In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

THE AMERICAN WESTERN NOVEL JAMES K. FOLSOM 1966

The Westerners Brand Book Westerners. Chicago Corral 1957

The Cowboy Encyclopedia Richard W. Slatta 1996 Over 450 entries provide information on cowboy history, culture, and myth of both North and South America.

Books in Print 1982

The Western in the Global Literary Imagination 2022-11-21 This groundbreaking collection of essays shows how the American Western has been reimagined in different national contexts, producing fictions that interrogate, reframe, and remix the genre in unexpectedly critical ways.

Six-Guns and Saddle Leather Ramon Frederick Adams 1998-02-25

Authoritative guide to everything in print about lawmen and the lawless—from Billy the Kid to the painted ladies of frontier cow towns. Nearly 2,500 entries, taken from newspapers, court records, and more.

New Mexico Quarterly Review 1958

Fifty Western Writers Fred Erisman 1982 "Every Western buff and scholar ought to have a copy of *Fifty Western Writers* on the bookshelf." *Journal of the West*

Comparing Cowboys and Frontiers Richard W. Slatta 1997 Historians of the American West, perhaps inspired by NAFTA and Internet

communication, are expanding their intellectual horizons across borders north and south. This collection of essays functions as a how-to guide to comparative frontier research in the Americas. Frontier specialist Richard W. Slatta presents topics, techniques, and methods that will intrigue social science professionals and western history buffs alike as he explores the frontiers of North and South America from Spanish colonial days into the twentieth century. The always popular cowboy is joined by the fascinating gaucho, llanero, vaquero, and charro as Slatta compares their work techniques, roundups, songs, tack, lingo, equestrian culture, and vices. We visit saloons and pulperias as well as plains and pampas, and Slatta expertly compares clothing, weather, terrain, diets, alcoholic beverages, card games, and military tactics. From primary records we learn how Europeans, Native Americans, and African Americans became the ranch hands, cowmen, and buckaroos of the Americas, and why their dependence on the ranch cattle industry kept them bachelors and landless peons.

Western American Literature Richard W. Etulain 1972

Short Story Index Dorothy Elizabeth Cook 1960

Western Voices Colorado Historical Society 2004 Ever since the region's first inhabitants chiseled petroglyphs and scratched pictographs on canyon walls, westerners have celebrated and recovered their history. Foremost among Colorado institutions to collect, preserve, exhibit, and

publish has been the 125-year-old Colorado Historical Society. The Colorado Historical Society is home to a mother lode of the West's literary legends. This commemorative collection of the best of the best in Colorado writing includes noted essayists and writers such as Louis L'Amour, Wallace Stegner, Patricia Nelson Limerick, Thomas J. Noel, and many, many more. Book jacket.

Rhodes reader Eugene Manlove Rhodes 1957 Fifteen of Rhodes' tales of the old West. Introduction examines the field of Western literature and Rhodes' contribution.

Ernest Haycox and the Western Richard W. Etulain 2017-09-14 Western fans today may not recognize the name Ernest Haycox (1899-1950), but they know his work. John Ford turned one of his stories into the iconic film Stagecoach, and the whole Western literary genre still follows conventions that Haycox deftly mastered and reshaped. In this new book about Haycox's literary career, Richard W. Etulain tells the engrossing story of his rise through the ranks of popular magazine and serial fiction to become one of the Western's most successful creators. After graduating from the University of Oregon in 1923 with a degree in journalism, Haycox began his quest to break into New York's pulp magazine scene, submitting dozens of stories before he began to make a living from his writing. By the end of the 1920s he had become a top writer for Western Story, Short Stories, and Adventure, among other popular weeklies and monthlies. Ernest Haycox and the Western traces Haycox's path from rank beginner, to crack pulp writer, to regular contributor to Collier's and the Saturday Evening Post. Etulain shows how Haycox experimented with techniques to deepen and broaden his

Westerns, creating more introspective protagonists (Hamlet heroes), introducing new types of heroines (the brunette vixen, the blonde Puritan), and weaving greater historical realism into his plots. After reaching the height of success with his best-selling Custer novel, Bugles in the Afternoon (1944), Haycox moved away from the financially rewarding but artistically constricting Western formula—only to achieve his final coup with *The Earthbreakers*, a historical novel about the end of the Oregon Trail, published posthumously in 1952. Reconstructing the career of a popular literary giant, Ernest Haycox and the Western restores Haycox to his rightful place in the history of Western literature. The Rhodes Reader : Stories of Virgins, Villains, and Varmits Eugene Manlove Rhodes 1957

A Variable Harvest Jon Tuska 1990

The Bronco Bill Gang Karen Holliday Tanner 2012-09-14 The short, bloody career of "Bronco Bill" Walters and his gang captures the devil-may-care violence of the Wild West. In this detailed narrative of the gang's crime spree in territorial New Mexico and Arizona, two experts in outlaw history offer a gunshot-by-gunshot account of how some especially dangerous outlaws plied their trade in 1898. William Walters reached New Mexico Territory from Texas in the late 1880s and quickly gained a reputation for his ability to sit a horse and for his violent ways. *The Bronco Bill Gang* skillfully dissects his propensity for trouble and shows how he soon found himself in the territorial penitentiary. In the spring of 1898, after a sojourn stealing horses in Arizona, Walters and four apprentice outlaws turned to armed robbery, holding up passenger trains on the Santa Fe Railroad in Grants and Belén, New Mexico. By the time a Wells Fargo posse captured Bronco Bill, two of the outlaws, two deputies, and a Navajo tracker had been killed in gunfights. Anyone with a taste for western history or an interest in New Mexico and Arizona in the bad old days will find this book irresistible. The authors' attention to the ways Bill and his men fell into a life of crime shows us the real West, where cowboys and gunmen could wind up on either side of the law. *The Bronco Bill Gang* is the first book to explore this fabled band of outlaws who crisscrossed the American Southwest.

The Lore of New Mexico Marta Weigle 2003 This award-winning text on New Mexico folklore traditions is now available in a shorter edition.

The Western Story Jon Tuska 1999-11-01 The Western Story: A Chronological Treasury consists of twenty Western stories spanning the years 1892 to 1994. For that generation of American writers who saw the frontier in the last century—including Mark Twain, Bret Harte, and Owen Wister—it seemed exotic, strange, wonderful. Others, such as Frederic Remington and John G. Neihardt, reflected the clash between various Indian nations and pioneers. These authors prepared the way for the founders of the first Golden Age of the Western story: Willa Cather, who wrote of pioneer life in Nebraska; Zane Grey, who combined wilderness experiences with romance and the search for spiritual truth; B. M. Bower, who portrayed the cowboys and frontier women she knew growing up in Montana; Max Brand, who created dramas in which the psychological and spiritual meaning of life was more important than the physical terrain; and Ernest Haycox, who combined character and drama with historical accuracy. ø Another generation of writers perpetuated this first Golden Age: Peter Dawson and T. T. Flynn, who began writing Western stories in the 1930s; Walter Van Tilburg Clark, who created a masterpiece in *The Ox-Bow Incident*; Dorothy M. Johnson and Les Savage Jr., who experimented with making the Western story still more realistic; and Louis L'Amour, whose visibility and popularity won legions of new readers to the genre. ø Humanity, depth, and verisimilitude were already part of the Western story when Will Henry, Elmer Kelton, and T. V. Olsen came on the scene to intensify these qualities in their own stories even as they experimented with new perspectives. And Cynthia Haseloff's story (written especially for this collection), with its symbolism and its simplicity, may be the harbinger of a second Golden Age.

A Bibliographical Guide to the Study of Western American Literature

Richard W. Etulain 1982 The recentness of most listings in this bibliography illustrates the growing interest in western literature in the last decades.

Making a Hand Michael R. Grauer 2019-10-14 Winner, 2021 National Cowboy and Western Heritage Museum Western Heritage Award, Art/Photography Book (*The Wrangler*) Sometime in 1947, a letter arrived in the mailbox of Harold Dow Bugbee, already a well-known and highly sought illustrator for western pulp magazines and other publications. "Sir," it began, "I have seen several of your pictures in the Cattleman. Sure like them and I am writing you to ask if you have all of your pictures in a book—if you do—we want to buy one." "After seventy years of waiting," writes Michael R. Grauer in this colorful survey of Bugbee's life and career, "here is such a book." Bugbee and his family arrived in Clarendon, Texas, in 1914, from Massachusetts. He helped his father with the 1,000-acre family ranch and eventually attended the Agricultural and Mechanical College of Texas, where he studied architectural drawing. Subsequently, he enrolled at the Cumming School of Art in Des Moines, Iowa, but left after two years when the founder of the school told the young Texan that he had learned all the school had to offer. Bugbee avidly absorbed cowboy scenes and the lifestyle that birthed them. He filled canvases with colorful, authentic images that capture the spirit of the American West of the early to mid-1900s, especially in and near his beloved Texas Panhandle. By the 1930s, Bugbee was providing pen-and-ink sketches for magazines such as *Ranch Romances*, *Western Stories*, *Country Gentleman*, and *Field and Stream*. This richly illustrated overview of the man and his art provides a valuable and entertaining resource for collectors and students of western and Texas art.
