Within the captivating pages of **Sad Swashbuckler The Life Of William Walker** a literary masterpiece penned with a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of people who partake in its reading experience.

*What Went Wrong? The Nicaraguan Revolution* Dan La Botz 2016-09-07 This volume is a valuable re-assessment of the Nicaraguan Revolution by a Marxist historian of Latin American political history. It shows that the FSLN's lack of commitment to democracy was a key factor in the way that the revolution went awry.

*The Encyclopedia of the Mexican-American War [3 volumes]* Spencer C. Tucker 2012-10-09 This user-friendly encyclopedia comprises a wide array of accessible yet detailed entries that address the military, social, political, cultural, and economic aspects of the Mexican-American War. The Encyclopedia of the Mexican-American War: A Political, Social, and Military History provides an in-depth examination of not only the military conflict itself, but also the impact of the war on both nations; and how this conflict was the first waged by Americans on foreign soil and served to establish critical U.S. military, political, and foreign policy precedents. The entries analyze the Mexican-American War from both the American and Mexican perspectives, in equal measure. In addition to discussing the various campaigns, battles, weapons systems, and other aspects of military history, the three-volume work also contextualizes the conflict within its social, cultural, political, and economic milieu, and places the Mexican-American War into its proper historical and historiographical contexts by covering the eras both before and after the war. This information is particularly critical for students of American history because the conflict fomented sectional conflict in the United States, which resulted in the U.S. Civil War.

**Revisioning History** Robert A. Rosenstone 1995 Publisher Description

*The End And The Beginning* John A Booth 2019-07-09 In this second, revised and updated edition, Dr. Booth assesses the performance of the revolutionary government since 1979. The structure and operation of the regime is closely examined, as well as its policies and their implementation. The author details the difficulties the Sandinistas have encountered with the breakdown of their revolutionary coalition and the emergence of domestic and external opposition. He also discusses the difficulty of achieving economic recovery due to the effects of economic reorganization, private sector fears, and external economic sanctions. Finally, Dr. Booth focuses on the foreign policy of the Sandinistas, in particular their increasingly tense relationship with the United States.

**Derecho internacional. Poder y límites del derecho en la sociedad global** René Urueña 2015-01-01 La enseñanza del derecho internacional público en América Latina se caracteriza actualmente por tres intuiciones centrales: (a) que es "bueno"; (b) que es "derecho" —y si lo es o no es una pregunta importante—; y, finalmente, (c) que constituye un "sistema". Veamos brevemente en qué consiste cada una de esas intuiciones. Comencemos por la idea de que el derecho internacional es "bueno". Esta idea, por supuesto, no aparece generalmente expresada en esos términos. Sin embargo, la narrativa que subyace en gran parte de los manuales de derecho internacional de la región es que los Estados son egoístas y buscan satisfacer sus intereses de manera violenta. Entra, entonces, el derecho internacional a facilitar la cooperación armónica entre Estados, imponiendo la razón de la comunidad internacional a la irracionalidad de los intereses estatales, y protegiendo valores universales como la dignidad humana o los derechos humanos. Es natural que esta idea haya prosperado en América Latina. En una región donde los Estados han mostrado, con frecuencia, su incapacidad (o su abierta falta de voluntad) para proteger a sus ciudadanos, resulta lógico que sea atractiva la idea de que ese Estado incompetente o represor no es la

última autoridad, o de que hay una moralidad superior a la que el Estado debe someterse. El derecho internacional funcionaría como esa autoridad superior, que trae justicia donde el Estado la niega.

*Tennessee Librarian* 1977

**Catalog of Printed Books. Supplement** Bancroft Library

*Your Reading* Jane Christensen 1983 An annotated listing of over 3000 fiction and non-fiction books recommended for junior high and middle school students.

**The Trial of Andrew Johnson** Noel Bertram Gerson 1977 An account of the impeachment trial of President Andrew Johnson in 1868.

**Visions of the Past** Robert A. Rosenstone 1998-08-04 Can filmed history measure up to written history? What happens to history when it is recorded in images, rather than words? Can images convey ideas and information that lie beyond words? Taking on these timely questions, Robert Rosenstone pioneers a new direction in the relationship between history and film. Rosenstone moves beyond traditional approaches, which examine the history of film as art and industry, or view films as texts reflecting their specific cultural contexts. This essay collection makes a radical venture into the investigation of a new concern: how a visual medium, subject to the conventions of drama and fiction, might be used as a serious vehicle for thinking about our relationship with the past. Rosenstone looks at history films in a way that forces us to reconceptualize what we mean by "history." He explores the innovative strategies of films made in Africa, Latin America, Germany, and other parts of the world. He journeys into the history of film in a wide range of cultures, and expertly traces the contours of the postmodern historical film. In essays on specific films, including *Reds*, *JFK*, and *Sans Soleil*, he considers such issues as the relationship between fact and film and the documentary as visionary truth. Theorists have for some time been calling our attention to the epistemological and literary limitations of traditional history. The first sustained defense of film as a way of thinking historically, this book takes us beyond those limitations.

**T.S. Stribling** Kenneth W. Vickers 2004 Henry Poggioli, a psychologist and amateur detective who often solved the case just a little too late.--BOOK JACKET.

**The Wounded River** Peter Josyph 2012-01-01 The Wounded River takes the reader back more than 130 years to reveal a marvelous, first-hand account of nineteenth-century warfare. In the process, the work cuts the legends and mythology that have come to frame and define accounts of America's bloodiest war. Of equal significance, Peter Josyph's editorial work on this superb collection of letters from the Western Americana Division of Yale University's Beinecke Rare Book and Manuscripts Library enhances and clarifies Lauderdale's experiences as a surgeon aboard the U.S. Army hospital ship *D. A. January*. The reader looks on while Lauderdale, a New York civilian contract surgeon, operates on hundreds of Confederate and Union wounded. The young doctor's clear writing style and his great compassion for these unfortunate men whose bodies were ripped apart by bullets, shell fragments, and bayonets permits us to catch a disturbing glimpse of what modern warfare does to humanity. Finally, we learn of Lauderdale's motives for volunteering, his impressions of the "hospital ship" *D. A. January*, Confederate morale, the Abolitionist cause, and black slavery. The Wounded River is a must read for anyone interested in the real American Civil War.

*The Legacy of the Filibuster War* Marco Cabrera Geserick 2019-06-24 This book examines the development of the Filibuster War as the main symbol of Costa Rican national identity. By analyzing the ways in which

national narratives have been created around the war, the author argues that national identity is a dynamic process defined according to local, national, and international contexts.

*Subject Catalog* Library of Congress 1976

**Magill's Guide to Military History: Jap-Pel** John Powell 2001 "Salem Press's five-volume 'Magill's Guide to Military History' presents a survey of the wars, battles, peoples, groups, and civilizations that played an important role in worldwide military history from ancient times to the twenty-first century. In addition to comprehensive coverage of Western military history, the encyclopedia examines the major military events, personages, and civilizations of the entire world from the beginning of military history ..." Includes: Time Line of Wars and Battles, Wars and Battles by Geographical Area, Military Leaders by Geographic Area, and List of Entries by Category,

**New York Times Saturday Review of Books and Art** 1977 Presents extended reviews of noteworthy books, short reviews, essays and articles on topics and trends in publishing, literature, culture and the arts. Includes lists of best sellers (hardcover and paperback).

**A Bibliography of Tennessee History, 1973-1996** W. Calvin Dickinson 1999 With some 6,000 entries, A Bibliography of Tennessee History will prove to be an invaluable resource for anyone--students, historians, librarians, genealogists--engaged in researching Tennessee's rich and colorful past. A sequel to Sam B. Smith's invaluable 1973 work, Tennessee History: A Bibliography, this book follows a similar format and includes published books and essays, as well as many unpublished theses and dissertations, that have become available during the intervening years. The volume begins with sections on Reference, Natural History, and Native Americans. Its divisions then follow the major periods of the state's history: Before Statehood, State Development, Civil War, Late Nineteenth Century, Early Twentieth Century, and Late Twentieth Century. Sections on Literature and County Histories round out the book. Included is a helpful subject index that points the reader to particular persons, places, incidents, or topics. Substantial sections in this index highlight women's history and African American history, two areas in which scholarship has proliferated during the past two decades. The history of entertainment in Tennessee is also well represented in this volume, including, for example, hundreds of citations for writings about Elvis Presley and for works that treat Nashville and Memphis as major show business centers. The Literature section, meanwhile, includes citations for fiction and poetry relating to Tennessee history as well as for critical works about Tennessee writers. Throughout, the editors have strived to achieve a balance between comprehensive coverage and the need to be selective. The result is a volume that will benefit researchers for years to come. The Editors: W. Calvin Dickinson is professor of history at Tennessee Technological University. Eloise R. Hitchcock is head reference librarian at the University of the South.

*The Hispanic American Historical Review* James Alexander Robertson 1979 Includes "Bibliographical section".

*Sad Swashbuckler* Noel Bertram Gerson 1976 Biography of the adventurer who was the President of Nicaragua 1856-1857.

**The Cumulative Book Index** 1976 A world list of books in the English language.

**The Bay Islands Sourcebook** David Kenneth Evans 1995

**Select Proceedings of the European Society of International Law** Mariano J Aznar 2016-01-28 This is the fourth in the Series of Select Proceedings of the European Society of International Law (ESIL) featuring the most important and interesting papers presented at the Fifth Biennial Conference on 'Regionalism and International Law', organised by ESIL and the University of Valencia in 2012. As usual, the best papers from that conference have been re-written, edited and drawn together by the two editors to present a perspective on what is a flourishing forum for the discussion of new ideas and scholarship on international law.

**Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office 1978

**Lives and Times** Blaine T. Browne 2010-05-16 Lives and Times is a biographical reader designed for use in American history courses, with each volume consisting of thirteen chapters in which two significant individuals are examined in the context of a major historical issue or event. Written in a narrative style, this

text offers students new and intriguing perspectives about major issues in the nation's political, economic, social, cultural, intellectual and military history.

**The Great Adventure** Michael C. Adams 1990-11-22 In 1914 Europe descended into a slaughter unlike anything that had been seen before. Yet, far from seeing the conflict as a tragedy, many men welcomed it as a healthy development for society, a relief from peace. The Great Adventure explores the intellectual trends that made war seem a natural and high expression of social values. This is not a book about the specific causes of World War I, but a study of the mood in which it could take place. What the book uncovers is a complex of deeply ingrained attitudes about manhood, sex, power, maturity, boredom, and war that defined a culture in which war came to be seen as a positive option. Although the book focuses on attitudes in Great Britain and the United States of nearly a century ago, it makes a remarkably contemporary statement about men, women, and the culture of war., reviewing a previous edition or volume

**The Story of America** John Arthur Garraty 1994

**Blood & Treasure** Donald Shaw Frazier 1995 Tells the story of the Confederacy's ambitious attempt to conquer the Southwestern territories of New Mexico and Arizona, with Texas troops led by Lieutenant Colonel (and later Arizona governor) John R. Baylor, and General H.H. Sibley.

**Library of Congress Catalogs** Library of Congress 1978

**Civil War to the Bloody End** Jerry D. Thompson 2006 "If President Lincoln could have unmade a general, perhaps he would have started with Samuel Peter "Sourdough" Heintzelman, whose early military successes were overshadowed by a prickly disposition and repeated Union defeats during the Civil War." "By the time his friend Robert E. Lee left Arlington to lead a Rebel army against the bluecoats, Heintzelman had already seen duty in Mexico, established Fort Yuma in California in 1850, mined for silver in Arizona, and ably led U.S. forces on the Texas-Mexico border during the 1859-60 Cortina War. During the Civil War, he was in the forefront of the fighting at First Bull Run and the disastrous 1862 Peninsula Campaign. He commanded the III Corps of the Army of the Potomac at the siege of Yorktown and in the ferocious fighting at Williamsburg, Fair Oaks, Oak Grove, Savage's Station, Glendale, and Malvern Hill. Although he aspired to succeed Gen. George B. McClellan, he was relieved of his command after his troops were badly mauled at Second Bull Run. After demonstrating his inability to guard the southern approaches to Washington, D.C., from Virginia guerillas, he spent the latter part of the war administering prison camps in the Midwest, keeping a watchful eye on Copperhead subversives, and quarreling with more than one disgruntled governor. In early Reconstruction Texas, Heintzelman struggled with the conflict between former Secessionists and Radical Republicans."--BOOK JACKET.

**Encyclopedia of World Biography** 1998 Presents brief biographical sketches which provide vital statistics as well as information on the importance of the person listed.

**The Pretender of Pitcairn Island** Tillman W. Nechtman 2018-09-13 A study of one imposter and his influential vision for British control over the nineteenth-century Pacific Ocean.

**Books for College Libraries: History** Association of College and Research Libraries 1988 The third edition lists 50,000 titles that form the foundation of an undergraduate library's collection. This volume in a six-volume set covers history.

*Sad Swashbuckler: The Life of William Walker* Noel B. Gerson 2021-08-13 An engrossing biography of William Walker - the American adventurer, filibuster and revolutionary leader who succeeded in making himself President of Nicaragua. Perfect for readers of Craig L. Symonds, Nathaniel Philbrick and H.W. Brands. How did an American physician, lawyer, and newspaper editor manage to install himself as President of Nicaragua? And how did he end up facing a firing squad? Noel Gerson's fascinating biography charts the rise and fall of one of the most unlikely mid-nineteenth-century adventurers in American history. William Walker, born in Nashville, Tennessee was diminutive and unassuming. Yet despite having no military background, in the 1850s he launched several filibustering campaigns into Central America leading a private mercenary army. After failing to take Sonora from Mexico, Walker intervened on the side of the Liberals in a civil war in Nicaragua, declaring himself commander of the country's army and, soon afterward, President. He was, briefly, both Nicaragua and America's most popular man. However, after attempting to take control of the rest of Central America, with no support from the U.S. government, he

was captured and shot by the Honduran military in September 1860. Sad Swashbuckler is the remarkable true story of duels, imprisonment, courtroom trials, military invasion, battles, slavery, and execution. Drawing on contemporary material, Gerson reveals the life and exploits of a romantic idealist who sought glory over financial gain, but whose insatiable appetite for recognition and power resulted in his ruin. 'a subject who can't fail to fascinate' - Kirkus Reviews

**Sad Swashbuckler** Noel Bertram Gerson 1976 Biography of the adventurer who was the President of Nicaragua 1856-1857.

*Encyclopedia of World Biography: Vit-Zwo* Paula Kay Byers 1998 Presents brief biographical sketches which provide vital statistics as well as information on the importance of the person listed.

*Latin America* Juan Manuel Pérez 2004 This is a general bibliography on Latin America, covering a wide variety of subjects, from pre-Columbian civilizations, to Columbus, to Castro, to the foreign debt, to pollution, ect. This work will not only be of use to the general, casual reader on Latin America, but also to the more specialized researcher. The book contains over 800 topics, with over 8,000 titles identified.

When the Eagle Screamed William H. Goetzmann 2000 When the Eagle Screamed argues that America's expansionism between 1800 and 1860 positioned it against some of the world's most powerful and aggressive nations. As the United States moved onto the world scene in this age of Manifest Destiny, it clashed with Britain, France, Russia, Spain, and Mexico.

National Union Catalog 1973 Includes entries for maps and atlases.
