I Am Half-Sick of Shadows Alan Bradley 2011-11-01 What better Christmas surprise for detective-in-training Flavia de Luce than a dreadful murder under Buckshaw's roof - and a snowbound house full of suspects! It's Christmas time, and our beloved Flavia is tucked away in her laboratory whipping up a sticky concoction to trap that infamous sneak, Saint Nick, and thereby prove once and for all - despite the claims of her evil sisters - that he does exist. But she is soon distracted from her task: Colonel de Luce, in desperate need of funds, has rented the family's crumbling manor house to a film company for the holidays. When its crew arrives from London to shoot a movie starring the reclusive and renowned actress, Phyllis Wyvern, there's no end to the disruptions - and dramas - demanding Flavia's attention. When Wyvern is convinced to perform a famous scene to help raise funds for the local church, it is decided that Buckshaw Manor is the only suitable location. Its foyer alone is bigger than the parish hall, and could fit every man, woman, and child in Bishop's Lacey, to a soul. It's almost Christmas Eve, but - to no one's surprise - all of the village inhabitants fight their way through a raging snowstorm to be in the audience that magical night. As the actors take to the stage, however, the blizzard sets in, and it becomes clear that the villagers will have to hunker down at Buckshaw for the night. Sleeping head to toe in the de Luces' foyer seems amenable to most, until word spreads of the evening's shocking conclusion - Phyllis Wyvern is found strangled to death in the Blue Bedroom, with a length of film from one of her movies tied in an elaborate bow around her neck. But who among the assembled guests would stage such a chilling scene? As the storm worsens and the list of suspects grows, Flavia must use every ounce of her chemical cleverness and crime-solving prowess to ferret out a killer hidden in plain sight. But when she does piece the puzzle together and deduce who has committed this twisted crime, will Flavia be able to escape in one piece?

The Curious Case of the Copper Corpse Alan Bradley 2015-02-26 A special eBook original short story, in which the eleven-year-old connoisseur of chemistry is immersed in her element: solving a mystery! Murder! the letter says, Come at once. Anson House, Greyminster, Staircase No. 3. How can Flavia de Luce resist such an urgent plea? After all, examining a dead body sounds like a perfectly splendid way to spend a Sunday. So Flavia hops upon her trusted bicycle, Gladys, whose rubber tires hiss happily along the rainy road, and arrives at her father's mist-shrouded old school. There, a terrified boy leads her to the loo where, sitting in a bathtub, is what appears to be a statue. But, no: To Flavia's surprise, the thing is in fact a naked dead man. Save his face, he seems to have been carved out of copper. Never one to shy away from the macabre, Flavia gets to work—only to find that when an investigation begins with a metallic cadaver, ever more curious twists are to be expected.

Matilda Bone Karen Cushman 2000-10-16 Into the fascinating, pungent setting of Blood and Bone Alley, home of leech, barber-surgeon, and apothecary, comes Matilda, raised by a priest to disdain worldly affairs and focus on spiritual matters. To Matilda's dismay, her work will not involve Latin or writing, but practical tasks: lighting the fire, going to market, mixing plasters and poultices, and helping Peg treat patients. She is appalled by the worldliness of her new surroundings, and the sharp-tongued saints she turns to for advice are no help at all. Filled with the witty dialogue and richly authentic detail that Karen Cushman's work is known for, Matilda Bone is a compelling comic novel about a girl who learns to see herself and others clearly, to laugh, and to live contentedly in this world. Author's note.

But then some nasty characters bring their Family feud into my friend's pawn shop, and I have to make a call—get involved, or watch a cute guy die because I didn't. I guess I made the wrong choice, because now I'm stuck putting everything on the line for Devon Sinclair.
