Most Intimate Roshi Pat Enkyo O'Hara 2014-03-11 For Roshi Pat Enkyo O'Hara, intimacy is what Zen practice is all about: the realization of the essential lack of distinction between self and other that inevitably leads to wisdom and compassionate action. She approaches the practice of intimacy beginning at its most basic level—the intimacy with ourselves that is the essential first step. She then shows how to bring intimacy into our relationships with others, starting with those dearest to us and moving on to those who don't seem dear at all. She then shows how to grow in intimacy so that we include everyone around us, all of society, the whole world and all the beings it contains. Each chapter is accompanied by practices she uses with her students at the Village Zendo for manifesting intimacy in our lives.

The Royal Jewel 2021-02-15 A RARE JEWEL MAY BE THE ANSWER TO EVERYTHING Joy thought she was special and unique, until find Lando, who is also a Ikihatsunukishisen. She had a suffering past and was searching for something that gave her the answers about what happened to her parents, who died in mysterious ways. Joy wants the answers at all costs and hopes that Lando can help. He, on the other hand, received a mission and hopes that she will not be a threat. The Royal Jewel, third book in the Enerkry Series In a not too distant future, Roger and Romeo are twin brothers who were separated at birth. Joy, a lonely girl who received training from her uncle, an Intelligence Service ex-agent needs something from the Rikarggan Mansion at all cost and will not measure effort to get it, even if he has to use his Ikihatsunukishi. She meets Lando, who has just emerged from a mind-blowing adventure in Arthur's kingdom. He, surprised that Joy is an Ikihatsunukishisen and suspecting of her actions, decides to help her, even though he knows that this would put at risk not only the Rikarggan, but also his own family. The series The Enerkry Series is a huge puzzle of mysteries, thrillers, actions, adventures, romances, powers inexplicable to human eyes and a lot of science fiction. Pay attention to all the details, unite all the stories, unravel all the mysteries and discover the secrets of the Ikihatsunukishisen and their Ikihatsunukishi. Are your powers a threat to humans? As threatening as they may seem, perhaps they are the only hope against something destructive that spreads throughout the Universe. Jewels Within a Teardrop Tony Salerno 1998 Poetry is the artwork of the literary world, and Jewels within a Teardrop offers both: -- 16 beautiful, evocative paintings by the author, and a fine anthology of haunting poems that explore the nature of the universe, the Creator, humanity, and our relationships with each other. Unhampered by the linearity of prose, Toni Salerno uses the poet's freedom to paint images that resonate with our deepest hopes and fears, and joys and pain -- hopes for a new age and the fear that blocks us from it, the pain of separation from our Creator or a lover, and the joy of reunion. Toni's poetry is a true roller-coaster for the emotions.

The Jewel of Abundance Ellen Grace O'Brian 2018-11-27 Achieve Success and Prosperity through the Principles of Yoga Although millions of Westerners practice yoga simply for its health benefits, the philosophy and wisdom behind the multifaceted discipline have far more to offer. In The Jewel of Abundance, award-winning author and Kriya Yoga teacher Ellen Grace O'Brian reveals an overlooked aspect of yoga: its powerful teachings on prosperity. She draws upon the ancient Vedic tradition of yoga philosophy and practice and shows how spirituality and earthly success can complement each other, leading to realization of the higher Self. O'Brian presents a clear explanation of both the philosophy of yoga and the nuts and bolts of practice, such as setting up a daily meditation routine, incorporating mantras, discerning how to cooperate with universal principles for complete well-being, and cultivating mindfulness in action. Along the way, she illustrates her lessons with personal stories and timeless sayings from great sages, both Eastern and Western. With O'Brian's insightful guidance, readers will discover an inexhaustible source of abundance that is available to them whenever they look within.

Joy Is a Jewel Carolyn Anne Venable 2016-05-05 "Devil, You Can't Steal My Joy!" Oh how eager the enemy is to steal our joy! It is because he knows that \"the joy of the LORD is our strength.\" Christians who are generally familiar with that verse may not be aware of the scores of Scriptures on joy, on rejoicing, and on being totally blessed! The LORD loves to lavish joy on us, the redeemed. So join me as we enter into the Spirit and REJOICE! In this book you will learn how... * to recognize the difference between the soul and spirit * the Beatitudes show that the way of the Spirit is best for our happiness * to live triumphantly through trials during end-time days * to sing in jubilation and rejoice!

Jewel Bret Lott 2011-11-15 In the backwoods of Mississippi, a land of honeysuckle and grapevine, Jewel and her husband, Leston, are truly blessed; they have five fine children. When Brenda Kay is born in 1943, Jewel gives thanks for a healthy baby, last-born and most welcome. Jewel is the story of how quickly a life can change; how, like lightning, an unforeseen event can set us on a course without reason or compass. In this story of a woman's devotion to the child who is both her burden and God's singular way of smiling on her, Bret Lott has created a mother-daughter relationship of matchless intensity and beauty, and one of the finest, most indomitable heroines in contemporary American fiction.

The Jewels of Happiness Sri Chinmoy 2015-01-13 The Jewels of Happiness is a treasure chest of wisdom and joy - a mosaic of succinct and insightful pieces of prose, practical exercises and uplifting aphorisms and verse. Addressing themes such as peace, enthusiasm and love, the self-contained chapters combine to create a wonderful tapestry of inspiration. Sri Chinmoy's easy-to-follow exercises, based on perennial ancient wisdom, are truly pertinent for the modern era and perfectly suited to our fast-paced lives - his amazing ability to offer positive help and insight speaks to each reader as if the words were written just for them. Author, poet, musician and internationally renowned spiritual leader, Sri Chinmoy is recognized as a foremost teacher of meditation. For 37 years he was director of the nondenominational peace meditations at the United Nations in New York City. He wrote and lectured extensively on the topics of peace, happiness, how to learn meditation, etc.

The Doors of Joy Daniel Odier 2014-06-02 We know from countless spirituality and self-help books that authentic joy has no object—it is truly free and boundless. And yet, try as we might, how many of us can say that joy is more than a fleeting fleeting? Daniel Odier's approach, which is based in part on his study of Chinese Zen, is refreshingly straightforward. All it requires is a willingness to disengage from our habitual ways of thinking and practice being present throughout the day. He calls his method, "The Practice of Consciousness." Its purpose is to unlock our spontaneity and recover our innocence and creativity. He writes, "Consciousness manifests itself as presence. To work with presence is similar to learning a musical instrument, the body being our instrument. To enter this state, take a sensation such as water flowing into your hand or the feel of your bare feet on the ground. Enter deeply into the contact; breathe by relaxing your abdomen; and after fifteen or twenty seconds, leave the sensation and return to your habitual mode. Doing this thirty, forty or fifty times a day allows us to enter into a deep acquaintance with sensation." With a nod to Aldous Huxley, whose book *Doors of Perception* laid the groundwork for the psychedelic and sexual revolutions, Odier's aim is nothing short of total human liberation. Still, he is realistic about the power that habit and our ingrained ways of operating in the world has over us. To counter them, he offers up some mischievous advice--like this, "There is something suspect about our adoration of harmony. One of the things I fantasize about is replacing the Buddha on my altar with one of Caesar. The harmony of the

Buddha puts us to sleep and makes us soft, but the chaos of Caesar can wake us up. Every morning before this altar we would abandon harmony in favor of the infinite possibilities that chaos represents." With *Doors of Joy*, Daniel Odier has discovered the trip-wire that keeps us from experiencing lasting joy and he gives us the tool kit that will bring it back into our lives for good.

Anna Maria Island Bonner Joy 2016-01-11 Anna Maria Island was once inhabited by Native Americans, but as the beauty became known to its first homesteader, George L. Bean, the island's destiny was to be a beacon to paradise. In spite of mangrove forests and throngs of mosquitoes, people came by boat to enjoy the white sand beaches and the turquoise waters of the Gulf of Mexico, with their cool onshore breezes and blazing sunsets. The *Islander* newspaper of the 1950s heralded, "Where life is good and the fishing is great." Anglers came from afar to test their skills against tarpon, the world's greatest game fish, and to hunt goliath grouper in the depths of Tampa Bay. Two modern bridges connected the island to the mainland in 1957, and with that the seven-mile-long island was on its way to becoming the jewel of Manatee County.

The Joy of Poems Angel M. Jimenez 2017-11-30 Life and love are things we all cherish. Our appreciation for life and everything it represents becomes exceedingly more significant in all spheres, of which the most important on earth is humanity. The Joy of Poems celebrates life and love in all their various forms. Love is the origin and point of departure for beginning and continuing any relationship in life. Of all the emotions, it is the most important and essential. When it comes to love, we decorate the spheres of space, subjects, and objects with exotic, romantic dimension to enhance the outlook and context of life, and poetry comes alive. Author Angel M. Jimenez writes poems with passion about the beautiful exposures and experiences of life, building them with intrinsic essence for the enjoyment of the reader, emanating from the love of life and the joy of poetry. This poetry collection presents a series of verses that consider aspects of humanity, life, nature, and love with the goal of inspiring greater happiness in readers.

The Jewel Thief Jeannie Mobley 2020-05-26 A lush, slow-burn romance set in 17th century France, and based on the history of the Hope Diamond--The Glittering Court meets Alex and Eliza. Her story begins . . . in Paris. The only daughter of the King's crown jeweler, Juliette marvels at the large, deep-blue diamond Louis XIV has commanded her father to make shine like the sun. But Jean Pitau has never cut a diamond quite like this, and shaping it is a risky endeavor. As Jean spirals into depression, Juliette takes it upon herself to cut the stone, and with every misstep, brings her family closer to ruin. Her story resumes . . . in a cold, dark cell of the Bastille prison. Charged with stealing the King's diamond, Juliette has but one chance to convince him that her motives were pure. If she fails, this night may very well be her last. Though, death wouldn't be her worst fate. Because recording Juliette's confession is René, a court-appointed scribe, and the man she loves. But René holds his own grudge against Juliette, and this is her one and only chance to win back his heart.
