Queen Sugar Natalie Baszile 2014-02-06 The inspiration for the acclaimed OWN TV series produced by Oprah Winfrey and Ava DuVernay "Queen Sugar is a page-turning, heart-breaking novel of the new south, where the past is never truly past, but the future is a hot, bright promise. This is a story of family and the healing power of our connections—to each other, and to the rich land beneath our feet." —Tayari Jones, author of *An American Marriage* Readers, booksellers, and critics alike are embracing Queen Sugar and cheering for its heroine, Charley Bordelon, an African American woman and single mother struggling to build a new life amid the complexities of the contemporary South. When Charley unexpectedly inherits eight hundred acres of sugarcane land, she and her eleven-year-old daughter say goodbye to smoggy Los Angeles and head to Louisiana. She soon learns, however, that cane farming is always going to be a white man's business. As the sweltering summer unfolds, Charley struggles to balance the overwhelming challenges of a farm in decline with the demands of family and the startling desires of her own heart.

Shadow Country Peter Matthiessen 2008-08-19 NATIONAL BOOK AWARD WINNER • "Altogether gripping, shocking, and brilliantly told, not just a tour de force in its stylistic range, but a great American novel,

as powerful a reading experience as nearly any in our literature."—Michael Dirda, *The New York Review of Books* Killing Mister Watson, *Lost Man's River*, and *Bone by Bone*—Peter Matthiessen's great American epic about Everglades sugar planter and notorious outlaw E. J. Watson on the wild Florida frontier at the turn of the twentieth century—were originally conceived as one vast, mysterious novel. Now, in this bold new rendering, Matthiessen has marvelously distilled a monumental work while deepening the insights and motivations of his characters with brilliant rewriting throughout. Praise for *Shadow Country* "Magnificent . . . breathtaking . . . Finally now we have [this three-part saga] welded like a bell, and with Watson's song the last sound, all the elements fuse and resonate."—*Los Angeles Times* "Peter Matthiessen has done great things with the Watson trilogy. It's the story of our continent, both land and people, and his writing does every justice to the blood fury of his themes."—Don DeLillo "The fiction of Peter Matthiessen is the reason a lot of people in my generation decided to be writers. No doubt about it. *Shadow Country* lives up to anyone's highest expectations for great writing." —Richard Ford "Shadow Country, Matthiessen's distillation of the earlier Watson saga, represents his original vision. It is the quintessence of his lifelong concerns, and a great legacy."—W. S. Merwin "[An] epic masterpiece . . . a great American novel."—*The Miami Herald*

Muck City Bryan Mealer 2013-08-13 In a town deep in the Florida Everglades, where high school football is the only escape, a haunted quarterback, a returning hero, and a scholar struggle against terrible odds. The loamy black "muck" that surrounds Belle Glade, Florida once built an empire for Big Sugar and provided much of the nation's vegetables, often on the backs of roving, destitute migrants. Many of these were children who honed their skills along the field rows and

started one of the most legendary football programs in America. Belle Glade's high school team, the Glades Central Raiders, has sent an extraordinary number of players to the National Football League - 27 since 1985, with five of those drafted in the first round. The industry that gave rise to the town and its team also spawned the chronic poverty, teeming migrant ghettos, and violence that cripples futures before they can ever begin. *Muck City* tells the story of quarterback Mario Rowley, whose dream is to win a championship for his deceased parents and quiet the ghosts that haunt him; head coach Jessie Hester, the town's first NFL star, who returns home to "win kids, not championships"; and Jonteria Williams, who must build her dream of becoming a doctor in one of the poorest high schools in the nation. For boys like Mario, being a Raider is a one-shot window for escape and a college education. Without football, Jonteria and the rest must make it on brains and fortitude alone. For the coach, good intentions must battle a town's obsession to win above all else. Beyond the Friday night lights, this book is an engrossing portrait of a community mired in a shameful past and uncertain future, but with the fierce will to survive, win, and escape to a better life.

Writing on Napkins at the Sunshine Club Kevin Cantwell 2011 Writing on Napkins at the Sunshine Club includes a poet laureate of Georgia and of the United States—and the poet who read at President Clinton's second inauguration. The oldest was born in 1905 and the two youngest in that ominous year of American history, 1968. The Pulitzer-winning Stanley Kunitz wrote a famous poem about the Indian Mounds. Miller Williams, father of the Grammy winning Lucinda Williams, lived in Macon in the early 1960s and became a friend of Flannery O'Connor. In the late 1970s, soon after his Mercer days, David Bottoms writes the poems for Shooting Rats at the Bibb County Dump and wins the Walt Whitman Award. Jud Mitcham wins the Devins Award for his first book, *Somewhere in Ecclesiastes*, and Seaborn Jones is doing his stint with Mister Rogers's Neighborhood and would later connect, in San Francisco, to one of the last pure lines of surrealism in American expression. Several poets came out of Macon or arrived in Macon soon after.

Between Mercer University and Macon State College the activity of poetry in Macon thrived. Adrienne Bond wrote her seminal poems and started up the Georgia Poetry Circuit. Judith Ortiz Cofer passed through Macon State at the brink of her position at the University of Georgia and in American letters as an important artistic spokesperson for women's experience. From Bruce Beasley and his hybrid poetics, to Stephen Bluestone and his learned craft in the lyric poem, this book presents a selection for all students of Southern Literature some of the best poems of other poets, too, like Anya Silver, Amanda Pecor, Marjorie Becker, and the late Reginald Shepherd who was as well-known at his early death as any poet of his generation. Many of these poets studied with and knew the important poets of their time. The poems, nevertheless, speak for themselves.

Raising Sugar Cane Barry Raffray 2016-06-14 This book is about the life of a little boy born during WW II raised on a sugarcane plantation in Southern Louisiana. These were hard times for poor folks who had to work very hard to earn meager living wages to support their families. Although money was scarce, living and working on the land allowed you to grow and raise much of your food, which the city people could not do. Generally, one had food or the means to get food if you were inclined to do so by working extra time on the land, provide it was after your normal work day was completed. Some landowners would not allow workers to use their land for gardens. Times were hard, and folks were poor, but most of us did not know we were poor because all of our friends and

neighbors had the same things; we had nothing. You made the most of what you did have. It was a simple time when you could grow your own food and make your own toys to entertain yourself and your friends. As a youngster, I had plenty fun times, growing up on the plantation. This book is about some of those times as best as I can recall them. Most of this book is written in the manner that we talked before education came into play. If this story were told with proper English and punctuation, the reader would miss out on the flavor of the times of these happenings.

A Woman Like Her Sanam Maher 2020-01-28 A NEW YORK TIMES NOTABLE BOOK OF 2020 "An exemplary work of investigative journalism." —Parul Sehgal, The New York Times The murder of a Pakistani social media star exposes a culture divided between accelerating modernity and imposed traditional values—and the tragedy of those caught in the middle. In 2016, Pakistan's first social media celebrity, Qandeel Baloch, was murdered in a suspected honor killing. Her death quickly became a media sensation. It was both devastatingly routine and breathtakingly brutal, and in a new media landscape, it couldn't be ignored. Qandeel had courted attention and outrage with a talent for self-promotion that earned her comparisons to Kim Kardashian—and made her the constant victim of harassment and death threats. Social media and reality television exist uneasily alongside honor killings and forced marriages in a rapidly, if unevenly, modernizing Pakistan, and Qandeel Baloch's story became emblematic of the cultural divide. In this definitive and up-to-date account, Sanam Maher reconstructs the story of Qandeel's life and explores the depth and range of her legacy from her impoverished hometown rankled by her infamy, to the aspiring fashion models who follow her footsteps, to the Internet activists resisting the same vicious online misogyny she faced. Maher depicts a society at a crossroads, where women serve as an easy scapegoat for its anxieties and dislocations, and teases apart the intrigue and myth-making of the Qandeel Baloch story to restore the humanity of the woman at its center.

Many Peoples, One Land Alethea K. Helbig 2000-10-30 Celebrating the wealth of quality multicultural literature recently published for children and young adults, this valuable resource examines the fiction, oral tradition, and poetry from four major ethnic groups in the United States. Each of these genres is considered in turn for the literature dealing with African Americans, Asian Americans, Hispanic Americans, and Native-American Indians. Taking up where their earlier volume *This Land is Our Land* left off, Helbig and Perkins have teamed up once again to identify and expertly evaluate more than 500 multicultural books published from 1994 through 1999. Both considered authorities in the field of children's literature, the two of them personally selected, read, and evaluated all the books included here. Their insightful annotations help readers carefully consider both literary standards such as plot development, characterization, and style, as well as cultural values as they are represented in these cited works. Each entry also indicates the suggested age and grade level appropriateness of the work. With the proliferation and ever increasing popularity of multicultural literature for children and young adults, this sensitively written volume will serve as an invaluable collection development tool. Teachers, as well as librarians, will find the comprehensiveness and organization of this bibliography helpful as a guide in selecting appropriate materials for classroom use. Even students will find this book easy to use, with its five indexes identifying works by title, writer, illustrator, grade level, and subject. Public libraries and school media centers will find much use for *Many Peoples, One Land*.

The New Georgia Encyclopedia Companion to Georgia Literature Hugh Ruppersburg 2011-08-15 Georgia has played a formative role in the writing of America. Few states have produced a more impressive array of literary figures, among them Conrad Aiken, Erskine Caldwell, James Dickey, Joel Chandler Harris, Carson McCullers, Flannery O'Connor, Jean Toomer, and Alice Walker. This volume contains biographical and critical discussions of Georgia writers from the nineteenth century to the present as well as other information pertinent to Georgia literature. Organized in alphabetical order by author, the entries discuss each author's life and

work, contributions to Georgia history and culture, and relevance to wider currents in regional and national literature. Lists of recommended readings supplement most entries. Especially important Georgia books have their own entries: works of social significance such as Lillian Smith's *Strange Fruit*, international publishing sensations like Margaret Mitchell's *Gone With the Wind*, and crowning artistic achievements including Jean Toomer's *Cane*. The literary culture of the state is also covered, with information on the *Georgia Review* and other journals; the Georgia Center for the Book, which promotes authors and reading; and the Townsend Prize, given in recognition of the year's best fiction. This is an essential volume for readers who want both to celebrate and learn more about Georgia's literary heritage.
