Life-Study of Joshua-Esther Witness Lee 1996-05-01 In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and

govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

With warmth and wisdom, David Jackman ultimately points readers to the true hero of Israel's story: God himself. Part of the Preaching the Word series.

religion in the world maintains this practice as an integral part of their religious practices. While the methods of meditation practices may vary from each group, the underlying commonality is that meditation is a huge cornerstone in humanity. However amongst some christians this practice has lost meaning and significance, it is regarded as an unimportant aspect of the christian experience. Stop Dating The Church! Joshua Harris 2004 God designed us to build our lives around a local church. Bestselling Joshua Harris reveals how and why to fall in love with, and stay committed to, the church.

TB Joshua Monday Ogwuajo Ogbe 2019-05-09 TB Joshua- The Misunderstood & Misrepresented Prophet at SCOANNever a time like our time has the church being so divided on diverse metrics than now. We see each other as rivals rather than brethren. We spend too much time arguing over scripture, the right or the wrong denomination, doctrines, creed, who is a man or woman of God and who isn't, who is a devil and who is a saint. Most believers usually only have fellowship with those in their own church or group. This segregation is divisive to the detriment of the singular mandate Jesus gave every believer to go out and make disciples of all nations teaching them to obey all that He has commanded us - Matthew 28:19,20.The early church was one, this was Jesus prayer for his church in John 17:21-23. Let's spend the time that we spend fighting each other by showing the love of Christ, giving our time to helping others supporting the church as commanded.The assignment of making disciples of all nations cannot be handled by one

ministry even if it has 2 billion members. Every part has a function that others can't supply effectively. The eye is not the leg and the leg is not the hand. Each part of the body of Christ is optimized for a particular function that displays the diversity of our heavenly Father. I have written this book - TB Joshua, the misunderstood and misrepresented prophet at Synagogue Church of All Nations (SCOAN) to draw us to the need to extend a hand of fellowship with SCOAN and our brothers and sister in other fellowships around the world. This cannot happen without knowledge of the ministry. Only in knowledge can understanding come. I met TB Joshua one-on-one in April 2010 in his office and have fellowshipped with the ministry more than three times. This is driven by our burden in otakada.org to see the body of Christ united in spirit. By the time you are done reading this book, you will gain information you never had before on the need for unity as shown to me by Christ on the 22nd of April 2006. You will be desirous to engage other ministries like SCOAN as you will see the need to open channels of communication with other ministries beyond your own so that you will be an answer to Christ prayer on unity because of your selfless action to engage lovingly with other brethren. Monday Ogbuojo Ogbu "Now let's put this all together: Jesus prayed in John 17 that the Body of Christ would be united with the Godhead in the same way that He Himself is united with His Father. The implication is that when people see us, they have seen the Father. And if they don't believe us on account of our words, they should believe us on account of our works, because we are to do greater works than Jesus did. That is the kind of unity that will cause the world to know that the Kingdom of God has come near them!" - Kris Vallotton

Joshua Trent Hunter 2016-07-18 The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout the book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on every page of the Bible. At God's command and under Joshua's leadership, the nation of Israel invaded the land of Canaan—the land God had promised his people. Thus, the book of Joshua records a key period in God's plan to redeem his people from slavery in Egypt. Connecting the story of Joshua to God's larger promises, pastor Trent Hunter offers readers rich insights into the book's overarching story of salvation and the ultimate rest offered to all who trust in Christ for salvation—helping them apply its message to their lives today.
