The Incomparable Rex Patrick Garland 2000-01-01 Here is a memoir of theatrical and cinematic talent Rex Harrison. This is a collection of anecdotes, diary extracts, pen-portraits and personal reminiscences.

The Ghost and Mrs. Muir R. A. Dick 2014-09-23 The basis for Joseph L. Mankiewicz's cinematic romance starring Gene Tierney and Rex Harrison. Burdened by debt after her husband's death, Lucy Muir insists on moving into the very cheap Gull Cottage in the quaint seaside village of Whitecliff, despite multiple warnings that the house is haunted. Upon discovering the rumors to be true, the young widow ends up forming a special companionship with the ghost of handsome former sea captain Daniel Gregg. Through the struggles of supporting her children, seeking out romance from the wrong places, and working to publish the captain's story as a book, *Blood and Swash*, Lucy finds in her secret relationship with Captain Gregg a comfort and blossoming love she never could have predicted. Originally published in 1945, made into a movie in 1947, and later adapted into a television sitcom in 1968, this romantic tale explores how love can develop without boundaries, both in this life and beyond. With a new foreword by Adriana Trigiani. *Vintage Movie Classics* spotlights classic films that have stood the test of time, now rediscovered through the publication of the novels on which they were based.

The Making of My Fair Lady Keith Garebian 1998 The common lament was Broadway will never be the same! when *My Fair Lady* finally ended its stellar run the night of Sunday, September 30, 1962. Millions of people had seen the show over six years and had helped break box-office records, even though Rex Harrison, Julie Andrews, Stanley Holloway, and Robert Coote did not stay with the cast throughout the six-year run. *MyFair Lady* used the substance and wit of George Bernard Shaw to add a new dimension to the Broadway libretto.

[Rex Harrison Adult Coloring Book](#) Linda Love 2019-01-11 Sir Reginald Carey Harrison (5 March 1908 - 2 June 1990), known as Rex Harrison, was an English actor of stage and screen. Harrison began his career on the stage in 1924. He served in the Royal Air Force during the Second World War, reaching the rank of flight lieutenant. He won his first Tony Award for his performance as Henry VIII in the play *Anne of the Thousand Days* in 1949. He won his second Tony for the role of Professor Henry Higgins in the stage production of *My Fair Lady* in 1957. He reprised the role for the 1964 film version, which earned him both a Golden Globe Award and Academy Award for Best Actor.

[The Incomparable Rex](#) Patrick Garland 2019-02-04 Rex Harrison's fifth - but not last - wife, Elizabeth said of him: 'I was very fond of Rex before we were married, and even more fond of him after we were married - it was the bit in between that was so difficult.' *The Incomparable Rex* is an affectionate and witty memoir of one of Britain's great theatrical and cinematic talents, Rex Harrison. When he died in 1990, the English-speaking world lost one of its most eloquent and fastidious high comedians. Patrick Garland worked with Harrison on the revival of *My Fair Lady* and came to know him well and - despite Rex's reputation as something of an unholy terror - became extremely fond of him. Rex Harrison was famed for his urbane style, his mordant wit, his numerous wives and his truly appalling temper, quite apart from his legendary and much loved performance as Henry Higgins on both stage and screen. *The Incomparable Rex* is a delightful and frequently laugh-out-loud blend of anecdote, pen-portraits and personal reminiscence which gives a vivid flavour of this complex man, and the pressures of working with him and a large cast, and of reviving a great musical on the American stage. This edition features a new introduction from actor and writer Simon Callow.

Alan Jay Lerner Dominic McHugh 2014-08-01 The man behind "I Could Have Danced all Night" and "Almost Like Being in Love", lyricist Alan Jay Lerner (1918-1986) is widely regarded as one of the most important figures of the American musical stage. In penning the lyrics to some of the most well-known and beloved Broadway shows, including *Brigadoon*, *Paint Your Wagon*, *My Fair Lady*, and *Camelot*, Lerner worked and corresponded with some of the greatest luminaries of popular entertainment over a career which spanned four decades, from performers like Rex Harrison and Julie Andrews to composers like André Previn, Leonard Bernstein, Charles Strouse, Andrew Lloyd Webber, and especially Frederick Loewe. In this rich collection of correspondence, most of it published for the first time, author Dominic McHugh sheds new light on Lerner's working relationships with these legendary figures. McHugh's extensive commentary reveals Lerner's turbulent partnerships with Loewe and Lane, his affection for Harrison, and his reverence for Burton. Particular emphasis is placed on Lerner's aborted projects with composers like Richard Rodgers and Arthur Schwartz. Especially valuable is the correspondence from his final years, in which he worked on a movie version of *The Merry Widow*, a BBC TV series about musicals,

and a musical version of My Man Godfrey, none of which came to fruition. The collection ends with a poignant final exchange between Lerner and Andrew Lloyd Webber, with whom he was to have written The Phantom of the Opera. Overall, this important and lively book reveals the highs and lows of the career of one of America's wittiest and most romantic lyricists.

Rex Rex Harrison 1975 The life story of the "spotty provincial boy from Liverpool" who overcame a lack of classical training and went on to forge a 50-year theatrical career. Harrison's dramatic perseverance -- through his early walk-on days with the Liverpool repertory players and years on tour throughout England -- paved the way for West End spotlights. A star of the stage since the late '30's, his move to the screen increased his popularity. Although his life can be reduced to a mélange of long-playing shows and shorter-lived marriages, Harrison's distinguished career has survived. Harrison himself confesses that writing his autobiography was not as self-revelatory as he'd hoped -- "an actor's life is lived too often and for too long on the surface" he asserts. This, then, is a relatively perfunctory, blithely spiritless self-portrait.

Sexy Remy Michael Druxman 2014-11-26 Actor Rex Harrison is having a dream from which he cannot awaken. Or, perhaps it's a nightmare. Harrison is being haunted by the ghosts of four actresses, former wives Lilli Palmer, Kay Kendall and Rachel Roberts, as well as his late mistress, Carole Landis. All four have a score to settle with the renowned star of MY FAIR LADY, and if he doesn't deal with them, he may never achieve a prize that has eluded him for decades: a place on the Queen's Honor's List. SEXY REXY, Michael B. Druxman's dark character comedy, explores the amorous, often scandalous life of a cad; an award-winning actor whose sophisticated wit may have charmed audiences around the world, but whose cavalier dealings with fellow performers, family, friends, and even casual acquaintances would make even the most tolerant person wince. 1 Man; 4 Women. Simple Open Set.

The Brief, Madcap Life of Kay Kendall Eve Golden 2014-04-23 Comedic film actress Kay Kendall, born to a theatrical family in Northern England, came of age in London during the Blitz. After starring in Britain's biggest cinematic disaster, she found stardom in 1953 with her brilliant performance in the low-budget film, Genevieve. She scored success after success with her light comic style in movies such as Doctor in the House, The Reluctant Debutante, and the Gene Kelly musical Les

Girls. Kendall's private life was even more colorful than the plots of her films as she embarked on a series of affairs with minor royalty, costars, directors, producers, and married men. In 1954 she fell in love with her married Constant Husband costar Rex Harrison and accompanied him to New York, where he was starring on Broadway in *My Fair Lady*. It was there that Kendall was diagnosed with myelocytic leukemia. Her life took a romantic and tragic turn as Harrison divorced his wife and married Kendall. He agreed with their doctor that she was never to know of her diagnosis, and for the next two years the couple lived a hectic, glamorous life together as Kendall's health failed. She died in London at the age of 32, shortly after completing the filming of *Once More with Feeling!*, her husband by her side. *The Brief, Madcap Life of Kay Kendall* was written with the cooperation of Kendall's sister Kim and includes interviews with many of her costars, relatives and friends. A complete filmography and numerous rare photographs complete this first-ever biography of Britain's most glamorous comic star.

Carole Landis Eric Lawrence Gans 2008 Despite appearing in twenty-eight movies in little over a decade, Carole Landis (1919-1948) never quite became the major Hollywood star her onscreen presence should have afforded her. Although she acted in such enduring films as *A Scandal in Paris* and *Moon over Miami*, she was most often relegated to supporting roles. Even when she played the major role in a feature, as she did in *The Powers Girl* and the film noir *I Wake Up Screaming!*, she

was billed second or third behind other actors. This biography traces Landis's life, chronicling her beginnings as a dance hall entertainer in San Francisco, her career in Hollywood and abroad, her USO performances, and ultimately her suicide. Using interviews with actors who worked with Landis, contemporary movie magazines and journals, and correspondence, biographer Eric Gans reveals a tragic figure whose life was all too brief. Landis's big break came in 1940 with Hal Roach's *One Million B.C.* She appeared in thirteen Twentieth Century-Fox pictures between 1941 and 1946. In 1942-43, Landis entertained troops in England and North Africa in the only all-female USO tour. The trip led to her memoir, *Four Jills in a Jeep*, and a Fox movie of the same title. After her last American film in 1947, she completed two projects in England while having an affair with married actor Rex Harrison. Tormented by a love that could not lead to matrimony and depressed about growing older, she took a fatal drug overdose on July 5, 1948. Eric Gans is professor of French at University of California, Los Angeles. He is the author of numerous books including most recently *The Scenic Imagination: Originary Thinking from Hobbes to the Present Day*, and his articles have appeared in many periodicals.

Carole Landis E.J. Fleming 2015-09-11 Before she was a glamorous actress, before she was a war-time pin-up star, even before she was Carole Landis, she was Frances Lillian Ridste, an insecure young girl from Wisconsin. She was strikingly beautiful, talented, and on her way to becoming a movie star, yet she spent her entire life searching for love. Though she appeared in more than 60 films during her short career, Landis was better known for her extraordinary beauty and many romantic relationships than for her acting or comedic timing. Like many starlets of the time, Landis worked her way up from uncredited bit parts (and according to rumors, from the casting couch) to leading roles in such films as *Topper Returns* (1940) and *My Gal Sal* (1942) over the course of her 11-year career. She spent more time visiting troops during World War II—traveling hundreds of thousands of miles and coming near death twice—than any other Hollywood star. Despite her seemingly glamorous and carefree life, Landis was unable to build a lasting

relationship, a fact that contributed to her suicide at 29. This work examines Landis's life and career in Hollywood, focusing on how her movie career affected her short, unhappy life.

Loverly Dominic McHugh 2012-06-08 Few musicals have had the impact of Lerner and Loewe's timeless classic *My Fair Lady*. Sitting in the middle of an era dominated by such seminal figures as Rodgers and Hammerstein, Frank Loesser, and Leonard Bernstein, *My Fair Lady* not only enjoyed critical success similar to that of its rivals but also had by far the longest run of a Broadway musical up to that time. From 1956 to 1962, its original production played without a break for 2,717 performances, and the show went on to be adapted into one of the most successful movie musicals of all time in 1964, when it won eight Academy Awards. Internationally, the show also broke records in London, and the original production toured to Russia at the height of the Cold War in an attempt to build goodwill. It remains a staple of the musical theater canon today, an oft-staged show in national, regional, and high school theaters across the country. Using previously-unpublished documents, author Dominic McHugh presents a completely

new, behind-the-scenes look at the five-year creation of the show, revealing the tensions and complex relationships that went into its making. McHugh charts the show from the aftermath of the premiere of Shaw's *Pygmalion* and the playwright's persistent refusal to allow it to be made into a musical, through to the quarrel that led lyricist Alan Jay Lerner and composer Frederick Loewe to part ways halfway through writing the show, up to opening night and through to the present. This book is the first to shed light on the many behind-the-scenes creative discussions that took place from casting decisions all the way through the final months of frantic preparation leading to the premiere in March 1956. McHugh also traces sketches for the show, looking particularly at the lines cut during the rehearsal and tryout periods, to demonstrate how Lerner evolved the relationship between Higgins and Eliza in such a way as to maintain the delicate balance of ambiguity that characterizes their association in the published script. He looks too at the movie version, and how the cast album and subsequent revivals have influenced the way in which the show has been received. Overall, this book explores why *My Fair Lady* continues to resonate with audiences worldwide more than fifty years after its premiere.

Lerner and Loewe's My Fair Lady Keith Garebian 2016-09-13 "An Englishman's way of speaking absolutely classifies him, The moment he talks he makes some other Englishman despise him." - Henry George Bernard Shaw famously refused to permit any play of his "to be degraded into an operetta or set to any music except its own." Allowing his beloved Pygmalion to be supplanted by a comic opera was therefore unthinkable; yet Lerner and Loewe transformed it into *My Fair Lady* (1956), a musical that was to delight audiences and critics alike. By famously reversing Shaw's original ending, the show even dared to establish a cunningly romantic ending. Keith Garebian delves into the libretto for a fresh take, and explores biographies of the show's principal artists to discover how their roles intersected with real life. Rex Harrison was an alpha male onstage and off, Julie Andrews struggled with her 'chaste diva' image, and the direction of the sexually ambiguous Moss Hart contributed to the musical's sexual coding.
