

Saga Of Alexander The Great

The Enigmatic Realm of **Saga Of Alexander The Great**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Saga Of Alexander The Great** a literary masterpiece penned by way of a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of people who partake in its reading experience.

Alexander the Great Paul Cartledge

2005-11-01 Alexander the Great is the towering hero of the classical world: a fearless general, the conqueror of the Persians, and the visionary ruler of a vast empire. In this seminal biography, Paul Cartledge, one of the world's foremost scholars of ancient Greece, gives us the most reliable and intimate portrait of the man himself. Cartledge brilliantly evokes Alexander's remarkable political and military accomplishments, cutting through the myths to show why he was such a great leader. He explores our endless obsession with Alexander and gives us insight into both his capacity for brutality and his sensitive grasp of international politics. As he brings Alexander vividly to life, Cartledge also captures his enduring impact on world history and culture.

Other People's Horses Natalie Keller Reinert 2021-08-05 □ Semi-Finalist, 2013 Dr. Tony Ryan Book Award "This is a horse story for grown-ups. The Black Stallion for adults." "Written by a horse person for horse people" "Enchanting and consuming." Six horses and Saratoga. It's a young trainer's dream come true, and it's happening for Alex at last: Alexander is entrusting the farm's racing string to her while he heads Down Under to help run his sick brother's farm. But Saratoga isn't interested in Alex without Alexander. Unproven and decidedly female in a man's world, Alex finds herself the target of old-school racetrackers certain she married her way into training good horses. At the same time, her naïve assistant, Kerri, is far too interested in the less-than-scrupulous trainer

who shares their barn. But running a racing stable doesn't leave much time for petty fights and stable rivalries. Horses need to be worked, races need to be run. And Alex has her eye on something besides the winner's circle: a funny-faced filly, a chestnut nobody with a spotty blaze and a decided lack of brakes. Saratoga thinks the filly has a screw loose. But Alex knows better. From training track gossip to tack-room confidantals, OTHER PEOPLE'S HORSES is the perfect stand-alone novel for fans of horses, equestrian sport, and horse racing -- or enjoy it alongside the companion novels in the Alex & Alexander Series.

Sagas of Imagination: A Medieval Icelandic Reader Ben Waggoner 2017-12-15

The Norse men and women who sailed to Iceland brought stories with them--stories of their lives and their ancestors, passed down for centuries, going back in time to great Vikings, legendary heroes, and even the ancient gods and goddesses. A new wave of stories entered with Christianity--stories of exotic lands and beasts, of saints and holy men facing demons and monsters. A third wave of stories came to Iceland via Norway, whose king had commissioned translations of tales of chivalry--of the courtly love of gallant knights and beautiful ladies. And all of these blended together in Iceland, creating swashbuckling sagas unlike any other medieval literature. This book presents eleven sagas and six shorter texts tracing the growth of these sagas of adventure, from Norse legends of King Half and Asmund Champion's Bane, to the life of the Apostle Bartholomew, to tales of Parceval and King Arthur, to the sagas of heroes like Vilmund the

Outsider and Yngvar the Far-Traveler and Samson the Fair.

The Rewriting of Njáls Saga Jón Karl Helgason 1999-01-01 The Rewriting of Njáls saga concerns itself with the process which enables literary texts to cross cultures and endure history. Through six interrelated case studies, Jón Karl Helgason focuses on the reception of Njáls saga, the most distinguished of the Icelandic sagas, in Britain, the United States, Denmark, Norway and Iceland, between 1861 and 1945. The editions and translations in question claim to represent a medieval narrative to their audience, but Helgason emphasises how these texts simultaneously reflect the rewriters' contemporary ideas about race, culture, politics and poetics. Introducing the principles of comparative Translation Studies to the field of Medieval Literature, Helgason's book identifies the dialogue between literary (re)production and society.

Ghost on the Throne James S. Romm 2011 Chronicles the dramatic collapse of Alexander the Great's empire, discussing the unsuccessful reigns of his half-brother and posthumously born son, the infighting among his generals, and the ensuing war that set the stage for modern conflicts.

Pièces relatives aux événements des 18 et 19 brumaire an VIII. 1799

Alexander Valerio Massimo Manfredi 2002 Continuing the epic saga of Alexander the Great, this book describes Alexander's quest to conquer Asia, the limitless domain ruled by Darius, the great King of the Persians. Alexander and his men cripple Darius' domination of land and sea, and move ruthlessly onward to the mysterious land of Egypt.

By the Spear Ian Worthington 2014 Looks at the relationship between Philip II and his son, Alexander the Great, and their roles in the rise of the Macedonian empire.

The Routledge Research Companion to the Medieval Icelandic Sagas Ármann Jakobsson 2017-02-17 The last fifty years have seen a significant change in the focus of saga studies, from a preoccupation with origins and development to a renewed interest in other topics, such as the nature of the sagas and their value as sources to medieval ideologies and mentalities. The Routledge Research Companion

to the Medieval Icelandic Sagas presents a detailed interdisciplinary examination of saga scholarship over the last fifty years, sometimes juxtaposing it with earlier views and examining the sagas both as works of art and as source materials. This volume will be of interest to Old Norse and medieval Scandinavian scholars and accessible to medievalists in general.

The Ethics of Empire in the Saga of Alexander the Great David Ashurst 2009 Alexanders saga, the saga of Alexander the Great was most probably presented by an Icelander as a gift to the joint kings of Norway in the winter of 1262-3. The Icelander abbot Brandr Jonsson had just been appointed bishop of Holar by the Norwegian hierarchy thus becoming the first native of Iceland for several decades to occupy an Icelandic see And 1262 was the very year in which Iceland finally succumbed to pressure and became part of the Norwegian empire. Keeping these events in sight without laying undue emphasis on them. The Ethics of Empire examines the thinking of the saga in contrast with that of its source. Walter of Chatillon's *Alexandreis* the most successful Latin epic of the Middle Ages. Walter's poem is radically ambiguous in its portrayal of Alexander, but the Old Norse-Icelandic translator proves himself more than a match for his master clarifying some issues whilst adding ambiguities of his own and producing a work of astonishing richness and subtlety. The present analysis gives special prominence to the relationship between the scene in which God promises Alexander sovereignty over all peoples and that in which the Macedonian declares his wish to conquer peoples who may live beyond the world of the northern hemisphere.

Heimskringla - The Norse King Sagas Snorre Sturlason 2011-03-24 This early work of poetry is both expensive and hard to find in its first edition. Written in the early thirteenth century, it contains a collection of sagas about Norwegian kings. This is a fascinating work and is thoroughly recommended for anyone interested in Norse history. Contents Include: Dedication to King Haakon VII - Editor's Introduction - Translator's Preface - Snorre's Preface - The Ynglinga Saga, Semi-Mythical - Historic Sagas - Halfdan the Black - Harald the

Fairhaired - Haakon the Good - Eric's Sons - Earl Haakon - King Olaf Tryguesson - King Olaf the Saint - Magnus the Good - Harald the Stern - Olaf the Quiet - Magnus Barefoot - The Sons of Magnus - Magnus the Blind and Harald Gille - The Sons of Harald - Haakon the Broad-Shouldered - Magnus Erlingson - List of Old Sagas - List of Kings of Sweden, Denmark, Norway - Index of Names and Places.

The Cambridge Introduction to the Old

Norse-Icelandic Saga Margaret Clunies Ross 2010-10-28 The medieval Norse-Icelandic saga is one of the most important European vernacular literary genres of the Middle Ages. This Introduction to the saga genre outlines its origins and development, its literary character, its material existence in manuscripts and printed editions, and its changing reception from the Middle Ages to the present time. Its multiple sub-genres - including family sagas, mythical-heroic sagas and sagas of knights - are described and discussed in detail, and the world of medieval Icelanders is powerfully evoked. The first general study of the Old Norse-Icelandic saga to be written in English for some decades, the Introduction is based on up-to-date scholarship and engages with current debates in the field. With suggestions for further reading, detailed information about the Icelandic literary canon, and a map of medieval Iceland, this book is aimed at students of medieval literature and assumes no prior knowledge of Scandinavian languages.

Alexander the Great Anthony Everitt 2019-08-27 What can we learn from the stunning rise and mysterious death of the ancient world's greatest conqueror? An acclaimed biographer reconstructs the life of Alexander the Great in this magisterial revisionist portrait. "[An] infectious sense of narrative momentum . . . Its energy is unflagging, including the verve with which it tackles that teased final mystery about the specific cause of Alexander's death."—The Christian Science Monitor More than two millennia have passed since Alexander the Great built an empire that stretched to every corner of the ancient world, from the backwater kingdom of Macedonia to the Hellenic world, Persia, and ultimately to India—all before his untimely death at age thirty-three. Alexander believed that his empire would stop only when he reached the

Pacific Ocean. But stories of both real and legendary events from his life have kept him evergreen in our imaginations with a legacy that has meant something different to every era: in the Middle Ages he became an exemplar of knightly chivalry, he was a star of Renaissance paintings, and by the early twentieth century he'd even come to resemble an English gentleman. But who was he in his own time? In *Alexander the Great*, Anthony Everitt judges Alexander's life against the criteria of his own age and considers all his contradictions. We meet the Macedonian prince who was naturally inquisitive and fascinated by science and exploration, as well as the man who enjoyed the arts and used Homer's great epic the Iliad as a bible. As his empire grew, Alexander exhibited respect for the traditions of his new subjects and careful judgment in administering rule over his vast territory. But his career also had a dark side. An inveterate conqueror who in his short life built the largest empire up to that point in history, Alexander glorified war and was known to commit acts of remarkable cruelty. As debate continues about the meaning of his life, Alexander's death remains a mystery. Did he die of natural causes—felled by a fever—or did his marshals, angered by his tyrannical behavior, kill him? An explanation of his death can lie only in what we know of his life, and Everitt ventures to solve that puzzle, offering an ending to Alexander's story that has eluded so many for so long.

Alexander the Great in the Middle Ages Markus Stock 2016-01-01 In the Middle Ages, the life story of Alexander the Great was a well-traveled tale. Known in numerous versions, many of them derived from the ancient Greek Alexander Romance, it was told and re-told throughout Europe, India, the Middle East, and Central Asia. The essays collected in *Alexander the Great in the Middle Ages* examine these remarkable legends not merely as stories of conquest and discovery, but also as representations of otherness, migration, translation, cosmopolitanism, and diaspora. Alongside studies of the Alexander legend in medieval and early modern Latin, English, French, German, and Persian, *Alexander the Great in the Middle Ages* breaks new ground by examining rarer topics such as Hebrew Alexander romances,

Coptic and Arabic Alexander materials, and early modern Malay versions of the Alexander legend. Brought together in this wide-ranging collection, these essays testify to the enduring fascination and transcultural adaptability of medieval stories about the extraordinary Macedonian leader.

The Novels of Alexander the Great Mary Renault 2013-09-10 A New York

Times–bestselling trilogy about the ancient Greek kingdom of Macedon and its leader from an author hailed by Hilary Mantel as “a shining light.” *Fire from Heaven* is a gripping account of the formative years of Alexander’s life. The story tells of his complex relationship with his parents; of his two great bonds—to his horse, Oxhead, and to his dearest friend and eventual lover, Hephaestion—and of the army he commands when he is barely an adult. Coming of age during the battles for southern Greece, Alexander the Great first takes someone’s life at age twelve and swiftly eliminates his rivals as soon as he comes to power, emerging in this novel as a captivating and complex figure. The iconic *Persian Boy* centers on the Macedon king as seen through the eyes of his lover and most faithful attendant, the eunuch Bagoas. When Bagoas is very young, his father is murdered and he is sold as a slave to King Darius of Persia. Then, when Alexander conquers the land, he is given Bagoas as a gift, and the boy is besotted. This passion comes at a time when much is at stake—Alexander has two wives, conflicts are ablaze, and plots on his life abound. The result is a riveting account of a great conqueror’s years of triumph and, ultimately, heartbreak. In *Funeral Games*, a bloody struggle for power rages after the death of Alexander, leaving an empire that extends from the Adriatic Sea to the Indus River. The power players include Ptolemy, two father-son teams, and a cadre of influential women—not least of whom is Eurydike, whose plan is to marry Alexander’s disabled brother, Arridaios. Brimming with outsize personalities, brazen plots, and a sweeping sense of history, *Funeral Games* brings to vivid life the world of Alexander the Great, and the seismic tumult in the wake of his death. This ebook features an illustrated biography of Mary Renault including rare images of the author. “Mary Renault is a shining light to both historical novelists and

their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us.” —Hilary Mantel

Annual Report of the Board of Regents Smithsonian Institution 1892

Funeral Games Mary Renault 2013-09-10 The conclusion to the New York Times–bestselling trilogy of ancient Greece by the author Hilary Mantel calls “a shining light.” By the end of his reign, Alexander the Great had seized control of an empire that extended from the Adriatic Sea to the Indus River. When he died in 323 BC, a fervent scramble for power ensued. *Funeral Games* is Mary Renault’s remarkable novel of this turmoil and the gradual erosion of the Greek empire. The power players include Ptolemy, two father-son teams, and a cadre of influential women—not least of whom is Eurydike, whose plan is to marry Alexander’s disabled brother, Arridaios. Brimming with outsize personalities, brazen plots, and a sweeping sense of history, *Funeral Games* brings to vivid life the world of Alexander the Great, and the seismic tumult in the wake of his death. *Funeral Games* is the final volume of the *Novels of Alexander the Great* trilogy, which begins with *The Persian Boy* and *Fire from Heaven*. This ebook features an illustrated biography of Mary Renault including rare images of the author. “Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us.” —Hilary Mantel

The Touch Colleen McCullough 2003-11-25 Not since *The Thorn Birds* has Colleen McCullough written a novel of such broad appeal about a family and the Australian experience as *The Touch*. At its center is Alexander Kinross, remembered as a young man in his native Scotland only as a shiftless boilermaker’s apprentice and a godless rebel. But when, years later, he writes from Australia to summon his bride, his Scottish relatives quickly realize that

he has made a fortune in the gold fields and is now a man to be reckoned with. Arriving in Sydney after a difficult voyage, the sixteen-year-old Elizabeth Drummond meets her husband-to-be and discovers to her dismay that he frightens and repels her. Offered no choice, she marries him and is whisked at once across a wild, uninhabited countryside to Alexander's own town, named Kinross after himself. In the crags above it lies the world's richest gold mine. Isolated in Alexander's great house, with no company save Chinese servants, Elizabeth finds that the intimacies of marriage do not prompt her husband to enlighten her about his past life - or even his present one. She has no idea that he still has a mistress, the sensual, tough, outspoken Ruby Costevan, whom Alexander has established in his town, nor that he has also made Ruby a partner in his company, rapidly expanding its interests far beyond gold. Ruby has a son, Lee, whose father is the head of the beleaguered Chinese community; the boy becomes dear to Alexander, who fosters his education as a gentleman. Captured by the very different natures of Elizabeth and Ruby, Alexander resolves to have both of them. Why should he not? He has the fabled "Midas Touch" -- a combination of curiosity, boldness and intelligence that he applies to every situation, and which fails him only when it comes to these two women. Although Ruby loves Alexander desperately, Elizabeth does not. Elizabeth bears him two daughters: the brilliant Nell, so much like her father; and the beautiful, haunting Anna, who is to present her father with a torment out of which for once he cannot buy his way. Thwarted in his desire for a son, Alexander turns to Ruby's boy as a possible heir to his empire, unaware that by keeping Lee with him, he is courting disaster. The stories of the lives of Alexander, Elizabeth and Ruby are intermingled with those of a rich cast of characters, and, after many twists and turns, come to a stunning and shocking climax. Like *The Thorn Birds*, Colleen McCullough's new novel is at once a love story and a family saga, replete with tragedy, pathos, history and passion. As few other novelists can, she conveys a sense of place: the desperate need of her characters, men and women, rootless in a strange land, to create new beginnings.

Prehistoric Naval Architecture of the North of Europe George H. Boehmer 1893

The Conqueror's Wife Stephanie Thornton 2015-12-01 A novel from the acclaimed author of *The Tiger Queens*, for readers looking for "strong and determined female protagonists" (Historical Novel Society) and "a sprawling historical saga" (Renee Rosen)... We are the women who loved Alexander the Great. We were lovers and murderers, innocents and soldiers. And without us, Alexander would have been only a man. Instead he was a god. 330s, B.C.E., Greece: Alexander, a handsome young warrior of Macedon, begins his quest to conquer the ancient world. But he cannot ascend to power, and keep it, without the women who help to shape his destiny. His spirited younger half-sister, Thessalonike, yearns to join her brother and see the world. Instead, it is Alexander's boyhood companion who rides with him into war while Thessalonike remains behind. Far away, crafty princess Drypetis will not stand idly by as Alexander topples her father from Persia's

throne. And after Alexander conquers her tiny kingdom, Roxana, the beautiful and cunning daughter of a minor noble, wins Alexander's heart...and will commit any crime to secure her place at his side. Within a few short years, Alexander controls an empire more vast than the civilized world has ever known. But his victories are tarnished by losses on the battlefield and treachery among his inner circle. And long after Alexander is gone, the women who are his champions, wives, and enemies will fight to claim his legacy... CONVERSATION GUIDE INCLUDED

A Companion to Alexander Literature in the Middle Ages David Zuwiyya 2011-07-27

Drawing on decades of research on Alexander literature from all over the world, this book is bound to become a medievalist's best companion. It studies Alexander romances from the East and the West in literary form and content.

Book of Alexander (Libro de Alexandre) Richard Rabone 2009-10-19 The Libro de Alexandre is an epic poem about the life of Alexander the Great, written by an anonymous Spanish cleric in the thirteenth century. It is the most substantial poem (and almost certainly the first) composed in the learned cuaderna vía verse form and provides a unique insight into the intellectual world from which it sprang.

Lion of Macedon David Gemmell 2011-06-08 Over and again, the aged seeress Tamis cried all the possible tomorrows. In every one, dark forces threatened Greece; terrible evil was poised to reenter the world. The future held only one hope: a half-caste Spartan boy, Parmenion. So Tamis made it her mission to see that Parmenion would be the deadliest warrior in the world -- no matter what the cost. Raised to manhood in Sparta, bullied and forced to fight for his life every day, Parmenion had no notion of the unseen dimensions of magic and mystery that shaped his fate. He grew in strength and cunning. His military genius earned him the title Strategos in Sparta. His triumphs for the city of

Thebes made him a hero. And finally his fate led him to the service of Philip of Macedon. As Tamis had foreseen, Parmenion's destiny was tied to the Dark God, to Philip, and to the yet-unborn Alexander. All too soon the future was upon them. Parmenion stood poised to defeat evil -- or to open the gate for the Dark God to reenter the world.

Prime Directive Alexander Geiger 2019-04-15 A split-second decision saves the life of a young boy - and changes the course of history ...

Ptolemaios was supposed to keep his head down and stay out of trouble. Instead, his rash intervention strands him in ancient Macedonia, where he is quickly captured and presumed to be a Persian spy. In the nick of time, King Philip II recognizes that Ptolemaios is strangely different from other Greeks or Persians - more educated, more "civilized," yet also a talented fighter. Philip decides to find a use for Ptolemaios at his court. But the Macedonian court is a snake pit, in every sense of the word. As newly-appointed companion to young Alexandros, presumptive heir to Philip's throne, Ptolemaios must depend on his wits to stay alive and ensure the safety of the prince. The stakes escalate as Philip II seeks to expand his power beyond Macedonia. Caught in a monumental struggle for domination and hegemony, Ptolemaios finds his loyalties tested. How can he stay true to the Macedonian royal house without violating his own, internal Prime Directive? As he travels through the captivating world of ancient Greece, Ptolemaios meets not only King Philip II but also Queen Olympias, Alexander the Great, Aristotle, Demosthenes, and a host of young men and women striving to survive and achieve their destinies. Filled with white-knuckle adventures, aching romance, vivid battle scenes, and fascinating depictions of life three centuries before the birth of Christ, this epic novel will leave you thrilled, amused, enlightened, and intrigued. And best of all, it's all (mostly) true. *Conquest of Persia* Alexander Geiger 2019-04-15

A seemingly hopeless quest for glory turns into a life-and-death struggle for empire. The Oracle at Delphi dubbed him Invincible Alexander. He does his best to live up to Pythia's prophecy, much to the chagrin of his bitter adversary - the powerful and ruthless Emperor Darius III of Persia. As recounted by Ptolemaios, Alexander's long-time bodyguard and friend, Alexander careens from hopeless battle to desperate siege, somehow managing to emerge victorious each time. Accompanied by the beautiful and independent-minded Barsine, Alexander the Great leads his troops into Egypt and is crowned Pharaoh. Yet, he's plagued by doubt. He decides to cross the Sahara, escorted only by his personal bodyguard, in search of divine sanction. Hearing himself proclaimed a demigod, Alexander returns, more determined than ever to fulfill his destiny. With each military victory, his appetite for further conquest grows. His next objective is the throne of the Persian Empire itself. The only obstacle in his way is the current occupant of that throne. In the meantime, Darius has not been standing idly by. Exploiting the almost limitless resources of Persia, he builds his greatest fighting machine yet. An epic showdown is inevitable. The victor can look forward to the carnal and sybaritic pleasures of Babylon, the treasures of Susa, the palaces of Persepolis, and the endless riches of the Persian Empire. The two armies clash in the momentous Battle of Gaugamela. The outcome marks a turning point in world history. But you have to read this third installment of the Ptolemaios Saga to find out who won, how, and what came next.

Antipater's Dynasty John D. Grainger
 2019-02-28 "A compelling review of Antipater and his family . . . A gripping story of a real game of thrones" from the author of the Seleukid Empire trilogy (Firetrench). Antipater was a key figure in the rise of Macedon under Philip II and instrumental in the succession of Alexander III (the Great). Alexander entrusted Antipater with ruling Macedon in his long absence and he defeated the Spartans in 331 BC. After Alexander's death he crushed a Greek uprising and became regent of the co-kings, Alexander's mentally impaired half-brother (Philip III Arrhidaeus) and infant son (Alexander IV). He brokered a settlement between the

contending Successors but died in 319 BC, having first appointed Polyperchon to succeed as regent in preference to his own sons. Antipater's eldest son Cassander later became regent of Macedon but eventually had Alexander IV killed and made himself king. Three of his sons in turn briefly succeeded him but could not retain the throne. Antipater's female heirs are shown to be just as important, both as pawns and surprisingly independent players in this Macedonian game of thrones. The saga ends with the failed bid by Nikaia, the widow of Antipater's great grandson Alexander of Corinth, to become independent ruler of Macedon. "A great book by a great author on one of the most important of the Diadochi." —A Wargamers Needful Things

Alexanders Saga Andrea de Leeuw van Weenen
 2009 The oldest manuscript of Alexanders Saga - AM 519a 4', from c. 1280 - is considered to be one of the most important extant pieces of Icelandic writing from the medieval period. Alexanders Saga is the Norse translation of Walter de Chatillon's epic poem about Alexander the Great - *Alexandreis*. This book is a facsimile reproduction of the original Old Icelandic text. It also includes an introduction, a commentary, and an annotation in English. It contains a quantitative analysis of the manuscript's palaeography, orthography, and phonetic system, as well as a lemmatized index. The accompanying CD-ROM contains colour illustrations of the complete manuscript and reproduces the text in a diplomatic and normalized version, allowing the user easy access to the three text levels, as well as other functions.

The Lost Book of Alexander the Great
 Andrew Young 2022-01-27 A Reconstruction of Ptolemy I's History of Alexander's Conquests, a Primary Source Cited in Later Books That Disappeared More Than One Thousand Years Ago Alexander the Great is well known as one of the first great empire builders of the ancient world. Among those fellow Macedonian officers who accompanied Alexander in his epic conquests from Greece to India was Ptolemy Lagides. Ptolemy served alongside Alexander from the Persian defeat at the Battle of Issus in modern-day Turkey and the journey to find the oracle that proclaimed Alexander to be Zeus

incarnate, to the Battle of the Hydaspes River in 326 BC that opened India to the West. Following Alexander's death, Ptolemy gained control of Egypt where he founded the dynasty in his name, created the great library of Alexandria, and was patron of the mathematician Euclid. Sometime during his rule in Egypt, Ptolemy wrote a history of Alexander's conquests.

Although it is probable that Ptolemy enhanced his own importance, sources indicate that it was regarded as an accurate and even-handed account of the campaigns of Alexander.

However, Ptolemy's book was lost--perhaps with the destruction of the library he founded--and not even an original fragment has survived. His book, however, was acknowledged as a primary source of information for later Roman historians.

In *The Lost Book of Alexander the Great*, Andrew Young explores the world of ancient writings about the Macedonian leader in order to determine whether any of Ptolemy's writings can be recovered. Inspired by Stephen Greenblatt's distinguished biography of Shakespeare, *Will in the World*, and written for the general reader, the author uses literary forensics to suggest which parts of later books about Alexander the Great, most notably the account by Arrian of Nicomedia, might be the words of Ptolemy. In addition to separating later Roman sensibilities from the original Greek of Ptolemy, the author re-creates the famous library of Alexandria, and takes the reader along on Alexander's conquests as closely as we can to how Ptolemy may have recounted them.

Fire from Heaven Mary Renault 2013-09-10 New York Times Bestseller and Man Booker Prize Finalist: A novel of ancient Greece by the author Hilary Mantel calls "a shining light." Alexander the Great stands alone as a leader and strategist, and *Fire from Heaven* is Mary Renault's unsurpassed dramatization of the formative years of his life. His parents fight for their precocious son's love: On one side, his volatile father, Philip, and on the other, his overbearing mother, Olympias. The story tells of the conqueror's two great bonds—to his horse, Oxhead, and to his dearest friend and eventual lover, Hephaestion—and of the army he commands when he is barely an adult. Coming of age during the battles for southern Greece, Alexander the Great appears in all of his

colors—as the man who first takes someone's life at age twelve and who swiftly eliminates his rivals as soon as he comes to power—and emerges as a captivating, complex, larger-than-life figure. *Fire from Heaven* is the first volume of the *Novels of Alexander the Great* trilogy, which continues with *The Persian Boy* and *Funeral Games*. This ebook features an illustrated biography of Mary Renault including rare images of the author. "Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us." —Hilary Mantel

Alexander Valerio Manfredi 2014-07-03

Continuing the epic saga of Alexander the Great, *Alexander: The Sands of Ammon* brilliantly describes Alexander's quest to conquer Asia, the limitless domain ruled by the Great King of the Persians. In a seemingly impossible venture, Alexander and his men storm Persian fortresses and harbours, crippling King Darius' domain of land and sea. Even the legendary Halicarnassus is defeated by the Macedonian armies.

Ruthlessly, Alexander's war machine moves ever onward taking him up into the snow-covered Anatolian highlands. But there is danger ahead. Despite the defeat of Darius, the Island City of Tyre and the Towers of Gaza prove to be formidable obstacles. Undeterred, Alexander surges forth over land and sea to the mysterious land of Egypt. And there, in the sands, lies the Oracle of Ammon, waiting to reveal an amazing truth to Alexander. One that will change his already amazing life.

The Wrath of Alexander the Great Terry McCarthy 2021-03-27 *The Wrath of Alexander the Great* introduces a bold new character into the realm of hair-raising adventure: the legendary Commander Barkane of Carthage. Combat-trained down to his fingernails, Barkane is the world's first military commando. He and his highly trained crew must journey to the famed fortress-city of Tyre and retrieve secrets of the state so valuable that Alexander the Great himself will turn the continent upside down to get his hands on them. One problem: Tyre is

under siege by one hundred-thousand of Alexander's men, each and every one of them hungry for Barkane's blood. The commandos must somehow break into the city, secure the secrets, and then escape. It is impossible, of course, and Alexander knows it. But Carthage has sent Commander Barkane, and so Alexander is in for a surprise!

Farmers and Mercenaries Maxwell Alexander Drake 2009-06 2009 Moonbeam Young Adult Fantasy Award Winner for Excellence in Literature.Named Dragon Roots Magazine's Best New Fantasy Saga of 2009.In a sleepy farming stead, a young man, Alant Cor, is found to be one of the few Humans who can manipulate the Essence. And, not simply manipulate it. Alant has more power over this magical force than any Human in known history. Does his younger brother, Arderi Cor, possess the same ability, or something more sinister? Clytus Rillion, the commander of a mercenary troop, embarks on a quest to cure his dying son, Sindian. Though he doubts he will survive the journey, he will pay any price to save his son's life.The beast, known only as Klain, born a slave and now used to entertain the masses in a bloodthirsty sport known as the Games, finds out his true value to those who own him lies with his death.All are resigned to walk the paths fate has put them upon. Yet, is this of their own accord? Or, is an ancient and powerful race, the Elmorr'Antiens, manipulating the other inhabitants of Talic'Nauth? Change is falling upon the Plane. Some Elmorr'Antiens are making preparations to weather the storms ahead - others intend to use the coming chaos to seize power over all the races.Follow these seemingly unrelated lives as their paths are set on a course that none can hope to survive. Readers of the Genesis of Oblivion Saga will immerse themselves in the depth of a unique world culture, the grandeur of its civilizations, and the sheer awe of more than ninety-six thousand years of history!

The Greek Alexander Romance Richard Stoneman 1991-04-25 Mystery surrounds the parentage of Alexander, the prince born to Queen Olympias. Is his father Philip, King of Macedonia, or Nectanebo, the mysterious sorcerer who seduced the queen by trickery? One thing is certain: the boy is destined to conquer the known world. He grows up to fulfil

this prophecy, building a mighty empire that spans from Greece and Italy to Africa and Asia. Begun soon after the real Alexander's death and expanded in the centuries that followed, The Greek Alexander Myth depicts the life and adventures of one of history's greatest heroes - taming the horse Bucephalus, meeting the Amazons and his quest to defeat the King of Persia. Including such elements of fantasy as Alexander's ascent to heaven borne by eagles, this literary masterpiece brilliantly evokes a lost age of heroism.
