Riding to Hounds in America William P. Wadsworth 1962

Cross Country with Horse and Hound Frank Sherman Peer 1902 Strange as it may seem, there never has been a book published in America on the subject of cross country riding to hounds. Having moved into a hunting country without previous knowledge of the sport, the author undertook to follow the hounds after witnessing a run from a friend's carriage. To his chagrin, he discovered how much he had been against the unwritten laws of the hunting field, and he determined to place in the hands of similar uninitiated ones something in the nature of a guide. This work is therefore intended to give the novice an insight into the game from the point of view both of hunting and of riding, so that he may obtain from the sport a full measure of the delights it has to offer. The author has had considerable experience in breeding, rearing, and schooling hunters and has been fortunate in bringing to this work quite extensive observations of many different packs of hounds in European countries, as well as in the United States and Canada. His chief aim is to encourage this most noble sport for sport's sake, to contrast the genuine sportsman with the artificial, and to pay to that noblest of animals, the horse, and especially the "hunter," a debt of gratitude for many a glorious hour in his company.

Riding to Hounds C. Guy Cubitt 19??

Horse and Hound Roger D. Williams 2017-08-25 This vintage book contains a complete guide to hunting, with information on equipment, history and origins, riding, training hounds, and much more. Although old, much of the information contained within this book is timeless and will be of considerable utility to the modern sportsman today. Contents include: "Hunting", "The Hunter", "Schooling of Hunts", "Cross-Country Riding", "Falls", "In The Field", "Women in the Field", "Scent", "The Fox", "Tricks and Habits of the Fox", "The Hound", "History and Origin American Hound", "Breeding and Rearing Hounds", etc. Many vintage books such as this are increasingly scarce and expensive. This volume is being republished now in an affordable, high-quality edition complete with a specially commissioned new introduction on the history of fox hunting.

Slash Ranch Hounds G. W. "Dub" Evans 2020-06-17 Some of the greatest hounds in the southwest match wits, courage, and endurance with the elusive cougar, bear, and wildcat. New Mexico and Arizona have produced some truly exceptional hounds and houndsmen over the years, and the Slash Ranch hounds were

among the best. Over much of the first half of the 1900's these hounds with Dub Evans were making a name for themselves all over the southwest. People coming from far and wide to witness them in action as well as for the chance to harvest bear and lion. The Black Range and Gila Wilderness of New Mexico where much of this book takes place, is still as wild and remote today as it was in the previous century. The bottomless labyrinths of canyons and snow-capped peaks a paradise for the sportsman. Home to such famous mountain men and frontiersmen as Ben Lilly, Nat Straw, and Montague Stevens, it is a place that can only be experienced. And what better way to experience it than to follow a pack of great hounds in pursuit? The answer is, there is none. The chase will take you places that few people have seen, and fewer still have tread. A Classic among hound books Slash Ranch hounds details much lion-lore mixed in with great stories of the chase. Much can be learned about the complex workings of the chase, as well as gaining a greater respect for the hounds and houndsmen. Without exaggeration, Evans describes his adventures with truth that can be felt through the pages. From tales of roping lions to catching stock-killing bear and cougar. This is adventure on the western frontier at its finest. So, saddle up, as this is a book for the modern houndsman as well as the armchair adventurer. This is a book to read next the campfire or fireplace, dreaming of hunts bygone and hunts still to come.

Foxhunt! Alison Hart 1995 Jina brings her three roommates home with her for the Thanksgiving break foxhunt, but she finds they do not all agree about the welfare of the fox.

Hounds and Hunting Through the Ages Joseph B. Thomas 2019-01-13 Hounds and Hunting through the Ages remains the definitive volume for the foxhunter of all skill levels. This primer of foxhunting covers all aspects of the sport, from the history and technique of hunting, to the development, selection, breeding and training of hounds. Beautifully illustrated throughout, this edition contains a complete glossary of hunting terms. It also includes a Foreword by Mason Houghland, the author of *Gone Away* and contributor of numerous stories on foxhunting to national magazines, as well as an Introduction by the Earl of Lonsdale, himself a keen sportsman whose name would later be given to the Lonsdale clothing brand. Authoritative and comprehensive, this great modern classic of the chase remains one of the most famous books of our time on the whole art and sport of Foxhunting. An essential addition to any sporting library.

Sporting Pilgrimage: Riding to Hounds, Golf, Rowing Caspar W. Whitney 1895 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The "ABC" Of Riding to Hounds (Classic Reprint) C. B. M. 2016-09-27 Excerpt from The "ABC" Of Riding to Hounds Before mounting, examine your girths, which in the case of a side saddle should be

further tightened after the rider is mounting seated. Also notice carefully your bits, to see that they hang sufficiently low in the horse's mouth to bear against the bars of his jaw and not against his cheeks. Most horses are over bitted either in weight or severity. Look especially at the throat latch, which can hardly be too loose. If tight, it will not only distress your horse, but in extreme cases, cause a rush of blood to his head. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Hounds in the Morning Carl B. Cone 2014-07-15 Across the rolling countryside of Regency England sound the call of the horn and the chorus of hounds, as huntsmen, hounds, and horses tear across fields and leap fencerows in ardent pursuit of Reynard. In a field outside London, two brawny men strip to the waist and prepare to batter each other to a pulp for the pleasure of the Fancy -- the hundreds of boxing fans who have ridden from all over England to see and bet on the illegal match. And through the streets of a country town, the lads rough-and-tumble in a wildly joyous game of football, while the populace cheers and the shopkeepers board up their windows. Such were the sights and sounds of the sporting life of England a hundred and fifty years ago. This sparkling collection of articles from the Sporting Magazine, dating from 1792 to 1836, attests to the vigor and variety of English sports in that era. The equestrian sports of fox and stag hunting, thoroughbred racing, and coaching were largely the passion of the landed classes, while all ranks of the populace relished bloody contests that set man against man or animal against animal -- boxing, cock fighting, bull baiting, rat killing. Throughout the land, team sports such as football and cricket, along with such individual activities as pedestrianism, shooting, archery, and skating, allowed men and women of all walks of life to test their muscles, their endurance, and their nerve. All these people and events filled the pages of the Sporting Magazine, the first periodical devoted exclusively to sports. Carl Cone provides a historical framework for these lively accounts by the first sport journalists. In addition, more than fifty engravings from the heyday of sporting art illustrate the exuberance of the time.

An Economic Analysis of 'Riding to Hounds' Dhammika Dharmapala 2010 Pierson v. Post, an 1805 New York case, concerns the ownership of a dead fox; Post had organized a fox hunt and was pursuing a fox, when Pierson appeared and killed the animal. The rule established by the court in this case (awarding ownership to Pierson) has proven to be highly influential. This article undertakes an economic analysis of the issues raised by the case. The incentives for the killing of foxes created by the court's rule and the alternative rule, giving property rights to Post, advocated in a vigorous dissent by Justice Livingston are analyzed. The consequences for social welfare are derived under various circumstances; the formal approach leads to a number of new insights. Finally, the implications of this analysis for contemporary issues in property law are explored through an application to the phenomenon of cybersquatting (involving the ownership of Internet domain names).

A Sporting Pilgrimage Caspar Whitney 1894

Riding to Hounds - A Guide to Choosing, Caring for and Riding Your Hunting Horse Anon. 2011-07 A helpful guide to riding a horse during a hunt. With chapters on routine in the stable, dressing and cleaning your horse, stable and saddle room, riding to hounds on a scent and first aid for horse and rider

Riding to Hounds - Containing Information on Horse Riding for the Hunt Stonehenge 2011-03-01 This book contains a definitive handbook on traditional horseback hunting, written by the master of sports writing, John Stonehenge Walsh. A comprehensive and detailed guide to horse riding for the hunt, this wonderful book is the perfect addition to any collection of antiquarian hunting and equestrian literature, as well as constituting a must-read for fans of Stonehenge's work. London-born John Henry Walsh (1810-1888) was a prolific English writer of sports who often went by the pseudonym, Stonehenge, whose notable works include *The Modern Sportsman's Gun and Rifle* (1882), *The Horse in the Stable and in the Field* (1861), and *The Shot-Gun and Sporting Rifle* (1859). This book contains the original text and illustrations, proudly republished here with a new introductory biography of the author.

A Guide to Riding with Hounds - A Collection of Historical Equestrian Articles on the Etiquette and Technique of Hunt Riding Various Authors 2016-08-26 This book contains a collection of historical equestrian articles on the horse as used for hunting, with information on the etiquette and technique of hunt-riding. This fascinating and informative text contains a wealth of useful and practical information on hunt-riding, much of which is timeless and will be of considerable value to anyone with an interest in the subject. The articles of this compendium include: 'Come, Ride with Me - Being a Small Book on Saddle Horses and Riding for Pleasure'; 'Saddle-Room Sayings - With Topics, Anecdotes, and Stories of the Hunter'; 'Riding and Horsemanship'; and 'The Horse in All His Varieties and Uses'. We are proud to republish this vintage book, now complete with a new and specially commissioned introduction on horses used for sport and utility.

Some Unwritten Laws of Organized Foxhunting and Comments on the Usages of the Sport of Riding to Hounds in America Louis V Breese 2015-10-22 This book contains a classic guide to hunting, with information on how, when, and where to hunt. This book is highly recommended for those with an interest in the history of English fox hunting, and would make for a fantastic addition to collections of vintage hunting literature. Contents include: "General," "Ad Infinitum," "Personal," "A Word to Landholders," "A Word Picture for Americans to Copy," "A Word as to Gossip," "As to the Huntsman," "Hunting Terms," "Names of Hounds," and "A Sportsman's Library." Many vintage books such as this are increasingly scarce and expensive. This volume is being republished now in an affordable, high-quality edition complete with a specially commissioned new introduction on the history of fox hunting.

Some Unwritten Laws of Organized Foxhunting Breese V 2013-12 Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact.

Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Celebrating Seventy Years of Riding to Hounds Jeff McMahan 1996

Hunting Sketches Anthony Trollope 2013-10-28 Historic essays on the art and psychology of fox hunting. Contents: The Man who Hunts and Doesn't Like it The Man who Hunts and Does Like it The Lady who Rides to Hounds The Hunting Farmer The Man who Hunts and Never Jumps The Hunting Parson The Master of Hounds How to Ride to Hounds Originally published in 1865, Anthony Trollope's *Hunting Sketches* takes the form of a collection of eight short texts that center around the subject of hunting. Being clearly fascinated by the subject, the author first discusses the difference between those who do practice the sport with pleasure and those who do it without pleasure. The texts can generally serve as guides to nineteenth-century techniques, modes and styles of fox-hunting, hound-training and horse-riding. Trollope equally analyzes the way society appraises hunters. For instance, he explains the differences between male hunters and female hunters and claims that while the hunting farmer plays an indispensable role in the maintenance and the development of the sport, parsons and clergymen should not hunt since the activity is culturally believed to be incompatible with the nature of their religious function. By the very end of the sketches, Trollope insinuates that once you take his advice and guidance, you can ride to hounds better than nineteen men out of every twenty that you have seen at the meet, and will have enjoyed the keenest pleasure that hunting can give you. "Let it be understood that I am speaking of fox-hunting, and let the young beginner always remember that in hunting the fox a pack of hounds is needed.... They simply wish to get away, and in their impatience forget the little fact that a pack of hounds is necessary for the hunting of a fox... I have found myself compelled to begin with this preliminary caution, as all riding to hounds hangs on the fact in question. Men cannot ride to hounds if the hounds be not there. They may ride one after another, and that, indeed, suffices for many a keen sportsman; but I am now addressing the youth who is ambitious of riding to hounds. But though I have thus begun, striking first at the very root of the matter, I must go back with my pupil into the covert before I carry him on through the run. In riding to hounds there is much to do before the straight work commences. Indeed, the straight work is, for the man, the easiest work, or the work, I should say, which may be done with the least previous knowledge. Then the horse, with his qualities, comes into play; and if he be up to his business in skill, condition, and bottom, a man may go well by simply keeping with others who go well also. Straight riding, however, is the exception and not the rule. It comes sometimes, and is the cream of hunting when it does come; but it does not come as often as the enthusiastic beginner will have taught himself to expect.... The art must come of nature and of experience; and Orion, were he here, could only tell the tyro of some few blunders which he may avoid, or give him a hint or two as to the manner in which he should begin."
