The Accidental Witch Anne Mazer 2015-04-14 What will it take for Phoebe to become a witch? Phoebe has wanted to be a witch since she was four years old, when witches transformed a barren, rundown park in her town into a thriving and beautiful spot with flowerbeds in full bloom and swings for the children. Witches are what keep the world spinning. They are responsible for beauty and magic—and Phoebe wants desperately to join their ranks.

But as a clumsy fifth grader, she doubts she ever could. One day, perched in her favorite tree, Phoebe tumbles into the midst of a circle of witches. As luck would have it, her clumsiness might just be what makes all of her dreams come true. But being an apprentice to a group of witches is harder than she imagined. This action-packed story follows Phoebe as she flies—and stumbles—toward becoming a full-fledged witch.

**A Witch's Demons** N. E. Conneely For months Michelle

The Witches Roald Dahl

2013-08-27 When the young hero of Roald Dahl's story is orphaned in an automobile accident, he is left in the care of his aged grandmother—a formidable cigar-smoking lady who happens to be a retired

expert on dealing with witches. In spite of her warnings about how to spot these horrific creatures, her grandson accidentally wanders into the annual convocation of the witches of England—and overhears the horrifying plans in store for every child in the country. But before he can escape to reveal the witches' plot, he is captured and turned into a mouse. However, he is no ordinary mouse and this is no ordinary tale. Along with a new introduction--in which James Patterson guarantees this book will "get kids addicted to reading!"--this thirtieth-anniversary edition includes photographs, reproductions of original manuscript pages, and a fascinating and funny reminiscence by editor Stephen Roxburgh on working with Roald Dahl.

raise at the hidden from Odin's all-seeing eye. But as Angrboda slowly recovers her prophetic powers, she learns that her blissful life - and possibly all of existence - is in danger.
