J. Flynn reveals in *Intellectual Morons*, is ideology. Flynn, the author of *Why the Left Hates America*, shows how people can be so blinded to reality by the causes they serve that they espouse bizarre, sometimes ridiculous, and often dangerous positions. The most influential social movements have spawned ideologues who do not care whether an idea is good or bad, true or false, but only whether it can serve their cause. It is startling how many Americans—and particularly how many media, academic, and political elites—fall for bad ideas. The trouble is, their lies become institutionalized as truth, and

we all suffer as a result. In *Intellectual Morons*, Flynn reveals:

- How rabid anti-Americans simply parrot the delusional claims of a few gurus
- How the environmental movement, spawned by a "scientist" whose doomsday predictions are almost always wrong, has bred fanaticism, stupidity, and dishonesty
- How the hero of the animal rights crowd is a crank who promotes infanticide and euthanasia
- How a scientific fraud—and pervert—launched the sexual revolution
- How abortion rights activists ignore (or cover up) the fact that their matron saint advocated eugenics and concentration camps
- How our universities have become hothouses of leftist ideology
- How historians and journalists have airbrushed history to turn a racial separatist into a civil rights icon

Filled with jaw-dropping lapses in common sense from even our most celebrated opinion leaders, *Intellectual Morons* is a welcome reality check for the glaring excesses of today's political and cultural debates. "This is a sophisticated pile driver of a book, guiding us through the wiles of great luminaries of the netherworld. And such liveliness in the writing, and such erudition. I was quite fascinated by *Intellectual Morons*."—William F. Buckley, Jr. "Intellectual Morons is exceptionally aptly named. The thought of all that brainpower going down the intellectual drain is sad, but Daniel Flynn's description of it is hilariously on point. This is must reading."—G. Gordon Liddy "Intellectual Morons is a delight—a wonderful intellectual history of the past hundred years. Flynn ably describes the purveyors of the bad ideas that have undermined our free society."—Burton W. Folsom, Jr., professor of history, Hillsdale College "A famous bit of folk wisdom says, 'You've got to stand for something or you'll fall for anything.' Some of the crackpot notions now fashionable in academic circles, as here documented by Daniel Flynn, suggest that saying is an understatement. If you want to know how crazy, and scary, intellectual morons can get, you have to read this book."—M. Stanton Evans, author of *The Theme Is Freedom*, contributing editor to *Human Events*

*It's the Sex, Stupid!: Don't Let Trump & the GOP Sex-Scandal Us Again!* I. J. Weinstock

2016-09-05 Donald Trump threatens to use Bill Clinton's sex scandal against Hillary Clinton during the 2016 presidential election. If Trump loses, the GOP will attack HRC's presidency any way they can and we'll be hearing the name Monica Lewinsky again. Sooner or later, we'll be revisiting the national trauma of the late '90's when Republicans manipulated the country with a sex-scandal. Since the world continues to suffer the disastrous consequences to this day, we better learn from the past are we'll be doomed to repeat it. IT'S THE SEX, STUPID! reveals how politicians use sex scandals to manipulate, blackmail and ultimately screw the public. It also contains a sampling of the satiric 1998 "I Had Sex With Clinton, Too!" petition, which my wife and I organized to protest the sexual-political insanity that had overtaken the country and led to President Bill Clinton's impeachment. This historic petition is a rare and racy example of democracy in action. IT'S THE SEX, STUPID! is a prophylactic against sexually transmitted STDs--Sex-Scandal-induced Thought Distortions--and will help inoculate and immunize the body politic against the sex-scandalizing manipulations of Donald Trump and the GOP during this presidential election and beyond.

Unusually Stupid Celebrities Kathryn Petras 2009-04-22 The Greeks honored Zeus, the Romans revered Juno, but modern civilization worships a different sort of god: Celebrity. Face it, we follow the stars' every move, fashion choice, and deliciously dishy affairs. Now Kathryn Petras and Ross Petras, authors of Unusually Stupid Americans, pull the demanding divas, screwball stars, and celeb-tweets off their pedestals--and prove it doesn't take a degree in rocket science to become famous. Cases in point:

- Courtney Love misses an important court date relating to "possession of a controlled substance" because she can't find a professional bodyguard at the last minute.
- Mariah Carey's entourage includes a skirt-from-touching-floor specialist, a towel hand-off person, and a professional drink holder/lifter.
- Savvy traveler Paris Hilton concludes that all of Europe is, "like, French."
- Mensa candidate and rocker Tommy Lee is pretty sure that Winston Churchill was president during the Civil War, that the numeric equivalent of pi is "the two-equals-MC-squared thing," and that an isosceles triangle is "somewhere in Bermuda."

Feuds, faith, family, money, sex, tantrums, travel--no star-studded stone is left unturned. Filled with jaw-dropping anecdotes, quirky quotes, and special stupid-celebrity awards, Unusually Stupid Celebrities provides a red-faced glimpse of the red carpet.

**Women Are Crazy, Men Are Stupid** Howard J Morris 2009-09-15 THE REVEALiNG, RiP-ROARiNGLY FUNNY GUIDe TO MAKiNG EVERY RELATiONSHiP SMARTER, SANER, AND HAPPiER. Since the dawn of time, when the first smitten caveboy tried to woo the object of his affections by shoving her into the mud, men have demonstrated that when it comes to women, they are profoundly stupid. And when it comes to men, women -- no matter how intelligent or mature -- are completely crazy. Based on this simple yet groundbreaking insight, comedy writers and real-life couple Howard J. Morris and Jenny Lee have devised a relationship guide that is refreshingly honest,

completely hilarious, and surprisingly practical. Using their own crazy/stupid romance as an example of these forces in action, they set out to explain why women ask questions that they absolutely do not want answered -- and why men persist in answering them. What are men really thinking -- or crucially, not thinking? Why do women view even the most mundane events through an emotional prism? Why do guys suck at being romantic? And why does every conversation with a woman lead back to whether or not she's fat? Using wit, hard-earned wisdom, and a highly entertaining he said/she said format, the authors explore the surprising method to his dumbness and the valid reasons behind her insanity, while providing real solutions to perennial relationship problems. By teaching men how and why they're stupid around women and showing women how to "control the crazy" for everybody's sake, *Women Are Crazy, Men Are Stupid* helps couples to reach the place where giving isn't giving in, needing isn't needy, and where the sexes can break the dysfunctional patterns and find a way to live lovingly, happily ever after.

Stupid Movie Lines Kathryn Petras 2011-07-06  
The creme de la crud of screen history "War! War! That's all you think of, Dick Plantagenet! You burner! You pillager!" --Virginia Mayo as Lady Edith to George Sanders in *King Richard and the Crusaders* (1954) "Visits? That would indicate visitors." --Army captain learning of alien visits in *Plan 9 from Outer Space* (1959) "When I'm sitting here with you, I don't even think about the slime people." --Hero to heroine in *The Slime People* (1962) "Suck the coffin mushroom now." --The Ultimate Vampire (1991) "This is bad." --Leonardo DiCaprio as the you-know-what hits the you-know-what in *Titanic* (1997)

Sexpertise Robin Sawyer 2008-04-22 "Let's get one thing very clear -- there are no stupid questions in sex." Ever since Adam and Eve ate the forbidden fruit, people have been curious about sex: Do women really care about size? Is there any truth to the blue balls rumor? Could I get HIV from someone performing oral sex on me? Why do guys like to watch porn so much? In *Sexpertise*, Dr. Robin Sawyer, who teaches human sexuality at the University of Maryland, takes the most-asked questions about sex from

his enormously popular course and provides scientifically accurate yet honest, entertaining, and most of all, useful answers. From flirting and fetishes to staying power and STDs -- no topic is too embarrassing or off-limits to explore. Whether read cover to cover or as a go-to guide when particular questions arise, *Sexpertise* delivers all the knowledge you need to separate the truth about sex from its myths and urban legends, and in turn become a true sexpert. *Sex Makes People Stupid* Karen Kropf 2009-09-24 What you want is a LOVE THAT LASTS FOREVERRRR. What you keep getting is a BOOTY CALL, a HOOKUP or a SEX BUDDY. You have to change what you're doing if you want to get different results. EXCERPT FROM CHAPTER 12: BOYFRIEND BOOTCAMP Great relationships NEVER start like this: You catch his eye by wearing something revealing or tight-fitting, so he knows what you've got is worth going after. You find out what he's into. You initiate a date designed around something he likes. On that date, you flirt with him and get him revved up sexually. If you like where it's going, you either have oral sex or "safe" sex (taking the least amount of risk possible, but risk nonetheless.) You think this will make you unforgettable. You say things implying that you're not really looking for anything serious --- just in case he's afraid of commitment. And so he won't think you're desperate. You enthusiastically tell him you had a good time. Then you hope the sex was so great or your conversation was so witty that he'll be convinced he just can't live without you. In the fantasy, he calls you back --- within a day at the most. He organizes an elaborate romantic setting and spends the whole time hanging on your every word and looking longingly into your eyes. Within a month, he's talking about moving in together and getting married. [Author's Note: For males reading this: I swear this IS how women think!] But in the Real World, ladies, he's processed that same set of information very differently. For him, \* If you're wearing an outfit that shows off what you've got, he assumes you're advertising SEX. \* If you make the first move, you're showing him he can have sex without effort. \* If you plan a date around his interests, he concludes you have no interests of your own that he has to accommodate. \* If you

say you aren't looking for anything serious, he thinks you aren't looking for anything serious. \* If you have sex with him right away, he thinks your attitude toward sex is the same as a guy's. Some men are convinced there ARE women who just want sex. No relationship, just sex. When the sex comes early and easily, he assumes you must be one of those girls. This book is especially for Singles-even if you're "with someone." It's for anyone whose ever chosen a partner based on "sexual chemistry," and then wondered why things didn't work outside the bedroom! If you ever got into a relationship (or stayed in a bad one) just to have sex, this book is for YOU. It will challenge everything you thought about sex, love and relationships. Included in the book is some practical help for parents of teens, but even young people will learn there's a lot more to relationships than what's in the movies. Take a humorous look at the ineffective methods unmarrieds use to find their Perfect Fit, and the surprising steps that actually WORK.

**Stupid Sex** Ross Petras 2012-02-08 A mother, answering her phone, hears her daughter shrieking and screaming. Terrified, she calls the police who arrive at the daughter's house, batter down the door--and find the daughter, nude, in her bedroom having sex with her boyfriend. Apparently her toe hit the automatic dial button for her mother's number on the bedroom phone. A man, swimming in a Florida pool, sees the pool intake pipe and gets a unique idea. Hours later, after police, firemen, and EMT personnel are called, the man is taken to an area hospital--along with ten feet of pipe attached to a very swollen part of his anatomy. A newly married couple in Turin set up a video camera in their bedroom to tape all of their honeymoon activities. But somehow certain crucial wires got crossed. While they were enjoying their honeymoon sex, so was everyone else in their apartment building: the couple had accidentally connected their camera to the building's cable television system. In the national bestseller *The 776 Stupidest Things Ever Said* Ross and Kathryn Petras immortalized idiotic utterances by public figures and average citizens alike. *The 176 Stupidest Things Ever Done* chronicled

fiascoes, senseless stunts, and utterly asinine activities from around the globe. Now, *Stupid Sex* takes on the subject that no one can resist. It's about people who get caught in the act . . . and about people who get caught in the trash disposal. *Stupid Sex* tells two hundred true stories of extremely dumb (and very funny) sex acts arranged under headings ranging from *Airplane Sex* to *Zoo Bathroom Sex*.

**Sex, Stupidity and Greed** Ian Grey 1997 Inside the American movie industry Journey into the dark, sordid and stupid underside of Hollywood with this compulsively readable, wry and humorous book. Featuring interviews with Directors Wes Craven, John Waters, Ulli Lommel. Essential reading for anyone who wonders about the chilling downward spiral of big budget filmmaking in the last decade.

**Unusually Stupid Americans** Kathryn Petras 2007-12-18 A hilarious collection of lists, statistics, news items, quotations, and facts detailing stupid acts of Americans from all walks of life--by the authors of the bestselling *The 776 Stupidest Things Ever Said* Everyone knows that America is "the land of the free and the home of the brave," but sometimes that means we're free to be as bravely stupid as we want! In *Unusually Stupid Americans*, Kathryn Petras and Ross Petras assemble choice bits of stupidity, U.S.A.-style, including •the top seriously flawed American advertising moments, including Pacific Airlines' brilliant "You're scared of flying? So's our pilot!" ad campaign, which led the airline to bankruptcy within two months of the campaign's inception •the Martin Luther King, Jr., celebration in Florida, where a plaque was unveiled that was intended to honor the actor James Earl Jones but instead read, "Thank you James Earl Ray for keeping the dream alive" (an unfortunate slip-up, as James Earl Ray was King's assassin) •and much more!

**Stupid Sex** Ross Petras 1998 A collection of funny incidents which have occurred when couples are sharing their most intimate moments together. It provides evidence that sex isn't always as perfect as it is in the movies.

**Why Women Have Sex** Cindy M. Meston  
2009-09-29 An unparalleled exploration of the mysteries underlying women's sexuality that rivals the culture-shifting Kinsey Report, from two of America's leading research psychologists Do women have sex simply to reproduce or display their affection? When University of Texas at Austin clinical psychologist Cindy M. Meston and evolutionary psychologist David M. Buss joined forces to investigate the underlying sexual motivations of women, what they found astonished them. Through the voices of real women, Meston and Buss reveal the motivations that guide women's sexual decisions and explain the deep-seated psychology and biology that often unwittingly drive women's desires—sometimes in pursuit of health or pleasure, or sometimes for darker, disturbing reasons that a woman may not fully recognize. Drawing on more than a thousand intensive interviews conducted solely for the book, as well as their pioneering research on physiological response and evolutionary emotions, *Why Women Have Sex* uncovers an amazingly complex and nuanced portrait of female sexuality. They delve into the use of sex as a defensive tactic against a mate's infidelity (protection), as a ploy to boost self-confidence (status), as a barter for gifts or household chores (resource acquisition), or as a cure for a migraine headache (medication). *Why Women Have Sex* stands as the richest and deepest psychological understanding of female sexuality yet achieved and promises to inform every woman's (and her partner's) awareness of her relationship to sex and her sexuality.

**Fifty Shades of Dumb** Leland Gregory  
2013-09-01 Sex. It's something that's on everyone's mind. But the minds that thought of the weird, strange, and stupid sex acts that are reported in *Fifty Shades of Dumb: True Stories of Strange and Screw Sex* are a breed of their own—and unfortunately some of them try to breed on their own.

**Ten Stupid Things Men Do to Mess Up Their**

Lives Laura Schlessinger 2002-12-03 For every woman who wants to know what her man is thinking. Internationally syndicated radio superhost and columnist, controversial psychotherapist, and author of the break-out New York Times bestsellers *How Could You Do That?!* and *Ten Stupid Things Women Do to Mess Up Their Lives*, Dr. Laura Schlessinger is back with *Ten Stupid Things Men Do to Mess Up Their Lives*. In ten vital, compelling chapters, Dr. Laura speaks her mind on: **Stupid Chivalry** By getting involved with the wrong woman (weak, flaky, damaged, needy, desperate, stupid, untrustworthy, immature, etc.) you think that your love will save/transform her. **Stupid Independence** Unwilling to admit "need" for bonding and intimacy, you hide in excesses of work, play, drink, drugs, porn, and meaningless sex. **Stupid Ambition** Unable to comfortably and proudly accept your inherent importance to society and family as husband and father, you bow to the false idols of money, toys, power, and status. **Stupid Strength** Uncomfortable with feeling weak, vulnerable, useless, powerless, or rejected, you use intimidation, force, or passive-aggressiveness to regain control. **Stupid Sex** Taking an attraction, opportunity, or erection as a "sign," you measure your masculinity and power by sexual conquests, infidelities, and orgasms. **Stupid Matrimony** Lacking a mature sense of the purpose, meaning, or value of marriage, you realize too late you've gone down the aisle with the wrong woman for the wrong reasons and feel helpless to "fix it." **Stupid Husbanding** Thinking that marriage is the honorable discharge from loving courtship, you continue to live as though you were single and your "mommy-wife" will take care of everything else. **Stupid Parenting** Believing that only women/mothers nurture children, you withdraw from hands-on parenting to assert your masculine importance, missing out on the true "soul food" of a child's hug. **Stupid Boyishness** Having not yet worked out a comfortable emotional and social understanding with your mother, you form relationships with women that become geared to avenge, resolve, or protect you from your ties to Mommy. **Stupid Machismo** Understanding the true and meaningful difference between being male and a man, you can become a man.

**Crazy Stupid Sex** Barbara Keesling Ph D  
2018-08-07 SAFE SEX...it's not just about using contraception and preventing sexually transmitted infections. In *Crazy Stupid Sex*, Dr. Barbara Keesling draws on her decades of experience teaching Human Sexuality to discuss the potential perils of many common sexual behaviors. Some of the case studies described in *Crazy Stupid Sex* are funny, some are embarrassing, some are horrifying, and some are tragic. The book includes sex education material as well as humorous personal anecdotes, historical facts, a cross-cultural perspective on sexual diversity, and a focus on emotional safety. Thinking about having sex? Read this first. You don't have to trade pleasure for safety—you just need to know how to reduce your risks. Have fun, but be careful out there

*The Sex Quotient* Jamie Soprato 2006-07-01  
Subject/victim: Griffin Reed Theory: Sensual pleasure makes people stupid. Stupid people don't get promotions. Therefore must have sex with Griffin to keep competitive edge...  
Procedure: Lots of satisfaction for Griffin. Contain self in order to keep brainpower optimal. Macy Thomaston has just learned the most important scientific discovery ever — intense sexual pleasure leads to a temporary dip in IQ. Surely there's a way to leverage this against Griffin Reed, her palm-sweatingly hot coworker...and the thorn in her professional side. Macy just needs to blow Griffin's mind — literally — and get her promotion without a single teeny release for herself. And she's really hoping Griffin is lousy in bed.... Otherwise this whole experiment could completely backfire!

*The Stupider Sex* Elizabeth Ratface and Roland Ratface 2014-09-25 Which sex is stupider? This volume seeks to answer this question, using heavy doses of humor and a multitude of examples. Written by Liz and her husband Roland in order to give both sides of the story, chapters explore the myths of women who cannot operate simple devices, men who bungle simple shopping tasks, women drivers, and men who are clueless about relationships.

*Don'T Buy This Book If You Are Stupid, Because It'S Probably About You* Edward J. Rydz  
2017-01-13 I know you think I am just joking about the title of the book, but I am not. People do the oddest things, and I just feel that it is

about time that you humans get pulled up on some of these things. If your ego is fragile, don't read this book. Have someone read it to you.

*A Sexy Romance: Learn About Sexual Dominance* 2022-07-22 The book recounts the narrative of sentiment between a lady with a few desire propensities and a man for certain dull inclinations. Charlotte Bell is a regular yoga instructor. She's well disposed, sincere, and has a few somewhat masochistic inclinations. After a difficult, not entirely set in stone to address her long-kept wrinkles with the sort from getting the man she's forever been too panicked to even consider drawing closer. Charlie's companions select James Hunter, a male model turned suit who has a few dull tendencies of his own. After an 'opportunity' experience at a party, James consents to school Charlie on the crueler side of sex. He knows she's excessively veritable, excessively kind, too everything for a person like him however he won't turn down the opportunity to break into an idealistic compliant like her. As Charlie and James endeavor a sans strings sexual relationship they're frightened to find an association that runs further than both of them might have anticipated.

**Sex, Crime, Drugs, and Just Plain Stupid Behaviors** Christopher Salvatore 2018-02-13  
*Sex, Crime, Drugs, and Just Plain Stupid Behaviors: The New Face of Young Adulthood in America* is written for students, parents, and practitioners to provide insight into how emerging adulthood impacts the lives and behaviors of young people. Salvatore provides an insightful examination of the evolution of emerging adulthood as a distinct stage of the life course, bridging the gap between macro-level social forces and micro-level life experiences and behavior. Chapters discuss the influence of social institutions such as marriage, the family, religion, and parenting on behavior during emerging adulthood. Exploration and sensation-seeking are examined in relation to the behaviors and identity of emerging adults alongside issues such as criminal offending, substance use, and other risky/dangerous behaviors. Finally, the book concludes with informed policy recommendations for social institutions such as educational establishments and the criminal justice system on how to work with emerging adults.

*I Love You, Stupid!* Harry Mazer 2015-05-05 Can Marcus be friends with a girl without thinking about sex all the time? Marcus Rosenbloom wants to be a writer almost as much as he doesn't want to be a virgin anymore. At seventeen years old, Marcus thinks, shouldn't he have done it already? Crossed over to the other side, where everyone is different, more adult, more . . . experienced? His friend Alec is smooth and charming around girls; Marcus definitely can't talk to him about his doubts. The only person he confides in is Wendy, a childhood friend who just moved back to Sherwood High to finish her senior year. Marcus and Wendy share their crushes, their disappointments, and their nervousness about dating and sex. Then Marcus has an idea: If he and Wendy share the same problem, maybe they can share a solution, too . . . or maybe it's all much more complicated than he ever imagined.

*Tell Me about Sex, Grandma* Anastasia Higginbotham 2021-09-07 Patiently forthcoming with lessons your parents redacted, this book about sex for kids starts a necessary conversation that stresses consent, sex positivity, and the right to be curious about your body. The dialogue focuses on the dynamics of sex, rather than the mechanics, as Grandma reminds readers that sex is not marriage or reproduction, and doesn't look the same for everyone. Instead, each person's sexuality is their very own to discover, explore, and share if they choose. A refreshing, positive response to a child's questions about sex. . . . Above all, the author emphasizes that people have the right to make their own choices about sex, now and always. --SCHOOL LIBRARY JOURNAL I love that it's Grandma giving advice. Some Native Americans say the very young and the very old understand each other best, because each is closest to the unknown. --GLORIA STEINEM, feminist and author of *My Life on the Road* *Novels, Tales and Sketches of J.M. Barrie: When a man's single* 1901
