Grooming To Win, Spiral-Bound Susan E. Harris 2008-02-26 This is the definitive book on grooming your horse to catch the judge's eye. It features over 400 detailed drawings illustrating every aspect of grooming. Completely updated, it details current practices and requirements and covers conditioning, daily care, tools and supplies, and grooming for shows. New chapters discuss blanketing, newly popular breeds, and the latest show ring clothing styles. A must-have reference, it covers all disciplines and includes trimming styles by type and event as well as by breed.

Riding to Win Bonnie Bryant 2014-09-30 The Pine Hollow riders discover what winning—and losing—is all about The countdown is on for the annual Colesford Horse Show. Carole and Stevie are among the five riders chosen by owner Max to represent Pine Hollow Stables. Carole is sure she and her beloved horse Samson can win at this year's competition, while Stevie would be satisfied with just a simple ribbon. But, come to think of it, a blue ribbon would be nice . . . Meanwhile, Lisa is facing bigger challenges. She has accepted a spot at Northern Virginia University, which happens to be just forty miles away from her friends and boyfriend. But with her horse Prancer pregnant and her mom getting a divorce, college doesn't feel so important.

Ride Like Potato Potato Richardson 2015-11-26 Attention; The profits from the sale of this book will be used to build a Bronze Life size statue of Wendell Robie the man who started the Tevis Cup ride in 1955. Potato Richardson has won the Tevis 100 Mile One Day Horse Race that starts near Lake Tahoe and finishes in Auburn, California. The route travels over the Sierra Nevada Mountains using the trails of the early gold and silver miners. In his 40 plus years of involvement in the sport of endurance and trail riding Potato has won the Tevis Cup three times and finished nine times in the top ten out of thirty one attempts and twenty two finishes. Let him share his experience with you on the trails as well as in competitions. The funds needed to start the project is \$35,000 USD. There will be limited editions of the statue available and offered first to the buyers of the book. The statue will be built by world famous Doug Van Howd. <http://douglasvanhowd.com/about-the-artist>

Mountain Bike Like a Champion Ned Overend 1999-08-27 Master the techniques of America's greatest rider with Mountain Bike Like a Champion. * Glide over rocks, logs, and ledges * Attack steep climbs and rapid descents * Carve through curves and turns * Train smart, then ride to win Improve your performance with these tips, techniques, and off-

road tales from mountain biking legend Ned Overend. "At the 1990 world championships in Durango, Colorado, Thomas Frischknecht and I were locked in a dogfight.... At the start of the fourth and final lap was a pitch of rocky, loose trail that went straight up the face of a ski run.... My Swiss rival had been dismounting and running this climb while I stayed on my bike. On previous laps, I'd opened a little gap, so I knew this would be my chance. I attacked when Thomas got off again. He never caught me.... To ride that steep trail, I had to use five climbing techniques. There's no reason why you can't make them part of your arsenal, too."

Inside the Peloton Graeme Fife 2011-05-20 Racing cyclists all ride the same frail machine and all are equal before the demands of the road. But what is it that makes a winner? What special attributes do winners need to give them that extra edge? To find out, Fife analyses and illustrates the moral strength, intelligence, racing nous, cunning, tactical acumen and superior mental resilience of the champion racing cyclist. Drawing on exclusive interviews and personal acquaintance with some of the best riders to have raced on the continent, as well as mechanics and team-support crew, Inside the Peloton is a vivid portrait of the complex character of cycle racing. It is an unparalleled, in-depth study of ambition, the rage to win, the capacity to recover from defeat, the

harrowing misery of lost morale and the hard initiation faced by every newcomer - however talented - to the unforgiving demands of professional competition. Provocative and rich in insight, this book is a very personal account by Fife. Read it to discover: What made Merckx, apparently invincible, so prey to doubt? --What rendered the massively talented Poulidor so beatable? --Why did Sean Yates, with a cardiovascular and lung capacity equal to that of Merckx, ride so contentedly as a domestique?

The Gaited Horse Bible Brenda Imus 2019-08-01 The gaited horse—bred and trained to perform smooth-to-ride, ground-covering alternative gaits (not the trot/jog or canter/lope) that can often be sustained long distances and sometimes at astounding speeds—has steadily gained mainstream popularity as a pleasure or trail mount, in addition to its traditional status as a top-notch show-ring competitor. While generations of careful breeding have instilled a natural ability to "gait" in certain breeds, the "smooth saddle gaits" are not necessarily automatic. This means that riders, whether exploring the backcountry or vying for a championship ribbon, need to train their gaited horse to be able to perform, and then school him to perform well, consistently, and without doing damage to his body. "The best person to develop your gaited horse's smooth saddle gaits is you!" writes renowned gaited-horse trainer and clinician Brenda Imus in *The Gaited Horse Bible*. "You need to learn only a few basic principles to develop and maintain your horse's gaits. As you do, you will build an important relationship with him (as well as saving trainer's fees). It's a 'win-win' situation all the way around." From the simplest, clearest explanation of the "Gait Spectrum" you'll find, to a discussion of gaited horse breeds (their history, characteristics, and uses) and gaits (running walk, rack, fox trot, tolt, trocha, for example), to an in-depth study of conformation, movement, and soundness—it's all in this terrific resources. Year-by-year basic training and advanced schooling, including flexion, collection, and lateral work to improve natural gaiting ability, is followed by a superb problem-solving section that features simple exercises for alleviating common behavioral problems, avoiding and correcting physical issues, and fixing deviations in a horse's smooth gaits. With a summary of bridles, bits, saddle fit and back dynamics, as well as optimal shoeing and trimming for gaited horses, *The Gaited Horse Bible* is the perfect how-to package for every gaited horse rider and owner.

Ride of Their Lives Lenny Shulman 2022-07-01 Jockeys perform the most perilous job in sports yet are among the most underrated athletes in the world. They put their lives on the line every time they get on a horse, often riding seven or eight horses a day, five days a week. Most must diet to keep their weight at levels lower than the average twelve-year-old boy, yet they need immense strength to control thousand-pound Thoroughbreds. A select group of riders has risen to the top of their sport, sought after by racing's leading owners and trainers and paired with the sport's greatest equine stars. In *Ride of Their Lives*, Lenny Shulman profiles riders whose love of racing and desire to win have propelled them to the top echelon their profession. Pat Day, Gary Stephens, Jerry Bailey, Corey Nakatani, and Laffit Pincay, Jr. are among the jockeys who share their stories of how they became race riders and what it is like to deal with the pressures of riding fragile, willful racehorses at top speeds day in and day out. They also tell what it is like to win the Kentucky Derby and just miss capturing the Triple Crown. In this updated edition, Shulman profiles Kendrick Carmouche, who had five straight seasons with more than 200 victories and in 2021 became the first Black jockey to compete in the Kentucky Derby in seven years.

Riding the Revolution Robert Heller 2001 The authors argue that after 2000, companies will not survive without taking part in a three-fold revolution - in management itself, information technology and global markets. The three feed off each other, but information and communications technology has emerged as the great enabler.

Race to Win! Alan Blair 2019-03-20 Most racing books focus on the speed, but this guidebook provides the racer with the recipe for success. As a race club owner, promoter and racer, I've done it all in racing. But it took me years to figure out how to put all the pieces of the puzzle together to form a winning combination of ability, equipment, and strategy. I became a personal trainer and nutritionist in order to be my physical best, and created a system of measurement and improvement to get on the podium and stay there! And the "Getting Sponsored" chapter is full of advice that works! You'll find bonus content that includes forms and methods for creating an effective log book.

Second Chance Mark Todd 2012-05-03 The London 2012 Olympic medalist on his stunning comeback. Mark Todd's eventing career is the stuff of legends and encompasses one of the greatest sporting comebacks of all time. When he 'retired' from competing in eventing in 2000, he had already been named 'Rider of the Century' for his natural empathy with a horse and his extraordinary success, which included back-to-back Olympic gold medals, five Burghley wins and three Badminton victories. He has also show jumped to Olympic level and trained winners on the racecourse. Considered a legendary horseman by his peers, he seemed to have done it all. He returned to train racehorses in his native New Zealand but, eight years later, the idea of a comeback took root, part dare, part personal challenge to see if he could still cut it in a changed sport. Within eight months, he was riding at the 2008 Beijing Olympics and in 2011 he hit the headlines by becoming the oldest rider to win Badminton. This was soon eclipsed by his stunning win at the London 2012 Olympics, however. The story of his progress from dairy farmer to world renown, is told with typically laid-back humour, but it reveals the fierce determination, discipline and personal sacrifice which lies behind the relaxed outlook.

Rough Magic Lara Prior-Palmer 2019-05-07 "Taking off on a horse into the Mongolian Steppe sounds like the bracing inverse to an overpopulated, busy urban life, but having the skills and grit to pull it off is another thing entirely. . . . Lara Prior-Palmer attempted the Mongol Derby not really knowing what she was getting into; she ended it knowing much more about herself, and a race champion besides."

—Estelle Tang, Elle At the age of nineteen, Lara Prior-Palmer discovered a website devoted to "the world's longest, toughest horse race"—an annual competition of endurance and skill that involves dozens of riders racing a series of twenty-five wild ponies across 1,000 kilometers of Mongolian grassland. On a whim, she decided to enter the race. As she boarded a plane to East Asia, she was utterly unprepared for what awaited her. Riders often spend years preparing to compete in the Mongol Derby, a course that re-creates the horse messenger system developed by Genghis Khan. Many fail to finish. Prior-Palmer had no formal training. She was driven by her own restlessness, stubbornness, and a lifelong love of horses. She raced for ten days through extreme heat and terrifying storms, catching a few hours of sleep where she could at the homes of nomadic families. Battling bouts of illness and dehydration, exhaustion and bruising falls, she decided she had nothing to lose. Each dawn she rode out again on a fresh horse, scrambling up mountains, swimming through rivers, crossing woodlands and wetlands, arid dunes and open steppe, as American television crews chased her in their jeeps. Told with terrific suspense and style, in a voice full of poetry and soul, *Rough Magic* captures the extraordinary story of one young woman who forged ahead, against all odds, to become the first female winner of this breathtaking race. "Think the next *Educated* or *Wild*. Palmer's memoir of beating the odds to become a horse champion is an inspiring saga of perseverance—and a classic underdog tale."

Full Gas Peter Cossins 2018-06-07 ** WINNER OF THE CYCLING BOOK OF THE YEAR AT THE 2019 TELEGRAPH SPORTS BOOK OF THE YEAR AWARDS** So how do you win a bike race? Riding as fast as you could for as long as you could was the main tactic in the early days of road racing when Grand Tours could be won by hours. Now a minute's delay thanks to a puncture could ruin a rider's chances over a three-week race and the sport is described as nothing less than chess on wheels. The intricacies and complexities of cycling are what makes it so appealing: an eye for opportunity and a quick mind are just as crucial to success as a 'big engine' or good form. How do you cope with crosswinds, cobbles,

elbows-out sprints, weaving your way through a teeming peloton? Why are steady nerves one of the best weapons in a rider's arsenal and breakaway artists to be revered? Where do you see the finest showcase of tactical brilliance? Peter Cossins takes us on to the team buses to hear pro cyclists and directeurs sportifs explain their tactics: when it went right, when they got it wrong - from sprinting to summits, from breakaways to bluffing. Hectic, thrilling, but sometimes impenetrable - watching a bike race can baffle as much as entertain. Full Gas is the essential guide to make sense of all things peloton.

To Finish Is to Win Dodie Sable 2007-12 Are you totally obsessed with horses? Or want to be? This book takes you deep into one rider's life behind the glamorous scenes of the televised equine world into the dirt, grit, grime and fun of endurance and competitive trail riding. It's a fresh look at the thrill of being part of a sport that is rarely heard of and never televised. The spunk and tenacity of the riders and their horses sparks a thrill in any reader, begging them to go out and buy a horse, a beat up saddle and get started on their own thrilling adventure. This book, part one in a series, encompasses the riding years of 2005 and 2006. Quickly addictive, a warning label should be attached to the outside binder letting the readers know that they should beware of the humor, fun and giggles contained inside. If you have no interest in rolling on the floor in gut busting laughter, you should not engage in reading this book.

The Perfect Ride Gary Stevens 2002 The first ever insider account of the racing world, this is also a remarkable comeback story of a man who has triumphed over a lifetime of adversity - injuries, extortion attempts and death threats included - to become one of the most recognisable names in sports today as the winner of the coveted Eclipse Award and with career earnings exceeding \$200 million. Stevens will be in England at the end of June 2002 for the Royal Ascot meeting. The track has filmed a commercial with Gary to announce his appearance, and he will be promoting the book heavily while here.

Cycling On Form Tom Danielson 2020-04-07 "After training with CINCH for the past three years, I've learned the cycling-specific techniques that make me a better rider and racer; healthier and injury-free; and more effective and positive off the bike." -- Lilburn Shaw, 2018 Masters Road National Champion Cycling on Form reveals the pro approach to cycling training. Riding a bike faster takes more than just fitness. It takes skills that you can master to become a faster, stronger rider. In his new guide, former professional bike racer Tom Danielson shows how to transform your cycling from amateur to professional level with the fitness and time you have now. Danielson reveals how the pros go beyond the modern standards of interval workouts, base-building, and recovery to train the whole athlete, mind and body. Danielson shows how to truly ride and train to the fullest through: Fitness: Self-tests to identify your riding strengths and weaknesses then focus on custom training to address them. Mental focus: The pros know that winning means using

your head and your legs. You'll get pro tips on big-picture goal setting and mid-ride concentration strategies to help you stay focused.

Execution: Cycling is hard and executing a great ride when it matters takes practice. Danielson shares on-the-bike skills, efficient and powerful techniques, strategies to stay in the race, ways to finish with the lead group, and how to excel on a ride you've never done before. Nutrition: Pro riders put sports nutrition into daily practice. Danielson distills the facts of diet, food as fuel, and fueling to recover. Too many cyclists train by trying to set new Strava PRs, only to get frustrated by the limited gains. There's a better way. *Cycling On Form* unlocks a pro method for riding faster and stronger.
