Mermaids, Sylphs, Gnomes, and

Salamanders William R. Mistele 2012-10-23

Although the spirit beings of the four elements of nature have been represented in literature, religion, and folk tales, descriptions of these creatures have been vague, and direct experience with them is quite rare. Yet each of

the four elemental kingdoms offers great gifts to humanity, if we are willing to recognize that the psychological and spiritual qualities they embody are already inherent in human nature. Mermaids dwell in the oceans, lakes, and rivers. They offer love and sharing, a sense of wonder, beauty, and innocence. Sylphs roam the sky; they represent harmony, balance, and the

attainment of freedom. Gnomes live underground. Their quiet inner wisdom banishes depression and sorrow. Salamanders dwell in volcanoes and vast caverns of magma beneath the earth. They offer the power of intense heat to refine, transform, and integrate. Who are these mysterious creatures of water, air, earth, and fire? Author William Mistele has devoted a significant portion of his life to finding out. Addressing the perennial questions Why are we here? What is the deepest purpose of life? What are our options?, Mermaids, Sylphs, Gnomes, and Salamanders takes the reader directly into the realms of these spirits, telling stories from their perspective. Weaving together fairy tales and poems, thoughtful analysis, and meditative exercises, Mistele illuminates the qualities these beings have mastered and humanity must begin to embrace: empathy, an inner peace with the universe, a divine level of sensuality, and a love that is everywhere in every moment.

The Salamander Stone Heidi Nickerson
2023-04-04 “By employing a vivid bestiary of creature both mundane and monstrous, Nickerson crafts a fantastical series opener that leaves ample room for future installments.”
—Publisher’s Weekly “Fast, funny, and weird in the best way! The Salamander Stone has the extremely messed up teen angst you’re looking for.”—Travis Baldree, New York Times, USA Today and ABA Indie best-selling author of Legends & Lattes Ellie Adair isn’t surprised when a vampire appears in the takeout window of her part-time job, and while she’s afraid of the flame salamander attacking her employer’s ice cream store, she’s come to expect these sudden monster attacks. They’ve been happening across the globe for nearly a year, to the point that local governments are beginning to fund towns that organize their own “monster-hunting” militias. But Ellie’s not concerned with the Beowulf Brigade’s newsletter or the push for vampires to integrate into society. She’s too

busy searching for answers about her father's disappearance, her mother's battle with mental illness, her grandfather's suddenly failing health, and the fact that—just weeks after turning sixteen—Ellie starts transforming into a lumbering, bloodthirsty beast. In a world where insurance companies offer supernatural creature coverage for monster attacks and restaurants offer hema, a blood substitute for vampires wanting to follow more sustainable diets, Ellie isn't sure which side she's on, but she knows that whatever is kidnapping teens from Errolton High School needs to be stopped. And maybe, with the help of her friends, her monstrous persona can make a difference. The Salamander Stone is a tale of monsters, teen angst, and one girl's journey to heal her estranged relationship with her family—and herself.

Salamander Thomas Wharton 2010-11-05
Spellbinding, original, Salamander careens through a world of ideas and stories in which the transforming power of books, the thirst for

knowledge, and the pursuit of immortality become erotic. It is also a universal story of love and obsession. Set in the eighteenth century, the narrative revolves around a world-spanning quest for the infinite book. Along the way the novel gathers stories that range from a Chinese tale of jealousy and lost love to the remarkable history of Alexandria's other great library and to epoch-making moments on the battlefields of colonial America. At the centre of the novel's unforgettable cast of characters is the London printer Nicholas Flood, a dedicated craftsman who is unprepared for all that awaits him when he accepts an unusual commission. Intricate, humane, infused with humour and pathos, Salamander is an exhilarating, elegantly crafted novel.

Gem of Silence André Consciência 2018-10-21
Fantasy often tells us of faeries, gnomes, salamanders, mermaids and the enchanted nobility of the human soul as we learned it from Paracelsus. For the fantasy genre there is no dead nature, everything lives. But despite of its animistic aspects, not often did it chose the perspective of the magical entity, and not once, an approach to it's proper language, a language of the elements. This book is its spelling and a voyage trough the imaginary realm of the four philosophical dimensions, an adventure in the fashion of Dante's Divine Comedy.

Animal Life DK Publishing 2011-01-17 If you think that watching all the nature programs on television qualifies you as an expert on the subject, think again! Do you really know what makes animals tick? Here are the answers, portrayed in stunning, awe-inspiring action sequences and explained in fascinating, in-depth prose. Thematically arranged by behavior trait, *Animal Life* explores and explains every aspect of animal behavior, including courtship rituals and sex lives, family relationships and defense mechanisms, hunting techniques and feeding habits. Side panels explore some of the field research on animal behavior and explain important conservation issues. The introductory chapters on the Animal Kingdom and on animal anatomy help explain how different animals have evolved and adapted to their environments, adaptations that may be relevant to particular behaviors. Destined to be the ultimate authority on animal behavior, this book also looks at key

behavioral concepts such as how animals learn to behave and the role of instinct in the learning process.

Iomik and the Emerald Woman André
Consciência 2018-10-29 Iomik, the gnome thief, tries to steal the secret of time from the emerald jewel kept by the mistress of the eons. To succeed he will have to race against Rumif, a Fire Lord who has been courting the Queen of Time, on a journey that will strip him and his powerful companions from the League of Thieves of all weakness while they meet the lords of hell, rulers that rule space and defend the jewel's essence. This book is a first on The Treasure Hunter Series and connects to the first among The Odur-u Chronicles, "Gem of Silence".
Song for Salamander Miriam Gallagher 2003-11
When Salamander Quinn decides to liberate all the lost souls at St. Job's Infirmary, he embarks on a Kafkaesque journey. Just before Christmas, his plans are further complicated by the arrival of a mystery woman, who sets in motion a chain

of startling events. Faced with mounting odds, as his past comes back to haunt him, he struggles to prevail. As Easter approaches, plans are afoot to move everyone at St. Job's to the new Anna Livia hospital, the brainchild of the Minister for health. At St. Job's plans to implement a new technique for memory loss are postponed. At Whitsun the new Anna Livia hospital is opened. Chaos reigns. To the amazement of the Hospital Fathers, there is talk of a nurses' strike. With the Health Service in crisis and Dublin in the grip of global warming, Salamander risks all to attain his goal. As Michaelmas draws near, he is inspired by former heroes like Scipio Africanus, for whom surprise was the greatest form of attack. Amidst mounting pressure, Salamander presses onwards, planning to celebrate Halloween with his own brand of fireworks. Powerful forces determine his ultimate destiny as he makes his final journey. "I enjoyed it immensely . . . The book is composed of marvellous visual moments

and references, calling out to be translated into cinema. . . A paradigm for the time and place we live in . . . liberated psychiatric patients, drifting down the Grand canal to the sea, a mediaeval Ship of Fools, singing Christmas Carols at Halloween . . . " _____ Irish Poet Macdara Woods.

The Shadowmancer Returns: The Curse of Salamander Street G. P. Taylor 2007-05-10 In this thrilling, much-anticipated sequel to the runaway hit *Shadowmancer*, G. P. Taylor once again takes readers on a gripping journey. Kate and Thomas have barely escaped the evil sorcerer Demurrall, and are sailing to London to make a fresh start. But someone knows they are coming, and is lying in wait to lure them into the darkest heart of the city. Meanwhile, Raphah, who has had a narrow escape of his own, sets out on a terrifying journey to find his friends, all the time haunted by a shadowy beast. Eventually, the friends' paths meet on a cursed street, hidden from the world - a place where

fates are decided and old enemies seek revenge. They thought it was over...but can evil ever be destroyed?

The Salamander Series Boxset Books 1-4 Misha Quinn 2021-09-24 FIRST LOVE. TRUE LOVE. ENDLESS LOVE. IT IS ALL IN THE SALAMANDER SERIES. Three full-length novels and one novella, filled with love between a young woman and a handsome, egocentric billionaire boss, beautiful romance, faith, second chances, and a happy ending! Graham Anderson is God in his corporation. He is a billionaire and an arrogant boss. Graham is a proven conqueror of hearts who still has not found his love. But what if a naïve young woman falls in love with a billionaire boss? Ella is a young woman brought up in an atmosphere of respect for her as a

person. Nothing binds her and Graham together except the relationship of a leader-subordinate. Ella gradually gets to know Graham as a person and does not allow him to use herself in his usual corporate intrigues. However, it imbued the young woman with sincere feelings for him. She awaits Graham's response to them. Graham does not expect this and thinks he can end the invisible connection that has appeared between them at his will. What will prevail - the cold calculation of the lone billionaire boss or the warmth of Ella's love? Hummingbird Salamander Jeff VanderMeer
2021-04-06 Named one of NPR's Best Books of 2021 From the author of *Annihilation*, a brilliant speculative thriller of dark conspiracy, endangered species, and the possible end of all things. Security consultant "Jane Smith" receives an envelope with a key to a storage unit that holds a taxidermied hummingbird and clues leading her to a taxidermied salamander. Silvina, the dead woman who left the note, is a reputed ecoterrorist and the daughter of an Argentine industrialist. By taking the hummingbird from the storage unit, Jane sets in motion a series of events that quickly spin

beyond her control. Soon, Jane and her family are in danger, with few allies to help her make sense of the true scope of the peril. Is the only way to safety to follow in Silvina's footsteps? Is it too late to stop? As she desperately seeks answers about why Silvina contacted her, time is running out—for her and possibly for the world. Hummingbird Salamander is Jeff VanderMeer at his brilliant, cinematic best, wrapping profound questions about climate change, identity, and the world we live in into a tightly plotted thriller full of unexpected twists and elaborate conspiracy.

The Seeker's Guide to The Secret Teachings of All Ages Mitch Horowitz 2020-09-30 A KEY TO THE MYSTERIES No other book in history has done more to clarify the Esoteric, mystical,

and occult traditions of the world than Manly P. Hall's The Secret Teachings of All Ages. Now, historian Mitch Horowitz provides the first companion work to Hall's opus. The Secret Teachings of All Ages helps twenty-first-century readers enter and experience (or re-experience) Hall's hallowed pages and also clarifies and expands on some of the book's key themes and topics. Mitch explores developments and historical discoveries since Hall published his "Great Book" nearly a century ago and adds fresh dimensions to subjects including: The antiquity and legacy of Ancient Egypt. The mystical origins of the world's major faiths. Strange beasts and anomalies in history and today. The origins and esotericism of Tarot. Secret Societies in Myth and Fact. The enduring relevance of astrology. Authorized by Manly P. Hall's Philosophical Research Society, The Secret Teachings of All Ages is a feast of esoteric exploration on its own and a worthy companion to history's unparalleled

encyclopedia arcana. "Mitch is a fantastic tour guide to the fringes of reason, high weirdness, deep esoterica, secret societies, and mystery religions." -BoingBoing "Has the rare gift of making the esoteric accessible to discerning masses." -HuffPost

The Salamander and Other Gothic Tales

Vladimir Odoevsky 1992 *The Salamander and Other Gothic Tales* contains eight stories by Vladimir Odoevsky (1804-69). These include *The Salamander*, *The Cosmorama*, and *The Sylph*, Odoevsky's three main metaphysical tales. The collection as a whole represents some of the best of Russian Romantic fiction from the first half of the nineteenth century. This is the first English edition of Odoevsky's work to be published since 1965 and six of the tales are here translated for the first time.

The Secret Pool Betty Neels 2012-04-16 Her quiet life was thrown into turmoil Calm and capable—those were the words used to sum up Francesca. Certainly she had plenty to cope with, looking after the home she shared with three elderly aunts and working at the local hospital. Yet she dealt with it all with her usual quiet efficiency and believed her life was complete...until Dr. Litrik van Rijgen arrived! Having taken the trouble to track her down while she was enjoying a holiday in Holland, he seemed to have other plans for her. But was she really willing to let him take over her life and possibly her heart?

Tears of the Salamander Peter Dickinson 2009-05-14 Alfredo, a choir boy in 18th-century Italy, loses his family in a fire, and his mysterious Uncle Giorgio spirits him away to their ancestral home below a volcano. There he learns that Uncle Giorgio is the Master of the Mountain; he can control the volcano. He is also an alchemist, able to make gold from the tears of

the fiery salamander he captured from the heart of the mountain. Alfredo is his heir, the next Master; and as Alfredo learns the history of his family and its power, he begins to suspect that his uncle is actually a fearsome sorcerer.

Salamander Cotton Richard Kunzmann
2014-09-02 A dark, chilling mystery set in the brooding, atmospheric lands of South Africa In his debut thriller, *Bloody Harvests*, Richard Kunzmann gave readers a glimpse into the turbulent South African landscape. Now Detective Inspector Jacob Tshabalala and his former colleague Harry Mason return with another beautifully spellbinding thriller combining murder, revenge, greed, and the classic struggle between good and evil. A wealthy ex-mining boss has been found beaten

and burned to death at his home in suburban Johannesburg. His estranged wife, however, does not seem particularly surprised by this cold-blooded murder, but keeps insisting that the killer will be found in the Northern Cape, where the victim owned a farm with a dark secret. It's a remote and desolate landscape of extreme poverty, burdened with a bleak history as an asbestos-mining community. When Tshabalala persuades Mason to investigate a link between the man's murder and the disappearance of his daughter thirty years before, Harry has no way of knowing he will soon be plunged into a menacing world of rumored supernatural attacks, corporate cover-ups, ruthless hijackers, and bitter vengeance. Kunzmann returns with a strong force, capturing the bitter landscape and people of Johannesburg and beyond--captivating readers with his plot twists, dramatic action, and engaging characters. *Salamander Cotton* is a representation of poverty and a portrait of a

country whose values of freedom and justice are only just emerging. Praise for Bloody Harvests "Not since James McClure's outstanding 1970s South African police series has there been this serious an attempt to revisit that culture. . . . A gritty exploration of South Africa's dark heart. This outstanding novel is sure to win readers everywhere." ---Library Journal (starred review) "The author does a fine job of depicting the city's combustible mix of poverty, ignorance, intolerance, and crime, and the handful of brave men who seek to douse the flames when that mix ignites." ---Publishers Weekly "Kunzmann's debut is an impressive successor to James McClure's apartheid procedurals." ---Kirkus Reviews "Kunzmann has a seasoned and individual voice." ---Publishing News "A valuable addition to the South African canon . . . a brilliant first novel by an engaging author. It charts new ground for the thriller/crime genre in South African literature." ---The Cape Times "A fast and grisly thriller . . . hails Kunzmann as an

impressive new talent in this genre." ---The Sunday Times

Black Salamander Marilyn Todd 2014-06-19 If we're going to make a new order for Rome, a better order, I might add—sacrifices have to be made. We have set the assassination date for the Ides of July ... What better opportunity for a beautiful young widow than to join a prestigious trade delegation bound for Gaul? There was the fanfare as the procession left Rome, the breathtaking journey through lush Alpine meadows. And let's not forget the promise of riches for delivering a certain pouch, sealed with the sign of the black salamander. Except things are never that simple when Claudia Seferius is involved. There's a rockfall, for a start, which leaves the party stranded, as well as five men dead—and one death is not accidental. All Claudia wants to do now is to get out of the valley they are trapped in and hand over the

pouch. But there are those who will go to any lengths to stop her. And suddenly Claudia finds herself plunged into a deadly game of high treason, in a land where warriors still hunt human heads and where wicker-man sacrifices are far from rare...
