*Key Indicators for Asia and the Pacific 2020* Asian Development Bank 2020-09-01 The Key Indicators for Asia and the Pacific 2020, the 51st edition of this series, includes the latest available economic, financial, social, and environmental indicators for the 49 regional members of the Asian Development Bank. It presents the latest key statistics on development issues concerning the economies of Asia and the Pacific to a wide audience, including policy makers, development practitioners, government officials, researchers, students, and the general public. Part I of this issue presents the current status of economies of Asia and the Pacific with respect to the Sustainable Development Goals based on selected indicators from the global indicator framework. Part II comprises statistical indicators that capture economic, financial, social, and environmental developments. Part III presents key statistics and stylized facts on the phenomenon of global value chains.

*Key Indicators for Asia and the Pacific 2022* Asian Development Bank 2022-08-01 The publication covers the 49 regional members of ADB. It discusses trends in development progress and the challenges to achieving inclusive and sustainable economic growth across Asia and the Pacific. This 53rd edition finds that the COVID-19 pandemic has set back the fight against poverty in the region by at least 2 years. Drawing on data simulations, it concludes that people with less social mobility may experience longer-lasting difficulties in escaping poverty. Key Indicators for Asia and the Pacific 2022 includes a special chapter on how data

resilience can be achieved in the wake of pandemic disruptions to the operations of national statistical systems. The publication is complemented by a special supplement, Mapping the Public Voice for Development: Natural Language Processing of Social Media Text Data, which explores how social media text data can be harnessed to help policymakers understand the opinions, ideas, and expectations of the public.
