Verbal Encounters Roberta Frank 2005-01-01 Due to conquests and
colonialism through the centuries, it is not unusual for languages and
cultures to be influenced by other, foreign languages and cultures. The
modern English language, for example, owes many of its words to Old
Norse and Latin, debts dating from contacts made during the Middle
Ages. *Verbal Encounters* is a collection of papers on the cultural and
linguistic exchange in Old Norse, Old English, and medieval Latin
literature written in honour of Roberta Frank, former University
Professor of Medieval Studies at the University of Toronto. The essays
feature new scholarship in the field, on topics such as the integral
position of Anglo-Latin within Anglo-Saxon culture and literature,
constructions of feminine strength and effectiveness in Anglo-Saxon
literature, the rise of Latin-based learning in twelfth-century Iceland,
medieval Icelandic religious poetry, and the conversion to Christianity in
medieval Scandinavia. The essays in *Verbal Encounters* are not merely a
fitting tribute to Roberta Frank, but also strong contributions to current

scholarship on medieval literature and culture.

Creating the Medieval Saga Judy Quinn 2010 The essays in this book are a selection of papers delivered at the symposium *Creating the Medieval Saga in Bergen* 2005. The essays have been revised after discussion with respondents and other members of the audience, and further refined in exchanges with the editors and the general editors of the Viking Collection since. Focus at the symposium was on the ways in which editorial practices have created out of complex manuscript

witnesses (dating from the thirteenth to the nineteenth century) a body of deceptively neat narratives, the medieval Icelandic sagas.

THE SAGA OF GISLI THE OUTLAW Anon E. Mouse 2010-03-01 THE EVENTS described in the saga of Gisli the Soursop reach from about the year AD930 to AD980. In a time when the law of Iceland had not yet been established and when men were ruled by their conscience. Gisli, a champion of Iceland, was outlawed for murder by the Chieftain Bork at the Thorsness Thing (council). But besides his sentence he was doomed, even before his birth. He and his kin were under a curse, for they had kept the broken bits of "Graysteel," the thrall's good sword, which came with a withering spaedom (spell). So under sentence and under a curse Gisli went on the run. For fourteen years with the help of family, friends and those who really knew the truth, he managed to evade Bork's men and bounty hunters alike. As with many champions through the ages, Gisli was also a true poet and his verses have genuine thought and feeling lying underneath, as you will frequently find in this volume. To the end Gisli fought hard, taking with him eight of the fourteen who eventually cornered him one snowy night on the crags. It has been said by many that there never was a more famous and honourable defence made by one man in times of which the truth is known. Even as death approached Gisli managed to compose and sing one final verse to his wife who stood nearby. It has also been said that this is one of the finest, if it be not the very finest, of the lesser Sagas. When translating it is difficult to grasp the full spirit of the story, but here it has been accomplished with the detail of scenery and costume thoroughly

mastered. 33% of the net profit will be donated to charities, schools and special causes.
