This novel follows the great king David, not only a great military leader and exceptional king of Israel, he also committed some of the most dramatic sins found in the Bible, from adultery to murder. An imperfect follower of God, David's journey of faith eventually earned him the description, "A man after God's own heart", given him by God Himself. Writer of many of the Biblical Psalms and part of the lineage of Jesus Christ, this novel will change your perspective on this flawed King and allow you to see God's

howling. A young boy had traded the lives of his family for power. And a Christian scholar, fleeing with his pregnant wife from her enraged father, must track down the magic threatening his world. All paths lead to the squalid and filthy prison deep below the city, where a man who believes he is a wolf lies chained, and the spirits of the dead are waking. The Norsemen camped outside the city have their own legends, of the wolf who will kill the gods, but no true Christian could believe such a thing. And yet it is clear to Loys that Ragnarok is coming. Will he be prepared to sacrifice his life, his position, his wife and his unborn child for a god he doesn't believe in? And deep in the earth, the wolfman howls ...
