The Patron Saint of Second Chances Christine Simon 2022-04-12 The self-appointed mayor of a tiny Italian village is determined to save his hometown no matter the cost in this "charming farce that highlights the triumph of hope and community" (People). Vacuum repairman and self-appointed mayor of Prometto, Italy (population 212) Signor Speranza has a problem: unless he can come up with 70,000 euros to fix the town's pipes, the water commission will shut off the water to the village and all the residents will be forced to disperse. In a desperate bid to boost tourism—and revenue—he spreads a harmless rumor that movie star Dante Rinaldi will be filming his next project nearby. Unfortunately, the plan works a little too well, and soon everyone wants to be a part of the fictional film—the village butcher will throw in some money if Speranza can find roles for his

fifteen enormous sons, Speranza's wistfully adrift daughter reveals an unexpected interest in stage makeup, and his hapless assistant Smilzo volunteers a screenplay that's not so secretly based on his undying love for the film's leading lady. To his surprise—and considerable consternation, Speranza realizes that the only way to keep up the ruse is to make the movie for real. As the entire town becomes involved (even the village priest invests!), Signor Speranza starts to think he might be able to pull this off. But what happens when Dante Rinaldi doesn't show up? Or worse, what if he does? A "warmhearted, original gem of a novel" (Amy Poepel, author of *Musical Chairs*), *The Patron Saint of Second Chances* is perfect for fans of Fredrik Backman and Maria Semple.

The Saint to the Rescue Leslie Charteris 1961
Simon Templar doesn't mean to start trouble, but how can he help responding to it when it falls into his lap? There's the murky tale of blackmail at a candy convention; a chance to turn the tables on an unscrupulous real-estate broker; a confidence trickster with a keen grasp of maths; a scientific invention that is too good to be true; some respectable ladies with a secret to be kept; and a criminal lawyer who's perhaps too close to the criminals he represents.

The dead man's door was locked, and Simon concludes there's a murder to be answered for, despite the coroner ruling otherwise. He launches his own investigation - getting engaged along the way - and soon gets caught up with generals, financiers, and an assassination plot designed to start a war. Published on the verge of war in 1938, *The Saint Plays with Fire* is a

striking condemnation of nationalism and the prejudices that both Charteris and the Saint despised.

Guided Conversations 1 / Konvesasyon Gide

1 Steven A. Jameson 2011-08-15 GC1: Rescued and Restored - Revised Translation We are not lost forever. We were not left on our own. We have a Rescuer Who will restore us to right relationships. Guided Conversations 1: The Story of How God Rescues and Restores His People will help local Haitian leaders and missionaries present God's plan for rescue and restoration. Its teachings are useful for both evangelism and discipleship. Guided Conversations 1 is interlinear, in Creole and English. Team written by a group of Haitian and Anglo church leaders, the text emphasizes the use of ORAL TEACHING STYLES. The book is intended to teach shepherd leaders, who then use oral presentations of this material to take people through a series of questions, discussions and readings to a point of decision. Will we benefit from the Grace of God? Will we embrace the blessing of rescue and restoration offered by God? Or will we choose instead to remain trapped in our sins? Created to be with God but separated from Him by our own sin, we now struggle to restore that lost relationship. But the efforts of humans are not adequate to the task. We are dead in our sins. All our self-directed efforts are fruitless. We cannot raise ourselves from death. Are we therefore lost forever? Have we been left on our own to fight a hopeless battle against overwhelming forces of darkness? Are we doomed to despair? NO. We have a magnificent hope: Thanks be to God Himself, we can share in the victory of Jesus Christ. We can be at peace in our neighborhoods, in our homes and in our hearts. By understanding better the character of God, we can hope for better tomorrows. When we grasp how wide and deep is the love God has for His people and His creation, we can trust Him to carry us through our troubles. Guided Conversations 1 has three parts. First, a section focused on the proper use of oral teaching techniques. Second, a series of seven lessons starting with our need for God, then helping us understand His plan for rescue and restoration, and finally leading us to the point of decision. Third is a presentation of the Bible verses cited in the text. May God bless you in your ministries

with Haitians! Also available in electronic and audio formats.

Rescue for the Dead Jeffrey A. Trumbower 2001-09-27 Christianity is a religion of salvation in which believers have always anticipated post-mortem bliss for the faithful and non-salvation for others. Here, Trumbower examines how and why death came to be perceived as such a firm boundary of salvation. Analyzing exceptions to this principle from ancient Christianity, he finds that the principle itself was slow to develop and not universally accepted in the Christian movement's first four hundred years. In fact, only in the West was this principle definitively articulated, due in large part to the work and influence of Augustine.

Saints at the River Ron Rash 2007-04-01 A major new Southern voice emerges in this novel about a town divided by the aftermath of a tragic accident--and the woman caught in the middle. When a twelve-year-old girl drowns in the Tamassee River and her body is trapped in a deep eddy, the people of the small South

Carolina town that bears the river's name are thrown into the national spotlight. The girl's parents want to attempt a rescue of the body; environmentalists are convinced the rescue operation will cause permanent damage to the river and set a dangerous precedent. Torn between the two sides is Maggie Glenn, a twenty-eight-year-old newspaper photographer who grew up in the town and has been sent to document the incident. Since leaving home almost ten years ago, Maggie has done her best to avoid her father, but now, as the town's conflict opens old wounds, she finds herself revisiting the past she's fought so hard to leave behind. Meanwhile, the reporter who's accompanied her to cover the story turns out to have a painful past of his own, and one that might stand in the way of their romance. Drawing on the same lyrical prose and strong sense of place that distinguished his award-winning first novel, *One Foot in Eden*, Ron Rash has written a book about the deepest human themes: the love of the land, the hold of the dead on the living, and the need to dive beneath the surface to arrive at a deeper truth. *Saints at the River* confirms the arrival of one of today's most gifted storytellers.
