The French Church in the Lady Chapel of St. Patrick's Cathedral Thomas Philip Le Fanu 1930

The Lady Chapel Candace Robb 2015-07-28 A wool merchant's murder may unmask a sinister plot in this novel of medieval England by an author who "puts the history back into the historical mystery" (Kirkus Reviews). Summer in the year of our Lord 1365: On the night after the Corpus Christi procession, a man is brutally murdered on the steps of York Minster. The next morning his severed hand is found in a room at the York Tavern—a room hastily vacated by a fellow guild member who had quarreled with the victim. Archbishop Thoresby calls on Owen Archer to investigate. As Owen tracks the fleeing merchant, he uncovers a conspiracy involving a powerful company of traders, but his only witness is a young boy who has gone into hiding, and his only suspect is a mysterious cloaked woman. When Owen discovers a link between the traders and a powerful coterie in the royal court, he brings his apothecary wife, Lucie, into the race to find the boy before he is silenced forever by the murderers. "[Robb] lives up to the standard set by master medievalist Ellis Peters." —Booklist
