**The Modoc War** Robert Aquinas McNally 2017-11 On a cold, rainy dawn in late November 1872, Lieutenant Frazier Boutelle and a Modoc Indian nicknamed Scarface Charley leveled firearms at each other. Their duel triggered a war that capped a decades-long genocidal attack that was emblematic of the United States' conquest of Native America's peoples and lands. Robert Aquinas McNally tells the wrenching story of the Modoc War of 1872-73, one of the nation's costliest campaigns against North American Indigenous peoples, in which the army placed nearly one thousand soldiers in the field against some fifty-five Modoc fighters. Although little known today, the Modoc War dominated national headlines for an entire year. Fought in south-central Oregon and northeastern California, the war settled into a siege in the desolate Lava Beds and climaxed the decades-long effort to dispossess and destroy the Modocs. The war did not end with the last shot fired, however. For the first and only time in U.S. history, Native fighters were tried and hanged for war crimes. The surviving Modocs were packed into cattle cars and shipped from Fort Klamath to the corrupt, disease-ridden Quapaw reservation in Oklahoma, where they found peace even more lethal than war. The Modoc War tells the forgotten story of a violent and bloody Gilded Age campaign at a time when the federal government boasted officially of a "peace policy" toward Indigenous nations. This compelling history illuminates a dark corner in our country's past.

**Encyclopedia of Exploration, 1800 to 1850** Raymond John Howgego 2004 In 732 major articles, Raymond Howgego's Encyclopedia of Exploration 1800 to 1850 attempts to detail every significant traveller, voyager or expedition that set out during the period. Its indexes provide the names of over 3000 travellers and 1000 ships, while the bibliographies cite more than 10,000 works of reference. Extensive biographical information is included for the travellers themselves, placing every expedition thoroughly in its historical context. The text is fully cross-referenced between articles, whilst every article is supplemented by a comprehensive bibliography of both primary and secondary sources.

**Jesse Applegate** Leta Lovelace Neiderheiser 2011-02 A history of Oregon without Jesse Applegate would be like Exodus without Moses. Like Moses, Jesse led pioneers through the wilderness across the Oregon Trail in 1843. Like Moses, he was a law-giver, and like Moses, when proper provocation occurred, he sometimes threw down the tablets. Jesse Applegate, A Dialogue with Destiny gives a comprehensive historical perspective to the life of this interesting, complicated man who played a major role in the formation of Oregon. Throughout his amazing life, he led the 'cow column' of '43 west to Oregon, wrote the constitution of '45, played a major role in the solving of the Cayuse War, led the expedition to find a new southern route in '46, and fought to keep Oregon free of slavery. But perhaps even more important was the moral compass he provided for the emerging Oregon society. Through his letters to editors of newspapers and to prominent political figures, he provided comment, council, criticism, and loyal opposition to those in power. His opinions were sought by local, state and federal leaders, as well as the historians of the day.

**The Oregon Companion** Richard H. Engeman 2009-09-01 What's the connection between Ken Kesey and Nancy's Yogurt? How about the difference between a hoedad and a webfoot? What became of the Pixie

Kitchen and the vanished Lambert Gardens? The Oregon Companion is an A-Z handbook of over 1000 people, places, and things. From Abernethy and beaver money to houseboats, railroads, and the Zigzag River, an intrepid public historian separates fact from fiction — with his sense of humor intact. Entries include towns and cities, counties, rivers, lakes, and mountains; people who have left a mark on Oregon; industries, products, crops, and natural resources. Includes more than 160 historical black and white photos. This entertaining and delightfully meticulous compendium is an essential reference for anyone curious about Oregon.

**Coquella Thompson, Athabaskan Witness** Lionel Youst 2002 "While captain of the tribal police, Thompson was assigned to investigate the Warm House Dance, the Siletz Indian Reservation version of the famous Ghost Dance, which had spread among the Indians of many tribes during the latter 1880s. He witnessed the sense of empowerment it brought to some on the reservation. Thompson became a proselytizer for the Warm House Dance, helping to carry its message and performance from Siletz along the Oregon coast as far south as Coos Bay."--BOOK JACKET.

**Oregon's Promise** David Peterson del Mar 2003 The first history of Oregon to appear in twenty-five years, "Oregon's Promise explores familiar and neglected people and movements in the state's history, while challenging readers to view Oregon's past, present, and future in a new way. David Peterson del Mar recognizes that the words "Oregon history" conjure up images of Lewis and Clark and rugged pioneers. But he argues that the explorers' impact was both different from and less significant than commonly assumed, and that the state's settlers were much more varied, contentious, complicated, and interesting than conventional heroic stereotypes would suggest. "Oregon's Promise is a concise general history spanning the period from that of the region's earliest inhabitants to the present. It moves beyond the more familiar episodes of Oregon history to discuss indigenous peoples before and after contact with whites, the profound and evolving impact of broad forces like industrialization and suburbanization, and the varied fortunes of a growing stream of people from across the world who have sought the good life in Oregon. It explores the tensions behind contemporary disagreements rending our political, social, and cultural fabric. The book's many themes revolve around Peterson del Mar's consideration of how Oregonians have attempted to build a prosperous and just society. He examines both the traditional center of Oregon history and its often overlooked margins--the people who have struggled to be included in Oregon's promise. Each chapter includes brief biographies of noteworthy Oregonians. David Peterson del Mar is both a respected historian and an engaging writer, with a talent for explaining Oregon's past in a way that will appeal to general readers as well as to scholars and students.

**Skookum** Shannon Applegate 1988 "'Skookum' is the startlingly original narrative rendering of the experiences of a prominent westering family from 1843 to the present. The remarkable story of the Applegate family encompasses many of the predominant themes of the early American West: the overland crossing via the old Oregon Trail in 1843, the quirky restlessness of Applegate men who, after reaching the 'promised land,' permitted their travel-worn families to rest only for a while, the effects of the intermittent gold rushes that continued to upset family life long after 1849, the troubled relations between the settler and the Indian ... Shannon Applegate is interested not only in what happened to her family, but in what it meant to them. How did it feel to be a mother witnessing the death of her child on the way to Oregon, or to be a settler's son watching his Indian friends and old playmates rounded up in the dead of winter and marched off to the reserves? What did it do to the course of a young woman's life when she learned that her father has scratched her name from the family Bible? What sort of world was it where an old blue sugar bowl filled with gold dust could be unconcernedly set out in plain sight?"--From paper dustcover.

**Unsettled Ground** Cassandra Tate 2020-11-17 A highly-readable, myth-busting history of the Whitman Massacre—a pivotal event in the history of the American West—that includes the often-missing Native American point of view. In 1836, Marcus and Narcissa Whitman, devout missionaries from upstate New York, established a Presbyterian mission on Cayuse Indian land near what is now the fashionable wine capital of Walla Walla, Washington. Eleven years later, a group of Cayuses killed the Whitmans and eleven others in what became known as the Whitman Massacre. The attack led to a war of retaliation against the Cayuse; the extension of federal control over the present-day states of Washington, Oregon, Idaho, and parts of Montana and Wyoming; and martyrdom for the Whitmans. Today, however, the Whitmans are more likely to be demonized as colonizers than revered as heroes. "[Tate] tells the Cayuse's side of the story with empathy and clarity . . . a meticulously researched book." —The Seattle Times

**Reading Portland** John Trombold 2017-10-15 Reading Portland is a literary exploration of the city's past and present. In over eighty selections, Portland is revealed through histories, memoirs, autobiographies, short stories, novels, and news reports. This single volume gives voice to women and men; the colonizers and the colonized; white, Hispanic, African American, Asian American, and Indian storytellers; and lower, middle, and upper classes. In his introduction, John Trombold considers the history of writing about a place that has nourished a provocative and errant literary tradition for over 150 years. In the preface, Peter Donahue considers the influence of region—particularly Portland's urbanity and its hybrid population—on literature. Included here are the voices of Carl Abbott, Kathryn Hall Bogle, Beverly Cleary, Robin Cody, Lawson Fusao Inada, Rudyard Kipling, Ursula K. Le Guin, Joaquin Miller, Sandy Polishuk, Gary Snyder, Kim Stafford, Elizabeth Woody, and many more.

**Shaman's Dream** Lu Mattson 2012-08-01 Shaman's Dream: the Modoc War is a literary non-fiction account of the 1873 standoff between besieged Modoc Indians and the United States Army on the California/Oregon border. The book - a kaleidoscope of a vested interests' - draws together eye-witness accounts by settlers, military and governmental records, reports, diaries, letters, press releases, telegrams - in a narrative that is a multi-cultural evocation of one of the last of the Indian Wars.' A new, over-zealous Superintendent of Indians for Oregon precipitated the a war' in an ill-advised attempt to corral a group of Modocs and return them to the Klamath reservation. Loss of life and the burning of the camp at Lost River was repaid by Modocs escaping to a stronghold in the lava beds, where they were besieged for months, and where they were persuaded the a Ghost Dance' would save them. The standoff between the native Americans and the United States army eventually ended, but not until peace commissioners were wounded and murdered. The Army trial of the accused ended with hangings and the exile of the tribe, subsequently to Oklahoma. President U. S. Grant's a Peace Policy' whereby Christian ministers were employed to oversee the reservations died in the aftermath of these events. But most deeply

wounded of all - and more lastingly in this, some would say, inadvertently religious war - were the shamans.

**Autobiography and Questions of Gender** Shirley Neuman 2015-08-14 Originally published in 1991. Addressing the ways in which the ideology of gender and its social construction determine autobiographical self-representations, the essays here consider several women's works in the light of the social and historical conditions which enabled their production. Some examine diaries as a feminine form and ask about the ways in which thematic content such as childbirth can or cannot be represented in diaries and public discourse at different historical junctures. Others show the pressures of gender roles and how they have led to new genres in which self-representation is often a refraction of the representation of others. With the tools of gender theory, the representation of hermaphroditism, masculinity and male bodies is analysed and the ways in which gender intersects with racial, sexual and class ideologies is also looked at, in seeing autobiography as a form of agency in self-construction.

**Pacific Northwest Women, 1815-1925** Jean M. Ward 1995 A collection of stories, essays, memoirs, letters, and poems by 30 women of the Pacific Northwest, arranged in sections on connecting with nature, coping with circumstances, caregiving, and communicating. The editors examine the roles of gender, race, and class in these women's experiences as well as the impact of the geographic region on their lives. Includes biographical notes and b&w photos. c. **The World of the American West [2 volumes]** Gordon Morris Bakken 2016-12-12 Addressing everything from the details of everyday life to recreation and warfare, this two-volume work examines the social, political, intellectual, and material culture of the American "Old West," from the California Gold Rush of 1849 to the end of the 19th century. What was life really like for ordinary people in the Old West? What did they eat, wear, and think? How did they raise their children? How did they interact with government? What did they do for fun? This encyclopedia provides readers with an engaging and detailed portrayal of the Old West through the examination of social, cultural, and material history. Supported by the most current research, the multivolume set explores various aspects of social history—family, politics, religion, economics, and recreation—to illuminate aspects of a society's emotional life, interactions, opinions, views, beliefs, intimate relationships, and connections between the individual and the greater world. Readers will be exposed to both objective reality and subjective views of a particular culture; as a result, they can create a cohesive, accurate impression of life in the Old West during the second half of the 1800s.
