Inspired by them, he set off for a year-long trip around the world before he started his career. He finally came home after ten years. Over 500,000 miles, 1,000 hostels, and 90 different countries later, Matt has compiled his favorite stories, experiences, and insights into this travel manifesto. Filled with the color and perspective that only hindsight and self-reflection can offer, these stories get to the real questions at the heart of wanderlust. Travel questions that transcend the basic "how-to," and plumb the depths of what drives us to travel — and what extended travel around the world can teach us about life, ourselves, and our place in the world. *Ten Years a Nomad* is for travel junkies, the travel-curious, and anyone interested in what you can learn about the world when you don't have a cable bill for a decade or spend a month not wearing shoes living on the beach in Thailand.

How to Vacation & Travel Safely..and Come Back Alive Earnest Hart Jr. 2011-11-18 How to Vacation and Travel Safely..and Come Back Alive begins with the real life story of how author Earnest Hart, Jr. was held captive in Thailand while visiting for a series of kickboxing matches. Hart felt vulnerable in this foreign land where the government was run by a military that imposed their will upon the foreign contestants with Uzis and intimidation. Forced to realize that the world we live in is as dangerous outside of the ring as it is inside, Hart continued his martial arts training and added to his knowledge by studying all available material related to security. I didn't get a bit of sleep that night. I sat up in my bed with my back to the wall, looking at the door and hoping no one would come through it. I started to wonder if I was ever going to get back to the U. S. alive. No one outside of Thailand really knew where I was. The most important questions I went over many times during that night were, How could I have prevented this from happening, and how do I get out of this situation? Since 9/11, personal safety has never been more paramount. Harts book is an in-depth look at the realities of traveling in the new millennium and managing to stay safe in spite of the many obstacles that may arise. Focusing on important principles for individuals and families to help prepare themselves for real life encounters, the author lays out a detailed yet easy to understand plan for the readers to follow and make a part of their traveling and everyday routines. Earnest Hart, Jr. is a world-class martial arts champion, physical fitness trainer, actor and seminar specialist. He regularly presents workshops and lectures, captivating his audiences with details of his life experiences and providing them with straight talk about their personal safety.
