Sky Dragon Frances Pauli 2016-12-19 Did the Dragon make you do it? There's nothing like being left out of your own party. I sent my gang to the super secret dragon training facility to

keep them safe, but now I'm on the outside, living with another dragon anchor who'd like to kill me half the time, and wondering exactly where it was that I screwed up... again. Between forest fire duty, juggling the media shit storm over the existence of dragons, and doing my best not to end up on TV, you'd think I wouldn't have time to miss them. You'd think I'd put in enough hours, that the universe had finished messing with me. Think again. Just when I'm sure I've got everything under control, my old enemy breaks out of jail, a rival gang comes after my crew, and the giant Silver Death Worm decides I'm its new best friend. Highly unlikely. Between keeping what crew I have left, keeping the dragons I don't control from instigating an unstoppable crime spree, and keeping myself from getting mended, I shouldn't have time to worry about Doc. Except, all of a sudden, my would-be boyfriend is at the very center of everything. And lying his ass off. What do you do when all your problems point straight to the one person in the world you want to believe in? What do you do when you lose everything, and even the voices in your head have no idea how to get it back?

2002-12-19 *Dragon Skies* is the dark and magical history of northern Britain in the late sixth century. The series blends myth, legend, and history into a vibrant and powerful retelling of the events that led to the birth of Northumbria and the collapse of the Romano-British kingdoms that comprised Y Gogledd. One lonely man, fated by the gods to walk the battlefields and witness the events, will become legend. This is the history of Lailoken, known as Myrddin, the last dragon harper. In the collapse of Roman Britain, the North returned to the centuries old hatreds and tribal rivalries. Each generation of kings and tyrants fought over the bones of the land. No Arthur arose to unite the

kingdoms and bring peace, though there was no lack of pretenders to his legacy. Beneath a Dragon Sky begins the journey through this troubled land. Bran the Blessed seeks to fulfill his dreams of restoring his people; but the fates have another design. In the midst of the North, Ceidio's kingdom along the old Roman wall is locked between powerful enemies and will find its greatest in its shadow when Peredur Steel Arm comes to claim his legacy. The dreams of a young man with a soul for music will be tested.
