The Slide Kyle Beachy 2009-01-27 At once an offbeat love story, a moving portrait of a family in crisis, and a darkly funny American comedy, Kyle Beachy's arresting debut novel—written in prose that is swift, stunning, and sweet—heralds the arrival of a remarkable new voice in fiction. Potter Mays retreats immediately after college graduation to the safe house of his childhood home. Like clockwork each morning, his mother makes him eggs, lovingly fried into hollowed-out pieces of toast. His father, in the midst of a campaign to revitalize downtown St. Louis, promises to “poke around” for gainful employment for his son. Potter's best friend, Stuart—an “Independent Thought Contractor” working out of his parents' lavish pool house—is willing to serve as a kind of life coach, provided, of course, that Potter pays for his services all summer. However... Altogether elsewhere, Potter's (former? future?) girlfriend, Audrey, is backpacking around Europe with her beautiful bisexual traveling companion, Carmel. Potter was not invited, and getting a good night's sleep has recently become an issue for him. As enigmatic packages arrive from Audrey, the refuge of life at home soon proves illusory. Potter's parents are oddly never in the same room together, the neighbor girl is looking quite adult, and Stuart's much-needed counseling

service is subcontracted to a third-party denizen of the pool house with an agenda all his own. And just what are those noises coming from the attic? Kyle Beachy has woven a uniquely affecting story of the long and hard, then quick and hard, struggle to grow up.

Cryptofiction - A Collection of Fantastical Short Stories of Sea Monsters, Dangerous Insects, and Other Mysterious Creatures

Various Authors 2015-02-16 These early works by various authors were originally published in the late 19th century and early 20th century and we are now republishing them with a brand new introduction as part of our Cryptofiction Classics series. 'Cryptofiction - Volume II.' contains a collection of short stories that include 'The Messenger' by Robert W. Chambers, 'The Brazilian Cat' by Arthur Conan Doyle, 'A Relic of the Pliocene' by Jack London, and many other classic tales of strange creatures. The genre of cryptofiction has grown up in the shadow of its

older brothers, science fiction and fantasy, and specialises in the concept of mysterious creatures such as sea monsters, wolf-men, and lost pre-historic creatures. Cryptofiction takes its name from another, non-literary practice: cryptozoology. This is generally regarded as a pseudoscience by mainstream scientists, relying as it does upon anecdotal, often unverifiable evidence. However, it still boasts many enthusiasts, and continues to exert considerable artistic allure. Cryptofiction is here to stay, and the stories in this collection map the development of a genre which is as strange as it is fascinating. The Cryptofiction Classics series contains a collection of wonderful stories from some of the greatest authors in the genre, including Ambrose Bierce, Arthur Conan Doyle, Robert Louis Stevenson, and Jack London. From its roots in cryptozoology, this genre features bizarre, fantastical, and often terrifying tales of mythical and legendary creatures. Whether it be giant spiders, werewolves, lake monsters, or dinosaurs, the Cryptofiction Classics series offers a fantastic introduction to the world of weird creatures in fiction.

Slide Jill Hathaway 2012-03-27 Vee Bell is certain of one irrefutable truth—her sister's friend Sophie didn't kill herself. She was murdered. Vee knows this because she was there. Everyone believes Vee is narcoleptic, but she doesn't actually fall asleep during these episodes: When she passes out, she slides into somebody else's mind and experiences the world through that person's eyes. She's slid into her sister as she cheated on a math test, into a teacher sneaking a drink before class. She learned the worst about a supposed "friend" when she slid into her during a school dance. But nothing could have prepared Vee for what happens one October night when she slides into the mind of someone holding a bloody knife, standing over Sophie's slashed body. Vee desperately wishes she could share her secret, but who would believe her? It sounds so crazy that she can't bring herself to tell her best friend, Rollins, let alone the police. Even if she could confide in Rollins, he has been acting distant lately, especially now that she's been spending more time with Zane. Enmeshed in a terrifying web of secrets, lies, and danger and with no one to turn to, Vee must find a way to

unmask the killer before he or she strikes again.

The Collected Short Stories of Louis L'Amour, Volume 7 Louis

L'Amour 2009-10-27 There is no story more distinctly American than the western and no writer as great a master of the form as Louis L'Amour. In this seventh volume of L'Amour's collected short stories, you'll find some of his most popular characters, heroes who have become a part of our cultural legacy, as well as the ordinary men and women whose adventures are chronicled with an immediacy no reader can resist—or ever forget. In Louis L'Amour's frontier stories, the American West is the crucible in which character is tested, reputations are won or lost, and life always hangs in the balance. Struggling to survive against the elements, hostile Indians, or outlaws who prey upon the honest and hardworking, the men and women in these tales each come face-to-face with what they're made of—often in moments that explode with the violence of an avalanche or the speed of a drawn gun. Here L'Amour demonstrates the unerring touch for detail and keen insight into human nature that lend these stories the power to thrill, surprise, and entertain readers of every generation. A man driven by his faith in the woman he loves survives war, Indian massacre, and near starvation only to find his

homecoming delayed by one last battle—under his own roof. To stop a range war, a ranch foreman stands up to his boss, his men, and conspirators who seem to have both right and might on their side. And in a town where fourteen men have already died under suspicious circumstances, a new sheriff by the name of Utah Blaine patiently sets a trap for a frontier serial killer. Here are stories of honest thieves and crooked lawmen, of dream chasers and treasure hunters, of men and women hoping for a second chance and others down to their last. This rich and varied cast embodies not only the spirit of the West but the timeless struggle of the best and worst in us all, on a stage as big as the frontier itself. Full of suspense, mystery, adventure, this remarkable collection has everything that's earned Louis L'Amour his well-deserved reputation as America's favorite storyteller.

Slider Pete Hautman 2017-09-12 Competitive eating vies with family expectations in a funny, heartfelt novel for middle-grade readers by National Book Award winner Pete Hautman. David can eat an entire sixteen-inch pepperoni pizza in four minutes and thirty-six seconds. Not bad. But he knows he can do better. In fact, he'll have to do better: he's going to compete in the Super Pigorino Bowl, the world's greatest pizza-eating contest, and he has to win it, because he borrowed his mom's credit card and accidentally put \$2,000 on it. So he really needs that prize money. Like, yesterday. As if training to be a competitive eater weren't enough, he's also got to keep an eye on his little brother, Mal (who, if the family believed in labels, would be labeled autistic, but they don't, so they just label him Mal). And don't even get started on the new weirdness going on between his two best friends, Cyn and HeyMan. Master talent Pete Hautman has whipped up a rich narrative shot through with equal parts humor and tenderness, and the result is a middle-grade novel too delicious to put down.

vintage book contains Edgar Allan Poe's 1843 short story, "The Tell-Tale Heart". An anonymous narrator recounts a murder that he has committed, detailing how he carefully dismembered the body and concealed it underneath the floorboards. His endeavours, however, are threatened when his guilt and insanity take on the form of a hallucination that the victim's heart is still beating from beneath the floor. Edgar Allan Poe (1809-1849) was an American author, editor, poet, and critic. Most famous for his stories of mystery and horror, he was one of the first American short story writers, and is widely considered to be the inventor of the detective fiction genre. Many antiquarian books such as this are becoming increasingly rare and expensive. We are republishing this volume now in an affordable, high-quality edition complete with a specially commissioned new biography of the author.
