[Squirrel Pie \(and other stories\)](#) Elisabeth Luard 2016-07-07 'Sacriligious to say it but Elisabeth Luard even beats Elizabeth David. Exquisite writing and wonderful food, and funny too' Prue Leith 'Elisabeth Luard proves that no matter where you are, there is food to be gathered, or hunted, or found. Squirrel Pie is a beautifully written tribute to food that has all but vanished from our everyday lives' Alice Waters Elisabeth Luard, one of the food world's most entertaining and evocative writers, has travelled extensively throughout her life, meeting fascinating people, observing different cultures and uncovering extraordinary ingredients in unusual places. In this enchanting food memoir, she shares tales and dishes gathered from her global ramblings. With refreshing honesty and warmth, she recounts anecdotes of the many places she has visited: scouring for snails in Crete, sampling exotic spices in Ethiopia and tasting pampered oysters in Tasmania. She describes encounters with a cellarer-in-chief and a mushroom-king, and explains why stress is good news for fruit and vegetables, and how to spot a truffle lurking under an oak tree. Divided into four landscapes - rivers, islands, deserts and forests - Elisabeth's stories are coupled with more than fifty authentic recipes, each one a reflection of its unique place of origin, including Boston bean-pot, Hawaiian poke, Cretan bouboutie, mung-bean roti, roasted buttered coffee beans, Anzac biscuits and Sardinian lemon macarons. Illustrated with Elisabeth's own sketches, Squirrel Pie will appeal to anyone with a taste for travel, and an affinity for that most universal of languages, food.

**The Innocents and Other Stories** Gertrud Von Le Fort 2019-08-05 Newly translated into English for the first time, these four novellas from the acclaimed German writer Gertrud von le Fort are from her later works of historical fiction. Ominous and mysterious, these page-turning stories bring to life momentous chapters in from the past. The Innocents, set in Germany after the Second World War, is a poignant family drama about the horrors of war, the suffering of the innocent, and the demands of justice. The Ostracized Woman traces the fate of a Prussian family at the end of World War II to the heroic deed of an ancestor done centuries before. The Last Meeting imagines the last encounter between Madame de La Vallière and Madame de Montespan, rival mistresses of King Louis XIV of France. The Tower of Constasy leads the reader into the heart of the infamous French prison of the same name while exploring the role of conscience in the religious and philosophical conflicts of the eighteenth-century.

**Undercover & Other Stories** Dominic O'Sullivan 2016-07 What happens when a Time Traveller makes a sudden return to Ely and its enormous cathedral? **Slippery When Wet** Sandra Alex 2019-12-15 An underloved widower. Her younger, sexy, CEO neighbor. The move that changes more than her address... Moving to a new neighborhood is never easy. But after Aaron's accident there wasn't a choice. He's a stubborn man, a hard-working man, and now he's a disabled man. Marriage is never easy, either, especially when we got married so young. We both traveled down different paths, and what we both wanted then isn't necessarily what we both want now. A new friend helps me see that, but he also helps me see that I deserve those things that I still want. It may be too late. Lots of things I think I've grown too old for suddenly come to light when Dalton shows me what I think I've missed out on. He also shows me that I haven't missed out, that my time is coming. He also comes to my rescue one night when both Aaron and I are helpless. Sometimes the kindness of strangers can be severely underrated. \*\*\* Kathy, my girlfriend, there's something up with her. Amelia, my new neighbor, sees right through her, and helps me pick up the pieces. Her husband I'm not sure of. Never met him, but he watches me when I walk her home one night. There's something up with him, too. When I learn that our paths crossed once before, it makes Amelia see me in a whole new light. She's almost ten years older than me,

but she acts as though it's more like a hundred. What she doesn't realize is that she's incredible, beautiful, intelligent as hell, and she is no more outdated than I am in so many ways. It takes a tragedy for her to see that, and it takes a miracle for her to believe it. And it takes a hard lesson from me for her to learn that everything happens for a reason, and it's more than just Aaron that brought her to me...it's fate. HEA (Happily Ever After) Second chance romance Best friends to lovers romance Medical romance Military romance Medium heat Course language Mild cliffhanger ending Fourth book in a complete 5 book standalone series "Intense. Dalton & Amelia's story will grab you from the beginning. Their story is so intense and they go through so much individually and together."-5 Stars from Belinda, Amazon reviewer "I have never read a Sandra Alex story but when I saw the blurb for SLIPPERY WHEN WET, I knew I had to. It's a powerful and intricate story about life, love and the people that we let in our lives and how they imprint on us. The reason I love to read romance is because of stories like SLIPPERY WHEN WET."-5 Stars from J. Ockenhouse, Goodreads reviewer "This series is great but I personally love Dalton. His love for Amelia is breathtaking. He is there for her through the worst times of her life and through it all the best love either of them ever knew."-5 Stars from Jennifer Robinson, Goodreads reviewer "This story is well written that the characters come alive. Dalton comes to Amelia's aid and offers comfort one stormy night. Some months later they meet as neighbors through Dalton's dog. They become supportive and loving friends. Dalton offers her comfort and a safe place to stay after her husband dies. Dalton shows Amelia what a real loving relationship truly is. Their happily ever after is the best so far in this series."-5 Stars from @rdcorder1, Bookbub "Dalton & Amelia's story will grab you from the beginning. Their story is intense and they go through so much individually and together. This is a standalone, but I have read the previous three and this one may be my favorite. You will fall in love with the Ford Brothers and Sandra gives you stories you won't forget."-5 Stars from bmhercule, Bookbub

**The Birth and Death of the Miracle Man and Other Stories** Albert Wendt 1999-04-01 This remarkable collection of stories offers a portrait of the fascinating and complex world of Samoa. There is Salepa, down on his luck but determined to use his one talent on the reluctant inhabitants of a nearby town; Fiasola, who feels that the Miracle Man is being born inside him; the young man who disgraces his family by stabbing a European nun; and Gabriel who, on the death of his father, relives his family's tragic past. A gifted and original writer, Albert Wendt has created a world rich in imagination and dreams, reflecting the common experience of people everywhere.

**Pump Six and Other Stories** Paolo Bacigalupi 2008-02-01 Paolo Bacigalupi's debut collection demonstrates the power and reach of the science fiction short story. Social criticism, political parable, and environmental advocacy lie at the center of Paolo's work. Each of the stories herein is at once a warning, and a celebration of the tragic comedy of the human experience. The eleven stories in Pump Six represent the best Paolo's work, including the Hugo nominee "Yellow Card Man," the nebula and Hugo nominated story "The People of Sand and Slag," and the Sturgeon Award-winning story "The Calorie Man."

**Slippery Creatures** Kj Charles 2020-04-28 Will Darling came back from the Great War with a few scars, a lot of medals, and no idea what to do next. Inheriting his uncle's chaotic second-hand bookshop is a

blessing...until strange visitors start making threats. First a criminal gang, then the War Office, both telling Will to give them the information they want, or else. Will has no idea what that information is, and nobody to turn to, until Kim Secretan-charming, cultured, oddly attractive-steps in to offer help. As Kim and Will try to find answers and outrun trouble, mutual desire grows along with the danger. And then Will discovers the truth about Kim. His identity, his past, his real intentions. Enraged and betrayed, Will never wants to see him again. But Will possesses knowledge that could cost thousands of lives. Enemies are closing in on him from all sides-and Kim is the only man who can help. A 1920s m/m romance trilogy in the spirit of Golden Age pulp fiction.

*Question of Science: Materials* Anna Claybourne 2021-07-08 Why is ice slippery? Where does water go when it dries? And why exactly do eggs go solid when you cook them? Discover the science for yourself with this fun, quirky book that tackles the questions other books are afraid to ask!

**Science Fiction in Print** Charles N. Brown 1986

**Summer Vacation and Other Stories** Theodore Kohan 2007-09-27 Male-female relationships are at the center of this collection of thirteen stories. Roughly half the stories take place in the United States and half in Chile. A common thread runs through these keenly sensitive stories: the women take the initiative, and the men, willingly or unwillingly, follow their lead. At one end of the spectrum, Ari, 14 years old, is awakening to his sexuality, and at the other, Al, almost 70 and a former college professor, sees a potential affair with a young woman as his last opportunity to indulge his taste for sexual mischief. Along the way we also meet Dora, a free-spirited woman who, thirty years earlier, was in hot pursuit of Sergio, a married man, but who now holds a secret he is determined to uncover; Josh, home for the summer after having completed his freshman year in college, who is torn between family expectations and his attraction for Sofia, a Colombian immigrant; and a gallery of other unique characters.

*The Truth and Other Stories* Stanislaw Lem 2021-09-14 Twelve stories by science fiction master Stanislaw Lem, nine of them never before published in English. Of these twelve short stories by science fiction master Stanislaw Lem, only three have previously appeared in English, making this the first "new" book of fiction by Lem since the late 1980s. The stories display the full range of Lem's intense curiosity about scientific ideas as well as his sardonic approach to human nature, presenting as multifarious a collection of mad scientists as any reader could wish for. Many of these stories feature artificial intelligences or artificial life forms, long a Lem preoccupation; some feature quite insane theories of cosmology or evolution. All are thought provoking and scathingly funny. Written from 1956 to 1993, the stories are arranged in chronological order. In the title story, "The Truth," a scientist in an insane asylum theorizes that the sun is alive; "The Journal" appears to be an account by an omnipotent being describing the creation of infinite universes--until, in a classic Lem twist, it turns out to be no such thing; in "An Enigma," beings debate whether offspring can be created without advanced degrees and design templates. Other stories feature a computer that can predict the future by 137 seconds, matter-destroying spores, a hunt in which the prey is a robot, and an electronic brain eager to go on the lam. These stories are peak Lem, exploring ideas and themes that resonate throughout his writing.

*A Humble Romance and Other Stories* Wilkins Freeman Mary E. 2023-07-26 A Humble Romance and Other Stories is a collection of short stories first published in 1887. Widely popular upon publication, the stories tell of rural New England folks, mostly women. Each story is engrossing, yet surprising in its simplicity of characters and plot. Far from beautiful heiresses or men on panting steeds, the main characters are mostly old spinsters and sometimes a plain niece or two.

**Slippery When Wet** Prudence Camellieri 2017-01-02 Ms Prudence Camellieri returns in 2017 with her Slippery When Wet Series, a set of five spine tingling erotic short stories, including Golfing Expectations, An Honest Mistake, Was that Good For you, Slippery When Wet and The Garden Statue. Including The Uninvited Observer, a poem with finish with.

**Little Reef and Other Stories** Michael Carroll 2014-06-16 Little Reef and Other Stories announces the arrival of an original voice in literature. From Key West to Maine, Michael Carroll's debut collection of stories depicts the lives of characters who are no longer provincial but are not yet cosmopolitan. These women and their gay male friends are "B-listers" of a new, ironic, media-soaked culture. They live in a rich but increasingly divided America, a weirdly paradoxical country increasingly accepting of gay marriage but

still marked by prejudice, religious strictures, and swaths of poverty and hopelessness. Carroll shows us people stunned by the shock of the now, who have forgotten their pasts and can't envision a future. Winner, Sue Kaufman Prize for First Fiction, American Academy of Arts and Letters Finalist, Gay Fiction, Lambda Literary Award Finalist, Edmund White Award for Debut Fiction, Publishing Triangle

**The New Boy at Hilltop; And Other Stories** Ralph Henry Barbour 2023-09-16 Reproduction of the original. The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision.

**Heteromation, and Other Stories of Computing and Capitalism** Hamid R. Ekbia 2017-05-11 An exploration of a new division of labor between machines and humans, in which people provide value to the economy with little or no compensation. The computerization of the economy—and everyday life—has transformed the division of labor between humans and machines, shifting many people into work that is hidden, poorly compensated, or accepted as part of being a “user” of digital technology. Through our clicks and swipes, logins and profiles, emails and posts, we are, more or less willingly, participating in digital activities that yield economic value to others but little or no return to us. Hamid Ekbia and Bonnie Nardi call this kind of participation—the extraction of economic value from low-cost or free labor in computer-mediated networks—“heteromation.” In this book, they explore the social and technological processes through which economic value is extracted from digitally mediated work, the nature of the value created, and what prompts people to participate in the process. Arguing that heteromation is a new logic of capital accumulation, Ekbia and Nardi consider different kinds of heteromated labor: communicative labor, seen in user-generated content on social media; cognitive labor, including microwork and self-service; creative labor, from gaming environments to literary productions; emotional labor, often hidden within paid jobs; and organizing labor, made up of collaborative groups such as citizen scientists. Ekbia and Nardi then offer a utopian vision: heteromation refigured to bring end users more fully into the prosperity of capitalism.

**The ice-maidens [and 3 other stories]** tr. by Mrs. Bushby Hans Christian Andersen 1863

**The Slippery Year** Melanie Gideon 2010-08-10 A disarmingly hilarious and honest memoir of marriage and motherhood by a woman who realized she was sleepwalking through life and decided she needed to do something about it. “A love song to family and to life.... One of the happiest books to cross our paths in a very long time.” —San Francisco Chronicle The Slippery Year chronicles her struggle to rediscover meaning and pleasure in life while navigating the comical ups and downs of cohabiting with a husband, a child, and a dog: mattress wars with her snoring mate, the psychological minefield of the school carpool line, and sending her son to sleep-away camp for the first time. Gideon manages to be laugh-out-loud funny while also reflecting beautifully and movingly on her quest to appreciate what she has.

**It's a Slippery Slope** Spalding Gray 1997-09-30 Within the span of a single year, Spalding Gray marries and divorces one woman, moves in with another who bears him a son, and learns to ski

**Rataplan, a Rogue Elephant; and Other Stories** Ellen Velvin 2023-03-29 Reproduction of the original.

**Slippery** Liam Carroll 2015-05-26 Liam Carroll's debut novel, Slippery, shines a blowtorch on the fundamental truths of the finance industry and the hedonistic world of the expatriate lifestyle in Southeast Asia. Flynn James, a young man from the Sydney beachside suburb of Manly, previously content to live his life as a physiotherapist and surfer on Australia's east coast, is awakened to the big bonuses on offer in the trading game. He abandons health sciences, embraces the greed is good mantra and manages to flare past thousands of candidates in a Geneva simulation trading day exercise, ushered through the shady doors of a fiercely private Swiss commodities trading company and set on the path to oil trading superstardom. Based in Singapore and Shanghai, Flynn learns the ropes of commodities dealing at breakneck haste. With the arrival of his first seven-figure bonus, the glossy veneer of his overpaid world crumbles, setting the stage for a shattering finale. Much more than another mere exposé on the world of trading, Slippery is an adventure/thriller. It explores the gritty realities of successful commerce in the corporate maelstrom of Southeast Asia, the inevitable moral compass decimation when you place money above all else and is done so with a side-splitting, bitter self-loathing, terminal awareness. You won't be able to put it down.

**Past Master** R. A. Lafferty 2019-10-03 Wolf Hall meets The Man in the High Castle in this mind-bending science fiction classic, now presented in an authoritative new edition from Library of America Plucked from time, Sir Thomas More arrives on the human colony of Astrobe in the year 2535 A.D., where there is trouble

in utopia. Can he and his motley followers save this golden world from the Programmed Persons, and the soulless perfection they have engineered? The survival of faith itself is at stake in this thrilling, uncategorizable, wildly inventive first novel—but the adventure is more than one of ideas. As astonishingly as Philip K. Dick and other visionaries of the 1960s new wave, Lafferty turns the conventions of space-opera science fiction upside-down and inside-out. Here are fractured allegories, tales-within-tales, twinkle-in-the-eye surprises, fantastic byways, and alien subjectivities that take one's breath away. Neil Gaiman has described Lafferty “a genius, an oddball, a madman”; Gene Wolfe calls him “our most original writer.” Long-hailed by insiders and now with an introduction by Andrew Ferguson as well as unpublished omitted passages included in the notes, Past Master deserves to perplex and delight a wider audience.

**Orange World and Other Stories** Karen Russell 2019 "From the Pulitzer finalist and universally beloved author of the New York Times best sellers Swamplandia! and Vampires in the Lemon Grove, a stunning new collection of short fiction that showcases her extraordinary gifts of language and imagination"--

**The Year's Best Science Fiction: Third Annual Collection** Gardner Dozois 1986-04-15 The best gets better and bigger. The two-time Nebula Award winning author and recently named editor of Isaac Asimov's Science Fiction Magazine has compiled an awesome collection of science fiction from 1985. It includes eleven current Nebula Award Finalists, and works by such best-selling and award-winning authors as Orson Scott Card, John Crowley, Avram Davidson, William Gibson, Joe Haldeman, R.A. Lafferty, George R.R. Martin, Frederik Pohl, Kim Stanley Robinson, Robert Silverberg, James Tiptree, Jr., and Howard Waldrop. The finest new writers in the field are also represented, including recent Hugo and Nebula Award nominees such as James P. Blaylock, James Patrick Kelly, Nancy Kress, Lucius Shepard, Lewis Shiner, Bruce Sterling, Michael Swanwick, and Walter Jon Williams. More than ever, this massive and satisfying book is the best buy in science fiction.
