The Wind in the Reeds Wendell Pierce

2015-09-08 2016 Christopher Award Winner
From acclaimed actor and producer Wendell Pierce, an insightful and poignant portrait of family, New Orleans and the transforming power of art. On the morning of August 29, 2005, Hurricane Katrina barreled into New Orleans, devastating many of the city's neighborhoods, including Pontchartrain Park, the home of Wendell Pierce's family and the first African American middle-class subdivision in New Orleans. The hurricane breached many of the city's levees, and the resulting flooding submerged Pontchartrain Park under as much as 20 feet of water. Katrina left New Orleans later that day, but for the next three days the water kept relentlessly gushing into the city, plunging eighty percent of New Orleans under water. Nearly 1,500 people were killed. Half the houses in the city had four feet of water in them—or more. There was no electricity or clean water in the city; looting and the breakdown of civil order soon followed. Tens of thousands of New Orleanians were stranded in the city, with no way out; many more evacuees were displaced, with no way back in. Pierce and his family were some of the lucky ones: They survived and were able to ride out the storm at a relative's house 70 miles away. When they were finally allowed to return, they found their family home in tatters, their neighborhood decimated.

Heartbroken but resilient, Pierce vowed to help rebuild, and not just his family's home, but all of Pontchartrain Park. In this powerful and redemptive narrative, Pierce brings together the stories of his family, his city, and his history, why they are all worth saving and the critical importance art played in reuniting and revitalizing this unique American city.

Riders of the Wind Rylan Stone 2012-12-20 A great novel abot owls and their fight against the evel owls.

Wind Rider's Oath David Weber 2004-05-01
Bahzell of the Hradani is Back! Exciting Fantasy Adventure by the New York Times Best-Selling Author of the Honor Harrington Series. In The War God's Own, Bahzell had managed to stop a war by convincing Baron Tellian, leader of the Sothoii, to "surrender" to him, the War God's champion. Now, he has journeyed to the Sothoii Wind Plain to oversee the parole he granted to Tellian and his men, to represent the Order of Tomanak, the War God, and to be an ambassador for the hradani. What's more, the flying coursers of the Sothoii have accepted Bahzell as a windrider¾the first hradani windrider in history. And since the windriders are the elite of the elite among the Sothoii, Bahzell's ascension is as likely to stir resentment as respect. That combination of duties would have been enough to keep anyone busy¾even a warrior prince like Bahzell¾but additional complications are bubbling under the surface. The goddess Shigu, the Queen of Hell, is sowing dissension among the war maids of the Sothoii. The supporters of the deposed Sothoii noble who

started the war are plotting to murder their new leige lord and frame Bahzell for the deed. Of course, those problems are all in a day's work for a champion of the War God. But what is Bahzell going to do about the fact that Baron Tellian's daughter, the heir to the realm, seems to be thinking that he is the only man^{3/4}or hradani^{3/4}for her At the publisher's request, this title is sold without DRM (Digital Rights Management). Praise for the Earlier Novels in the Series: Oath of Swords "David Weber branches out into fantasy with this latest novel, and does as well as he does with hardware-heavy space opera . . . colorful characters . . . compelling reading, with plenty of sword & sorcery action and a pleasant sense of humor." ^{3/4}Locus "The creator of SF series heroine Honor Harrington turns successfully to fantasy . . . Weber is . . . emerging as a consistent producer of highly entertaining and intelligent action tales." ^{3/4}Booklist The War God's Own "The action is brisk, the world-building an intelligent extrapolation from classic fantasy elements. . . . Most fantasy fans should find the novel . . . irresistibly entertaining fare. . . ." ^{3/4}Publishers Weekly "Filled with memorable and distinctive characters . . . [The War God's Own] will have new readers looking for the first book and anticipating the sure-to-come third. . . . Weber proves his talent for the storyteller's cadences . . . this book is for readers who enjoy immersing themselves in the myriad dimensions of an alternative world." ^{3/4}VOYA "Excellent fantasy drama. . . ." ^{3/4}The Bookwatch "Bahzell Bahnakson, the reluctant hero of Oath of Swords, returns in this entertaining fantasy sequel . . . there's plenty of action and amusing banter . . . making it a great read." ^{3/4}Locus ". . . a well realized fantasy world . . . Weber deftly fleshes out such concepts as the underground cities of the tale's dwarves, the immortality of its elves, [and] the power of its demons to destroy those who summon them. . . ." ^{3/4}Booklist

Riders of the Winds Edward Shenton 1929

Wind Rider Susan Williams 2009-10-06 Fern dreams of riding on a wild horse's back, as fleet as the wind. She makes pets of small animals and watches the bison herds as they pound over the endless grasses of the steppe. Chafing at the inequality of being female, she longs for the freedom her twin brother enjoys to run free in

the wilderness. One day in early spring, Fern secretly rescues a young horse mired in the bog, names her Thunder, and tames her enough to ride. But the people of her tribe are distrustful of her bond with nature. Is she a witch? Fern's future looks bleak until a silent man in a rival tribe, known only as The Nameless One, teaches her about patience—and love. Susan Williams's lyrical prose makes this journey to prehistoric western Asia at once inspiring and heart wrenching.

Willow King Chris Platt 2002-07-15 Thanks to the faith and hard work of Katie Durham, Willow King no longer has badly twisted legs. After painstaking training, the colt has gained the strength to compete in major races-and Katie is determined to prove he's a champion.

Unfortunately, her new ambition presents her with the most nerve-racking challenge of her life: earning a jockey's license and riding Willow King in the Kentucky Derby. This inspiring story, a sequel to the author's award-winning first novel, is based on her real experiences as a jockey, groom, and assistant horse trainer.

Windsworn Derek Alan Siddoway 2019-02-18 When the kingdom comes under fire, an unlikely hero takes flight... As a blacksmith's apprentice, Eva keeps her hands busy and her head out of the clouds. When she stumbles upon a stolen gryphon egg, she must leave the safety of her quiet life behind and join the Windsworn—an elite band of warriors who ride fierce gryphons into battle. As Eva struggles to earn her place among the warriors, she discovers a sinister plot that could draw on the secrets from her past to bring about the Windsworn's downfall. To save her new friends, Eva must summon her courage and uncover the truth of her mysterious origins before the kingdom plunges into all-out war. Windsworn is the first book in the breathtaking Gryphon Riders YA fantasy series. If you like epic battles, magical creatures, and heartfelt coming-of-age adventures, then you'll love Derek Alan Siddoway's action-packed tale. Download Windsworn to hang on tight for a high-flying thrill ride today!

Riders on The Wind Vance Tillman 2017-04-01 John Hauck and his Nez Perce wife are hired by the proprietor of the Wild West show, in which

they have performed, to track down his kidnapped daughter. Their quest to find her takes them across the country from the settled East to the untamed mountains in the West, following a twisted trail of lies and deception, fighting all the way against the sinister Dement and his outlaw gang. On the journey they are joined by Hauck's old friend, the Sioux chief Otoktay, who leaves the Reservation to go on the warpath one last time. How will the old-timers deal with a changing world as they reprise former battles? The days of the Old West are numbered. What will be its legacy?

Riders of the Wind Robert F. Deburgh

2012-04-01 Riders of the Wind is set in the turbulent times of the nineteen twenties and nineteen thirties. It traces the lives, loves and adventures of six people through this heroic era in aviation. Loosely based on the life of airmail and airline pilot, Charles A. Cross, Jr., the tale is told in the language and spirit of the times. The book graphically portrays the adventure and romance of flight in the pioneering years before World War II, taking the reader into the cockpit with the airmail pilots battling the night through horrific weather and with the route survey pilot in the wilds of the Amazon. It guides the reader through the speakeasies of the prohibition era, the depths of the depression and ultimately to the Eagle Squadrons in the Battle of Britain. Told in very human terms, the story also portrays the courtship and deep abiding love between Charlie Cross and his wife, Doretta and the friendship and camaraderie in the world of aviation in that era.

Wind Therapy Flygirl 2019-08-26 Female Riders Worldwide: Yes, we are a constantly growing Sisterhood! You can find us in many more countries than expected, on all continents of our world! Rider on the Wind David Westheimer 1989-12-01

Riders of the Wind Lee Penney 2013-05-08 A warmer climate has seen an explosion of destructive typhoons, more powerful than any in history. The biggest of them ceaselessly circles the globe, flattening everything in its path, and now it's headed for New Tokyo. As the continent-sized storm bears down on the city, Major Tanaka must lead his squadron on another mission many of them won't survive. The alternative is to watch his city literally be blown away. The fabled riders are the only pilots skilled enough to fly their massively heavy aircraft into the storm with any hope of finding clear skies again, the last line of defense and the last weapon in the fight to sap the storm's power or divert its course. This is a novelette of ~11,000 words (31 pages)

Wind Rider P. C. Cast 2018-10-16 #1 New York

Times bestselling author of the House of Night series, P.C. Cast, brings us Wind Rider, an epic fantasy set in a world where humans, their animal allies, and the earth itself has been drastically changed. A world filled with beauty and danger and cruelty... A madman has driven Mari, Nik, and their Pack from the only home they have ever known. He will stop at nothing until they are obliterated from the earth. Mari knows their only chance of survival is to reach the plains of the Wind Riders, a legendary people known for their bond with their remarkable horses and their unmatched riding abilities. Driven by love and unshakable determination, Mari, and her Companion, Nik chart a perilous journey as they seek safety and sanctuary. The God of Death is looming closer and if the Pack is cast from the plains by the Wind Riders, they will not survive.

Riders on the Wind 2019

Walking with the Wind John Lewis 2015-02-10

The award-winning national bestseller, Walking with the Wind, is one of the most important records of the American civil rights movement as told by a true American hero, John Lewis, who Cornel West called a "national treasure." An eloquent and gripping first-hand account of the turbulent struggle for civil rights and the willingness and courage to change the course of

history. Forty years ago, a teenaged boy named John Lewis stepped off a cotton farm in Alabama and into the epicenter of the struggle for civil rights in America. The ideals of nonviolence which guided that critical time of American history established him as one of the movement's most charismatic and courageous leaders. Lewis's leadership in the Nashville Movement—a student-led effort to desegregate the city of Nashville using sit-in techniques based on the teachings of Gandhi—established him as one of the movement's defining figures and set the tone for the major civil rights campaigns of the 1960s. During this decade, he was repeatedly a victim of violence and intimidation, but his singular belief in non-violent action, inspired by his mentor, Dr. Martin Luther King, was a defining characteristic of his leadership and vision. In 1986, he ran and won a congressional seat in Georgia, and remains in office to this day. *Walking with the Wind* is the story of an American hero. A boy from rural Alabama whose journey led him to Washington, and whose vision and perseverance changed a nation.

The Riders Tim Winton 2014-08-04 An exploration of marriage and the rich relationship that can exist between father and daughter, *The Riders* is a gorgeously wrought novel from the award-winning author Tim Winton. After traveling through Europe for two years, Scully and his wife Jennifer wind up in Ireland, and on a mystical whim of Jennifer's, buy an old farmhouse which stands in the shadow of a castle. While Scully spends weeks alone renovating the old house, Jennifer returns to Australia to liquidate their assets. When Scully arrives at Shannon Airport to pick up Jennifer and their seven-year-old daughter, Billie, it is Billie who emerges—alone. There is no note, no explanation, not so much as a word from Jennifer, and the shock has left Billie speechless. In that instant, Scully's life falls to pieces. *The Riders* is a superbly written and a darkly haunting story of a lovesick man in a vain search for a vanished woman. It is a powerfully accurate account of marriage today, of the demons that trouble relationships, of resurrection found in the will to keep going, in the refusal to hold on, to stand still. *The Riders* is also a moving story about the relationship

between a loving man and his tough, bright daughter.

Wind Riders #2: Search for the Scarlet Macaws Jen Marlin 2021-10-19 Hop aboard *Wind Rider*, a magical sailboat, with Max and Sofia, two kids trying to save the environment one problem at a time. Their second mission? Protecting majestic scarlet macaw chicks in the most biodiverse place on Earth, the Amazon rain forest. Max and Sofia are ordinary kids whose lives are changed when they discover an abandoned sailboat. They're given the chance to make a real impact when the boat magically transports them to a different corner of the world to help other kids save their environment. *Wind Riders: Search for the Scarlet Macaws* is the second book in an illustrated chapter book series about Max and Sofia's adventures tackling real world problems. Each story visits a new location and introduces a human-made problem endangering animals and the environment. With nature's highest stakes and environmental activism baked into each book, as well as fun scientific facts included at the end, *Wind Riders* promises to be the chapter book series for newly independent readers who love nature documentaries and are hungry to learn about the world around them. There is beautiful two-color art throughout and an emphasis on collaborative problem-solving, compassion for the Earth and all its inhabitants, and friendship. The books are printed on partially recycled paper. *Wind Riders* is the perfect STEM chapter book series for fans of *Magic Tree House*, *The Magic School Bus*, and *Zoey and Sassafras*.

Riders on the Wind Laurence Swinburne 1982-06-01

Ride Like the Wind Bernie Fuchs 2004 In Nevada in 1861, a young Pony Express rider races for his life, pursued by seven Paiute warriors who are determined to drive white settlers out of their territory.

Riders on the Wind Quest Learning File Staff 1982-05

Riders on the Wind Victor Royer 2016-01-17 Buzzed by a bullet and nearly killed on the spot, the lone rider in the Canyon fights for his life. After finding the shooters, and learning who sent them, he sets out to find out why. *The Rider*, sometimes known as *The Ghost*, is the mysterious Mr. Smith. And he's not about to let

an ambush to unanswered. As the body-count mounts, Mr. Smith and his riding companion find the truth - and the hidden Apache Gold. But is that truly what this was all about?

Riders of the Wind Elswyth Thane 1926

Against the Wind Ron Ayres 1997-08-29 Ten consecutive thousand-mile days on two wheels in a mental race against imponderable odds and a ceaselessly ticking clock--welcome to the legendary Iron Butt Rally. *Against the Wind* is a riveting new book, written by sixth-place 1995 finisher Ron Ayres, telling the story of what many call the most grueling test of human endurance in all of motorcycling. With guts and sheer willpower, riders must overcome (or succumb to) fatigue and danger, calling upon human reserves buried deep within. Ayres reveals the innermost thoughts of a successful contestant and lets us share the anticipation, the thrill, the fatigue, the heartbreak, the euphoria, and ultimately the controversy of completing this merciless trial. More than the mere mechanics of making it through the eleven-day ordeal, Ayres describes the elegant strategy necessary to be a contender. You'll discover what motivates the riders, how the rally is scored, what takes place each day, how the routes are planned, and what it's like to ride to the very limit of endurance--and then ride some more. As engaging as Ayres own story is, you'll also be fascinated by the experiences of other riders who are attracted to such events. Motorcycle journalist Bob Higdon states in his foreword to the book, "Here, told from the point of view of a participant, the unraveling of human souls proceeds in almost embarrassing clarity." It's an incredible journey most of us would rather enjoy from our easy chair, and now we can with this first-rate book.

Riders of the Wind Elswyth Thane 1998-09-01

Wind Riders #4: Whale Song of Puffin Cliff

Jen Marlin 2022-08-16 Join Max and Sofia, two kids trying to save the environment one problem at a time with their magical sailboat. Their latest mission? Cleaning up the plastic waste that's hurting puffins and belugas in Iceland. In Starry Bay, summer vacation means snorkeling for sea glass by the beach, until Max and Sofia come across an abandoned sailboat. With a spin of the wheel, Wind Rider transports them to animals who need their help! This time, they drop anchor

in Iceland's frigid waters, where Max and Sofia team up with the Puffin Patrol, a group of Icelandic kids who protect and preserve the local puffin colony. But it seems that the puffins aren't the only ones in trouble. Max and Sofia will have to think fast to save a beached beluga whale. *Wind Riders: Whale Song of Puffin Cliff* is the fourth installment in this highly illustrated chapter book series. Each story visits a new location and introduces a human-made problem endangering animals and the environment. With nature's highest stakes and environmental activism baked into each book, as well as fun scientific facts included at the end, *Wind Riders* promises to be the chapter book series for newly independent readers who love nature documentaries and are hungry to learn about the world around them. There is beautiful two-color art throughout and an emphasis on collaborative problem-solving, compassion for the Earth and all its inhabitants, and friendship. *Wind Riders* is the perfect STEM chapter book series for fans of *Magic Tree House*, *The Magic School Bus*, and *Zoey and Sassafras*.

Wave Riders Lauren St John 2022-05-24 The sea almost killed them, and now it must lead them to the truth in this standalone middle-grade eco-mystery about twins lost on the high seas from the author of the bestselling novel *The White Giraffe*. Twelve-year-old Jess and Jude live a dream life on a battered old yacht, sailing from one exotic destination to the next with their guardian. But when he vanishes one night after an argument with a stranger, the twins are left alone, facing an incoming storm and an unknown enemy. Surviving at sea is just the start of an adventure that will take them an ocean away to the former home of their missing parents and pit them against one of the world's most powerful men. How far do they dare go, and what will they risk, to find the truth about who they are really are? *Wave Riders* from Lauren St John is an exciting and compelling middle-grade tale of sailing, family, and identity.

Into the Wind William Loizeaux 2021-03-02 A character-driven novel about the unlikely friendship between a 10-year-old boy and an elderly woman. The old woman badgers the boy into taking her sailing, but when the weather turns bad, it becomes a wild sail. It becomes the last trip before she goes into the hospital where

she dies: but not before the two of them share memories of their last sail together. Hazel helps build the boy's confidence during a tough time in his home life. Both moving and joyful, *Into the Wind* is a poignant story about loss and love in a boy's life, and the surprising and sustaining bonds that can grow between the old and young.

Wind Riders #1: Rescue on Turtle Beach Jen Marlin 2021-10-19 Hop aboard *Wind Rider*, a magical sailboat, with Max and Sofia, two kids trying to save the environment one problem at a time. Their first mission? Rescuing baby sea turtles in the beautiful waters of Hawaii. Max and Sofia are ordinary kids whose lives are changed when they discover an abandoned sailboat. They're given the chance to make a real impact when the boat magically brings them to a different corner of the world to help other kids save their environment! *Wind Riders: Rescue on Turtle Beach* is the first book in an illustrated chapter book series about Max and Sofia's adventures tackling real world problems. Each story visits a new location and introduces a human-made problem endangering animals and the environment. With nature's highest stakes and environmental activism baked into each book, as well as fun scientific facts included at the end, *Wind Riders* promises to be the chapter book series for newly independent readers who love nature documentaries and are hungry to learn about the world around them. There is beautiful two-color art throughout and an emphasis on collaborative problem-solving, compassion for the Earth and all its inhabitants, and friendship. The books are printed on partially recycled paper. *Wind Riders* is the perfect STEM chapter book series for fans of Magic Tree House, The Magic School Bus, and Zoey and Sassafras.

Willow King Chris Platt 2014-08-19 Katie makes a sacrifice to save the life of a disabled racing colt—but will it all be in vain? At Willow Run Thoroughbred Farm, horses are born and bred for racing. When a much-anticipated bay colt endowed with the farm's finest racing blood is born with terribly twisted legs, the obvious choice is to put him down. He'd be lucky if he could stand and nurse, let alone race. But thirteen-year-old Katie can't stand the idea. Born with one of her legs almost an inch shorter than the other, she wonders what would have

happened if her parents had felt the same way about her. What if they had given up on her entirely when they realized she couldn't be a prima ballerina? Desperate to save the colt's life, Katie works out a deal with the farm's owner and becomes the proud owner of Willow King. Can she help him overcome the odds and claim his place as the racehorse royalty he was born to be?

Riders on the Win Salman Rashid 2005

Riders of the Winds Jack L. Chalker 1988
When the *Changewinds Blow* introduced readers to a world where even the most ordinary objects are magically transformed by the mysterious force known as the *Changewinds*. Now, in *Riders of the Winds*, the wizard Klittichorn has learned to do more than predict the *changewinds*, he has learned to control them!

Off Like the Wind! Michael P. Spradlin 2010-02-16 In 1860, the first Pony Express rider set out on a trail from Missouri to California. With him, he carried a special delivery—the first mail ever carried by hand to the West. Over the next eleven days, he and many other riders would endure harsh weather, dangerous animals, and more, but nothing would diminish their unflagging determination and courage. Meticulously researched and gorgeously illustrated, Michael P. Spradlin and Layne Johnson's *Off Like the Wind!* brings to life an adventurous journey, full of suspense and excitement, that celebrates America's can-do attitude and pioneering spirit.

Wind Riders #3: Shipwreck in Seal Bay Jen Marlin 2022-03-15 Hop aboard *Wind Rider*, a magical sailboat, with Max and Sofia, two ordinary kids trying to save the environment one problem at a time. Their third mission? Saving harbor seals from an oil spill! You never know where *Wind Rider* will take you... Max and Sofia's summer vacation gets wild when they stumble upon an abandoned sailboat in the mangrove forest. They're given the chance to make a real impact when the boat magically transports them to a different corner of the world to help other kids save their environment! *Wind Riders: Shipwreck in Seal Bay* is the third book in an illustrated adventure chapter book series. Each story visits a new location and introduces a human-made problem that's endangering animals and the environment. With

nature's highest stakes and environmental activism baked into each book, as well as fun scientific facts included at the end, Wind Riders is a great chapter book series for newly independent readers who love nature documentaries, taking action, and learning about the world around them. There is beautiful two-color art throughout and an emphasis on collaborative problem-solving, compassion for the Earth and all its inhabitants, and friendship. The books are printed on partially recycled paper. Wind Riders is the perfect STEM chapter book series for fans of Magic Tree House, The Magic School Bus, and Zoey and Sassafras.

Poor Things Alasdair Gray 2001 One of Alasdair Gray's most brilliant creations, *Poor Things* is a postmodern revision of *Frankenstein* that replaces the traditional monster with Bella Baxter--a beautiful young erotomaniac brought back to life with the brain of an infant. Godwin Baxter's scientific ambition to create the perfect companion is realized when he finds the drowned body of Bella, but his dream is thwarted by Dr. Archibald McCandless's jealous love for Baxter's creation. The hilarious tale of love and scandal that ensues would be "the whole story" in the hands of a lesser author (which in fact it is, for this account is actually written by Dr. McCandless). For Gray, though, this is only half the story, after which Bella (a.k.a. Victoria McCandless) has her own say in the matter. Satirizing the classic Victorian novel, *Poor Things* is a hilarious political allegory and a thought-provoking duel between the desires of men and the independence of women, from one of Scotland's most accomplished authors.
