Ralph Compton the Palo Duro Trail Ralph Compton
2004-12-07 A thousand-mile journey begins with a single step in this Ralph Compton western... Some think he's

crazy. But Felix Dagstaff has signed on to drive 4,000 head of wild longhorns from his ranch near Quitaque, Texas, up the Palo Duro Canyon to Cheyenne, more than a thousand miles away. Even if the passage were flat, you couldn't pay most men enough to take on such a job. But poor odds have never stopped Dag before... He'll have to drive his cattle through blinding storms and swollen rivers. But the setbacks of Mother Nature pale in comparison to the sedition of

his own men: one drover's not who he claims to be; another tries to make off with part of the herd. With months of heat and hardship stretching before him like the treacherous but impossibly beautiful canyon, the chances of getting ahead are slim. But if he fails, Dag will lose everything he has fought for... More Than Six Million Ralph Compton Books In Print!

Faking It All Kati Wilde 2020-04-03 Everything about me is fake... I'm a small-town nobody named Olivia Burke, but I look exactly like a Hollywood somebody-that somebody being Keri Bishop, one of the most famous movie stars in the world. Now a threat against her life is going to change mine, freeing me and my little sister from my stepfather's abusive control. All I have to do is pretend to be the actress until the danger is eliminated. I won't even be in the public eye; I'll be hidden away in a remote location owned by the Hellfire Riders-a

motorcycle club hired by Keri's husband to guard me-and under the personal protection of a sexy, lethal biker named Duke. ...except how fast I'm falling for him. I can't tell anyone who I really am-not even the man protecting me. His stormy gaze threatens to pierce the glamorous mask I'm wearing, but if Duke discovers the truth, I'll destroy my chance to escape the hell I've been living in. Yet I don't know how long I can keep this secret. Because Duke's got demons of his own, and I'm desperate to soothe his tormented soul with my soft touch, with a lingering kiss. But I'm impersonating a married woman. And if I slip up even once, I risk losing everyone I love... Riding the Nightmare William W. Johnstone 2022-09-27
Johnstone Country. Where every day is a good day to die. Duff MacCallister left Scotland to forge a new life in America, raising cattle on the western plains of the growing nation. But keeping his dream alive means facing off against the country's most violent, bloodthirsty men . . . The Spencer family is part of a wagon train passing through Chugwater, Wyoming, bound for the valley of Longshot Basin. Unfortunately, the trail that leads there has been buried under an avalanche. The only route the homesteaders can take is the infamous Nightmare Trail--a treacherous, terrifyingly steep and narrow mountainside path

that has claimed many lives. If that wasn't dangerous enough, the trail is also a killing ground for the outlaw Hardcastle gang. The disreputable Arkansas Ozark clan don't take kindly to anyone trespassing on their road without paying--in blood. Duff MacCallister is not about to let the Spencers ride the Nightmare Trail without his guidance. He knows the terrain. He knows how to defend himself. And he knows that when it comes to badmen like the Hardcastles, the best defense is killing first--and fast. *The Hellfire Riders* Kati Wilde 2020-04-03 Featuring the explosive second trilogy in the Hellfire Riders series, this collected edition contains the complete story of the only female member of the Hellfire Riders MC, and the dangerous warlord who risks everything for one night in her arms...Betting It AllAs the only female member of the Hellfire Riders, I've fought for everything I have. Hellfire Rodney Green Sr. 2015-11-12 Although they say God is everywhere, he is nowhere to be found in these stories. Instead, Satan takes the driver's seat in the lives of five individuals, taking on various forms, titles, and names as he carefully seduces each of them. In "The Griffin,"

he transforms a promising young man into a killer. He becomes a pimp for a young woman in "The Harlot." In the guise of a prison warden, he recruits a prisoner in jail for the rest of his life. He comes to a young man in juvenile detention and molds him into something he can use, and he finds a politician on the campaign trail who will serve his purposes. As the tales of these five people intertwine and Satan prepares positions for them in hell, they soon learn that when you make a deal with the devil, you are bound—bound to lose, bound to suffer, and, most importantly, bound to eternal torture. In these five interconnected short stories, Satan recruits five troubled souls with the goal of preparing them for positions in hell's hierarchy.

The Hellfire Riders, Volumes 1-3 Kati Wilde 2014-12-08

Collecting the first three novellas in the Hellfire Riders series, this box set features the complete story of one couple -- the president of the Hellfire Riders MC, Saxon Gray, and the woman he'd cross any line to have... Wanting It All He's the one man I can never have, but the only one I crave... Saxon Gray has reason to hate me. He spent five years in prison after saving me from a brutal violation at the hands of a rival motorcycle club - and he paid for that rescue with his freedom. I've never been able to settle the debt I owe him...until now. The menace of that old rivalry is flaring up again, and as president of the Hellfire Riders, Saxon is the one man who can keep me safe. But I want more than his protection. I want his heart. Taking It All Heaven is finally having Saxon Gray in my arms. Hell is knowing that I might lose him. After I spent years loving him from a distance, the president of the Hellfire Riders

MC is finally mine. Every day he's at my side; every night he's in my bed. It would be everything I'd ever wanted, except my dad is sick, and trouble is brewing now that Saxon's club is taking over my father's. Because bad blood between the two MCs still lingers, and an old rule requiring Saxon to share me with the other club members is being used as a weapon, forcing him to choose between me and the Hellfire Riders. And I don't know if he'll choose me...or how far I might go to keep him. Having It All Now that Jenny Erickson is mine, I've got everything I want. Until one shotgun blast almost rips it away... As president of the Hellfire Riders, there's two things I care about: protecting my woman and destroying the Eighty-Eight before they take everything I've fought for. They've hurt Jenny before and I swore that I'd rip out my own heart before they hurt her again. Every heated touch, every scorching kiss is a promise to keep her safe. Moon Raymond Mason

2006-06 Stony Suitt went to the Yuma Arizona Territorial Prison for five years. Now he's out and returning to the town of Buckeye, Arizona where he was raised. It is his intent to find the men guilty of framing him for robbing a stagecoach that was carrying fifty thousand dollars in cash. When he begins to ask questions, people begin to worry; including his childhood friend, Jack Thompson, Buckeye's sheriff. Things really begin to heat up when a noted lawman by the name of Cody Lane takes up Suitt's cause and begins helping the big, rugged cowboy clear his name. As they begin to uncover the truth,

desperate measures are taken by the guilty parties to eliminate them and anyone that might be helping them in their search for the truth. When the two big men are arrested for the murder of a prominent businessman in Buckeye, they know the frame is on again. This time, however, they have an ally in the sheriff's wife. She knows what is going on and helps the two escape. The climax comes on a night when the moon is a deep red, and signals a bloody end to the guilty parties. The Rainbow Trail Zane Grey 2021-09-28 The Rainbow Trail Zane Grey - The Rainbow Trail, also known as The Desert Crucible, is Western author Zane Grey's sequel to Riders of the Purple Sage. Originally published under the title The Rainbow Trail in 1915, it was re-edited and re-released in recent years as The Desert Crucible with the original manuscript that Grey submitted to publishers. The novel takes place ten years after events of Riders of the Purple Sage. The wall to Surprise Valley has broken, and Jane Withersteen is forced to choose between Lassiter's life and Fay Larkin's marriage to a Mormon. Both novels are notable for their protagonists' mild opposition to Mormon polygamy, but in The Rainbow Trail this theme is treated more explicitly. The plots of both books revolve around the victimization of women in the Mormon culture: events in Riders of the Purple Sage are centered on the struggle of a Mormon woman who sacrifices

her wealth and social status to avoid becoming a junior wife of the head of a local church, while The Rainbow Trail contrasts the older Mormons with the rising generation of Mormon women who will not tolerate polygamy and Mormon men who do not seek it.
